- 18 investigation or prosecution that resulted in the judgment of conviction and
- that may contain biological evidence.
- 20 (b) This subsection shall not apply to offenses under KRS Chapter 218A, unless
- 21 the offense was accompanied by another offense outside of that chapter for

8	(3)	Counsel representing the petitioner shall be provided a reasonable opportunity to

10		Pursuant to KRS 31.110(2)(c), the petitioner shall have no further right to counsel
11		provided by the Department of Public Advocacy on the matter if counsel determines
12		that it is not a proceeding that a reasonable person with adequate means would be
13		willing to bring at his or her own expense. If the Department of Public Advocacy
14		moves to withdraw as counsel for petitioner and the court grants the motion, the
15		court shall proceed as directed under subsection (2)(b) of this section.

22		following apply:
23		(a) A reasonable probability exists that the petitioner would not have been
24		prosecuted or convicted if exculpatory results had been obtained through
25		DNA testing and analysis;
26		(b) The evidence is still in existence and is in a condition that allows DNA testing
27		and analysis to be conducted;

14		the	court may order DNA testing and analysis if the court finds that all of the
15		follo	owing apply:
16		(a)	A reasonable probability exists that either:
17			1. The petitioner's verdict or sentence would have been more favorable if
18			the results of DNA testing and analysis had been available at the trial
19			leading to the judgment of conviction; or
20			2. DNA testing and analysis will produce exculpatory evidence;
21		(b)	The evidence is still in existence and is in a condition that allows DNA testing
22			and analysis to be conducted;
23		(c)	The evidence was not previously subject to DNA testing and analysis or was
24			not subjected to the testing and analysis that is now requested and that may

- The provisions of KRS 17.176 to the contrary notwithstanding, the petitioner shall pay the costs of all testing and analysis ordered under this section. If the court determines that the petitioner is a needy person using the standards set out in KRS 31.120 and the Department of Public Advocacy so moves, the court shall treat the costs of testing and analysis as a direct expense of the defense for the purposes of authorizing payment under KRS 31.185.
  - (8) If the prosecutor or defense counsel has previously subjected evidence to DNA testing and analysis, the court shall order the prosecutor or defense counsel to provide all the parties and the court with access to the laboratory reports that were prepared in connection with the testing and analysis, including underlying data and laboratory notes. If the court orders DNA testing and analysis pursuant to this section, the court shall order the production of any laboratory reports that are prepared in connection with the testing and analysis and may order the production of any underlying data and laboratory notes.
  - (9) If a petition is filed pursuant to this section, the court shall order the state to preserve during the pendency of the proceeding all evidence in the state's possession or control that could be subjected to DNA testing and analysis. The state shall prepare an inventory of the evidence and shall submit a copy of the inventory to the defense and the court. - 2 (10) The court may make any other orders that the court deems appropriate, including
- designating any of the following:
- 4 (a) The preservation of some of the sample for replicating the testing and
- 5 analysis; and
- 6 (b) Elimination samples from third parties.
- 7 (11) If the results of the DNA testing and analysis are not favorable to the petitioner, the
- 8 court shall dismiss the petition. The court may make further orders as it deems

- 10 (a) Notifying the Department of Corrections and the Parole Board;
- 11 (b) Requesting that the petitioner's sample be added to the Department of
- 12 Kentucky State Police database; and
- 13 (c) Providing notification to the victim or family of the victim.
- 14 (12) Notwithstanding any other provision of law that would bar a hearing as untimely, if
- the results of the DNA testing and analysis are favorable to the petitioner, the court
- shall order a hearing and make any further orders that are required pursuant to this
- section or the Kentucky Rules of Criminal Procedure.
- Section 3. KRS 532.030 is amended to read as follows:
- 19 (1) When a person is convicted of a capital offense, he *or she* shall have his *or her*

5	(4)[(5)] The jailer of a county in which a Class D felon or a Class C felon is

- (b) The authority to release an inmate to work under this subsection may be exercised at any time during the inmate's sentence, including the period when the court has concurrent authority to permit work release pursuant to KRS 439.265.
- (c) The warden or jailer may require an inmate participating in the program to pay a fee to reimburse the warden or jailer for the cost of operating the community work program or any other work release program. The fee shall not exceed the lesser of fifty-five dollars (\$55) per week or twenty percent (20%) of the prisoner's weekly net pay earned from the community work program or work release participation. In addition, the inmate may be required to pay for any drug testing performed on the inmate as a requirement of the community work program or work release participation.
- (d) This subsection shall not apply to an inmate who:

probation, shock probation, or conditional discharge, after due consideration of the
defendant's risk and needs assessment, nature and circumstances of the crime, and
the history, character, and condition of the defendant, probation or conditional
discharge shall be granted, unless the court is of the opinion that imprisonment is
necessary for protection of the public because:

- (a) There is substantial risk that during a period of probation or conditional discharge the defendant will commit another crime;

- (c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.
- 13 (3) In the event the court determines that probation is not appropriate after due

5		(b)	If convicted of, having pled guilty to, or entered an Alford plea to a felony

12			commission of the felony for which the defendant is now being sentenced and
13			has had no intervening convictions, pleas of guilty, or Alford pleas to any

15	(5)	In n	naking a determination under subsection (4) of this section, the court may

5	(7)	If dur	ing the term of the alternative sentence the defendant fails to adhere to and
