2. Capitol and Capitol Annex Capital Construction Expenditures: Any expenditure authorized by the Director of the Legislative Research Commission, under the supervision of the Legislative Research Commission, relating to implementation of KRS 56.463(4)(b), or relating to the Capitol Building, and funded by previous or current appropriations to the Legislative Research Commission for the Legislative Branch of government shall not be governed by KRS 7A.010, 7A.120, 45.750 to 45.810, 48.010(16), 48.020, and 48.110.

If any section, any subsection, or any provision thereof shall be invalid or unconstitutional, the decision of the courts shall not affect or impair any of the remaining sections, subsections, or provisions.

4. Duplicate Appropriation: Any appropriation item and sum in this Act and in an appropriation provision in another Act of the 2022 Regular Session of the General Assembly which constitutes a duplicate appropriation shall be governed by KRS 48.312.

5. Priority of Individual Appropriations: KRS 48.313 shall control when a total or subtotal figure in this Act conflicts with the sum of the appropriations of which it consists.

6. Appropriations Revisions: Notwithstanding KRS 48.630(10), no revisions for unbudgeted Restricted Funds appropriations for expenditure shall be allotted or expended that have not been appropriated in any enacted branch budget bill or without the express authority of the General Assembly.

7. Allowance in Lieu of Stationery: Notwithstanding KRS 6.220, in lieu of stationery, there shall be allowed to each member of the House of Representatives the sum of \$350 and to each member of the Senate the sum of \$650. This allowance shall be paid out of the State Treasury at the beginning of each legislative session.

8. Salary Adjustments: In each fiscal year, employees of the Legislative Research Commission shall receive a salary adjustment in accordance with the salary adjustment provided to state employees in the state/executive branch budget.

9. Administrative Expenses: Pursuant to KRS 21.540, administrative expenses shall be paid out of an administrative account which shall be funded by transfers of the necessary moneys, in appropriate ratio, from the funds provided for in KRS 21.550 and 21.560.

10. Employee Layoffs, Furloughs, and Reduced Hours: Notwithstanding any statute to the contrary, the following process and procedure is established for July 1, 2022, through June 30, 2024, in the event that the Legislative Research Commission (LRC) determines that it is desirable for the Director of the LRC to layoff, furlough, or reduce hours of employees:

(1) For the purposes of this section:

(a) "Appointing authority" means the Director of the LRC, in his or her capacity as provided in KRS 7.090, or any agent whom he or she has delegated to act on his or her behalf with respect to employee appointments, position establishments, payroll documents, reemployment requests, waiver requests, requests for certification, or other position actions for the LRC;

(b) "Furlough" or "reduction in hours" means the temporary reduction of hours an employee is scheduled to work by the appointing authority within a pay period;

(c) "Layoff" means discharge of employment subject to the rights contained in this section; and

(d) "Employees" includes all persons employed by the LRC;

(2) Upon an order by the LRC, the appointing authority has the authority to layoff or furlough employees or reduce hours of employment for any of the following reasons:

(a) Lack of funds or budgetary constraints;

(b) A reduction in the agency's spending authorization;

(c) Lack of work;

(d) Abolishment of a position; or

(e) Other material change in duties or organization;

(3) The appointing authority shall determine the job classifications affected and the number of employees laid-off in each classification to which a layoff applies. In the same department or office and job classification, interim and probationary employees shall be laid-off before any full-time or part-time employees are laid-off. For purposes of layoff, "probationary employee" does not include an employee serving a promotional probation;

(4) The Director of the LRC shall approve and implement all actions taken under subsection (2) of this section and no such layoff, furlough, or reduction of hours may begin until such approval has been granted. The Director of the LRC has the authority to determine the extent, effective dates, and length of any action taken under subsection (2) of this section;

(5) In determining the employees to be laid-off, the appointing authority shall consider all employees under the same appointing authority and within the job classification affected. Consideration shall be given to the following relevant factors:

(a) Job performance evaluations;

(b) Seniority;

(c) Education, training, and experience; and

(d) Disciplinary record;

(6) Any employee whose position is subject to layoff, furlough, or reduction of hours shall be provided written notice containing the reason for the action as set forth in subsection (2) of this section at least 15 days in advance of the effective date of the action;

(7) Any employee who is laid-off shall be eligible to apply as a reemployment applicant for positions with the same job classification in the LRC. For a period of two years, a reemployment applicant shall be hired before any applicant except another reemployment applicant with greater seniority who is on the same reemployment list. When a reemployment applicant is removed from a reemployment list, he or she shall be notified in writing. A reemployment applicant who accepts another LRC position, or who retires, shall cease to have eligibility rights as a reemployment applicant;

(8) The appointing authority may place employees subject to a reduction in force;

(9) Furloughs or reduction of hours during a pay period shall not result in the loss of eligibility for any benefit otherwise due the employee;

(10) The appointing authority shall have the authority to promulgate comprehensive administrative regulations governing this section; and

(11) A layoff, furlough, or reduction of hours implemented in accordance with this section shall not be considered a penalization of the employee.

11. Deferred Payroll: Included in the fiscal year 2021-2022 appropriations in Part I of this Act are sufficient funds to issue the state payroll that had previously been deferred.

PART IV

BUDGET REDUCTION OR SURPLUS EXPENDITURE PLAN

The Legislative Branch shall participate in any Budget Reduction Plan or Surplus Expenditure Plan in accordance with KRS Chapter 48, except that obligations essential to the constitutional duties of the Legislative Branch shall be exempt from any Budget Reduction Plan.
