 23                   including stepchildren and foster children, grandchildren, daughters-in-law  
 24                   and sons-in law, brothers and sisters, parents and spouse's parents, and  
 25                   grandparents and spouse's grandparents, without reference to the location or

- 8 (2) Each district board of education shall allow to each teacher and full-time employee

16 employee on any ten (10) days of the school year and shall be granted in addition to  
17 accumulated sick leave days that have been credited to the teacher or employee  
18 under the provisions of subsection (4) of this section.
- 19 (3) A school district shall coordinate among the income and benefits from workers'

26 the district shall provide leave to the teacher or employee for up to one (1) year after  
27 the assault with no loss of income or benefits under the following conditions:

13 cease to make payments under this paragraph;
- 14 (c) The Commonwealth, through the Kentucky Department of Education, shall

16 district makes payments under paragraphs (a) and (b) of this subsection;
- 17 (d) The Commonwealth, through the Kentucky Department of Education, shall  
18 make the employer's contribution to the retirement system in which the  
19 teacher or employee is a member during the period that the district makes  
20 payments under paragraphs (a) and (b) of this subsection; and
- 21 (e) Payments to a teacher or employee under paragraphs (a) and (b) of this  
22 subsection shall be coordinated with workers' compensation benefits under  
23 KRS Chapter 342, disability retirement benefits for teachers under KRS  
24 161.661 to 161.663, and disability retirement benefits for employees under  
25 KRS 61.600 to 61.621 and 78.545 so that the teacher or employee receives  
26 income equivalent to his or her full contracted salary, but in no event shall the  
27 combined payments exceed one hundred percent (100%) of the teacher's or

1           employee's full contracted salary.

2   (4) Days of sick leave not taken by an employee or a teacher during any school year  
3       shall accumulate without limitation and be credited to that employee or teacher.  
4       Accumulated sick leave may be taken in any school year. Any district board of  
5       education may, in its discretion, allow employees or teachers in its common school  
6       system sick leave in excess of the number of days prescribed in this section and may  
7       allow school district employees and teachers to use up to three (3) days' sick leave  
8       per school year for emergency leave pursuant to KRS 161.152(3). Any accumulated  
9       sick leave days credited to an employee or a teacher shall remain so credited in the  
10      event he or she transfers his or her place of employment from one (1) school district  
11      to another within the state or to the Kentucky Department of Education or transfers  
12      from the Department of Education to a school district.

13   (5) Accumulated days of sick leave shall be granted to a teacher or employee if, prior to  
14      the opening day of the school year, an affidavit or a certificate of a physician is  
15      presented to the district board of education, stating that the teacher or employee is  
16      unable to commence his or her duties on the opening day of the school year, but will  
17      be able to assume his or her duties within a period of time that the board determines  
18      to be reasonable.

19   (6) Any school teacher or employee may repurchase previously used sick leave days  
20      with the concurrence of the local school board by paying to the district an amount  
21      equal to the total of all costs associated with the used sick leave.

22   (7) A district board of education may adopt a plan for a sick leave bank. The plan may  
23      include limitations upon the number of days a teacher or employee may annually  
24      contribute to the bank and limitations upon the number of days a teacher or  
25      employee may annually draw from the bank. Only those teachers or employees who  
26      contribute to the bank may draw upon the bank. Days contributed will be deducted  
27      from the days available to the contributing teacher or employee. The sick leave bank

1 shall be administered in accordance with a policy adopted by the board of  
2 education.

3 (8) (a) A district board of education shall establish a sick leave donation program to  
4 permit teachers or employees to voluntarily contribute sick leave to teachers  
5 or employees in the same school district who are in need of an extended  
6 absence from school. A teacher or employee who has accrued more than  
7 fifteen (15) days' sick leave may request the board of education to transfer a  
8 designated amount of sick leave to another teacher or employee who is  
9 authorized to receive the sick leave donated. A teacher or employee may not  
10 request an amount of sick leave be donated that reduces his or her sick leave  
11 balance to less than fifteen (15) days.

12 (b) A teacher or employee may receive donations of sick leave if:

13 1. a. The teacher or employee or a member of his or her immediate  
14 family suffers from a medically certified illness, injury,  
15 impairment, or physical or mental condition that has caused or is  
16 likely to cause the teacher or employee to be absent for at least ten  
17 (10) days; or

18 b. The teacher or employee suffers from a catastrophic loss to his or  
19 her personal or real property, due to either a natural disaster or fire,  
20 that either has caused or will likely cause the employee to be

10 ➔Section 10. KRS 161.620 is repealed, reenacted, and amended to read as  
11 follows:

12 (1) The retirement allowance, in the form of a life annuity with refundable balance, of a  
13 member retiring for service shall be calculated as follows:

14 (a) For retirements effective July 1, 1998, and thereafter, except as otherwise  
15 provided by this section, the annual allowance for each year of service shall be  
16 two percent (2%) of the final average salary for service performed prior to  
17 July 1, 1983, and two and one-half percent (2.5%) of the final average salary  
18 for service performed after July 1, 1983, for all nonuniversity members.

19 **Except as otherwise provided by this section,** the annual retirement allowance  
20 for each year of service performed by members of the Teachers' Retirement  
21 System who are university members shall be two percent (2%) of the final  
22 average salary. Actuarial discounts due to age or service credit at retirement  
23 may be applied as provided in this section;

24 (b) For individuals who become nonuniversity members of the Teachers'  
25 Retirement System on or after July 1, 2002, and before July 1, 2008, who  
26 upon retirement have earned less than ten (10) full years of service credit, the  
27 retirement allowance shall be two percent (2%) of the member's final average

1 salary for each year of service. For individuals who become nonuniversity  
2 members of the Teachers' Retirement System on or after July 1, 2002, and  
3 before July 1, 2008, and who upon retirement have earned at least ten (10) full

6 (c) The board of trustees may approve for members who initially retire on or after  
7 July 1, 2004, and who become nonuniversity members before July 1, 2008, a  
8 retirement allowance of three percent (3%) of the member's final average  
9 salary for each year of service credit earned in excess of thirty (30) years.

10 This three percent (3%) factor shall be in lieu of the two and one-half percent  
11 (2.5%) factor provided for in paragraph (b) of this subsection for every year or  
12 fraction of a year of service in excess of thirty (30) years. Upon approval of  
13 this three percent (3%) retirement factor, the board of trustees may establish  
14 conditions of eligibility regarding the type of service credit that will qualify  
15 for meeting the requirements of this subsection. This subsection is optional  
16 with the board of trustees and shall not be subject to KRS 161.714;

17 (d) For individuals who become nonuniversity members of the Teachers'  
18 Retirement System on or after July 1, 2008, but prior to January 1, 2022, the  
19 retirement allowance shall be:

20 1. a. One and seven-tenths percent (1.7%) of the member's final average  
21 salary for each year of service if the member has earned ten (10) or  
22 less years of service at retirement;

23 b. Two percent (2%) of the member's final average salary for each  
24 year of service if the member has earned greater than ten (10) but  
25 no more than twenty (20) years of service at retirement;

26 c. Two and three-tenths percent (2.3%) of the member's final average  
27 salary for each year of service if the member has earned greater

1 than twenty (20) but no more than twenty-six (26) years of service  
2 at retirement; or

3 d. Two and one-half percent (2.5%) of the member's final average  
4 salary for each year of service if the member has earned greater  
5 than twenty-six (26) but no more than thirty (30) years of service at  
6 retirement; and

7 2. Three percent (3%) of the member's final average salary for each year of  
8 service earned in excess of thirty (30) years of service at retirement  
9 subject to the same terms and conditions as set forth in paragraph (c)2.  
10 of this subsection;

11 (e) For individuals who become university members of the Teachers' Retirement  
12 System on or after July 1, 2008, **but prior to January 1, 2022,** the retirement  
13 allowance shall be:

14 1. One and one-half percent (1.5%) of the member's final average salary for  
15 each year of service if the member has earned ten (10) or less years of  
16 service at retirement;

17 2. One and seven-tenths percent (1.7%) of the member's final average  
18 salary for each year of service if the member has earned greater than ten  
19 (10) but no more than twenty (20) years of service at retirement;

20 3. One and eighty-five hundredths percent (1.85%) of the member's final

23 retirement; or

24 4. Two percent (2%) of the member's final average salary for each year of  
25 service if the member has earned twenty-seven (27) or more years of  
26 service at retirement;

27 **(f) For individuals who become nonuniversity members of the Teachers'**

1 Retirement System on or after January 1, 2022, the retirement allowance  
2 shall, except as adjusted by the board pursuant to Section 1 of this Act, be  
3 the following percentage of the member's final average salary for each year  
4 of service:

5 1. One and seven-tenths percent (1.7%), which shall be increased  
6 incrementally each month the member's age at retirement is greater  
7 than sixty (60) so that the incremental increase is four one-hundredths  
8 of one percent (0.04%) for each complete additional year of age at  
9 retirement in excess of sixty (60), not to exceed a value of one and  
10 nine-tenths percent (1.9%) at age sixty-five (65) or greater; plus

11 2. a. One-quarter of one percent (0.25%), if the member has earned at  
12 least twenty (20) but less than thirty (30) years of service at  
13 retirement; or

14 b. One-half of one percent (0.50%), if the member has earned thirty  
15 (30) or more years of service at retirement;

16 (g) For individuals who become university members of the Teachers'  
17 Retirement System on or after January 1, 2022, the retirement allowance  
18 shall, except as adjusted by the board pursuant to Section 2 of this Act, be  
19 the following percentage of the member's final average salary for each year  
20 of service:

21 1. Seven-tenths of one percent (0.7%), which shall be increased  
22 incrementally each month the member's age at retirement is greater  
23 than sixty (60) so that the incremental increase is four one-hundredths  
24 of one percent (0.04%) for each complete additional year of age in  
25 excess of sixty (60), not to exceed a value of nine-tenths of one percent  
26 (0.9%) at age sixty-five (65) or greater; plus

27 2. a. One-quarter of one percent (0.25%), if the member has earned at

1                                    least twenty (20) but less than thirty (30) years of service at  
 2                                    retirement; or

3                                    b. One-half of one percent (0.50%), if the member has earned thirty  
 4                                    (30) or more years of service at retirement; and

5                    ~~(h)~~ The retirement allowance of a member at retirement, as measured on a  
 6                    life annuity, shall not exceed the member's last yearly salary or the member's  
 7                    final average salary, whichever is the greater amount. For purposes of this  
 8                    section, "yearly salary" means the compensation earned by a member during  
 9                    the most recent period of contributing service, either consecutive or  
 10                   nonconsecutive, preceding the member's effective retirement date and shall be  
 11                   subject to the provisions of KRS 161.220(9) and (10).

12                    **This paragraph shall not apply to the supplemental benefit component.**

13                    (2) Effective July 1, 2002, and annually on July 1 thereafter, the retirement allowance  
 14                    of each retired member and of each beneficiary of a retirement option shall be  
 15                    increased in the amount of one and one-half percent (1.5%), provided the retired  
 16                    member had been retired for at least the full twelve (12) months immediately  
 17                    preceding the date that the increase is effective. In the event that the retired member  
 18                    had been retired for less than the full twelve (12) months immediately preceding the  
 19                    date that the increase is effective, then the increase shall be reduced on a pro rata  
 20                    basis by each month that the retired member had not been retired for the full twelve  
 21                    (12) months immediately preceding the effective date of the increase. **This**  
 22                    **subsection shall not apply to benefits from the supplemental benefit component,**  
 23                    **and the board may adjust this value for individuals who become members on or**  
 24                    **after January 1, 2022, as provided by Section 1 or 2 of this Act, as applicable.**

25                    (3) Any member qualifying for retirement under a life annuity with refundable balance  
 26                    shall be entitled to receive an annual allowance amounting to not less than four  
 27                    hundred dollars (\$400) effective July 1, 2002, and not less than four hundred forty

1 dollars (\$440) effective July 1, 2003, multiplied by the service credit years of the  
2 member. These minimums shall apply to the retired members receiving annuity  
3 payments and to those members retiring on or subsequent to the effective dates  
4 listed in this subsection, except the following:

5 (a) Individuals who become members of the Kentucky Teachers' Retirement  
6 System on or after July 1, 2008; or

7 (b) Members whose retirement allowance payment is reduced below the  
8 minimum allowance as a result of its division in a qualified domestic relations  
9 order or any other provision permitted under KRS 161.700.

10 (4) The minimum retirement allowance provided in this section shall apply in the case  
11 of members retired or retiring under an option other than a life annuity with  
12 refundable balance in the same proportion to the benefits of the member and his  
13 beneficiary or beneficiaries as provided in the duly-adopted option tables at the time  
14 of the member's retirement.

15 (5) Effective July 1, 2008, the monthly allowance of each retired member and each  
16 recipient of a retirement option of the retired member may be increased in an  
17 amount not to exceed three and one-half percent (3.5%) of the monthly allowance in  
18 effect the previous month, provided the retired member had been retired for at least  
19 the full twelve (12) months immediately preceding the date that the increase is  
20 effective. In the event that the retired member had been retired for less than the full  
21 twelve (12) months immediately preceding the date that the increase is effective,  
22 then the increase shall be reduced on a pro rata basis by each month that the retired  
23 member had not been retired for the full twelve (12) months immediately preceding  
24 the effective date of the increase. The level of increase provided for in this  
25 subsection shall be determined by the funding provided in the 2008-2010 biennium  
26 budget appropriation.

27 (6) Effective July 1, 2009, the monthly allowance of each retired member and each

1 recipient of a retirement option of the retired member may be increased in an  
2 amount not to exceed seven-tenths of one percent (0.7%) of the monthly allowance  
3 in effect the previous month, provided the retired member had been retired for at  
4 least the full twelve (12) months immediately preceding the date that the increase is  
5 effective. In the event that the retired member had been retired for less than the full  
6 twelve (12) months immediately preceding the date that the increase is effective,  
7 then the increase shall be reduced on a pro rata basis by each month that the retired  
8 member had not been retired for the full twelve (12) months immediately preceding  
9 the effective date of the increase. The level of increase provided for in this  
10 subsection shall be determined by the funding provided in the 2008-2010 biennium  
11 budget appropriation.

12 (7) Effective July 1, 1990, monthly payments of two hundred dollars (\$200) shall be  
13 payable for the benefit of an adult child of a member retired for service when the  
14 child's mental or physical condition is sufficient to cause dependency on the  
15 member at the time of retirement. Eligibility for this payment shall continue for the  
16 life of the child or until the time the mental or physical condition creating the  
17 dependency no longer exists or the child marries. Benefits under this subsection  
18 shall apply to legally adopted survivors provided the proceedings for the adoption  
19 were initiated at least one (1) year prior to the death of the member. The board of  
20 trustees shall be the sole judge of eligibility or dependency and may require formal  
21 application or information relating thereto.

22 (8) Members of the Teachers' Retirement System shall be subject to the annuity income  
23 limitations imposed by Section 415 of the Internal Revenue Service Code.

24 (9) Compensation in excess of the limitations imposed by Section 401(a)(17) of the  
25 Internal Revenue Code shall not be used in determining a member's retirement  
26 annuity. The limitation on compensation for eligible members shall not be less than  
27 the amount which was allowed to be taken into account by the retirement system in

1 effect on July 1, 1993. For this purpose, an eligible member is an individual who  
 2 was a member of the retirement system before the first plan year beginning after  
 3 December 31, 1995.

4 ~~[(10) Effective January 1, 2019, subsections (1) to (7) of this section do not apply to~~  
 5 ~~individuals who become members of the Teachers' Retirement System on or after~~  
 6 ~~January 1, 2019.]~~

7 ➔Section 11. KRS 161.655 is repealed, reenacted, and amended to read as  
 8 follows:

9 (1) Effective July 1, 2000, the Teachers' Retirement System shall ~~for those individuals~~  
 10 ~~who became members prior to January 1, 2019]~~:

11 (a) Provide a life insurance benefit in a minimum amount of five thousand dollars  
 12 (\$5,000) for its members who are retired for service or disability, except that  
 13 the minimum amount for an individual who becomes a member on or after  
 14 January 1, 2022, and retires for service or disability shall be ten thousand  
 15 dollars (\$10,000). This life insurance benefit shall be payable upon the death  
 16 of a member retired for service or disability to the member's estate or to a  
 17 party designated by the member on a form prescribed by the retirement  
 18 system; and

19 (b) Provide a life insurance benefit in a minimum amount of two thousand dollars  
 20 (\$2,000) for its active contributing members, except that the minimum  
 21 amount for an individual who becomes a member on or after January 1,  
 22 2022, and is an active contributing member shall be five thousand dollars  
 23 (\$5,000). This life insurance benefit shall be payable upon the death of an  
 24 active contributing member to the member's estate or to a party designated by  
 25 the member on a form prescribed by the retirement system.

26 (2) The member may name one (1) primary and one (1) contingent beneficiary for  
 27 receipt of the life insurance benefit. To the extent permitted by the Internal Revenue

1 Code, a trust may be designated as beneficiary for receipt of the life insurance  
2 benefit. Members may designate as beneficiaries only presently identifiable and  
3 existing individuals, or trusts where otherwise permitted, without contingency  
4 instructions, on forms prescribed by the retirement system. In the event that a  
5 member fails to designate a beneficiary, or all designated beneficiaries predecease  
6 the member, the member's estate shall be deemed to be the beneficiary. Any  
7 beneficiary designation made by the member, including the estate should the estate  
8 become the beneficiary by default, shall remain in effect until changed by the  
9 member on forms prescribed by the retirement system, except in the event of  
10 subsequent marriage or divorce. A valid marriage license shall terminate any  
11 previously designated beneficiary, even that of a trust, and establish the spouse as  
12 beneficiary unless, subsequent proof of the marriage, the member or retired member  
13 redesignates someone other than the new spouse as the beneficiary. A final divorce  
14 decree shall terminate the beneficiary status of an ex-spouse unless, subsequent to  
15 divorce, the member redesignates the former spouse as a beneficiary. A final  
16 divorce decree shall not terminate the designation of a trust as beneficiary regardless  
17 of who is designated as beneficiary of the trust.

18 (3) Application for payment of life insurance proceeds shall be made to the Teachers'  
19 Retirement System together with acceptable evidence of death and eligibility. The  
20 reciprocal provisions of KRS 61.680(2)(a) shall not apply to the coverage and  
21 payment of proceeds by the life insurance benefit under this section.

22 (4) Suit or civil action shall not be required for the collection of the proceeds of the life  
23 insurance benefit provided for by this section, but nothing in this section shall  
24 prevent the maintenance of suit or civil action against the beneficiary or legal  
25 representative receiving the proceeds of the life insurance benefit.

26 (5) Upon the death of a member of the Teachers' Retirement System, the life insurance  
27 provided pursuant to subsection (1) of this section may be assigned by the

1 designated beneficiary to a bank or licensed funeral home.

2 ➔Section 12. KRS 161.400 is repealed, reenacted, and amended to read as  
3 follows:

- 4 (1) (a) The board of trustees shall designate as actuary a competent person who shall  
5 be a fellow of the Conference of Consulting Actuaries or a member of the  
6 American Academy of Actuaries. He shall be the technical adviser of the  
7 board on matters regarding the operation of the funds of the system and shall  
8 perform such other duties as are required in connection therewith.
- 9 (b) At least once in each five (5) year period, the actuary shall make an actuarial  
10 investigation into the actuarial assumptions and funding methods used,  
11 including but not limited to mortality, investment rate of return, and service  
12 and compensation of the members and beneficiaries of the retirement system,  
13 relative to the actuarial assumptions and funding methods previously adopted  
14 by the board. The actuarial investigation shall include at a minimum a  
15 summary of the changes in actuarial assumptions and funding methods  
16 recommended in the investigation and the projected impact of the  
17 recommended changes on funding levels, unfunded liabilities, and actuarially  
18 recommended contribution rates for employers over a twenty (20) year period.
- 19 (c) At least annually the actuary shall make an actuarial valuation of the  
20 retirement system. The valuation shall include:

22 shall be reasonably related to the experience of the system and represent  
23 the actuary's best estimate of anticipated experience;
  - 24 2. A description of any funding methods utilized or required by state law in  
25 the development of the actuarial valuation results;
  - 26 3. A description of any changes in actuarial assumptions and methods from  
27 the previous year's actuarial valuation;

- 1           4.    The actuarially recommended contribution rate for employers for the  
2                    upcoming budget periods;
- 3           5.    A twenty (20) year projection of the funding levels, unfunded liabilities,  
4                    and actuarially recommended contribution rates for employers based  
5                    upon the actuarial assumptions, funding methods, and experience of the  
6                    system as of the valuation date; and
- 7           6.    A sensitivity analysis that evaluates the impact of changes in system  
8                    assumptions, including but not limited to the investment return  
9                    assumption, payroll growth assumption, and medical inflation rates, on  
10                  employer contribution rates, funding levels, and unfunded liabilities.
- 11       (d)   On the basis of the results of the valuations, the board of trustees shall make  
12                  necessary changes in the retirement system within the provisions of law and  
13                  shall establish the contributions payable by employers and the state specified  
14                  in KRS 161.550, including changes prescribed by Sections 1, 2, 3, and 4 of  
15                  this Act, as applicable.
- 16       (e)   For any change in actuarial assumptions, funding methods, retiree health  
17                  insurance premiums and subsidies, or any other decisions made by the board  
18                  that impact system liabilities and actuarially recommended contribution rates  
19                  for employers and that are not made in conjunction with the actuarial  
20                  investigation required by paragraph (b) of this subsection, an actuarial analysis  
21                  shall be completed showing the projected impact of the changes on funding  
22                  levels, unfunded liabilities, and actuarially recommended contribution rates  
23                  for employers over a twenty (20) year period.
- 24       (2)   Actuarial factors and actuarial cost factor tables in use by the retirement system for  
25                  all purposes shall be determined by the actuary of the retirement system and  
26                  approved by the board of trustees by resolution and implemented without the  
27                  necessity of an administrative regulation.

1 (3) A copy of each five (5) year actuarial investigation, actuarial analysis, and valuation  
2 required by subsection (1) of this section shall be forwarded electronically to the  
3 Legislative Research Commission no later than ten (10) days after receipt by the  
4 board, and the Legislative Research Commission shall distribute the information  
5 received to the committee staff and co-chairs of any committee that has jurisdiction  
6 over the  ~~Kentucky~~ Teachers' Retirement System. The actuarial valuation required  
7 by subsection (1)(c) of this section shall be submitted no later than November 15  
8 following the close of the fiscal year.

9 ➔Section 13. KRS 161.420 is repealed, reenacted, and amended to read as  
10 follows:

11 All of the assets of the retirement system are for the exclusive purpose of providing  
12 benefits to members and annuitants and defraying reasonable expenses of administering

21 be set aside into the expense fund or expended for the administration of the  
22 retirement system;

23 (2) (a) The teachers' savings fund shall consist of:

24 1. The contributions paid by members of the retirement system into this

- 20 (d) Any accumulated account balance in the teachers' savings fund forfeited by a

- 23 (e) Except as provided by paragraph (f) of this subsection~~[For an individual who~~

18 ➔Section 14. KRS 161.470 is repealed, reenacted, and amended to read as  
 19 follows:

- 20 (1) The membership of the retirement system shall consist of all new members, all  
 21 present teachers, and all persons participating under the retirement system as of  
 22 June 30, 1986, except as provided in Acts 1938 (1st Ex. Sess.), Ch. 1, paragraph 29.  
 23 The board of trustees of the Teachers' Retirement System shall be responsible for  
 24 final determination of membership eligibility and may direct employers to take  
 25 whatever action that may be necessary to correct any error relating to membership.
- 26 (2) Service credit shall be forfeited upon withdrawal. If a member again enters service  
 27 it shall be as a new member, except that any teacher who withdraws by claiming his

1 deposits may repay the system the amount withdrawn plus interest and reestablish  
2 his service credit as provided in subsection (3) of this section.

3 (3) Effective July 1, 1988, and thereafter, an active contributing member of the  
4 retirement system with contributing service equal to one (1) year may regain service  
5 credit by depositing in the teachers' savings fund the amount withdrawn with  
6 interest at the rate to be set by the board of trustees, and computed from the first of  
7 the month of withdrawal and including the month of redeposit.~~Service credit~~  
8 ~~regained pursuant to this subsection on or after January 1, 2019, shall not be used to~~  
9 ~~determine the date the individual purchasing the service became a member of the~~  
10 ~~Teachers' Retirement System.]~~

11 (4) Effective July 1, 1974, any active contributing member with at least two (2) years of  
12 contributing service credit who declined membership as provided in Acts 1938 (1st  
13 Ex. Sess.), Ch. 1, paragraph 29, may secure service credit for prior service, and for  
14 any subsequent service prior to date of membership, by depositing in the teachers'  
15 savings fund contributions for each year of subsequent service prior to date of  
16 membership, with interest at the rate of eight percent (8%) compounded annually to  
17 the date of deposit.

18 (5) Membership in the retirement system shall be terminated:

19 (a) By retirement for service;

20 (b) By death;

21 (c) By withdrawal of the member's accumulated account balance;

22 (d) When a member, having less than five (5) years of Kentucky service is absent  
23 from service for more than three (3) consecutive years; or

24 (e) For persons hired on or after August 1, 2000, when a member is convicted, in  
25 any state or federal court of competent jurisdiction, of a felony related to his  
26 employment as provided in subparagraphs 1. and 2. of this paragraph.

27 1. Notwithstanding any provision of law to the contrary, a member hired

1 on or after August 1, 2000, who is convicted, in any state or federal  
2 court of competent jurisdiction, of a felony related to his employment  
3 shall forfeit rights and benefits earned under the retirement system,  
4 except for the return of his accumulated contributions and interest  
5 credited on those contributions.

6 2. The payment of retirement benefits ordered forfeited shall be stayed  
7 pending any appeal of the conviction. If the conviction is reversed on  
8 final judgment, no retirement benefits shall be forfeited.

9 Except for paragraph (e) of this subsection, upon termination of member accounts  
10 under this subsection, funds in the account shall be transferred to the guarantee  
11 fund. Inactive members may apply for refunds of these funds at any time. The  
12 terminated service shall be reinstated, if not withdrawn by the member, in the event  
13 that the member returns to active contributing service.

14 (6) In case of withdrawal from service prior to eligibility for retirement, the board of  
15 trustees shall on request of the member return all of his accumulated account  
16 balance, including any payments made by the member to the state accumulation  
17 fund, but the member shall have no claim on any contributions made by the state or  
18 employer with a view to his retirement, except as provided by Sections 3 and 4 of  
19 this Act~~[KRS 161.235]~~, or to contributions made to the medical insurance fund. If  
20 the member is eligible for an immediate service retirement allowance as provided in  
21 KRS 161.600, no withdrawal and refund shall be permitted, unless the allowance  
22 would prohibit the member from qualifying for Social Security benefits or the  
23 member elects to withdraw part or all of his service for the purpose of obtaining  
24 credit in another retirement plan. Requests for refund of contributions by the  
25 member must be filed on forms prescribed by the Teachers' Retirement System and  
26 the employer shall be financially responsible for all information that is certified on  
27 the prescribed form. A member may not withdraw any part of his or her

1 accumulated account balance in the retirement system except as provided by this  
2 subsection.

3 (7) Except as provided in KRS 161.520 and 161.525, in case of death prior to  
4 retirement, the board of trustees shall pay to the estate of the deceased member,  
5 unless a beneficiary was otherwise applicably designated by the deceased member,  
6 then to the beneficiary, all of his accumulated account balance, including any  
7 payments made by the member to the state accumulation fund, but the estate or  
8 beneficiary shall have no claim on any contributions made by the state or employer  
9 with a view to the retirement of the member, except as provided by Sections 3 and  
10 4 of this Act~~[KRS 161.235]~~, or to contributions made to the medical insurance fund.

11 (8) Any active contributing member of the Kentucky Employees Retirement System,  
12 the County Employees Retirement System, the State Police Retirement System, or  
13 the Judicial Retirement System may use service, under that retirement system for  
14 the purpose of meeting the service requirement of subsections (3) and (4) of this  
15 section.

16 ➔Section 15. KRS 161.480 is repealed and reenacted to read as follows:

17 Each person, upon becoming a member of the retirement system, shall file a detailed  
18 statement as required by the board of trustees and shall designate a primary beneficiary or  
19 two (2) or more cobeneficiaries to receive any benefits accruing from the death of the  
20 member. A contingent beneficiary may be designated in addition to the primary  
21 beneficiary or cobeneficiaries. The member may name more than one (1) contingent  
22 beneficiary. Any beneficiary designation made by the member, including the estate should  
23 the estate become the beneficiary by default, shall remain in effect until changed by the  
24 member on forms prescribed by the Kentucky Teachers' Retirement System, except in the  
25 event of subsequent marriage or divorce. Subsequent marriage by the member shall void  
26 the primary beneficiary and any cobeneficiary designation, even that of a trust, and the  
27 spouse of the member at death shall be considered as the primary beneficiary, unless the

1 member subsequent to marriage designates another beneficiary. A final divorce decree  
2 shall terminate an ex-spouse's status as either primary beneficiary, cobeneficiary, or  
3 contingent beneficiary, unless subsequent to divorce the member redesignates the former  
4 spouse as primary beneficiary, cobeneficiary, or contingent beneficiary. To the extent  
5 permitted by the Internal Revenue Code, a trust may be designated as beneficiary for  
6 receipt of a member's accumulated account balance in the retirement system as provided  
7 under KRS 161.470(7). A final divorce decree shall not terminate the designation of a  
8 trust as beneficiary regardless of who is designated as beneficiary of the trust. In the event  
9 that a member fails to designate a beneficiary, or all designated beneficiaries predecease  
10 the member, the member's estate shall be deemed to be the beneficiary. Members may  
11 designate as beneficiaries only presently identifiable and existing individuals, or trusts  
12 where otherwise permitted, without contingency instructions, on forms prescribed by the  
13 retirement system. The provisions of this section shall be retroactive as they relate to  
14 election of beneficiaries by members still in active status on the effective date of this  
15 section. The provisions of this section shall not apply to any account from which a  
16 member is drawing a retirement allowance or to the life insurance benefit available under  
17 KRS 161.655.

18       ➔Section 16. KRS 161.500 is repealed, reenacted, and amended to read as  
19 follows:

20 (1) At the close of each fiscal year, the retirement system shall add service credit to the  
21 account of each member who made contributions to his or her account during the  
22 year. Members shall be entitled to a full year of service credit if their total paid days  
23 were not less than one hundred eighty (180) days of a one hundred eighty-five (185)  
24 day contract for a regular school or fiscal year. In the event~~[an individual who~~  
25 ~~became ]~~a member~~[ prior to January 1, 2019, ]~~ is paid for less than one hundred  
26 eighty (180) days, the member may purchase credit according to administrative  
27 regulations established by the board of trustees. In no case shall more than one (1)

1 year of service be credited for all service performed in one (1) fiscal year. Members  
2 who complete their employment contract prior to the close of a fiscal year and elect  
3 to retire prior to the close of a fiscal year shall have their service credit reduced by  
4 eight percent (8%) for each calendar month that the retirement becomes effective  
5 prior to July 1.

6 (2) Members who are employed and paid for less than the number of days required in  
7 their normal employment year shall be entitled to pro rata service credit for the  
8 fractional service. Such credit shall be based upon the number of days employed  
9 and the number of days in the member's annual employment agreement or normal  
10 employment year.

11 (3) Service credit may not exceed the ratio between the school or fiscal year and the  
12 number of months or fraction of a month the member is employed during that year.

13 (4) No service credit shall be granted in the Teachers' Retirement System for service  
14 that has been or will be used in qualifying for annuity benefit payments from  
15 another retirement system financed wholly or in part by public funds.

16 ➔Section 17. KRS 161.507 is repealed, reenacted, and amended to read as  
17 follows:

18 (1) An active contributing member of the Teachers' Retirement System may receive  
19 service credit for active service rendered in the uniformed services of the Armed  
20 Forces of the United States, including the commissioned corps of the Public Health  
21 Service, subject to the provisions of the Uniformed Services Employment and  
22 Reemployment Rights Act of 1994~~[, the provisions of this section as applicable,]~~  
23 and the administrative regulations promulgated by the board of trustees. Military  
24 service includes service in the uniformed services that occurs before the  
25 employment of a member in a position covered by the retirement system or where a  
26 member leaves covered employment without giving advance written or verbal  
27 notice of performing duty in the uniformed services. Service in the uniformed

1 services also includes uniformed service that occurs after employment in a position  
 2 covered by the retirement system where the member has given advance written or  
 3 verbal notice of performing duty in the uniformed services and the member returns  
 4 directly from uniformed services to covered employment. Military service may be  
 5 credited only if discharge was honorable or was not terminated upon the occurrence  
 6 of any of the events listed in 38 U.S.C. sec. 4304. Service shall be considered as  
 7 Kentucky teaching service, except that service may not be used for meeting the  
 8 service requirements set forth in KRS 161.600(1)(a) or 161.661(1) **or subsection (2)**  
 9 **of Section 9 of this Act** unless the service occurred after the member gave written  
 10 or verbal notice of performing duty in the uniformed services and the member  
 11 returned directly from uniformed services to covered employment. A maximum of  
 12 six (6) years of military service may be credited, but in no case a greater number of  
 13 years than the actual years of contributing service in Kentucky.

14 (2) No credit shall be granted for military service which has been or will be used in  
 15 qualifying for annuity benefit payments from another retirement system financed  
 16 wholly or in part by public funds.

17 (3) A member having twenty (20) years or more of active duty in the military service,  
 18 and who is qualified for regular federal retirement benefits based on this military  
 19 service, may not receive credit for any military service in the Teachers' Retirement  
 20 System. This subsection shall apply to service presented for credit on July 1, 1975,  
 21 and after this date.

22 (4) (a) ~~[An individual who became]~~A member **receiving**~~[prior to January 1, 2019,~~  
 23 ~~who desires to receive]~~ retirement credit for active duty in the armed services  
 24 of the United States prior to employment in a position covered by the  
 25 retirement system or where the member leaves covered employment without  
 26 giving advance written or verbal notice of performing duty in the uniformed  
 27 services shall pay to the retirement system the full actuarial cost of the service

1 credit purchased as provided under KRS 161.220(22). These contributions  
 2 shall not be picked up, as described in KRS 161.540(2). In purchasing  
 3 retirement credit for active duty in the armed services, the latest years of  
 4 service shall be considered first in allowing credit toward retirement. The  
 5 board of trustees shall adopt a table of actuarial factors to be used in  
 6 calculating the amount of contribution required for crediting this service.

7 (b) If military service occurred after the member gave written or verbal notice of  
 8 performing duty in the uniformed services and the member returns directly  
 9 from uniformed services to covered employment, the member shall contribute  
 10 the regular member contribution required by KRS 161.540. The member may  
 11 make the payment of delayed contributions in a lump sum payment or in  
 12 installments not to exceed five (5) years beginning with the member's date of  
 13 reemployment. Interest at the rate of eight percent (8%) per annum shall be  
 14 charged for delayed contributions beginning with the member's date of  
 15 reemployment until paid. Members participating in the supplemental benefit  
 16 component~~[hybrid cash balance plan as provided by KRS 161.235]~~ who make  
 17 the regular member contribution required by this paragraph, shall also receive  
 18 the mandatory employer contributions in the supplemental benefit  
 19 component~~[credits]~~ for the period of service purchased.

20 (5) An active contributing member of the Teachers' Retirement System~~[who became a~~  
 21 ~~member of the system prior to January 1, 2019,]~~ may receive service credit for  
 22 service in the military reserves of the United States or the National Guard. The  
 23 member may purchase one (1) month of service for each six (6) months of service  
 24 in the reserves or the National Guard. Notwithstanding any other statute, regulation,  
 25 or policy to the contrary, the system shall provide a member, upon request, the  
 26 estimated actuarial cost of the National Guard or military reserves service purchase  
 27 based upon the information available at the time of the request. The member shall

1 be entitled to enter into a contract with the system at the time of the request to  
2 purchase the National Guard or military reserve service by paying to the system the  
3 estimated actuarial cost, either by installments or in lump sum. The member shall  
4 pay the full actuarial cost of this service in the military reserves or the National  
5 Guard as provided in KRS 161.220(22). Service in the military reserves or the  
6 National Guard shall be treated as service earned prior to participation in the system  
7 and shall not be used for meeting the service requirements set forth in KRS  
8 161.600(1)(a) or 161.661(1) ***or subsection (2) of Section 9 of this Act***. The payment  
9 shall not be picked up by the employer, as described in KRS 161.540(2).

10 ➔Section 18. KRS 161.515 is repealed, reenacted, and amended to read as  
11 follows:

12 (1) For the purposes of this section, "out-of-state service" shall mean service in any

16 retirement system for at least one (1) full scholastic year subsequent to the  
17 latest out-of-state service, may present for credit service rendered out of state,  
18 not to exceed ten (10) years actually taught as a certified or licensed teacher.  
19 All members who elect to purchase this service shall pay to the retirement  
20 system the full actuarial cost as provided under KRS 161.220(22). For each  
21 year of which the retirement system shall accept payment, one (1) year of  
22 service credit shall be given. For members who purchased this service under  
23 the cost formula as it existed under this subsection on June 30, 2005, this

26 No credit shall be granted for service which has been or will be used in  
27 qualifying for annuity benefit payments from another retirement system

1           financed wholly or in part by public funds.

2           (b) A member of the retirement system having teaching service in the elementary  
3           or secondary schools operated by the United States overseas or in this country,  
4           or in a public college or university in Kentucky, not included in the Teachers'

13          section who purchased this service under the cost formula as it existed under  
14          those subsections on June 30, 2005, may elect to use this service for meeting  
15          the requirements of KRS 161.600(1)(c) by making an additional contribution  
16          to the state accumulation fund equal to a member contribution rate of eight  
17          percent (8%) for each year so used. These payments shall not be picked up as  
18          described in KRS 161.540(2). The salary base to be used in determining this  
19          additional contribution shall be the final average salary which is used in  
20          calculating the member's regular retirement annuity.

22          and after this date, shall not receive credit for service defined in subsections (2)(a)  
23          or (2)(b) of this section in excess of one (1) year of credit for each two (2) years of  
24          Kentucky service in a covered position or ten (10) years, whichever is the lesser  
25          number.

26          (4) A member, having completed service as a volunteer in the Kentucky Peace Corps  
27          created by KRS 154.1-720, may purchase service credit for the time served in the

1 corps on the same basis as provided in this section for the purchase of out-of-state  
 2 service credit. A member, having completed service as a federal Peace Corps  
 3 volunteer, may purchase up to two (2) years of service credit for time served in the  
 4 Peace Corps on the same basis as provided in this section for the purchase of out-of-

 20 follows:

21 Upon the death of an active contributing member or upon the death of a member retired  
 22 for disability, except as provided in KRS 161.661(6), the survivors of the deceased  
 23 member in the following named order, may elect to receive a survivor's benefit payable as  
 24 follows:

25 (1) Where there is a surviving widow or widower who is named as the primary  
 26 beneficiary of the member's retirement account, the benefit shall be:

27 (a) One hundred eighty dollars (\$180) per month with no restriction on other

1 income;

2 (b) Two hundred forty dollars (\$240) per month when the surviving widow or  
3 widower's total income from all sources does not exceed six thousand six  
4 hundred dollars (\$6,600) per year or five hundred fifty dollars (\$550) per  
5 month; or

6 (c) If the deceased member has a minimum of ten (10) years of service credit with  
7 the Teachers' Retirement System, the surviving widow or widower may apply  
8 for an annuity actuarially equivalent to the annuity that would have been paid  
9 to the deceased member when eligibility conditions were met. Eligibility for  
10 payments would begin at the time the age of the deceased member would have  
11 met the requirements of KRS ~~161.235(6)~~ or 161.600(1) **or subsection (2) of**  
12 **Section 9 of this Act**, as applicable. In exercising this right, the surviving  
13 widow or widower shall be entitled to receive an annuity for life, except as  
14 provided in subsection (6) of this section. This subsection applies to surviving  
15 spouses of members who die on or after July 1, 1978. A surviving widow or  
16 widower of a member who dies after July 1, 1978, shall be eligible for benefit  
17 payments provided under paragraphs (a) and (b) of this subsection until they  
18 begin receiving payments under this provision;

19 (2) (a) Where there are surviving unmarried children under age eighteen (18) or  
20 under age nineteen (19) if a full-time student in high school, the benefit shall

22 hundred forty dollars (\$340) per month in the case of two (2) children, four  
23 hundred dollars (\$400) per month in the case of three (3) children, and four  
24 hundred forty dollars (\$440) per month in the case of four (4) or more  
25 children. Benefits under this subsection shall apply in addition to benefits  
26 which may be payable under subsections (1) and (3) of this section.

27 (b) Notwithstanding any provision of law to the contrary, the surviving spouse

1           may elect to receive a lump-sum refund of the member's accumulated account  
2           balance in lieu of the survivorship benefits payable under this subsection and  
3           subsection (1) of this section only if the surviving spouse is designated as the  
4           primary beneficiary and:

- 5           1.   Is a biological or adoptive parent of all children eligible for a benefit  
6                under this subsection and has not had his or her parental rights  
7                terminated; or
- 8           2.   Has been appointed as legal guardian of all of the children eligible under  
9                paragraph (a) of this subsection.

10       (c) To elect a lump-sum refund of the member's accumulated account balance  
11       under paragraph (b) of this subsection, the surviving spouse who is designated  
12       as the primary beneficiary must sign a waiver on forms prescribed by the  
13       retirement system of his or her rights and the member's children's rights to the  
14       survivorship benefits payable under this subsection and subsection (1) of this  
15       section. The surviving spouse shall not waive the survivorship benefits  
16       available under this subsection or subsections (1) and (6) of this section if any  
17       of the member's children have attained age eighteen (18) or older unless all of  
18       those children consent in writing on forms prescribed by the retirement system  
19       to waive their survivorship benefits available under this subsection;

20       (3) (a) Where the survivor is a child age eighteen (18) or older whose mental or  
21       physical condition is sufficient to cause his dependency on the deceased  
22       member at the time of the member's death, the benefit shall be two hundred  
23       dollars (\$200) per month, payable for the life of the child or until the time as  
24       the mental or physical condition creating the dependency no longer exists or  
25       the child marries. The mental or physical condition of the adult child shall be  
26       revealed by a competent examination by a licensed physician and shall be  
27       approved by a majority of a medical review committee as defined in KRS

1           161.661(14). Benefits under this subsection shall apply in addition to benefits  
2           which may be payable under subsections (1) and (2) of this section.

3           (b) Notwithstanding any provision of law to the contrary, the surviving spouse  
4           shall not elect to receive a lump-sum refund of the member's accumulated  
5           account balance in lieu of the survivorship benefits payable under this  
6           subsection and subsection (1) of this section unless:

- 7           1. The surviving spouse is designated as the primary beneficiary;
- 8           2. The surviving spouse has been appointed by the court as guardian,  
9           conservator, or other fiduciary with sufficient general or specific  
10          authority to waive the survivorship benefits available under this  
11          subsection for any child or children age eighteen (18) or older who have  
12          been adjudicated incompetent to make decisions on their own behalf by  
13          a court of law; and
- 14          3. Any child or children age eighteen (18) or older who are mentally  
15          competent to make decisions on their own behalf as attested to by two  
16          (2) physicians' statements consent in writing on forms prescribed by the  
17          retirement system to waive their survivorship benefits available under  
18          this subsection.

19          (c) If eligible to elect a lump-sum refund of the member's accumulated account  
20          balance, the surviving spouse shall sign a waiver on forms prescribed by the  
21          retirement system of his or her rights and the member's children's rights to the  
22          survivorship benefits payable under this subsection and subsections (1) and  
23          (2) of this section;

24          (4) Where the sole eligible survivors are dependent parents aged sixty-five (65) or over,  
25          the benefit shall be two hundred dollars (\$200) per month for one (1) parent or two  
26          hundred ninety dollars (\$290) per month for two (2) parents. Dependency of a  
27          parent shall be established as of the date of the death of the member;

- 1 (5) Where the sole eligible survivor is a dependent brother or sister, the benefit shall be  
2 one hundred sixty five dollars (\$165) per month. In order to qualify the brother or  
3 sister must have been a resident of the deceased member's household for at least one  
4 (1) full year prior to the member's death or must have been receiving care in a  
5 hospital, nursing home, or other institution at the member's expense for same  
6 period;
- 7 (6) The benefit to a child as defined in subsection (2) of this section shall terminate  
8 upon the attainment of age eighteen (18) or upon reaching age nineteen (19), if a  
9 full-time student in high school, or upon marriage, except that benefits shall  
10 continue until the attainment of age twenty-three (23) for an unmarried child who is  
11 a full-time student in a recognized educational program beyond the high school  
12 level. The benefit to a widow, widower, dependent parent, or dependent brother or  
13 sister or dependent child age eighteen (18) or older shall terminate upon marriage,  
14 or upon termination of the condition creating the dependency;
- 15 (7) The board of trustees shall be the sole judge of eligibility or dependency of any  
16 beneficiary, and may require formal application or information relating to eligibility  
17 or dependency, including proof of annual income satisfactory to the board. The  
18 board of trustees may subpoena records and individuals whenever it deems this  
19 action necessary;
- 20 (8) No payment of benefits shall be made unless the board of trustees authorizes the  
21 payment. The board shall promulgate administrative regulations for the  
22 administration of the provisions in this section and in every case the decision of the  
23 board of trustees shall be final as to eligibility, dependency, or disability, and the  
24 amount of benefits payable;
- 25 (9) In the event that there are no eligible survivors as defined in subsections (1) to (5)  
26 of this section, or in the event that the surviving spouse elects not to receive  
27 survivorship benefits on his or her own behalf or on behalf of any of the member's

1 children as permitted under subsections (2) and (3) of this section, the board of  
2 trustees shall pay to the estate or the designated beneficiaries of the deceased  
3 member a refund of his accumulated account balance as provided in KRS  
4 161.470(7). If the benefits paid or payable under subsections (1) to (5) of this  
5 section and KRS 161.661 shall amount to a sum less than the member's  
6 accumulated account balance at the time of death, the board of trustees shall pay to  
7 the estate or designated beneficiaries of the deceased member the balance of the  
8 accumulated account balance;

9 (10) Any person who is receiving benefits and becomes disqualified from receiving  
10 those benefits under this section shall immediately notify the Teachers' Retirement  
11 System of this disqualification in writing and shall return all benefits paid after the  
12 date of disqualification. Failure to comply with these provisions shall create an  
13 indebtedness of that person to the Teachers' Retirement System. Interest at the rate  
14 of eight percent (8%) per annum shall be charged if the debt is not repaid within  
15 sixty (60) days after the date of disqualification. Failure to repay this debt creates a  
16 lien in favor of the Teachers' Retirement System upon all property of the person  
17 who improperly receives benefits and does not repay those benefits; and

18 (11) Benefits under subsections (2) and (3) of this section shall apply to a child who is a  
19 legally adopted survivor at the time of the death of the member. This provision shall  
20 be retroactive to include a child who was born after January 1, 1990, and is a legally  
21 adopted survivor of a member whose death occurred prior to July 15, 2008.

22 ➔Section 20. KRS 161.522 is amended to read as follows:

23 Upon the death of a member retired for disability who had a minimum of twenty-seven  
24 (27) years of service at the time of death, except as provided in KRS 161.661(6), the  
25 spouse, if named as the primary beneficiary of the member's account, shall be entitled to  
26 elect, in lieu of a refund of the member's account, an annuity actuarially equivalent to the  
27 annuity that would have been paid to the deceased member had retirement for service

1 been effective on the day immediately preceding the member's death. This option shall be  
2 available only during the entitlement period described under KRS 161.661(3) and (4)  
3 prior to the recalculation of the member's disability allowance under KRS 161.661(5). In  
4 selecting this right, the spouse shall be limited to selecting an option providing a straight  
5 life annuity with refundable balance or a term certain option. There shall be a monthly  
6 minimum allowance of three hundred dollars (\$300) as the basic straight life annuity.  
7 This section applies to surviving spouses of members who were receiving benefit  
8 payments under KRS 161.520 as of June 30, 1988, and to surviving spouses of members  
9 who die on or after July 1, 1984, except that the member shall have been retired for  
10 disability with a minimum of thirty (30) years of service if either of these two (2)  
11 conditions were met prior to July 1, 1990. ~~[This section does not apply to individuals who  
12 become members on or after January 1, 2019.]~~

13       ➔Section 21. KRS 161.525 is repealed, reenacted, and amended to read as  
14 follows:

15 (1) Upon death of a member in active contributing status at the time of death, who was  
16 eligible to retire by reason of service, the spouse, if named as the primary  
17 beneficiary of the member's retirement account, or in the absence of an eligible  
18 spouse a legal dependent of the member, if named as the primary beneficiary, shall  
19 be entitled to elect, in lieu of a refund of the member's accumulated account balance  
20 or benefits provided in KRS 161.520, an annuity actuarially equivalent at the  
21 attained age of the beneficiary to the annuity that would have been paid to the  
22 deceased member had retirement been effective on the day immediately preceding  
23 the member's death. Under the provisions of KRS 61.680, benefits shall be  
24 processed as if the member retired for service. In exercising this right the spouse or  
25 legal dependent shall be limited to selecting an option providing either a straight life  
26 annuity with refundable balance or a term certain option. A spouse may receive the  
27 annuity provided by this section at the same time as children are qualifying for

1 survivors' benefits under the provisions of KRS 161.520; however, a legal  
2 dependent, other than a spouse, may not receive these payments if children have  
3 qualified for benefits under that section.

4 (2) A spouse qualifying for an annuity under subsection (1) of this section may defer  
5 the payments in order to reduce the actuarial discounts to be applied due to age.

6 (3) Upon death of a member in active contributing status at the time of his death, who  
7 had a minimum of twenty-seven (27) years of service, the spouse, if named as the  
8 primary beneficiary of the member's account shall be entitled to a monthly  
9 minimum allowance of three hundred dollars (\$300) as the basic straight life  
10 annuity. This provision applies to surviving spouses of members who were  
11 receiving benefit payments under KRS 161.520 as of June 30, 1986, and to  
12 surviving spouses of members who die on or after July 1, 1986.~~[- This subsection  
13 does not apply to individuals who become members on or after January 1, 2019.]~~

14 ➔Section 22. KRS 161.545 is amended to read as follows:

15 (1) (a) Members may make contributions and receive service credit for substitute,  
16 part-time, or any service other than regular full-time teaching as provided in  
17 the administrative regulations of the board of trustees if contributions were not  
18 otherwise made as a result of the service.~~[- This paragraph does not apply to  
19 members who retired on or after January 1, 2019, and are reemployed on or  
20 after January 1, 2019.]~~

21 (b) Members placed on leave of absence during a period of full-time employment  
22 as defined in KRS 161.220(21) may make contributions and receive service  
23 credit for this leave only if contributions are made by the end of the fiscal year  
24 next succeeding the year in which the leave was effective as provided in  
25 administrative regulations promulgated by the board of trustees. Contributions  
26 permitted after August 1, 1982, shall not be picked-up pursuant to KRS  
27 161.540(2).

- 1 (2) Active contributing members of the Teachers' Retirement System, or former  
 2 members who are currently participating in a state-administered retirement system,  
 3 who were granted leaves of absence during a period of full-time employment as  
 4 defined in KRS 161.220(21) since July 1, 1964, for reasons of health as defined  
 5 under the Federal Family Medical Leave Act of 1993, 29 U.S.C. secs. 2601 et seq.,  
 6 child rearing, or to improve their educational qualifications, and did not purchase  
 7 the leave of absence as provided in subsection (1) of this section may obtain credit  
 8 for the leave of absence as provided under the administrative regulations of the  
 9 board of trustees and under the following conditions:
- 10 (a) The leave of absence shall be verified by a copy of the board of education  
 11 minutes which granted the leave of absence or by other documentation that  
 12 was generated contemporaneously with the leave that is determined by the  
 13 retirement system to reasonably establish that a leave of absence was granted;  
 14 and
- 15 (b) The member shall contribute the required percentage based on the salary  
 16 received for the year immediately preceding the leave of absence plus interest  
 17 at the rate of eight percent (8%) compounded annually from the beginning of  
 18 the school year following the year of the leave of absence, and by depositing  
 19 in the state accumulation fund an amount equal to this total.
- 20 (c) The member shall receive credit for no more than two (2) years under the  
 21 provisions of this subsection.
- 22 (3) Contributions permitted under this section after August 1, 1982, shall not be picked-  
 23 up pursuant to KRS 161.540(2).
- 24 (4) Notwithstanding any other provisions of this section to the contrary, purchase of  
 25 service credit under subsection (2) of this section~~[-]~~  
 26 ~~[(a)]~~ for individuals who become members on or after July 1, 2008~~[-, but prior to~~  
 27 ~~January 1, 2019]~~, shall be purchasable only at the full actuarial cost~~[-, and~~

1       ~~(b) Shall not apply to individuals who become members on or after January 1,~~  
2               ~~2019].~~

3       ➔Section 23. KRS 161.5465 is amended to read as follows:

4       On or after August 1, 1998, a member of the Teachers' Retirement System in active  
5       contributing status who has a minimum of twenty (20) years of service credit may  
6       purchase up to a maximum of five (5) years of service credit that is not otherwise  
7       purchasable under any of the provisions of KRS 161.220 to 161.716 and that meets the  
8       definition of nonqualified service as provided in Section 1526 of the Federal Taxpayer  
9       Relief Act of 1997. The member shall pay the full actuarial cost of the service credit as  
10      provided in KRS 161.220(22). The payment shall not be picked up by the employer as  
11      described in KRS 161.540(2), and the member's payment shall be credited to the  
12      member's contribution account and shall be considered accumulated contributions of the  
13      member. Payment by the member may be by lump sum or by installment payments as  
14      provided in KRS 161.597. Notwithstanding any other statute to the contrary, the  
15      Kentucky Teachers' Retirement System shall recognize nonqualified service credit  
16      purchased with another retirement system only to the extent that the member had an  
17      equivalent number of full months of active employment in the position covered by the  
18      other retirement system during the period that the nonqualified service was purchased.  
19      This section shall not apply to ~~the~~:

20      ~~(1) Individuals who become members on or after July 1, 2008, but prior to January 1,~~  
21               ~~2019],~~ except that a teacher of a local school board may purchase up to ten (10)  
22      months of service under this section if the teacher is retiring and has completed the  
23      prior school year with at least twenty-six (26) years and two (2) months of service  
24      but less than twenty-seven (27) years of service~~; and~~

25      ~~(2) Individuals who become members on or after January 1, 2019].~~

26      ➔Section 24. KRS 161.547 is amended to read as follows:

27      ~~[An individual who became]~~A member of the retirement system having~~[prior to January~~

1 ~~1, 2019, who has~~ service as a Kentucky legislator which is not credited by any retirement  
 2 system administered by the Commonwealth of Kentucky may present such service, not to  
 3 exceed four (4) years, for credit in the retirement system by paying the full actuarial cost  
 4 of the service as determined by the system actuary. The member may purchase all or part  
 5 of his service as a legislator, but no less than one (1) year of service. The entire payment  
 6 shall be placed in the teachers' saving fund.

7       ➔Section 25. KRS 161.548 is amended to read as follows:

8 ~~[An individual who became]~~A member of the Teachers' Retirement System ~~[prior to~~  
 9 ~~January 1, 2019,]~~who is in an active contributing status with the system, and who was  
 10 formerly employed in a regional community service program for mental health and  
 11 individuals with an intellectual disability, organized and operated under the provisions of  
 12 KRS 210.370 to 210.480, which does not participate in a state-administered retirement  
 13 system, may obtain credit for the period of his service in the regional community program  
 14 for mental health and individuals with an intellectual disability by paying to the Teachers'  
 15 Retirement System the full actuarial cost of the service credit purchased, as provided in  
 16 KRS 161.220(22). The service credit purchased may not be used for meeting the service  
 17 requirements set forth in KRS 161.600(1)(a) or 161.661(1) **or subsection (2) of Section 9**  
 18 **of this Act.** The payment shall not be picked up, as described in KRS 161.540(2), and the  
 19 entire payment shall be placed in the teachers' savings fund.

20       ➔Section 26. KRS 161.549 is amended to read as follows:

21 ~~[An individual who became]~~A member of the Teachers' Retirement System ~~[prior to~~  
 22 ~~January 1, 2019,]~~who is in an active contributing status with the system, and who was  
 23 formerly employed by a Federal Head Start agency, operated under 42 U.S.C. secs. 9831  
 24 et seq., which does not participate in a state-administered retirement system, may obtain  
 25 credit for the period of the member's service in the Head Start program by purchasing this  
 26 service credit under the same conditions that out-of-state service credit may be purchased  
 27 under KRS 161.515. The service credit purchased may not be used for meeting the

1 service requirements set forth in KRS 161.600(1)(a), subsection (2) of Section 9 of this  
2 Act, or 161.661(1). Payment for the service credit purchased may be made in installments  
3 in lieu of a lump-sum payment. The payment shall not be picked up, as described in KRS  
4 161.540(2), and the entire payment shall be placed in the teachers' savings fund.

5 →Section 27. KRS 161.568 is amended to read as follows:

6 (1) Eligibility to participate in the optional retirement plan shall be determined by the  
7 board of regents of each of the state public postsecondary education institutions  
8 identified in KRS 161.220(4)(b). The employees of these institutions of higher  
9 education who are initially employed on or after the implementation date of the  
10 optional retirement plan may make an election to participate in the optional  
11 retirement plan within thirty (30) days after their employment date. This election  
12 shall be irrevocable except as otherwise provided in this subsection. No member of  
13 the Kentucky Teachers' Retirement System who terminates employment and is  
14 subsequently reemployed by the same or another public postsecondary education  
15 institution which participates in the Kentucky Teachers' Retirement System may be  
16 eligible to elect to participate in the optional retirement plan unless the date of  
17 reemployment is at least six (6) months after the date of termination. All elections  
18 made under this subsection shall be in writing and shall be filed with the  
19 appropriate officer of the employer institution. Persons who originally elected to  
20 participate in the optional retirement plan may later change their elections only as  
21 follows:

22 (a) Any person otherwise eligible for membership in the Kentucky Teachers'  
23 Retirement System may irrevocably elect one (1) time during his or her  
24 lifetime to change his or her election and to prospectively participate in the  
25 Kentucky Teachers' Retirement System. This election to change from the  
26 optional retirement plan to Kentucky Teachers' Retirement System shall be  
27 effective beginning on the first day of the first month immediately following

1 the date that written application for the election is received in the retirement  
2 system's office on forms prescribed by the system. Any person exercising this  
3 election shall not be entitled to purchase as service credit in the Kentucky  
4 Teachers' Retirement System any prior service with his or her postsecondary  
5 education institution employer;

6 (b) Any person otherwise eligible for membership in the Kentucky Teachers'  
7 Retirement System who previously elected to participate in the optional  
8 retirement plan may irrevocably elect one (1) time within his or her first six  
9 (6) years and six (6) months of continuous service in any one (1) or more of  
10 the institutions identified in KRS 161.220(4)(b), to change his or her election  
11 and to prospectively participate in the Kentucky Teachers' Retirement System  
12 and also become eligible to purchase as service credit his or her prior service  
13 with his or her postsecondary education employer. This election to change  
14 from the optional retirement plan to the Kentucky Teachers' Retirement  
15 System shall be effective beginning on the first day of the first month  
16 immediately following the date that written application for the election is  
17 received in the retirement system's office on forms prescribed by the  
18 retirement system. Persons electing to change from the optional retirement  
19 plan to the Kentucky Teachers' Retirement System may purchase service  
20 credit only for their prior years of service for a postsecondary education  
21 institution identified in KRS 161.220(4)(b) during which they participated in  
22 the optional retirement plan. The election to purchase prior service as service  
23 credit shall be received in the retirement system's office on forms prescribed  
24 by the retirement system within the six (6) year and six (6) month period  
25 provided to make the election to begin participation in the Kentucky Teachers'  
26 Retirement System. The cost of purchasing this service shall be calculated by  
27 adding both the employer and member contributions that would have been

1           paid to the Kentucky Teachers' Retirement System had the individual  
2           purchasing this service participated in the Kentucky Teachers' Retirement  
3           System instead of the optional retirement plan, less the amount contributed to  
4           the Kentucky Teachers' Retirement System by the postsecondary education  
5           institution as provided by KRS 161.569(5), or KRS 161.569(5)(a)2. as it  
6           existed on June 30, 2007. Interest at Kentucky Teachers' Retirement System's  
7           actuarially assumed rate shall be paid on these net contributions by the person  
8           electing to change to the Kentucky Teachers' Retirement System from the  
9           optional retirement plan. These payments shall not be picked up as described

11 comprehensive pamphlet or booklet, or in the form of periodic newsletters which

16 section and furnished to active contributing members in the form of a supplement to  
17 a comprehensive booklet, or reported in the periodic newsletter.
- 18 (5) The board shall provide to annuitants so much of the summary plan description as

- 20 ➔Section 29. KRS 161.585 is repealed and reenacted to read as follows:
- 21 (1) Each member's or annuitant's account shall be administered in a confidential  
22 manner, and specific data regarding a member or annuitant shall not be released for  
23 publication, except that:
- 24 (a) The member or annuitant may authorize the release of his or her account  
25 information;
- 26 (b) The board of trustees may release member or annuitant account information to  
27 the employer or to other state and federal agencies as it deems necessary or in

1 response to a lawful subpoena or order issued by a court of law; or

2 (c) 1. Upon request by any person, the system shall release the following  
3 information from the accounts of any member or annuitant of the  
4 Kentucky Teachers' Retirement System, if the member or annuitant is a  
5 current or former officeholder in the Kentucky General Assembly:

6 a. The first and last name of the member or annuitant;

7 b. The status of the member or annuitant, including but not limited to  
8 whether he or she is a contributing member, a member who is not  
9 contributing but has not retired, a retiree receiving a monthly  
10 retirement allowance, or a retiree who has returned to work  
11 following retirement with an agency participating in the system;

12 c. If the individual is an annuitant, the monthly retirement allowance  
13 that he or she was receiving at the end of the most recently  
14 completed fiscal year;

15 d. If the individual is a member who has not yet retired, the estimated  
16 monthly retirement allowance that he or she is eligible to receive  
17 on the first date he or she would be eligible for an unreduced

19 account balance, and final average salary at the end of the most  
20 recently completed fiscal year; and

21 e. The current or last participating employer of the member or  
22 annuitant, if applicable.

23 2. No information shall be disclosed under this paragraph from an account  
24 that is paying benefits to a beneficiary due to the death of a member or  
25 annuitant.

26 (2) The release of information under subsection (1)(c) of this section shall not  
27 constitute a violation of the Open Records Act, KRS 61.870 to 61.884.

- 1 (3) Medical records which are included in a member's or annuitant's file maintained by  
2 the Teachers' Retirement System are confidential and shall not be released unless  
3 authorized by the member or annuitant in writing or as otherwise provided by law or  
4 in response to a lawful subpoena or order issued by a court of law.
- 5 (4) (a) When a subpoena is served upon any employee of the Kentucky Teachers'  
6 Retirement System requiring the production of any data, information, or  
7 records, it is sufficient if the employee of the Kentucky Teachers' Retirement  
8 System charged with the responsibility of being custodian of the original, or  
9 his or her designated staff, delivers within five (5) working days by certified  
10 mail or by personal delivery to the person specified in the subpoena either of  
11 the following:
- 12 1. Legible and durable copies of records certified by the employee or  
13 designated staff; or
  - 14 2. An affidavit stating the information required by the subpoena.
- 15 (b) The production of records or an affidavit shall be in lieu of any personal  
16 testimony of any employee of the Kentucky Teachers' Retirement System  
17 unless, after the production of records or an affidavit, a separate subpoena is  
18 served upon the retirement system specifically directing the testimony of an  
19 employee of the retirement system. When a subpoena is served on any  
20 employee of the retirement system requiring the employee to give testimony  
21 or produce records for any purpose, in the absence of a court order requiring  
22 the testimony of or production of records by a specific employee, the system  
23 may designate an employee to give testimony or produce records upon the  
24 matter referred to in the subpoena. The board of trustees may promulgate an  
25 administrative regulation for the recovery of reasonable travel and  
26 administrative expenses for those occasions when an employee of the  
27 retirement system is required to travel from his or her home or office to

1 provide testimony or records. Recoverable expenses may include the wages,  
2 salary, and overtime paid to the employee by the retirement system for the  
3 period of time that the employee is away from the office. The cost of these  
4 expenses shall be borne by the party issuing the subpoena compelling the  
5 employee's travel. The board of trustees may also promulgate an  
6 administrative regulation establishing a reasonable fee for the copying,  
7 compiling, and mailing of requested records.

8 (c) The certification required by this subsection shall be signed before a notary  
9 public by the employee and shall include the full name of the member or  
10 annuitant, the member or annuitant identification number assigned to the  
11 member or annuitant by the retirement system, and a legend substantially to  
12 the following effect: "The records are true and complete reproductions of the  
13 original, microfiched, or electronically stored records which are housed in the  
14 retirement system's office. This certification is given in lieu of the  
15 undersigned's personal appearance."

16 (d) When an affidavit or copies of records are personally delivered, a receipt shall  
17 be presented to the person receiving the records for his or her signature and  
18 shall be immediately signed and returned to the person delivering the records.  
19 When an affidavit or copies of records are sent via certified mail, the receipt  
20 used by the postal authorities shall be sufficient to prove receipt of the  
21 affidavit or copies of records.

22 (e) When the affidavit or copies of records are delivered to a party for use in  
23 deposition they shall, after termination of the deposition, be delivered  
24 personally or by certified mail to the clerk of the court or other body before  
25 which the action or proceeding is pending.

26 (f) Upon completion of delivery by the retirement system of copies of records by  
27 their deposit in the mail or by their personal delivery to the requesting party,

1 the retirement system shall cease to have any responsibility or liability for the  
2 records and their continued maintenance in a confidential manner.

3 (g) Records of the Kentucky Teachers' Retirement System that are susceptible to  
4 reproduction may be proved as to foundation, identity, and authenticity  
5 without preliminary testimony, by use of legible and durable copies, certified  
6 in accordance with the provisions of this subsection.(h) The provisions of  
7 this subsection shall not be construed to prohibit the Kentucky Teachers'  
8 Retirement System from asserting any exemption, exception, or relief  
9 provided under the Kentucky Rules of Civil Procedure or other applicable  
10 law.

11 (5) For purposes of this section, "records" includes retirement estimates, affidavits, and  
12 other documents prepared by the Kentucky Teachers' Retirement System in  
13 response to information requested in a lawful subpoena or order issued by a court of  
14 law.

15 ➔Section 30. KRS 161.590 is amended to read as follows:

16 (1) At retirement the total service credited to a teacher shall consist of prior and  
17 subsequent service rendered by him for which service credit has been allowed.

18 (2) Kentucky service, presented at the time of retirement, may not be used in  
19 calculating benefits under KRS ~~[161.235,]~~161.525, 161.620, or 161.661, if such  
20 service has been used to increase benefits in another retirement system, not  
21 including Old Age and Survivors Insurance Benefits under the Social Security  
22 Administration.

23 (3) No service credit shall be added to a member's account after the effective date of  
24 retirement for service.

25 ➔Section 31. KRS 161.595 is amended to read as follows:

26 (1) Upon service retirement, ~~[an individual who becomes]~~a member of the Teachers'  
27 Retirement System~~[prior to January 1, 2019,]~~ may obtain credit for all or any part

1 of the service otherwise creditable under the Kentucky Employees Retirement  
2 System, the County Employees Retirement System, or in the service of the United  
3 States government for which service credit is not otherwise given, upon the  
4 payment by the member of the full actuarial cost of the service credit purchased as  
5 defined in KRS 161.220(22). Such payments shall not be picked up, as described in  
6 KRS 161.540(2).

7 (2) The amount paid under this section shall be considered as accumulated  
8 contributions of the individual member.

9 (3) No person shall be allowed credit for the same period of service in more than one  
10 (1) of these three (3) retirement systems.

11 ➔Section 32. KRS 161.605 is repealed, reenacted, and amended to read as  
12 follows:

13 Any member retired by reason of service may return to work in a position covered by the  
14 Kentucky Teachers' Retirement System and continue to receive his or her retirement  
15 allowance under the following conditions:

16 (1) Any member who is retired with thirty (30) or more years of service may return to  
17 work in a full-time or a part-time position covered by the Kentucky Teachers'  
18 Retirement System and earn up to a maximum of seventy-five percent (75%) of the  
19 member's last annual compensation measured on a daily rate to be determined by  
20 the board of trustees. For purposes of determining whether the salary of a member  
21 returning to work is seventy-five percent (75%) or less of the member's last annual  
22 compensation, all remuneration paid and benefits provided to the member, on an  
23 actual dollar or fair market value basis as determined by the retirement system, shall  
24 be considered. Members who were retired on or before June 30, 2002, shall be  
25 entitled to return to work under the provisions of this section as if they had retired  
26 with thirty (30) years of service. Nonqualified service credit purchased under the  
27 provisions of KRS 161.5465 or elsewhere with any state-administered retirement

1 system shall not be used to meet the thirty (30) year requirement set forth in this  
2 subsection. Out-of state teaching service provided in public schools for kindergarten  
3 through grade twelve (12) may count toward the thirty (30) year requirement set  
4 forth in this subsection even if it is not purchased as service credit, if the member  
5 obtains from his or her out-of-state employer certification of this service on forms  
6 prescribed by the retirement system;

7 (2) Any member who is retired with less than thirty (30) years of service after June 30,  
8 2002, may return to work in a full-time or part-time position covered by the  
9 Kentucky Teachers' Retirement System and earn up to a maximum of sixty-five  
10 percent (65%) of the member's last annual compensation measured on a daily rate to  
11 be determined by the board of trustees. For purposes of determining whether the  
12 salary of a member returning to work is sixty-five percent (65%) or less of the  
13 member's last annual compensation, all remuneration paid and benefits provided to  
14 the member, on an actual dollar or fair market value basis as determined by the  
15 retirement system, shall be considered;

16 (3) Reemployment of a retired member under subsection (1) or (2) of this section in a  
17 full-time teaching or nonteaching position in a local school district shall be  
18 permitted only if the employer certifies to the Kentucky Teachers' Retirement  
19 System that there are no other qualified applicants available to fill the teaching or  
20 nonteaching position. The employer may use any source considered reliable  
21 including but not limited to data provided by the Education Professional Standards  
22 Board and the Department of Education to determine whether other qualified  
23 applicants are available to fill the teaching or nonteaching position. The Kentucky  
24 Board of Education shall promulgate administrative regulations to establish  
25 procedures to determine whether other qualified applicants are available to fill a  
26 teaching or nonteaching position and, if not, for filling the position with a retired  
27 member who will then be permitted to return to work in that position under

1 subsection (1) or (2) of this section. The administrative regulations shall assure that  
2 a retired member shall not be hired in a teaching or nonteaching position by a local  
3 school district until the superintendent of the school district assures the Kentucky  
4 Teachers' Retirement System that every reasonable effort has been made to recruit  
5 other qualified applicants for the position on an annual basis;

6 (4) Under this section, an employer may employ full-time a number of retired members  
7 not to exceed three percent (3%) of the membership actively employed full-time by  
8 that employer. The board of trustees may reduce this three percent (3%) cap upon  
9 recommendation of the retirement system's actuary if a reduction is necessary to  
10 maintain the actuarial soundness of the retirement system. The board of trustees  
11 may increase the three percent (3%) cap upon a determination that an increase is  
12 warranted to help address a shortage in the number of available teachers and upon  
13 the determination of the retirement system's actuary that the proposed cap increase  
14 allows the actuarial soundness of the retirement system to be maintained. For  
15 purposes of this subsection, "full-time" means the same as defined by KRS  
16 161.220(21). A local school district may exceed the quota established by this  
17 subsection by making an annual written request to the Kentucky Department of  
18 Education which the department may approve on a year-by-year basis if the  
19 statewide quota has not been met. A district's written request to exceed its quota  
20 shall be submitted no sooner than two (2) weeks after the start of the school year;

21 (5) (a) Except as provided by subsection (10) of this section, a member returning to  
22 work in a full-time or part-time position under subsection (1) or (2) of this  
23 section will contribute to an account with the retirement system that will be  
24 administered independently from and with no reciprocal impact with the  
25 member's original retirement account, or any other account from which the  
26 member is eligible to draw a retirement allowance.

27 (b) Except as provided by subsection (10) of this section, a member returning to

1 work under subsection (1) or (2) of this section shall make contributions to the  
2 retirement system at the rate provided under KRS 161.540. The new account  
3 shall independently meet the five (5) year vesting requirement as well as all  
4 other conditions set forth in KRS 161.600(1) or (2), as applicable, before any  
5 retirement allowance is payable from this account. The retirement allowance  
6 accruing under this new account shall be calculated pursuant to KRS  
7 161.620~~[(1)(b)]~~. This new account shall not entitle the member to a  
8 duplication of the benefits offered under KRS 161.620(7) or 161.675, nor  
9 shall this new account provide the benefits offered by KRS 161.520, 161.525,  
10 161.620(3), 161.655, 161.661, or 161.663.

11 (c) A member returning to work under subsection (1) or (2) of this section shall  
12 waive his or her medical insurance with the Kentucky Teachers' Retirement  
13 System during the period of reemployment and shall receive the medical  
14 insurance coverage that is generally provided by the member's active employer  
15 to the other members of the retirement system that the active employer  
16 employs. If medical insurance coverage is not available from the employer,  
17 the Kentucky Teachers' Retirement System may provide coverage for the  
18 member.

19 (d) A member returning to work under subsection (1) or (2) of this section shall  
20 not be eligible to purchase service credit for any service provided after the  
21 member's effective date of retirement but prior to the date that the member  
22 returns to work. A member returning to work under subsection (1) or (2) of  
23 this section shall not be eligible to purchase service credit that the member  
24 would have otherwise been eligible to purchase prior to the member's initial  
25 retirement.

26 (e) A member who returns to work under subsection (1) or (2) of this section, or  
27 in the event of the death of the member, the member's estate or applicably

1 designated beneficiary, shall be entitled, within ninety (90) days of the posting  
2 of the annual report submitted by the employer, to a refund of contributions as  
3 permitted and limited by KRS 161.470;

4 (6) The board of trustees may annually, on July 1, adjust the current daily rate of a  
5 member's last annual compensation, for each full twelve (12) month period that has  
6 elapsed subsequent to the member earning his or her last annual compensation, by  
7 the percentage increase in the annual average of the consumer price index for all  
8 urban consumers for the calendar year preceding the adjustment as published by the  
9 Federal Bureau of Labor Statistics, not to exceed five percent (5%) annually. Each  
10 annual adjustment shall become part of the member's daily rate base. Failure to  
11 comply with the salary limitations set forth in subsections (1) and (2) of this section  
12 as may be adjusted by this subsection shall result in a reduction of the member's  
13 retirement allowance or any other benefit to which the member would otherwise be  
14 entitled on a dollar-for-dollar basis for each dollar that the member exceeds these  
15 salary limitations. Notwithstanding any other provision of law to the contrary, a  
16 member retiring from a local school district who returns to work for a local school  
17 district under subsection (1) or (2) of this section shall be entitled, without any  
18 reduction to his or her retirement allowance or any other retirement benefit, to earn  
19 a minimum amount equal to one hundred seventy dollars (\$170) per day;

20 (7) (a) A retired member returning to work under subsection (1) or (2) of this section  
21 shall have separated from service for a period of at least one (1) year if  
22 returning to work for the same employer on a full-time basis, and at least three  
23 (3) months if returning to work for a different employer on a full-time basis. A  
24 retired member returning to work under subsection (1) or (2) of this section on  
25 a part-time basis shall have separated from service for a period of at least three  
26 (3) months before returning to work for any employer.

27 (b) As an alternative to the separation-from-service requirements in paragraph (a)

1 of this subsection, a retired member who is returning to work for the same  
2 employer in a full-time position under subsections (1) and (2) of this section  
3 may elect a separation-from-service of not less than two (2) months followed  
4 by a forfeiture of the retired member's retirement allowance on a month-to-  
5 month basis for each month that the member has separated from service for  
6 less than twelve (12) full months. A retired member returning to work for the  
7 same employer in a part-time position, or for a different employer in a full-  
8 time position, may elect an alternative separation-from-service requirement of  
9 at least two (2) months followed by a forfeiture of the member's retirement  
10 allowance for one (1) month. During the period that the member forfeits his or  
11 her retirement allowance and thereafter, member and employer contributions  
12 shall be made to the retirement system as a result of employment in any  
13 position subject to membership in the retirement system. The member shall  
14 contribute to an account with the retirement system subject to the conditions  
15 set forth in subsection (5) of this section. For purposes of measuring the  
16 separation-from-service requirements set forth throughout this section, a  
17 member's separation-from-service begins on the first day following the last  
18 day of paid employment for the member prior to retirement.

19 (c) Failure to comply with the separation-from-service requirements in this  
20 subsection voids a member's retirement and the member shall be required to  
21 return all the retirement benefits he or she received, with interest, for the  
22 period of time that the member returned to work without a sufficient  
23 separation from service;

24 (8) (a) Effective July 1, 2004, local school districts may employ retired members in  
25 full-time or part-time teaching or administrative positions without limitation  
26 on the compensation of the retired members that is otherwise required by  
27 subsections (1) and (2) of this section. Under provisions of this subsection, a

1 local school district may only employ retired members to fill critical shortage  
2 positions for which there are no other qualified applicants as determined by  
3 the local superintendent. The number of retired members that a local school  
4 district may employ under this subsection shall be no more than two (2)  
5 members per local school district or one percent (1%) of the total active  
6 members employed by the local school district on a full-time basis as defined  
7 under KRS 161.220(21), whichever number is greater. Retired members  
8 returning to work under this subsection shall be subject to the separation-  
9 from-service requirements set forth in subsection (7) of this section. Retired  
10 members returning to work under this subsection shall waive their medical  
11 insurance coverage with the retirement system during their period of  
12 reemployment and receive medical insurance coverage that is offered to other  
13 full-time members employed by the local school district. Retired members  
14 returning to work under this subsection shall contribute to an account subject  
15 to the conditions set forth in subsection (5) of this section. Retired members  
16 returning to work under this subsection shall make contributions to the  
17 retirement system at the rate provided under KRS 161.540. The employer  
18 shall make contributions at the rate provided under KRS 161.550. Local  
19 school districts shall make annual payments to the retirement system on the  
20 compensation paid to the reemployed retirees at the rates determined by the  
21 retirement system's actuary that reflect any accrued liability resulting from the  
22 reemployment of these members.

23 (b) The Department of Education may employ retired members in full-time or  
24 part-time teaching or nonteaching positions without the limitations on  
25 compensation otherwise required by subsections (1) and (2) of this section to  
26 fill critical shortage areas in the schools it operates, including the Kentucky  
27 School for the Blind, the Kentucky School for the Deaf, and the Kentucky

1 Virtual High School, and to serve on audit teams. The department shall be  
 2 subject to the same requirements as local school districts as provided in  
 3 paragraph (a) of this subsection, except the Kentucky Teachers' Retirement  
 4 System shall determine the maximum number of employees that may be  
 5 employed under this paragraph;

6 (9) The return to work limitations set forth in this section shall apply to retired  
 7 members who are returning to work in the same position from which they retired, or  
 8 a position substantially similar to the one from which they retired, or a position  
 9 described in KRS 161.046 or any position listed in KRS 161.220(4) which requires  
 10 membership in the retirement system. Positions which generally require certification  
 11 or graduation from a four (4) year college or university as a condition of  
 12 employment which are created, or changed to remove the position from coverage  
 13 under KRS 161.220(4) are also subject to the return to work limitations set forth in  
 14 this section. The board of trustees shall determine whether employment in a  
 15 nonteaching position is subject to this subsection;

16 (10) (a) Notwithstanding the provisions of this section, individuals who ***become***  
 17 ***members on or after January 1, 2022, who subsequently*** retire and begin  
 18 drawing a ***monthly lifetime*** retirement allowance from ~~{one (1) or more of the~~

2           (b) The provisions of subsections (1) to (8) of this section are not subject to KRS  
3           161.714;

4       (11) Any member retired by reason of service may waive his or her annuity and return to  
5           full-time employment in a position covered by the Kentucky Teachers' Retirement  
6           System under the following conditions:

7           (a) The member shall receive no annuity payments while employed in a covered  
8           position, shall waive his or her medical insurance coverage with the Kentucky  
9           Teachers' Retirement System during the period of reemployment, and shall  
10          receive the medical insurance coverage that is generally offered by the  
11          member's active employer to the other members of the retirement system  
12          employed by the active employer. The member's estate or, if there is a  
13          beneficiary applicably designated by the member, then the beneficiary, shall  
14          continue to be eligible for life insurance benefits as provided in KRS 161.655.  
15          Service subsequent to retirement shall not be used to improve an annuity,  
16          except as provided in paragraphs (b) and (c) of this subsection;

17          (b) Any member who waives regular annuity benefits and returns to teaching or  
18          covered employment shall be entitled to make contributions on the salaries  
19          received for this service and have his retirement annuity recalculated as  
20          provided in the regular retirement formula in KRS 161.620(1), less any  
21          applicable actuarial discount applied to the original retirement allowance due  
22          to the election of a joint and last survivor option. Retirement option and  
23          beneficiary designation on original retirement shall not be altered by  
24          postretirement employment, and dependents and spouses of the members shall  
25          not become eligible for benefits under KRS 161.520, 161.525, or 161.661  
26          because of postretirement employment;

27          (c) When a member returns to full-time teaching or covered employment as

1 provided in subsection (b) of this section, the employer is required to withhold  
2 and remit regular retirement contributions. The member must be employed  
3 full-time for at least one (1) consecutive contract year to be eligible to  
4 improve an annuity. The member shall be returned to the annuity rolls on July  
5 1 following completion of the contract year or on the first day of the month  
6 following the month of termination of service if full-time employment  
7 exceeds one (1) consecutive contract year. Any discounts applied at the time  
8 of the original retirement due to service or age may be reduced or eliminated  
9 due to additional employment if full-time employment is for one (1)  
10 consecutive contract year or longer; and

11 (d) A member retired by reason of service who has been employed the equivalent  
12 of twenty-five (25) days or more during a school year under KRS 161.605  
13 may waive the member's retirement annuity and return to regular employment  
14 covered by the Kentucky Teachers' Retirement System during that school year  
15 a maximum of one (1) time during any five (5) year period, beginning with  
16 that school year;

17 (12) Retired members may be employed in a part-time teaching capacity by an agency  
18 described in KRS 161.220(4)(b) or (n), not to exceed the equivalent of twelve (12)  
19 teaching hours in any one (1) fiscal year. Retired members may be employed for a  
20 period not to exceed the equivalent of one hundred (100) days in any one (1) fiscal  
21 year in a part-time administrative or nonteaching capacity by an agency described in  
22 KRS 161.220(4)(b) or (n) in a position that would otherwise be covered by the  
23 retirement system. The return to work provisions set forth in subsections (1) to (8)  
24 of this section shall not apply to retired members who return to work solely for an  
25 agency described in KRS 161.220(4)(b) or (n). Calculation of the number of days  
26 and teaching hours for part-time teaching, substitute teaching, or part-time  
27 employment in a nonteaching capacity under this section shall not exceed the ratio

1           between a school year and the actual months of retirement for the member during  
2           that school year. The board of trustees by administrative regulation may establish  
3           fractional equivalents of a day of teaching service. Any member who exceeds the  
4           twelve (12) hour or one hundred (100) day limitations of this subsection shall be  
5           subject to having his or her retirement voided and be required to return all  
6           retirement allowances and other benefits paid to the member or on the member's  
7           behalf since the effective date of retirement. In lieu of voiding a member's  
8           retirement, the system may reduce the member's retirement allowance or any other  
9           benefit to which the member would otherwise be entitled on a dollar-for-dollar basis  
10          for each dollar of compensation that the member earns in employment exceeding  
11          twelve (12) hours, one hundred (100) days, or any apportionment of the two (2)  
12          combined;

13       (13) When a retired member returns to employment in a part-time teaching capacity or in  
14          a nonteaching capacity as provided in subsection (12) of this section, the employer  
15          shall contribute annually to the retirement system on the compensation paid to the  
16          retired member at rates determined by the retirement system actuary that reflect  
17          accrued liability for retired members who return to work under subsection (12) of  
18          this section; and

19       (14) For retired members who return to work during any one (1) fiscal year in both a  
20          position described in KRS 161.220(4)(b) or (n) and in a position described under  
21          another provision under KRS 161.220(4), and for retired members who return to  
22          work in a position described under KRS 161.220(4)(b) or (n) in both a teaching and  
23          an administrative or nonteaching capacity, the board of trustees shall adopt a  
24          methodology for a pro rata apportionment of days and hours that the retired member  
25          may work in each position.

26          ➔Section 33.   KRS 161.612 is repealed, reenacted, and amended to read as  
27          follows:

1 Effective July 1, 2002, any individual occupying a position on a part-time basis that  
2 requires certification or graduation from a four (4) year college or university as a  
3 condition of employment and any individual providing part-time or substitute teaching  
4 services that are the same or similar to those teaching services provided by certified, full-  
5 time teachers shall be a member of the Kentucky Teachers' Retirement System, according  
6 to the conditions and only to the extent set forth in this section, if the individual is  
7 employed by one (1) of the public boards, institutions, or agencies set forth in KRS  
8 161.220, excluding those public boards, institutions, and agencies described in KRS  
9 161.220(4)(b) and (n). Members providing part-time and substitute services shall  
10 participate in the retirement system as follows:

11 (1) Members providing part-time and substitute services shall accrue service credit as  
12 provided under KRS 161.500 and be entitled to a retirement allowance upon  
13 meeting the service retirement conditions of KRS ~~[161.235 or ]161.600[, as~~  
14 ~~applicable]~~. The board of trustees shall adopt a methodology for accrediting service  
15 credit to these members on a pro rata basis. The methodology adopted by the board  
16 of trustees may be amended as necessary to ensure its actuarial soundness. The  
17 retirement allowance for members providing part-time and substitute services shall  
18 be calculated pursuant to Section 3 or 4 of this Act and~~[KRS 161.235 or ]~~ 161.620,  
19 as applicable, except that the provisions of KRS 161.620(3) shall not apply.  
20 Members providing part-time and substitute services who meet the service  
21 retirement conditions of KRS ~~[161.235 or ]161.600[, as applicable]~~, may also be  
22 eligible to participate as approved by the board of trustees in the medical insurance  
23 program provided by the retirement system under KRS 161.675. Members  
24 providing part-time and substitute services shall make contributions to the Kentucky  
25 Teachers' Retirement System at the rate provided under KRS 161.540. A member  
26 who provides part-time or substitute services, or in the event of the death of the  
27 member, the member's estate or applicably designated beneficiary, will be entitled,

- 1 within ninety (90) days of the posting of the annual report submitted by the  
2 member's employer, to a refund of contributions as permitted and limited by KRS  
3 161.470;
- 4 (2) The board of trustees shall adopt eligibility conditions under which members  
5 providing part-time and substitute services may participate in the benefits provided  
6 under KRS 161.520, 161.655, 161.661, and 161.663. The board of trustees may  
7 permit members providing part-time or substitute services to participate in other  
8 benefits offered by the retirement system by promulgating administrative  
9 regulations that establish eligibility conditions for participation in these benefits. All  
10 eligibility conditions adopted by the board of trustees pursuant to this subsection  
11 may be amended as necessary to ensure their actuarial soundness;
- 12 (3) In addition to the pro rata methodology adopted by the board of trustees under  
13 subsection (1) of this section, members providing part-time and substitute services  
14 shall be subject to all limitations and conditions regarding the accrual, retention,  
15 accreditation, and use of service credit that apply to members providing full-time  
16 services. In addition to the eligibility conditions set forth by the board of trustees  
17 under subsection (2) of this section, members providing part-time and substitute  
18 services shall be subject to all limitations and conditions regarding both the  
19 eligibility to participate and the extent of participation in any benefit offered under  
20 KRS 161.220 to 161.716 that apply to members providing full-time services;
- 21 (4) Notwithstanding any other provisions of this section to the contrary, instructional  
22 assistants who provide teaching services in the local school districts on a full-time  
23 basis in positions covered by the County Employees Retirement System who are  
24 used as substitute teachers on an emergency basis for five (5) days or less during  
25 any one (1) fiscal year shall not be considered members of the Teachers' Retirement  
26 System during that period in which they are serving as substitute teachers for five  
27 (5) days or less;

1 (5) The board of trustees may adopt a pro rata methodology to determine the annual  
2 compensation of members providing part-time and substitute services in order to  
3 determine benefits provided under KRS 161.661 and 161.663. Members providing  
4 part-time and substitute services who had retirement contributions posted to their  
5 accounts during the previous fiscal year and who have not had those contributions  
6 refunded to them are eligible to vote for the board of trustees;

7 (6) The board of trustees of the Teachers' Retirement System shall be responsible for  
8 final determination of membership eligibility and may direct employers to take  
9 whatever action that may be necessary to correct any error relating to membership;

10 **and**

11 ~~(7) Effective January 1, 2019, this section does not apply to any individual who retires~~  
12 ~~on or after January 1, 2019, and is reemployed on or after January 1, 2019; and~~

13 ~~(8) The provisions of this section are not subject to KRS 161.714.~~

14 ➔Section 34. KRS 161.615 is amended to read as follows:

15 (1) The board of trustees is authorized to implement a limited defined contribution plan  
16 for the sole purpose of providing retirement allowance payments for retired  
17 members who have been approved by the retirement system for full-time  
18 reemployment as provided in KRS 161.605.

19 (2) The defined contribution plan shall be administered separately from the regular  
20 benefits provided for members of the retirement system, except that the  
21 contributions to the plan shall be invested in the same manner as other contributions  
22 to the retirement system.

23 (3) The provisions of this section apply only to those retired members who were  
24 permitted to return to work under the critical shortage provisions of KRS  
25 161.605(7) as they existed on June 30, 2002. The provisions of this section shall not  
26 apply to any retired member returning to work on or after July 1, 2002.

27 (4) Separate member accounts shall be maintained for participants in this plan which

1 shall reflect the annual contributions made to the participant's account based on the  
2 rates and interest levels specified in KRS 161.605.

3 (5) When the retiree's reemployment terminates, the total contributions and accrued  
4 interest in the participant's account will be paid in a lump-sum payment or on an  
5 actuarial straight life monthly basis to the retiree. If the member dies prior to  
6 making application for a retirement allowance under this plan, the beneficiary  
7 designated by the participant for this plan shall receive a refund of the funds in the  
8 account. If there is a remaining balance in the account at the death of the participant  
9 after retirement from this plan, it shall be paid to the beneficiary designated by the  
10 participant for this benefit.

11 (6) Retired members shall be eligible to receive their retirement annuity when approved  
12 for reemployment and participation in this plan. Service as a reemployed retiree  
13 may not be used in any manner for credit under the regular retirement benefit plans  
14 provided by the retirement system.

15 ~~[(7) Notwithstanding the provisions of subsections (1) to (6) of this section, any plan  
16 established pursuant to this section shall, effective January 1, 2019, be closed to any  
17 future employee or employer contributions.]~~

18 ➔Section 35. KRS 161.623 is amended to read as follows:

19 (1) Effective July 1, 1982, and thereafter, a district board of education or other  
20 employer of members of the Teachers' Retirement System may compensate, at the  
21 time of retirement for service, an active contributing member for unused sick-leave  
22 days in accordance with this section.

23 (2) Upon the member's application for service retirement, the employer shall certify the  
24 retiring member's unused accumulated sick-leave balance to the board of trustees of  
25 the Kentucky Teachers' Retirement System. The member's sick-leave balance,  
26 expressed in days, shall be divided by one hundred eighty-five (185) days to  
27 determine the amount of service credit that may be considered for addition to the

1 member's retirement account for the purpose of determining the retirement  
2 allowance under KRS 161.620~~[, subject to the limitation of subsection (9)(a) of this~~  
3 ~~section]~~. Notwithstanding any statute to the contrary, sick-leave credit that is  
4 accredited under this section or by one (1) of the other state-administered retirement  
5 systems shall not be used for the purpose of determining whether the member is  
6 eligible to receive a retirement allowance from the Kentucky Teachers' Retirement  
7 System.

8 (3) The board shall compute the cost to the retirement system of the sick-leave credit  
9 for each retiring member and shall bill the last employer of the retiring member for  
10 such cost. The employer shall pay the cost of such service credit to the retirement  
11 system within fifteen (15) days after receiving notification of the cost from the  
12 board.

13 (4) Retiring members who receive service credit under this section shall not be eligible  
14 to receive compensation for accrued sick leave under KRS 161.155(10) or any other  
15 statutory provision.

16 (5) Employer participation is optional and the employer may opt to purchase less  
17 service credit than the member is eligible to receive provided the same percentage  
18 of reduction is made applicable to all retiring members of the employer during a  
19 school fiscal year.

20 (6) The board of trustees shall formulate and adopt necessary rules and regulations for  
21 the administration of the foregoing provisions.

22 (7) Payments to the retirement system for service credit obtained under this section or  
23 for compensation credit obtained under KRS 161.155(10) shall be based on the full  
24 actuarial cost as defined in KRS 161.220(22).

25 (8) For an individual who becomes a member on or after July 1, 2008, the maximum  
26 amount of unused accumulated sick leave that may be considered for addition to the  
27 member's retirement account for purposes of determining the retirement allowance

1 under KRS 161.620 shall not exceed three hundred (300) days~~[or the amount~~  
 2 ~~specified by subsection (9)(a) of this section].~~

3 ~~[(9) Notwithstanding any other provision of KRS 161.220 to 161.716 to the contrary:~~

4 ~~(a) The maximum amount of sick leave converted to additional service credit~~  
 5 ~~under the provisions of this section shall not exceed the service credit based~~  
 6 ~~upon the level of sick leave accumulated on December 31, 2018, by a member~~  
 7 ~~whose employer participates in the sick leave program authorized by this~~  
 8 ~~section; and~~

9 ~~(b) On or after August 1, 2018, no employers may opt to participate in the sick~~  
 10 ~~leave program authorized by this section.]~~

11 ➔Section 36. KRS 161.630 is repealed, reenacted, and amended to read as  
 12 follows:

13 (1) (a) ~~[An individual who became ]~~A member~~[prior to January 1, 2019]~~, upon  
 14 retirement, shall receive a retirement allowance in the form of a life annuity,  
 15 with refundable balance, as provided in KRS 161.620, unless an election is  
 16 made before the effective date of retirement to receive actuarially equivalent  
 17 benefits under options which the board of trustees approves.

18 (b) An individual who is participating in the supplemental benefit  
 19 component~~[hybrid cash balance plan]~~ as provided by Section 3 or 4 of this  
 20 Act~~[KRS 161.235]~~ may, before the effective date of retirement, elect to  
 21 receive his or her accumulated account balance accrued in the supplemental  
 22 benefit component annuitized into a monthly payment under one (1) of the  
 23 actuarial equivalent payment options approved by the board of trustees.

24 (c) No option shall provide for a benefit with an actuarial value at the age of  
 25 retirement greater than that provided in subsection (5)(a) of Section 3 of this  
 26 Act, subsection (5)(a) of Section 4 of this Act,~~[KRS 161.235(7)(a)]~~ or  
 27 161.620, as applicable. This section does not apply to disability allowances as

1 provided in KRS 161.661(1).

2 (2) The retirement option chosen by a retiree at the time of service retirement shall  
3 remain in force unless the retiree ~~[became a member prior to January 1, 2019, and~~  
4 ~~]elects to make a change under the following conditions:~~

5 (a) A divorce, annulment, or marriage dissolution following retirement shall, at  
6 the election of the retiree, cancel any optional plan selected at retirement that  
7 provides continuing benefits to a spousal beneficiary and return the retiree to a  
8 single lifetime benefit equivalent as determined by the board; or

9 (b) Following marriage or remarriage, or the death of the designated beneficiary, a  
10 retiree may elect a new optional plan of payment based on the actuarial  
11 equivalent of a single lifetime benefit at the time of the election, as determined  
12 by the board. The plan shall become effective the first of the month following  
13 receipt of an application on a form approved by the board.

14 (3) Except as otherwise provided in this section, a beneficiary designation shall not be  
15 changed after the effective date of retirement except for retirees who elect the life  
16 annuity with refundable balance or the predetermined years certain and life  
17 thereafter option. A member may remove a beneficiary at any time, but shall not  
18 designate a substitute beneficiary. If a member elects to remove a beneficiary, the  
19 member's retirement allowance shall not change regardless of the retirement option  
20 selected by the member, even if the removed beneficiary predeceases the member.

21 (4) A member who experiences a qualifying event under subsection (2) of this section  
22 and who elects a new optional plan of payment shall make that election within sixty  
23 (60) days of the qualifying event.

24 ➔Section 37. KRS 161.661 is repealed, reenacted, and amended to read as  
25 follows:

26 (1) Any member who has completed five (5) or more years of accredited service in the  
27 public schools of Kentucky after July 1, 1941, may retire for disability and be

4 most recent period of employment in a position covered by the Teachers' Retirement  
5 System and subsequent to the completion of five (5) years of teaching service in  
6 Kentucky. A disability occurring during the regular vacation immediately following  
7 the last period of active service in Kentucky or during an official leave for which  
8 the member is entitled to make regular contributions to the retirement system, shall  
9 be considered as having occurred during a period of active service. The annual  
10 disability allowance shall be equal to sixty percent (60%) of the member's final  
11 average salary. ~~Individuals who became~~ Members ~~prior to January 1, 2019,~~ who  
12 have twenty-seven (27) or more years of service credit are eligible for service  
13 retirement only. ~~Individuals who become members on or after January 1, 2019,~~  
14 ~~who have met the requirements of KRS 161.235(6)(b) shall be eligible for service~~  
15 ~~retirement only.~~

16 (2) The provisions of KRS 161.520, 161.525, and subsections (3), (4), and (5) of this  
17 section shall not apply to disability retirees whose benefits were calculated on the  
18 service retirement formula nor to survivors of these members.

19 (3) Members shall earn one (1) year of entitlement to disability retirement, at sixty  
20 percent (60%) of the member's final average salary, for each four (4) years of  
21 service in a covered position, but any member meeting the service requirement for  
22 disability retirement shall be credited with no less than five (5) years of eligibility.

23 (4) A member retired by reason of disability shall continue to earn service credit at the  
24 rate of one (1) year for each year retired for disability. This service shall be credited  
25 to the member's account at the expiration of entitlement as defined in subsection (3)  
26 of this section, or when the member's eligibility for disability benefits is terminated  
27 upon recommendation of a medical review committee, and this service shall be used

1 in calculating benefits as provided in subsection (5) of this section, but under no  
2 circumstances shall this service be used to provide the member with more than  
3 twenty-seven (27) years of total service credit~~[or the level of service credit needed~~  
4 ~~to meet the requirements of KRS 161.235(6)(b), as applicable]~~. The service credit  
5 shall be valued at the same level as service earned by active members as provided  
6 under KRS ~~[161.235, ]~~161.600~~[, ]~~ or 161.620~~[, as applicable. Members participating~~  
7 ~~in the hybrid cash balance plan as provided by KRS 161.235 shall also be credited~~  
8 ~~with employer credits and interest credits for each year of service earned under the~~  
9 ~~provisions of this subsection based upon the salary in which the last employer credit~~  
10 ~~was paid. Payments during the entitlement period as specified by subsection (3) of~~  
11 ~~this section shall not reduce the accumulated account balance of a member~~  
12 ~~participating in the hybrid cash balance plan]~~.

13 (5) Any member retired by reason of disability and remaining disabled at the expiration  
14 of the entitlement period shall have his disability benefits recalculated using the  
15 service retirement formula with service credit~~[and any additional accumulated~~  
16 ~~account balance]~~ earned as set out in subsection (4) of this section. ~~[For persons~~  
17 ~~who became members prior to January 1, 2019, ]~~The retirement allowance shall be  
18 calculated as set forth in KRS 161.620, except that those persons less than sixty  
19 (60) years of age shall be considered as sixty (60) years of age. ~~[For persons who~~  
20 ~~become members on or after January 1, 2019, the retirement allowance or benefit~~  
21 ~~shall be calculated as set forth in KRS 161.235, except that those persons less than~~  
22 ~~age sixty five (65) shall be considered as sixty five (65) years of age. ]~~Members  
23 having their disability benefits recalculated under this subsection shall not be  
24 entitled to a benefit based upon an average of their three (3) highest salaries as set  
25 forth in KRS 161.220(9), unless approved otherwise by the board of trustees.

26 (6) Members who have their disability retirement allowance recalculated at the  
27 expiration of the entitlement period shall continue to have coverage under the post-

1 retirement medical insurance program. Restrictions on employment shall remain in  
2 effect until the member attains age seventy (70) or until the member's eligibility is  
3 discontinued. KRS 161.520 and 161.525 shall not apply to survivors of disability  
4 retirees whose retirement allowances have been recalculated at the expiration of the  
5 entitlement period. Members who have their disability retirement allowance  
6 recalculated at the expiration of their entitlement period shall be entitled to a  
7 minimum monthly allowance of five hundred dollars (\$500) as the basic straight life  
8 annuity. The minimum allowance shall be effective July 1, 1992, and shall apply to  
9 those members who have had their allowance recalculated prior to that date and to  
10 disability retirees who will have their benefit allowance recalculated on or after that  
11 date.

12 (7) Effective July 1, 1992, members retired for disability prior to July 1, 1964, shall be  
13 entitled to a minimum monthly allowance of five hundred dollars (\$500) as their  
14 basic straight life annuity and their surviving spouse shall be eligible for survivor  
15 benefits as provided in KRS 161.520(1)(a) and (b).

16 (8) Any member retired by reason of disability may voluntarily waive disability benefits  
17 and return to teaching or any ~~individual who became a member prior to January~~  
18 ~~1, 2019~~, who is age sixty (60) years or older, may elect to waive disability benefits  
19 and retire for service on the basis of service credited to the member on the effective  
20 date of the disability retirement~~, or any individual who becomes a member on or~~  
21 ~~after January 1, 2019, who is sixty five (65) years of age or older, may elect to~~  
22 ~~waive disability benefits and retire for service on the basis of his or her accumulated~~  
23 ~~account balance and service credited to the member on the effective date of~~  
24 ~~disability retirement~~.

25 (9) In order to qualify for retirement by reason of disability a member must suffer from  
26 a physical or mental condition presumed to be permanent in duration and of a nature  
27 as to render the member incapable of being gainfully employed in a covered

1 position. The incapability must be revealed by a competent examination by a  
2 licensed physician or physicians and must be approved by a majority of a medical  
3 review committee.

4 (10) A member retired by reason of disability shall be required to undergo periodic  
5 examinations at the discretion of the board of trustees to determine whether the  
6 disability allowance shall be continued. When examination and recommendation of  
7 a medical review committee indicate the disability no longer exists, the allowance  
8 shall be discontinued.

9 (11) Eligibility for payment shall begin on the first day of the month following receipt of  
10 the application in the Teachers' Retirement System office, or the first of the month  
11 next following the last payment of salary or sick leave benefits by the employer,  
12 whichever is the later date.

13 (12) No person who receives a disability allowance may be employed in a position that  
14 entails duties or qualification requirements similar to positions subject to  
15 participation in the retirement system either within or without the State of  
16 Kentucky. So doing shall constitute a misdemeanor and shall result in loss of the  
17 allowance from the first date of this service. A member who applies for and is  
18 approved for disability retirement on or after July 1, 2002, and whose annual  
19 disability benefit is less than forty thousand dollars (\$40,000) may earn income in  
20 any occupation other than covered employment only to the extent that the annual  
21 income from the other employment when added to the annual disability benefit does  
22 not exceed forty thousand dollars (\$40,000). For any member who exceeds this  
23 limit as a result of income from other employment, the Kentucky Teachers'  
24 Retirement System shall reduce the member's disability benefit on a dollar-for-  
25 dollar basis for each dollar that the member's combined annual disability benefit and  
26 annual income from other employment exceeds forty thousand dollars (\$40,000).  
27 The board of trustees may annually increase the forty thousand dollar (\$40,000)

1 limit by the percentage increase in the annual average of the consumer price index  
2 for all urban consumers for the most recent calendar year as published by the  
3 Federal Bureau of Labor Statistics, not to exceed five percent (5%).

4 (13) All members who applied for disability retirement before July 1, 2002, and were  
5 approved as a result of that application shall be subject to the income limitations as  
6 they existed on June 30, 2002, until July 1, 2006. Effective July 1, 2006, the twenty-  
7 seven thousand dollar (\$27,000) limitation shall be increased to forty thousand  
8 dollars (\$40,000) and may be adjusted by the board of trustees by the consumer  
9 price index in the manner described in subsection (12) of this section. The recipient  
10 of a disability allowance who engages in any gainful occupation other than covered  
11 employment must make a report of the duties involved, compensation received, and  
12 any other pertinent information required by the board of trustees.

13 (14) The board of trustees shall designate medical review committees, each consisting of  
14 three (3) licensed physicians. A medical review committee shall pass upon all  
15 applications for disability retirement and upon all applicant statements, medical  
16 certifications, and examinations submitted in connection with disability  
17 applications. The disposition of each case shall be recommended by a medical  
18 review committee in writing to the retirement system. Members of a medical review  
19 committee shall follow administrative regulations regarding procedures as the board  
20 of trustees may enact and shall be paid reasonable fees and expenses as authorized  
21 by the board of trustees in compliance with the provisions of KRS 161.330 and  
22 161.340. The retirement system may secure additional medical examinations and  
23 information as it deems necessary. A member may appeal any final agency decision  
24 denying his or her disability retirement application pursuant to the provisions of  
25 KRS 161.250(2).

26 (15) A disability may be presumed to be permanent if the condition creating the  
27 disability may be reasonably expected to continue for one (1) year or more from the

1 date of application for disability benefits.

2 (16) Any member who has voluntarily waived disability benefits or whose disability  
3 benefits have been discontinued on recommendation of a medical review  
4 committee, may apply for reinstatement of disability benefits. The application for  
5 reinstatement must be made to the retirement system within twelve (12) months of  
6 the date disability benefits terminated. If the termination of benefits were voluntary,  
7 the reinstatement may be made without medical examination if application is made  
8 within three (3) months of the termination date. Other applications for reinstatement  
9 will be processed in the same manner as new applications for benefits.

10 (17) No person who is receiving disability benefits under this section may be employed  
11 in a position which qualifies the person for membership in a retirement system  
12 financed wholly or in part with public funds. Employment in a position prohibited  
13 by this subsection shall result in disqualification for those disability benefits from  
14 the date of employment in the prohibited position.

15 (18) Any person who is receiving benefits and becomes disqualified from receiving  
16 those benefits under this section, or becomes disqualified from receiving a portion  
17 of those benefits due to income from other than covered employment, shall  
18 immediately notify the Teachers' Retirement System of this disqualification in  
19 writing and shall return all benefits paid after the date of disqualification. Failure to  
20 comply with these provisions shall create an indebtedness of that person to the  
21 Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum  
22 shall be charged if the debt is not repaid within sixty (60) days after the date of  
23 disqualification. Failure to repay this debt creates a lien in favor of the Teachers'  
24 Retirement System upon all property of the person who improperly receives benefits  
25 and does not repay those benefits. The Kentucky Teachers' Retirement System may,  
26 in order to collect an outstanding debt, reduce or terminate any benefit that a  
27 member is otherwise entitled to receive.

1 **(19) Notwithstanding any other provision of this section to the contrary, individuals**  
2 **who become members on or after January 1, 2022, shall be eligible for an**  
3 **actuarially determined disability benefit as prescribed by the board of trustees via**  
4 **administrative regulations promulgated by the board. The board of trustees shall**  
5 **arrange by appropriate contract or on a self-insured basis a disability plan to**  
6 **provide the disability benefits and may adjust the benefits in accordance with**  
7 **subsection (3) of Section 1 of this Act or subsection (3) of Section 2 of this Act.**

8 ➔Section 38. KRS 161.650 is repealed and reenacted to read as follows:

- 9 (1) In the case of death of a member who has retired by reason of service or disability,  
10 any portion of the member's accumulated contributions, including member  
11 contributions to the state accumulation fund and regular interest to the date of  
12 retirement, that has not, and will not be paid as an allowance or benefit shall be paid  
13 to the member's beneficiary in such manner as the board of trustees elects.
- 14 (2) The member may designate a primary beneficiary or two (2) or more cobeneficiaries  
15 to receive any remaining accumulated member contributions payable under this  
16 section. A contingent beneficiary may be designated in addition to the primary  
17 beneficiary or the cobeneficiaries. The member may designate two (2) or more  
18 contingent beneficiaries. To the extent permitted by the Internal Revenue Code, a  
19 trust may be designated as beneficiary for receipt of any remaining funds of the  
20 member's accumulated contributions. Members may designate as beneficiaries only  
21 presently identifiable and existing individuals, or trusts where otherwise permitted,  
22 without contingency instructions, on forms prescribed by the retirement system.  
23 Cobeneficiaries shall be composed of a single class of individuals, or trusts where  
24 permitted, who will share in equal proportions in any payment that may become  
25 available under this section. Any beneficiary designation made by the member shall  
26 remain in effect until changed by the member on forms prescribed by the retirement  
27 system, except in the event of subsequent divorce. A final divorce decree shall

1 terminate the beneficiary status of an ex-spouse unless, subsequent to divorce, the  
2 member redesignates the former spouse as a beneficiary. A final divorce decree  
3 shall not terminate the designation of a trust as beneficiary regardless of who is  
4 designated as beneficiary of the trust. In the event that the member fails to designate  
5 a beneficiary or all designated beneficiaries predecease the member, any remaining  
6 accumulated member contributions shall be payable to the member's estate.

7 ➔Section 39. KRS 161.700 is repealed and reenacted to read as follows:

- 8 (1) Except as otherwise provided by this section and KRS 161.655(5), the right of a  
9 member to a retirement allowance and to the return of contributions, any benefit or  
10 right accrued or accruing to any person under KRS 161.220 to 161.716, and the  
11 money in the various funds established pursuant to KRS 161.220 to 161.716 are  
12 hereby exempt from any state or municipal tax, and shall not be subject to  
13 execution, garnishment, attachment, or other process, and shall not be assigned.
- 14 (2) Notwithstanding subsection (1) of this section, retirement benefits accrued or  
15 accruing to any person under this retirement system on or after January 1, 1998,  
16 shall be subject to the tax imposed by KRS 141.020, to the extent provided in KRS  
17 141.010 and 141.0215.
- 18 (3) Retirement allowance, disability allowance, accumulated account balance, or any  
19 other benefit under the retirement system shall not be classified as marital property  
20 pursuant to KRS 403.190(1), except to the extent permitted under KRS 403.190(4).  
21 Retirement allowance, disability allowance, accumulated contributions, or any other  
22 benefit under the retirement system shall not be considered as an economic  
23 circumstance during the division of marital property in an action for dissolution of  
24 marriage pursuant to KRS 403.190(1)(d), except to the extent permitted under KRS  
25 403.190(4).
- 26 (4) Qualified domestic relations orders issued by a court or administrative agency shall  
27 be honored by the retirement system if:

- 1 (a) The benefits payable pursuant to the order meet the requirements of a  
2 qualified domestic relations order as provided by 26 U.S.C. sec. 414(p). The  
3 retirement system shall follow applicable provisions of 26 U.S.C. sec. 414(p)  
4 in administering qualified domestic relations orders;
- 5 (b) The order meets the requirements established by the retirement system and by  
6 subsections (4) to (12) of this section. The board of trustees of the retirement  
7 system shall establish the requirements, procedures, and forms necessary for  
8 the administration of qualified domestic relations order by promulgation of  
9 administrative regulations in accordance with KRS Chapter 13A; and
- 10 (c) The order is on the form established by the retirement system pursuant to the  
11 retirement system's authority provided under paragraph (b) of this subsection.
- 12 (5) A qualified domestic relations order shall not:
- 13 (a) Require the retirement system to take any action not authorized under state or  
14 federal law;
- 15 (b) Require the retirement system to provide any benefit, allowance, or other  
16 payment not authorized under state or federal law;
- 17 (c) Grant or be construed to grant the alternate payee any separate right, title, or  
18 interest in or to any retirement benefit other than to receive payments from the  
19 participant's account in accordance with the administrative regulations  
20 promulgated by the system and as provided by subsections (4) to (12) of this  
21 section; or
- 22 (d) Grant any separate interest to any person other than the participant.
- 23 (6) Any qualified domestic relations order submitted to the retirement system shall  
24 specify the dollar amount or percentage amount of the participant's benefit to be  
25 paid to the alternate payee. In calculating the amount to be paid to the alternate  
26 payee, the court or administrative agency that is responsible for issuing the order  
27 shall follow the requirements set forth in the administrative regulations promulgated

1 by the board of trustees. Notwithstanding any other statute to the contrary, the board  
2 shall not be required to honor a qualified domestic relations order that does not  
3 follow the requirements set forth in the administrative regulations promulgated by  
4 the board of trustees.

5 (7) If the qualified domestic relations order meets the requirements established by the  
6 system and by subsections (4) to (12) of this section, payments to the alternate  
7 payee shall be distributed under the following conditions:

8 (a) If the participant is retired and is receiving a monthly retirement allowance,  
9 the month following the date the retirement system receives a qualified  
10 domestic relations order that complies with the administrative regulations  
11 promulgated by the retirement system and subsections (4) to (12) of this  
12 section; or

13 (b) If the participant is not retired, the month of the participant's effective  
14 retirement date in which the first retirement allowance is payable to the  
15 participant or the month in which the participant receives a refund of his or  
16 her accumulated account balance as provided by KRS 161.470(6).

17 (8) An alternate payee's benefits and rights under a qualified domestic relations order  
18 shall terminate upon the earlier of:

19 (a) The death of the participant;

20 (b) The death of the alternate payee; or

21 (c) The termination of benefits to the participant under any provision of KRS  
22 161.220 to 161.716.

23 (9) An alternate payee shall not receive a monthly payment under a qualified domestic  
24 relations order if the participant is not receiving a monthly retirement allowance.

25 (10) The cost of living adjustment provided to the participant pursuant to KRS 161.620  
26 shall be divided between the participant and alternate payee in a qualified domestic  
27 relations order as follows:

1 (a) If the order specifies the alternate payee is to receive a percentage of the  
2 participant's benefit, then the cost of living adjustment shall be divided  
3 between the participant and the alternate payee based upon the percentage of  
4 the total benefit each is receiving upon the participant's retirement or upon the  
5 date the order is approved by the retirement system, whichever is later; or

6 (b) If the order specifies that the alternate payee is to receive a set dollar amount  
7 of the participant's benefit, then the order shall specify that:

8 1. The cost of living adjustment shall be divided between the participant  
9 and the alternate payee based upon the percentage of the total benefit  
10 each is receiving upon the participant's retirement or upon the date the  
11 order is approved by the retirement system, whichever is later; or

12 2. The alternate payee shall receive no cost of living adjustment.

13 If the order does not specify the division of the cost of living adjustment as  
14 required by this paragraph, then no cost of living adjustment shall be payable  
15 to the alternate payee. If no cost of living adjustment is provided to the  
16 alternate payee, then the participant shall receive the full cost of living  
17 adjustment he or she would have received if the order had not been applied to  
18 the participant's account.

19 (11) Except in cases involving child support payments, the retirement system may charge  
20 reasonable and necessary fees and expenses to the recipient and the alternate payee  
21 of a qualified domestic relations order for the administration of the qualified  
22 domestic relations order by retirement system. All fees and expenses shall be  
23 established by the administrative regulations promulgated by the board of trustees  
24 of the retirement system. The qualified domestic relations order shall specify  
25 whether the fees and expenses provided by this subsection shall be paid:

26 (a) Solely by the participant;

27 (b) Solely by the alternate payee; or

1 (c) Equally shared by the participant and alternate payee.

2 (12) The retirement system shall honor a qualified domestic relations order issued prior  
3 to July 15, 2010, for prospective benefit payments if the order or an amended  
4 version of the order meets the requirements established by this section and the  
5 administrative regulations promulgated by the retirement system. The order shall  
6 not apply to benefit payments issued by the retirement system prior to the date the  
7 order was approved by the retirement system.
