8		unfounded nature of the request;
9	<u>(d)</u>	If a controller is unable to authenticate the request using commercially
10		reasonable efforts, the controller shall not be required to comply with a
11		request to initiate an action under subsection (1) of this section and may
12		request that the consumer provide additional information reasonably
13		necessary to authenticate the consumer and the consumer's request; and

27	contained in Section 3 of this Act, including denying goods or services,

1		charging different prices or rates for goods or services, or providing a
2		different level of quality of goods and services to the consumer. However,
3		nothing in this paragraph shall be construed to require a controller to
4		provide a product or service that requires the personal data of a consumer
5		that the controller does not collect or maintain, or to prohibit a controller
6		from offering a different price, rate, level, quality, or selection of goods or
7		services to a consumer, including offering goods or services for no fee, if
8		the offer is related to a consumer's voluntary participation in a bona fide
9		loyalty, rewards, premium features, discounts, or club card program; and
10		(e) Not process sensitive data concerning a consumer without obtaining the
11		consumer's consent, or, in the case of the processing of sensitive data

26		(e) The categories of third parties, if any, with whom the controller shares
27		personal data.

1	(4) If a controller sells personal data to third parties or processes personal data for
2	targeted advertising, the controller shall clearly and conspicuously disclose such
3	activity, as well as the manner in which a consumer may exercise the right to opt
4	out of processing.
5	(5) A controller shall establish, and shall describe in a privacy notice, one (1) or

7	their consumer rights under Section 3 of this Act. The different ways to submit a
8	request by a consumer shall take into account the ways in which consumers
9	normally interact with the controller, the need for secure and reliable
10	communication of such requests, and the ability of the controller to authenticate
11	the identity of the consumer making the request. Controllers shall not require a
12	consumer to create a new account in order to exercise consumer rights pursuant
13	to Section 3 of this Act but may require a consumer to use an existing account.

22	to respond to consumer rights requests pursuant to Section 3 of this Act;
23	(b) Taking into account the nature of processing and the information available
24	to the processor, by assisting the controller in meeting the controller's
25	obligations in relation to the security of processing the personal data and in
26	relation to the notification of a breach of the security of the system of the
27	processor pursuant to KRS 365.732; and

1	(c) Providing necessary information to enable the controller to conduct and
2	document data protection assessments pursuant to Section 6 of this Act.
3	(2) A contract between a controller and a processor shall govern the processor's data
4	processing procedures with respect to processing performed on behalf of the
5	controller. The contract shall be binding and shall clearly set forth instructions
6	for processing personal data, the nature and purpose of processing, the type of
7	data subject to processing, the duration of processing, and the rights and
8	obligations of both parties. The contract shall also include requirements that the
9	processor shall:
10	(a) Ensure that each person processing personal data is subject to a duty of
11	confidentiality with respect to the data;
12	(b) At the controller's direction, delete or return all personal data to the
13	controller as requested at the end of the provision of services, unless
14	retention of the personal data is required by law;
15	(c) Upon the reasonable request of the controller, make available to the
16	controller all information in its possession necessary to demonstrate the
17	processor's compliance with the obligations prescribed in Sections 1 to 10 of
18	this Act;
19	(d) Allow, and cooperate with, reasonable assessments by the controller or the
20	controller's designated assessor. Alternatively, the processor may arrange
21	for a qualified and independent assessor to conduct an assessment of the
22	processor's policies and technical and organizational measures in support
23	of the obligations in Sections 1 to 10 of this Act using an appropriate and
24	accepted control standard or framework and assessment procedure for
25	assessments. The processor shall provide a report of the assessment to the
26	controller upon request; and
27	(e) Engage any subcontractor pursuant to a written contract in accordance

1	with this section that requires the subcontractor to meet the obligations of
2	the processor with respect to the personal data.
3	(3) Nothing in this section shall be construed to relieve a controller or processor
4	from the liabilities imposed on it by virtue of its role in a processing relationship
5	as defined by Sections 1 to 10 of this Act.
6	(4) Determining whether a person is acting as a controller or processor with respect
7	to a specific processing of data is a fact-based determination that depends upon
8	the context in which personal data is to be processed. A processor that continues
9	to adhere to a controller's instructions with respect to a specific processing of
10	personal data remains a processor.
11	→ SECTION 6. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO
12	READ AS FOLLOWS:
13	(1) Controllers shall conduct and document a data protection impact assessment of
14	each of the following processing activities involving personal data:
15	(a) The processing of personal data for the purposes of targeted advertising;
16	(b) The processing of personal data for the purposes of selling of personal data;
17	(c) The processing of personal data for the purposes of profiling, where the
18	profiling presents a reasonably foreseeable risk of:
19	1. Unfair or deceptive treatment of consumers or disparate impact on
20	<u>consumers;</u>
21	2. Financial, physical, or reputational injury to consumers;
22	3. A physical or other intrusion upon the solitude or seclusion, or the
23	private affairs or concerns, of consumers, where an intrusion would

27	(e) Any processing of personal data that presents a heightened risk of harm to

1		<u>consumers.</u>
2	<u>(2)</u>	Data protection impact assessments conducted under this section shall identify
3		and weigh the benefits that may flow, directly and indirectly, from the processing
4		to the controller, the consumer, other stakeholders, and the public against the
5		potential risks to the rights of the consumer associated with such processing, as
6		mitigated by safeguards that can be employed by the controller to reduce such
7		risk. The use of de-identified data and the reasonable expectations of consumers,
8		as well as the context of the processing of personal data and the relationship
9		between the controller and the consumer whose personal data will be processed,
10		shall be factored into this assessment by the controller.
11	<u>(3)</u>	The Attorney General may request, pursuant to an investigative demand, that a
12		controller disclose any data protection impact assessment that is relevant to an
13		investigation conducted by the Attorney General, and the controller shall make
14		the data protection impact assessment available to the Attorney General. The
15		Attorney General may evaluate the data protection impact assessments for
16		compliance with the requirements of Sections 1 to 10 of this Act.
17	<u>(4)</u>	Data protection impact assessments are confidential and exempt from disclosure,
18		public inspection, and copying under KRS 61.870 to KRS 61.884.
19	<u>(5)</u>	The disclosure of a data protection impact assessment pursuant to a request from
20		the Attorney General under subsection (3) of this section does not constitute a
21		waiver of the attorney-client privilege or work product protection with respect to
22		the assessment and any information contained in the assessment.
23	<u>(6)</u>	A single data protection assessment may address a comparable set of processing
24		operations that include similar activities.
25	<u>(7)</u>	Data protection assessments conducted by a controller for the purpose of
26		compliance with other laws or regulations may comply under this section if the
27		assessments have a reasonably comparable scope and effect.

1	<u>(8)</u>	Data protection assessment requirements shall apply to processing activities
2		created or generated on or after June 1, 2026.
3		→SECTION 7. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO

12	<u>(2)</u>	Nothing in Sections 1 to 10 of this Act shall be construed to require a controller

16		data or technology, in order to be capable of associating an authenticated
17		consumer request with personal data.
18	<u>(3)</u>	Nothing in Sections 1 to 10 of this Act shall be construed to require a controller
19		or processor to comply with an authenticated consumer rights request pursuant to
20		Section 3 of this Act if:
21		(a) The controller is not reasonably capable of associating the request with the
22		personal data or it would be unreasonably burdensome for the controller to
23		associate the request with the personal data;
24		(b) The controller does not use the personal data to recognize or respond to the
25		specific consumer who is the subject of the personal data, or associate the
26		personal data with other personal data about the same specific consumer;
27		<u>and</u>

1	(c) The controller does not sell the personal data to any third party or otherwise
2	voluntarily disclose the personal data to any third party other than a
3	processor, except as otherwise permitted in this section.
4	(4) The consumer rights contained in Section 3 of this Act shall not apply to
5	pseudonymous data in cases where the controller is able to demonstrate any

8	data is not attributed to an identified or identifiable natural person.
9	(5) A controller that discloses pseudonymous data or de-identified data shall exercise
10	reasonable oversight to monitor compliance with any contractual commitments to
11	which the pseudonymous data or de-identified data is subject and shall take

13	→SECTION 8. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO
14	READ AS FOLLOWS:
15	(1) Nothing in Sections 1 to 10 of this Act shall be construed to restrict a controller's

19	subpoena, or summons by federal, state, local, or other governmental
20	authorities;

15			1. If the deletion of the information is likely to provide substantial
16			benefits that do not exclusively accrue to the controller;
17			2. The expected benefits of the research outweigh the privacy risks; and
18			3. If the controller has implemented reasonable safeguards to mitigate
19			privacy risks associated with research, including any risks associated
20			with re-identification; or
21		<u>(k)</u>	Assist another controller, processor, or third party with any of the
22			obligations under this subsection.
23	<u>(2)</u>	The	obligations imposed on controllers or processors under Sections 1 to 10 of

9	known child or the performance of a contract to which the consumer or a
10	parent or guardian of a known child is a party.
11	(3) The obligations imposed on controllers or processors under Sections 1 to 10 o
