

1 AN ACT relating to economic development.

2 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

3 ➔Section 1. KRS 11.200 is amended to read as follows:

- 4 (1) There is created the Commission on Small Business Innovation and Advocacy. The  
5 commission shall be a separate administrative body of state government within the  
6 meaning of KRS 12.010(8).
- 7 (2) It shall be the purpose of the Commission on Small Business Innovation and  
8 Advocacy to:
- 9 (a) Address matters of small business as it relates to government affairs;
  - 10 (b) Promote a cooperative and constructive relationship between state agencies  
11 and the small business community to ensure coordination and implementation  
12 of statewide strategies that benefit small business in the Commonwealth;
  - 13 (c) Coordinate and educate the small business community of federal, state, and  
14 local government initiatives of value and importance to the small business  
15 community;
  - 16 (d) Create a process by which the small business community is consulted in the  
17 development of public policy as it affects their industry sector;
  - 18 (e) Aid the small business community in navigating the regulatory process, when  
19 that process becomes cumbersome, time consuming, and bewildering to the  
20 small business community; and
  - 21 (f) Advocate for the small business, as necessary when regulatory  
22 implementation is overly burdensome, costly, and harmful to the success and  
23 growth of small businesses in the Commonwealth.
- 24 (3) The Commission on Small Business Innovation and Advocacy shall consist of  
25 thirteen (13) members:
- 26 (a) Two (2) members representing each congressional district; and
  - 27 (b) One (1) at-large member.

- 1 (4) All members shall be appointed by the Governor for a term of four (4) years, except  
2 that the original appointments shall be staggered so that three (3) appointments shall  
3 expire at one (1) year, three (3) appointments shall expire at two (2) years, and three  
4 (3) appointments shall expire at three (3) years, and four (4) appointments shall  
5 expire at four (4) years from the dates of initial appointment.
- 6 (5) The Governor shall appoint the chair and vice chair of the commission from the  
7 appointed membership.
- 8 (6) The commission shall meet quarterly and at other times upon call of the chair or a  
9 majority of the commission.
- 10 (7) A quorum shall be a majority of the membership of the commission.
- 11 (8) Members of the commission shall serve without compensation but shall be  
12 reimbursed for their necessary travel expenses actually incurred in the discharge of  
13 their duties on the commission, subject to Finance and Administration Cabinet  
14 administrative regulations.
- 15 (9) The executive director of the Office of Entrepreneurship and ~~Small Business~~  
16 ~~Innovation~~ shall be the administrative head and chief executive officer of the  
17 commission. The secretary of the Cabinet for Economic Development shall have  
18 authority to hire staff, contract for services, expend funds, and operate the normal  
19 business activities of the commission.
- 20 (10) The Commission on Small Business Innovation and Advocacy shall be  
21 administratively attached to the Office of Entrepreneurship and ~~Small Business~~  
22 ~~Innovation~~ within the Cabinet for Economic Development.

23 ➔Section 2. KRS 12.020 is amended to read as follows:

24 Departments, program cabinets and their departments, and the respective major  
25 administrative bodies that they include are enumerated in this section. It is not intended  
26 that this enumeration of administrative bodies be all-inclusive. Every authority, board,  
27 bureau, interstate compact, commission, committee, conference, council, office, or any

1 other form of organization shall be included in or attached to the department or program  
2 cabinet in which they are included or to which they are attached by statute or statutorily  
3 authorized executive order; except in the case of the Personnel Board and where the  
4 attached department or administrative body is headed by a constitutionally elected  
5 officer, the attachment shall be solely for the purpose of dissemination of information and  
6 coordination of activities and shall not include any authority over the functions,  
7 personnel, funds, equipment, facilities, or records of the department or administrative  
8 body.

- 14 (10) Kentucky Communications Network Authority.

15 ➔Section 3. KRS 141.310 is amended to read as follows:

- 16 (1) Every employer making payment of wages on or after January 1, 1971, shall deduct  
17 and withhold upon the wages a tax determined under KRS 141.315 or by the tables  
18 authorized by KRS 141.370.
- 19 (2) If wages are paid with respect to a period which is not a payroll period, the amount  
20 to be deducted and withheld shall be that applicable in the case of a miscellaneous  
21 payroll period containing a number of days, including Sundays and holidays, equal  
22 to the number of days in the period with respect to which the wages are paid.
- 23 (3) If wages are paid by an employer without regard to any payroll period or other  
24 period, the amount to be deducted and withheld shall be that applicable in the case  
25 of a miscellaneous payroll period containing a number of days equal to the number  
26 of days, including Sundays and holidays, which have elapsed since the date of the  
27 last payment of wages by the employer during the calendar year, or the date of

1 commencement of employment with the employer during the year, or January 1 of  
2 the year, whichever is the later.

3 (4) In determining the amount to be deducted and withheld under this section, the  
4 wages may, at the election of the employer, be computed to the nearest dollar.

5 (5) The tables mentioned in subsection (1) of this section shall consider the standard  
6 deduction.

7 (6) The department may permit the use of accounting machines to calculate the proper  
8 amount to be deducted from wages when the calculation produces substantially the  
9 same result as set forth in the tables authorized by KRS 141.370. Prior approval of  
10 the calculation shall be secured from the department at least thirty (30) days before  
11 the first payroll period for which it is to be used.

12 (7) The department may, by administrative regulations, authorize employers:

13 (a) To estimate the wages which will be paid to any employee in any quarter of  
14 the calendar year;

15 (b) To determine the amount to be deducted and withheld upon each payment of  
16 wages to the employee during the quarter as if the appropriate average of the  
17 wages estimated constituted the actual wages paid; and

18 (c) To deduct and withhold upon any payment of wages to the employee during  
19 the quarter the amount necessary to adjust the amount actually deducted and  
20 withheld upon the wages of the employee during the quarter to the amount  
21 that would be required to be deducted and withheld during the quarter if the  
22 payroll period of the employee was quarterly.

23 (8) The department may provide by regulation, under the conditions and to the extent it  
24 deems proper, for withholding in addition to that otherwise required under this  
25 section and KRS 141.315 in cases in which the employer and the employee agree to  
26 the additional withholding. The additional withholding shall for all purposes be  
27 considered tax required to be deducted and withheld under this chapter.

- 1 (9) Effective January 1, 1992, any employer required by this section to withhold  
2 Kentucky income tax who assesses and withholds from employees the job  
3 assessment fee provided in KRS 154.24-110 may offset a portion of the fee against  
4 the Kentucky income tax required to be withheld from the employee under this  
5 section. The amount of the offset shall be four-fifths (4/5) of the amount of the  
6 assessment fee withheld from the employee or the Commonwealth's contribution of  
7 KRS 154.24-110(3) applies. If the provisions in KRS 154.24-150(3) or (4) apply,  
8 the offset, the offset shall be one hundred percent (100%) of the assessment.
- 9 (10) Any employer required by this section to withhold Kentucky income tax who  
10 assesses and withholds from employees an assessment provided in KRS 154.22-070  
11 or KRS 154.28-110 may offset the fee against the Kentucky income tax required to  
12 be withheld from the employee under this section.
- 13 (11) Any employer required by this section to withhold Kentucky income tax who  
14 assesses and withholds from employees the job assessment fee provided in KRS  
15 154.26-100 may offset a portion of the fee against the Kentucky income tax  
16 required to be withheld from the employee under this section. The amount of the  
17 offset shall be four-fifths (4/5) of the amount of the assessment fee withheld from  
18 the employee, or if the agreement under KRS 154.26-090(1)(f)2. is consummated,  
19 the offset shall be one hundred percent (100%) of the assessment fee.
- 20 (12) Any employer required by this section to withhold Kentucky income tax who  
21 assesses and withholds from employees the ~~wage~~~~job development~~ assessment fee  
22 provided in Section 20 of this Act~~[KRS 154.23-055]~~ may offset a portion of the fee  
23 against the Kentucky income tax required to be withheld from the employee under  
24 this section. The amount of the offset shall be equal to the amount of the Kentucky  
25 income tax credit authorized for the assessed employee who is entitled to receive a  
26 simultaneous adjustment resulting from an approved jobs retention project as  
27 provided in Section 20 of this Act~~[the Commonwealth's contribution as determined~~

1 by ~~KRS 154.23-055(1) to (3)]~~.

2 (13) Any employer required by this section to withhold Kentucky income tax who  
3 assesses and withholds from employees the job development assessment fee  
4 provided in KRS 154.32-090 may offset the state portion of the assessment against  
5 the Kentucky income tax required to be withheld from the employee under this  
6 section.

7 (14) Any employer required by this section to withhold Kentucky income tax may be  
8 required to post a bond with the department. The bond shall be a corporate surety  
9 bond or cash. The amount of the bond shall be determined by the department, but  
10 shall not exceed fifty thousand dollars (\$50,000).

11 (15) Any employer required by this section to withhold Kentucky income tax who  
12 assesses and withholds from employees an assessment provided in KRS 154.27-080  
13 may offset the assessment against the Kentucky income tax required to be withheld  
14 from the employee under this section.

15 (16) The Commonwealth may bring an action for a restraining order or a temporary or  
16 permanent injunction to restrain or enjoin the operation of an employer's business  
17 until the bond is posted or the tax required to be withheld is paid or both. The action  
18 may be brought in the Franklin Circuit Court or in the Circuit Court having  
19 jurisdiction of the defendant.

20 **(17) An approved company and any associated loan-out entity under Subchapter 61 of**  
21 **KRS Chapter 154 required to withhold Kentucky income tax from employees on**  
22 **all qualified payroll expenditures shall withhold at the maximum rate provided in**  
23 **KRS 141.020, and remit and certify the withheld amount to the department.**

24 ➔Section 4. KRS 141.350 is amended to read as follows:

25 The amount deducted and withheld as tax under KRS 141.310 and 141.315 during any  
26 calendar year upon the wages of any individual and the amount of credit described in  
27 KRS 154.22-070(2), ~~154.23-055,~~ 154.24-110, 154.24-150(3) and (4), **Section 20 of this**

1 Act, 154.26-100(2), 154.27-080, 154.28-110, or 154.32-090 shall be allowed as a credit  
 2 to the recipient of the income against the tax imposed by KRS 141.020, for taxable years  
 3 beginning in the calendar year. If more than one (1) taxable year begins in the calendar  
 4 year, the amount shall be allowed as a credit against the tax for the last taxable year so  
 5 beginning.

6 ➔Section 5. KRS 141.383 is amended to read as follows:

- 7 (1) As used in this section:
- 8 (a) "Above-the-line production crew" has the same meaning as in KRS 154.61-

- 15 **ii. On the first day of July of each calendar year, any unused**
- 16 **balance allocated under subpart i. of this subdivision for**
- 17 **continuous film productions, shall be made available for all**
- 18 **approved companies with a motion picture or**
- 19 **entertainment production.**
- 20 2. ~~Beginning January 1, 2022,~~ To qualify for the refundable credit, all
- 21 applicants shall:
- 22 a. Begin **filming or** production **in Kentucky** within six (6) months of
- 23 **approval by**~~filing an application with~~ the authority; and
- 24 b. Complete **filming or** production **in Kentucky** within two (2) years
- 25 of their production start date.
- 26 (3) ~~Beginning January 1, 2022,~~ An approved company may receive a refundable tax
- 27 credit if:

- 1 (a) The department has received notification from the authority that the approved  
2 company has satisfied all requirements of KRS 154.61-020 and 154.61-030;  
3 and
- 4 (b) The approved company has provided a detailed cost report and sufficient  
5 documentation to the authority, which has been forwarded by the authority to  
6 the department, that:
- 7 1. The purchases of qualifying expenditures were made after the execution  
8 of the tax incentive agreement; and
- 9 2. The approved company *or loan-out entity* has withheld income tax as  
10 required by KRS 141.310 on all qualified payroll expenditures, *and*  
11 *remitted and certified the withheld amount to the department.*
- 12 (4) Interest shall not be allowed or paid on any refundable credits provided under this  
13 section.
- 14 (5) The department may promulgate administrative regulations under KRS Chapter  
15 13A to administer this section.
- 16 (6) On or before September 1, 2010, and on or before each September 1 thereafter, for  
17 the immediately preceding fiscal year, the department shall report to the authority  
18 and the Interim Joint Committee on Appropriations and Revenue the names of the  
19 approved companies and the amounts of refundable income tax credit claimed.
- 20 (7) No later than September 1, 2021, and by *November*~~September~~ 1 every four (4)  
21 years thereafter, the department and the Cabinet for Economic Development shall  
22 cooperatively provide historical data related to the tax credit allowed in this section  
23 and KRS 154.61-020 and 154.61-030, including data items beginning with tax  
24 credits claimed for taxable years beginning on or after January 1, 2018:

- 9 2. National touring production of a Broadway show; or
- 10 3. Documentary;
- 11 (g) Whether the filming or production was performed:
- 12 1. Entirely in an enhanced county; or
- 13 2. In whole or in part in any Kentucky county other than in an enhanced  
14 incentive county;
- 15 (h) The amount of qualifying expenditures incurred by the taxpayer;
- 16 (i) The amount of qualifying payroll expenditures paid to:
- 17 1. Resident below-the-line crew; and
- 18 2. Nonresident below-the-line production crew;
- 19 including the number of crew members in each category;
- 20 (j) The amount of qualifying payroll expenditures paid to:
- 21 1. Resident above-the-line crew; and
- 22 2. Nonresident above-the-line crew;
- 23 including the number of crew members in each category; and
- 24 (k) A brief description of the type of motion picture or entertainment production  
25 project.
- 26 (8) The information required to be reported under this section shall not be considered  
27 confidential taxpayer information and shall not be subject to KRS Chapter 131 or

1 any other provisions of the Kentucky Revised Statutes prohibiting disclosure or  
2 reporting of information.

3 ➔Section 6. KRS 154.12-2035 is amended to read as follows:

- 4 (1) The cabinet shall maintain a searchable electronic database on its website~~[Web site]~~  
5 containing information on the cost and status of the programs listed in subsection  
6 (3)(a) of this section. The database shall include all projects approved at any time in  
7 the last five (5) years and shall include for each, where applicable, the following  
8 information:
- 9 (a) The name of the program, the recipient or participant, the type of project, and  
10 its location by county;
  - 11 (b) Total and approved costs of the project or investment, and the amount of  
12 incentives or other benefits authorized;
  - 13 (c) For the Kentucky Business Investment Program and the Kentucky Enterprise  
14 Initiative Act, the amount of incentives or other benefits actually recovered as  
15 self-reported by the recipient;
  - 16 (d) The number of new jobs estimated and, for the Kentucky Business Investment  
17 Program, actually created, along with wage information for those jobs;
  - 18 (e) Project status and the date and nature of the most recent activity; and
  - 19 (f) Any other comparable data or information necessary to achieve transparency  
20 and accountability for the specified programs.
- 21 (2) In addition to the electronic database required in subsection (1) of this section, the  
22 cabinet shall prepare an annual report on the programs listed in subsection (3) of  
23 this section and make it available on the Cabinet for Economic Development  
24 website~~[Web site]~~ by November 1 of each year. The report shall include all projects  
25 approved in the preceding fiscal year and shall provide for these projects the  
26 information specified in subsection (1) of this section plus aggregate data for each  
27 program, summary evaluations of program activity and effectiveness, and anything

1 required by statute to be reported for any particular program. The report shall also  
2 list all projects that were approved in prior years but active at any time in the  
3 preceding fiscal year, although for these projects the report need not provide further  
4 data.

5 (3) The following programs shall be subject to the reporting requirements of this  
6 section:

7 (a) The electronic database required in subsection (1) of this section shall include  
8 the Bluegrass State Skills Corporation, grants-in-aid and skills training  
9 investment credit; Kentucky Business Investment Program; Kentucky

14 Act; Kentucky Small Business Tax Credit; economic development bonds;  
15 Kentucky Industrial Development Act; Kentucky Jobs Development Act;  
16 Kentucky Jobs Retention Act; the Kentucky Rural Economic Development  
17 Act; and

18 (b) The annual report required by subsection (2) of this section shall include all  
19 programs listed in paragraph (a) of this subsection plus the Kentucky  
20 Investment Fund Act, and tax increment financing, state participation projects.

21 (4) The cabinet shall coordinate with any other agency necessary to supply the  
22 information required by this section.

23 ➔Section 7. KRS 154.12-204 is amended to read as follows:

24 As used in KRS 154.12-205 to 154.12-208, unless the context requires otherwise:

25 (1) "Agribusiness" has the same meaning as in KRS 154.32-010;

26 (2) "Alternative fuel production" has the same meaning as in KRS 154.32-010;

27 (3) "Applicant" means a business or industry that has made application for a grant-in-

- 1 aid or skills training investment credit as authorized by KRS 154.12-205 to 154.12-  
2 208;
- 3 (4) "Approved company" means any qualified company seeking to sponsor an  
4 occupational upgrade training program or skills upgrade training program for the  
5 benefit of one (1) or more of its employees, which is approved by the corporation to  
6 receive grant-in-aid or skills training investment credits as provided by KRS  
7 154.12-205 to 154.12-208;
- 8 (5) "Approved costs" means costs confirmed as eligible by the corporation, including:
- 9 (a) Fees or salaries required to be paid to instructors who are employees of the  
10 approved company, instructors who are full-time, part-time, or adjunct  
11 instructors with an educational institution, and instructors who are consultants  
12 on contract with an approved company in connection with an occupational  
13 upgrade training program or skills upgrade training program sponsored by an  
14 approved company;
- 15 (b) The cost of supplies and materials used exclusively in an occupational  
16 upgrade training program or skills upgrade training program sponsored by an  
17 approved company;
- 18 (c) Employee wages to be paid in connection with an occupational upgrade  
19 training program or skills upgrade training program sponsored by an approved

18 support directly the development and expansion of a particular program as defined  
19 herein.

20 ➔Section 8. KRS 154.12-207 is amended to read as follows:

21 (1) The corporation may, subject to appropriation from the General Assembly or from  
22 funds made available to the corporation from any other public or private source,  
23 provide grants-in-aid to qualified companies, not in excess of ~~five~~<sup>two</sup> hundred  
24 thousand dollars ~~(\$500,000)~~<sup>(\$200,000)</sup> per grant-in-aid. Such grants-in-aid shall  
25 be used exclusively for programs which are consistent with the provisions of this  
26 chapter.

27 (2) The corporation may, in accordance with KRS 154.12-204 to 154.12-208, award a

1 skills training investment credit to an approved company. The amount of the skills  
2 training investment credit awarded by the corporation shall be an amount not to  
3 exceed fifty percent (50%) of the amount of approved costs incurred by the  
4 approved company in connection with its program of occupational upgrade training  
5 or skills upgrade training, the credit amount not to exceed two thousand dollars  
6 (\$2,000) per trainee and, in the aggregate, not to exceed ~~five~~<sup>two</sup> hundred thousand  
7 dollars ~~(\$500,000)~~<sup>(\$200,000)</sup> for each approved company per fiscal year. The  
8 corporation shall only approve one (1) application per fiscal year for each approved  
9 company.

10 (3) To apply for a grant-in-aid or a skills training investment credit, a qualified  
11 company shall submit an application to the Bluegrass State Skills Corporation  
12 before commencing its program of skills upgrade or occupational upgrade training.  
13 Each application shall contain information the corporation requires, including but  
14 not limited to:

- 15 (a) A proposal for a program of skills upgrade training, occupational upgrade  
16 training, and education;
- 17 (b) A description of each component of the proposed training program and the  
18 number of employee training hours requested; and
- 19 (c) A statement of the total anticipated costs and expenses of the program,  
20 including a breakdown of the costs associated with equipment, personnel,  
21 facilities, and materials.

22 (4) Approval of the grant-in-aid and skills training investment credit application by the  
23 board shall be based upon the following criteria:

- 24 (a) The program must be within the scope of KRS 154.12-204 to 154.12-208;
- 25 (b) Participants in the program must qualify as an employee as defined by KRS  
26 154.12-204;
- 27 (c) The program must involve an area of skills upgrade training, occupational

1 upgrade training, and education which is needed by a qualified company and  
2 for which a shortage of qualified individuals exists within the  
3 Commonwealth; and

4 (d) The grant-in-aid and skills training investment credit must be essential to the  
5 success of the program as the resources are inadequate to attract the technical  
6 assistance and financial support necessary from a qualified company.

7 (5) After a review of applications for grant-in-aid and skills training investment credits,  
8 the corporation may designate the qualified company as an approved company and  
9 approve the maximum amount of grants and skills training investment credits the  
10 approved company is eligible to receive. The maximum amount of skills training  
11 investment credits approved for all qualified companies by the corporation shall not  
12 exceed two million five hundred thousand dollars (\$2,500,000) for each fiscal year.  
13 Skills training investment credits that remain unallocated by the corporation at the  
14 end of its fiscal year shall lapse and shall not be carried forward to a new fiscal  
15 year.

16 (6) The approved company shall complete all programs of skills upgrade training or  
17 occupational upgrade training within one (1) year from the date of approval by the  
18 corporation and shall certify the completion of these programs to the corporation.  
19 Once they are completed and certified and all required documentation is provided  
20 and received by the corporation, the corporation shall disburse the grant funds or  
21 notify the approved company of the final authorized skills training investment  
22 credit.

23 Entrepreneurship and ~~Small Business~~ Innovation.
- 24 (3) The high-tech construction pool shall be used for projects with a special emphasis  
25 on the creation of high-technology jobs and knowledge-based companies. The  
26 executive director, in administering the high-tech construction pool, shall  
27 recommend distribution of funds and projects to the Kentucky Economic

1 Development Finance Authority for its approval. The executive director shall  
2 recommend any designated amount of pool funds to be set aside for any match  
3 requirements. Any funds used for matching purposes may include public and  
4 private funds.

5 (4) The high-tech investment pool shall be used to build and promote technology-  
6 driven industries and research-intensive industries, as well as their related suppliers,  
7 with the goal of creating clusters of innovation-driven industries in Kentucky. The  
8 executive director, in administering the high-tech investment pool, shall be  
9 authorized to recommend funds to be used to support loans and grants, or to secure  
10 an equity or related position.

11 (5) The Kentucky Economic Development Finance Authority shall ensure in their  
12 approval of funding of projects that the highest priority is given to knowledge-based  
13 companies in fulfillment of the purposes and intentions of the purposes of this  
14 section.

15 ➔Section 14. KRS 154.12-310 is amended to read as follows:

16 (1) The Kentucky Innovation and Commercialization Centers are private-public  
17 partnerships, operating as a cohesive statewide infrastructure to support the  
18 implementation of key Kentucky Innovation Act initiatives.

19 (2) The organization of the ICCs shall be a statewide network of Kentucky innovative  
20 hubs, with the location and services provided for each hub determined by the  
21 executive director of the Office of Entrepreneurship and ~~Small Business~~  
22 Innovation.

23 (a) The Office of Entrepreneurship and ~~Small Business~~ Innovation shall be the  
24 central headquarters for the Kentucky innovative hubs and has primary  
25 responsibility for the following:

- 26 1. Managing and administering the ICC Program;
- 27 2. Establishing uniform program application, protocol, and operating

- 1 guidelines when appropriate;
- 2 3. Supporting the protocol by creating and funding centralized services to
- 3 be distributed throughout the network; and
- 4 4. Identifying those issues, opportunities, and challenges that have
- 5 statewide implications.
- 6 (b) The regional affiliates are responsible for fulfilling the duties as set forth in
- 7 KRS 154.12-305 relating to the implementation of the region's innovation
- 8 strategic plan and supporting the implementation of the Kentucky Innovation
- 9 Act initiatives in the region or subregion;
- 10 (c) The satellites are responsible for generating technology business development
- 11 in their assigned geographic area, acting as a bridge between individuals and
- 12 businesses needing critical early state concept and development work and the
- 13 affiliate centers that can provide this support.

14 The affiliates and satellites provide a valuable assurance for equal access to the

15 Kentucky Innovation Act initiatives and funding, and provide an opportunity for

16 full participation in rural and remote, as well as metropolitan, areas of the state.

17 (3) The executive director of the Office of Entrepreneurship and ~~Small Business~~

18 ~~Innovation~~ shall have all the powers and authority, not explicitly prohibited by

19 statute, necessary and convenient to carry out and effectuate the purposes of KRS

5 thereafter, report to the Interim Joint Committee on Appropriations and  
6 Revenue information about each outstanding loan issued, including:

7 1. The name and location of the rural hospital;

8 2. The amount of principal originally loaned;

9 3. The terms of the loan and whether the rural hospital is currently meeting  
10 those terms; and

11 4. How the rural hospital used the loan related to facilities, staff, or  
12 additional services.

13 (4) (a) The fund created in subsection (2) of this section shall be a trust and agency  
14 account.

15 (b) The Cabinet for Economic Development shall administer the fund.

16 (c) The fund shall consist of appropriations, contributions, donations, gifts, or  
17 federal funds.

18 (d) Notwithstanding KRS 45.229, any moneys remaining in the fund at the close  
19 of the fiscal year shall not lapse but shall be carried forward into the  
20 succeeding fiscal year.

21 (e) Any interest earnings of the fund shall become a part of the fund and shall not  
22 lapse.

23 (f) Moneys deposited in the fund are hereby appropriated for the sole purpose of  
24 providing loans to rural hospitals.

20 (1) A qualified lender of a commercial loan to an eligible company shall not be eligible  
21 to apply for inducements until final approval has been made by the qualified lender  
22 and funding has been completed in accordance with the commercial loan.

23 (2) Commercial loan proceeds shall be spent by the eligible company on approved  
24 costs within three (3) years of final approval, unless an extension is required by the  
25 qualified lender or necessitated by circumstances beyond the control of the eligible  
26 company or the qualified lender.

27 (3) The eligible company shall submit all documentation, including documentation

1 evidencing expenditures, as required by the qualified lender.

2 (4) Qualified lenders may provide applications to an eligible company and then decide,  
3 regardless of further processing or underwriting results, to not provide final  
4 approval so long as the decision is not prohibited by state or federal law. If the  
5 qualified lender decides not to proceed, the qualified lender shall provide the  
6 application to a cooperative lender for further review and possible assignment to  
7 one (1) or more other qualified lenders.

8 (5) A qualified lender that is unable to fund the entire amount requested in an  
9 application shall submit all or any portion of the requested amount to a cooperative  
10 lender for further review and possible assignment of the unfunded portion to one (1)  
11 or more qualified lenders.

12 ➔Section 18. KRS 154.20-586 is amended to read as follows:

13 (1) The eligible company shall:

14 (a) Apply for all other available assistance that is not a commercial loan,  
15 including disaster relief assistance and insurance proceeds;

16 (b) Notify the qualified lenders immediately upon application of other assistance;  
17 and

18 (c) Provide an update on the status of that assistance when requested by the  
19 qualified lenders.

20 (2) The eligible company may assign any other available assistance to the qualified  
21 lender.

22 (3) The qualified lender shall use the other available assistance to first pay any fees or  
23 other amounts outstanding to reduce the principal balance of the commercial loan.

24 **(4) The eligible company may apply for other programs administered by the Cabinet**  
25 **for Economic Development for which it meets the relevant program specific**  
26 **eligibility.**

27 ➔Section 19. KRS 154.20-589 is amended to read as follows:

- 1 (1) (a) There is hereby established in the State Treasury a trust and agency account to  
2 be known as the western Kentucky risk assistance fund.
- 3 (b) The fund shall be maintained by the Cabinet for Economic Development.
- 4 (c) Amounts deposited in the fund shall be used as required under subsection (2)  
5 of this section.
- 6 (d) Notwithstanding KRS 45.229, moneys not expended at the close of a fiscal  
7 year shall not lapse but shall be carried forward into the next fiscal year.
- 8 (e) Any interest earnings of the fund shall become a part of the fund and shall not  
9 lapse.
- 10 (f) Moneys deposited in the fund are hereby appropriated for the purposes set  
11 forth in this section.
- 12 (2) The fund shall be used to pay a qualified lender on the unpaid principal balance of a  
13 commercial loan in an amount up to the lesser of the first twenty-five percent (25%)  
14 of the loss suffered on the unpaid principal balance on a commercial loan or one  
15 million dollars (\$1,000,000), as evidenced by the loss being determined by the  
16 following method:
- 17 (a) The amount of loan loss reserve the lending institution establishes based on  
18 the current expected credit losses methodology for estimating allowances for  
19 credit losses, as reflected in an official, filed call report which reflects the  
20 changes in the allowance for credit loss relating to the loan originated under  
21 this section; or
- 22 (b) The amount of the estimated loss as documented by an updated appraisal of  
23 the underlying collateral, or a change in economic value of the loan based on  
24 expected cash flows.
- 25 (3) The western Kentucky risk assistance fund shall be used to provide loan loss  
26 support payments to qualified lenders for commercial loans that, in the  
27 aggregate, have outstanding principal balances not exceeding one hundred

1        million dollars (\$100,000,000) and have been approved for enrollment in the  
2        program following the application process set forth in subsections (4) and (5) of  
3        this section. The one hundred million dollar (\$100,000,000) maximum amount  
4        for eligible loans shall be proportionally reduced as the loss payments are  
5        disbursed~~inducement on the first two hundred million dollars (\$200,000,000) of~~  
6        ~~commercial loans made and applications submitted under subsection (4) of this~~  
7        ~~section~~.

8        (4) The cabinet shall accept applications for inducements on a form created by the  
9        cabinet, which shall include the following:

- 10        (a) The name of the qualified lender;
- 11        (b) The qualified lender's status of good standing by the Department of Financial  
12        Institutions;
- 13        (c) The Kentucky address of the physical location of the qualified lender;
- 14        (d) The name, e-mail address, and phone number of an employee of the qualified  
15        lender who can be contacted regarding questions about the application; and
- 16        (e) The amount of the commercial loan.

17        (5) (a) The cabinet shall accept applications for access to the western Kentucky risk  
18        assistance fund only for a commercial loan that originated before December  
19        31, 2027.

- 20        (b) Applications from qualified lenders shall be approved in the order in which  
21        the applications are received, with each qualified lender being limited to a  
22        maximum of applications totaling ten million dollars (\$10,000,000) in  
23        commercial loans.

24        (6) Once a loss has been suffered by a qualified lender, the cabinet shall accept requests  
25        for loss payments from the western Kentucky risk assistance fund on a form created  
26        by the cabinet that provides the following:

- 27        (a) The name of the qualified lender;

- 1 (b) The qualified lender's status of good standing by the Department of Financial  
2 Institutions;
- 3 (c) The Kentucky address of the physical location of the qualified lender;
- 4 (d) The name, e-mail address, and phone number of an employee of the qualified  
5 lender, who can be contacted regarding questions about the application;
- 6 (e) The amount of the commercial loan;
- 7 (f) The requested loss payment amount calculated in accordance with subsection  
8 (2) of this section; and
- 9 (g) Documentation of the suffered loss.
- 10 (7) (a) An application for a loss payment may only be submitted for losses suffered  
11 within five (5) years from the origination of the loan.

25 provided by a hospital;

26 (29) "Incentives" means the incentives available under this subchapter, as listed in KRS  
27 154.32-020(3);

- 1 (30) "Job target" means the annual average number of new full-time jobs that the  
2 approved company commits to create and maintain at the economic development  
3 project, which shall not be less than ten (10) new full-time jobs;
- 4 (31) "Kentucky gross receipts" has the same meaning as in KRS 141.0401;
- 5 (32) "Kentucky gross profits" has the same meaning as in KRS 141.0401;
- 6 (33) "Lease agreement" means an agreement between an approved company and an  
7 unrelated entity conveying the right to use a facility, the terms of which reflect an  
8 arms' length transaction. "Lease agreement" does not include a capital lease;
- 9 (34) "Leased project" means an economic development project site occupied by an  
10 approved company pursuant to a lease agreement;
- 11 (35) "Manufacturing" means any activity involving:
- 12 (a) Processing, assembling, or production of any property, including the  
13 processing resulting in a change in the conditions of the property and any  
14 activity related to the processing, assembling, or production of property,  
15 together with the storage, warehousing, distribution, and related office  
16 facilities; or
- 17 (b) Production of vital medications, personal protective equipment, or equipment  
18 necessary to produce personal protective equipment;
- 19 (36) (a) "Nonretail service or technology" means any activity where service or  
20 technology is provided predominantly outside the Commonwealth and  
21 designed to serve a multistate, national, or international market.
- 22 (b) "Nonretail service or technology" includes but is not limited to call centers,  
23 centralized administrative or processing centers, telephone or Internet sales  
24 order or processing centers, distribution or fulfillment centers, data processing  
25 centers, research and development facilities, and other similar activities;
- 26 (37) "Owned project" means an economic development project owned in fee simple by  
27 the approved company or an affiliate, or possessed by the approved company or an

- 1 affiliate pursuant to a capital lease;
- 2 (38) "Personal protective equipment" means protective clothing, helmets, gloves, face  
3 shields, goggles, face masks, respirators, and other equipment designed to protect  
4 the user from injury or the spread of infection or illness;
- 5 (39) "Preliminary approval" means the action taken by the authority preliminarily  
6 approving an eligible company for incentives under this subchapter;
- 7 (40) "Renewable energy production" means a Kentucky operation that utilizes wind  
8 power, biomass resources, landfill methane gas, hydropower, solar power, or other  
9 similar renewable resources to generate electricity for sale to unrelated entities;
- 10 (41) "Rent" means the actual annual rent or fee paid by an approved company under a  
11 lease agreement;
- 12 (42) "Start-up costs" means nonrecurring costs incurred to furnish and equip a facility  
13 for an economic development project, including costs incurred for:
- 14 (a) Computers, furnishings, office equipment, manufacturing equipment, and  
15 fixtures;
- 16 (b) The relocation of out-of-state equipment; and
- 17 (c) Cost of fixed telecommunications equipment;  
18 as certified to the authority in accordance with KRS 154.32-030;
- 19 (43) "Synthetic natural gas" means the same thing as in KRS 152.715;
- 20 (44) "Tax incentive agreement" means the agreement entered into pursuant to KRS  
21 154.32-040 between the authority and an approved company;
- 22 (45) "Term" means the period of time for which a tax incentive agreement may be in  
23 effect, which shall not exceed fifteen (15) years for an economic development  
24 project located in an enhanced incentive county, or ten (10) years for an economic  
25 development project not located in any other county;
- 26 (46) "Vital medications" means any drug or biologic used to prevent or treat a serious  
27 life-threatening disease or medical condition for which there is no other available

1 source with sufficient supply of that drug or biologic or alternative drug or biologic;  
2 (47) "Wage" means the per hour earnings of a full-time employee, including wages, tips,  
3 overtime, bonuses, and commissions, as reflected on the employee's federal form  
4 W-2 wage and tax statement, but excludes employee benefits; and

5 (48) "Wage target" means the average total hourly compensation amount, including the  
6 minimum wage and employee benefits, that the approved company commits to  
7 meet for all new full-time jobs created and maintained as a result of the economic  
8 development project, which shall not be less than:

9 (a) One hundred twenty-five percent (125%) of the federal minimum wage in  
10 enhanced incentive counties; or

11 (b) One hundred fifty percent (150%) of the federal minimum wage in all other  
12 counties.

13 ➔Section 23. KRS 154.32-020 is amended to read as follows:

14 (1) The purposes of this subchapter are:

15 (a) To provide incentives for eligible companies and to encourage the location or  
16 expansion of manufacturing facilities, agribusiness operations, nonretail  
17 service or technology facilities, headquarters operations, alternative fuel  
18 production facilities, gasification production facilities, energy-efficient  
19 alternative fuel production facilities, renewable energy production facilities,  
20 carbon dioxide or hydrogen transmission pipelines, coal severing and  
21 processing, and hospital operations in the Commonwealth to advance the  
22 public purposes of:

23 1. Creation of new jobs that, but for the incentives offered by the authority,  
24 would not exist within the Commonwealth;

25 2. Creation of new sources of tax revenues for the support of public  
26 services provided by the Commonwealth;

27 3. Improvement in the quality of life for Kentucky citizens through the

- 1 creation of sustainable jobs with higher salaries; and
- 2 4. Providing an economic stimulus to bolster in-state production of vital
- 3 medications and personal protective equipment; and
- 4 (b) To provide enhanced incentives for companies that locate in enhanced
- 5 incentive counties in recognition of the depressed economic conditions in
- 6 those counties and the increased need for the growth and development caused
- 7 by the depressed economic conditions.
- 8 (2) To qualify for the incentives provided by subsection (3) of this section, an approved
- 9 company shall:
- 10 (a) Incur eligible costs of at least one hundred thousand dollars (\$100,000);
- 11 (b) Create at least ten (10) new full-time jobs and maintain an annual average
- 12 number of at least ten (10) new full-time jobs; and
- 13 (c) 1. Pay at least ninety percent (90%) of all new full-time employees whose
- 14 jobs were created as a result of the economic development project a
- 15 minimum wage of at least one hundred twenty-five percent (125%) of
- 16 the federal minimum wage in enhanced incentive counties, and one
- 17 hundred fifty percent (150%) of the federal minimum wage in other
- 18 counties throughout the term of the economic development project; and
- 19 2. Provide employee benefits for all new full-time jobs equal to at least
- 20 fifteen percent (15%) of the minimum wage requirement established by
- 21 subparagraph 1. of this paragraph. If the eligible company does not
- 22 provide employee benefits equal to at least fifteen percent (15%) of the
- 23 minimum wage requirement established by subparagraph 1. of this
- 24 paragraph, the eligible company may still qualify for incentives if it
- 25 provides the full-time employees hired as a result of the economic
- 26 development project total hourly compensation equal to or greater than
- 27 one hundred fifteen percent (115%) of the minimum wage requirement

1                    established in subparagraph 1. of this paragraph through increased  
2                    hourly wages combined with employee benefits; or

3            (d) Produce vital medications, personal protective equipment, or equipment  
4                    necessary to produce personal protective equipment.

5    (3) The incentives available under this subchapter are as follows:

6            (a) Tax credits of up to one hundred percent (100%) of the Kentucky income tax  
7                    imposed under KRS 141.020 or 141.040 and the limited liability entity tax  
8                    imposed under KRS 141.0401 on the income, Kentucky gross profits, or  
9                    Kentucky gross receipts of the approved company generated by or arising  
10                   from the economic development project, as set forth in KRS 141.415 and  
11                   154.32-070;

12           (b) Authorization for the approved company to impose a wage assessment against  
13                   the gross wages of each new employee subject to the Kentucky income tax as  
14                   provided in KRS 154.32-090; and

15           (c) Notwithstanding any provision of law to the contrary, for any economic  
16                   development project with an eligible investment of more than two hundred  
17                   million dollars (\$200,000,000), the authority may authorize approval to the  
18                   economic development project based upon terms and incentives applicable to  
19                   economic development project locating in an enhanced incentive county.

20    (4) The General Assembly hereby finds and declares that the authority granted in this  
21                   subchapter and the purposes accomplished hereby are proper governmental and  
22                   public purposes for which public moneys may be expended, and that the  
23                   inducement of the location of economic development projects within the  
24                   Commonwealth is of paramount importance to the economic well-being of the  
25                   Commonwealth.

26           ➔Section 24. KRS 154.32-050 is amended to read as follows:

27    (1) The authority shall identify and certify or decertify enhanced incentive counties on

1 an annual basis as provided in this section.

2 (2) Each fiscal year, the authority shall:

3 (a) Obtain from the Department of Workforce Development in the Education and  
4 Labor Cabinet, the final unemployment figures for the prior calendar year for  
5 each county and for the Commonwealth as a whole;

6 (b) Identify those counties which have had:

7 1. A countywide unemployment rate that exceeds the statewide  
8 unemployment rate in the most recent five (5) consecutive calendar  
9 years; or

10 2. An average countywide rate of unemployment exceeding the statewide  
11 unemployment rate by two hundred percent (200%) in the most recent  
12 calendar year; and

13 (c) Certify the counties identified in paragraph (b) of this subsection as enhanced  
14 incentive counties.

15 (3) A county not certified under subsection (2) of this section may also be certified by  
16 the authority as an enhanced incentive county if the authority determines the county  
17 is one (1) of the sixty (60) most distressed counties in the Commonwealth based on  
18 the following criteria with equal weight given to each criterion:

19 (a) The average countywide rate of unemployment in the most recent three (3)  
20 consecutive calendar years, using the information obtained under subsection  
21 (2)(a) of this section;

22 (b) The percentage of adults twenty-five (25) years of age and older who have  
23 attained at least a high school education or equivalent, on the basis of the most  
24 recent data available from the United States Department of Commerce,  
25 Bureau of the Census; and

26 (c) The quality of the roads in the county. Quality of roads shall be determined by  
27 the access within a county to roads, ranked in descending order from best

1 quality to worst quality, as certified to the authority by the Kentucky  
2 Transportation Cabinet as follows:

- 3 1. Two (2) or more interstate highways;
- 4 2. One (1) interstate highway;
- 5 3. A state four (4) lane parkway;
- 6 4. A four (4) lane principal arterial access to an interstate highway;
- 7 5. A state two (2) lane parkway; and
- 8 6. None of the preceding road types.

9 (4) (a) If the authority determines that an enhanced incentive county no longer meets  
10 the criteria to be certified as an enhanced incentive county under this section,  
11 the authority shall decertify that county.

12 (b) Any economic development project located in an enhanced incentive county  
13 that was decertified by the authority after May 1, 2009, shall have until July 1  
14 of the third year following the fiscal year in which the county was decertified  
15 to obtain final approval from the authority.

16 (5) (a) As used in this subsection, "industrial park" means a regional industrial park  
17 as defined in KRS 42.4588, or an industrial park created pursuant to an  
18 interlocal agreement in which revenues are shared as provided in KRS 65.210  
19 to 65.300.

20 (b) An economic development project undertaken in an industrial park that is  
21 located in two (2) or more counties, one (1) of which is an enhanced incentive  
22 county, may be approved for the enhanced incentive county incentives set  
23 forth in this subchapter.

24 **(6) A county not certified under subsection (2) or (3) of this section may be certified**  
25 **by the authority as an enhanced incentive county if the county has been declared**  
26 **a disaster relief area by any state or federal agency on or after December 1, 2021.**  
27 **The enhanced county certification shall be effective for a period of two (2) years**

1 from the date of certification by the authority. Following the two (2) year period,  
 2 if a county certified under this subsection does not meet the criteria under  
 3 subsections (2) and (3) of this section to be certified as an enhanced incentive  
 4 county, the county shall be decertified in accordance with subsection (4) of this  
 5 section.

6 ➔Section 25. KRS 154.32-090 is amended to read as follows:

7 (1) An approved company or, with the authority's consent, an affiliate of an approved  
 8 company may impose wage assessments against employees as provided in this  
 9 section if a wage assessment is included in the incentives awarded to the approved  
 10 company in the tax incentive agreement. The level of wage assessment shall be  
 11 negotiated as part of the tax incentive agreement.

12 (2) If an economic development project is located in an enhanced incentive county, the  
 13 approved company or, with the authority's consent, an affiliate of the approved  
 14 company may require that each employee subject to the tax imposed by KRS  
 15 141.020, whose job is determined by the authority to be created as a result of the  
 16 economic development project, as a condition of employment, agree to an  
 17 assessment of up to one hundred percent (100%) of the individual income tax rate  
 18 imposed by KRS 141.020, and that assessment shall operate as the  
 19 Commonwealth's wage assessment. Although not required for an economic  
 20 development project located in an enhanced incentive county, a local jurisdiction  
 21 may agree to forgo all or a portion of its local occupational license fee as a local  
 22 wage assessment~~[five percent (5%) of taxable wages].~~

23 (3) (a) If the economic development project is not located in an enhanced incentive  
 24 county, and is located in a local jurisdiction where:

25 1. No local occupational license fee is imposed;~~[or]~~

26 2. a. A local occupational license fee greater than or equal to twenty  
 27 percent (20%) of the individual income tax rate in KRS

1 141.020~~[one percent (1%)]~~ is imposed; and

2 b. The local jurisdiction agrees to forgo, as the local wage  
 3 assessment, at least twenty percent (20%) of the individual  
 4 income tax rate imposed by KRS 141.020~~[one percent (1%)]~~ via  
 5 credits against the local occupational license fee for the affected  
 6 employees; or

7 3. a. A local occupational license fee less than twenty percent (20%)  
 8 of the individual income tax rate in KRS 141.020 is imposed; and  
 9 b. The local jurisdiction agrees to forgo the total amount of the  
 10 local occupational license fee as the local wage assessment; then

11 (b) An approved company or, with the authority's consent, an affiliate of an  
 12 approved company may require that each employee subject to tax imposed by  
 13 KRS 141.020, whose job is determined by the authority to be created as a  
 14 result of the economic development project, as a condition of employment,  
 15 agree to pay an assessment of up to sixty percent (60%) of the individual  
 16 income tax rate imposed by KRS 141.020 and that assessment shall operate  
 17 as the Commonwealth's wage assessment~~[four percent (4%) of taxable~~  
 18 ~~wages]~~.

19 (4) (a) If the economic development project is not located in an enhanced incentive  
 20 county, and is located in a local jurisdiction where:

21 1. a. A local occupational license fee greater than or equal to twenty  
 22 percent (20%) of the individual income tax rate in KRS 141.020  
 23 is imposed; and

24 b. The local jurisdiction agrees to forgo an amount of the local  
 25 occupational license fee that is less than twenty percent (20%) of  
 26 the individual income tax rate in KRS 141.020 as the local wage  
 27 assessment; or

- 1            2. a. A local occupational license fee of lesser than twenty percent  
 2                                    (20%) of the individual income tax rate in KRS 141.020 is  
 3                                    imposed; and  
 4            b. The local jurisdiction agrees to forgo only a portion of the total  
 5                                    amount of the local occupational license fee as the local wage  
 6                                    assessment ~~if:~~

7     ~~1. The economic development project is not located in an enhanced incentive county,~~  
 8                                    ~~and is located in a jurisdiction where the local occupational license fee is less~~  
 9                                    ~~than one percent (1%); and~~

10    ~~2. The local jurisdiction agrees to forgo the total amount of the local occupational~~  
 11                                    ~~license fee]; then~~

12            (b) An approved company or, with the authority's consent, an affiliate of an  
 13                                    approved company may require that each employee subject to tax imposed by  
 14                                    KRS 141.020, whose job is determined by the authority to be created as a  
 15                                    result of the economic development project, as a condition of employment,  
 16                                    agree to pay an assessment equal to three (3) times the forgone local wage  
 17                                    assessment rate and that assessment shall operate as the Commonwealth's  
 18                                    wage assessment ~~[of up to three percent (3%) of taxable wages, plus a~~  
 19                                    ~~percentage equal to the amount of the local occupational license fee the local~~  
 20                                    ~~jurisdiction agrees to forgo].~~

21    (5) ~~{(a) If:~~

22    ~~1. The project is not located in an enhanced incentive county and is located in a~~  
 23                                    ~~county where the jurisdiction imposes a local occupational license fee of less than~~  
 24                                    ~~one percent (1%); and~~

25    ~~2. The local jurisdiction agrees to forgo only a portion of the total amount of the local~~  
 26                                    ~~occupational license fee; then~~

27    ~~(b) An approved company or, with the authority's consent, an affiliate of an approved~~

1        ~~company may require that each employee subject to tax imposed by KRS 141.020,~~  
2        ~~whose job is determined by the authority to be created as a result of the economic~~  
3        ~~development project, as a condition of employment, agree to pay an assessment to~~  
4        ~~be determined as follows:~~

- 5        ~~1. Divide the local occupational license fee that the local jurisdiction has agreed to~~  
6        ~~forgo by the total local occupational license fee imposed;~~
- 7        ~~2. Multiply the result determined under subparagraph 1. of this paragraph by three~~  
8        ~~percent (3%); and~~
- 9        ~~3. Add the result from subparagraph 2. of this paragraph to the local occupational~~  
10       ~~license fee that the local jurisdiction has agreed to forgo.~~

11       ~~(6) (a) If:~~

- 12       ~~1. The project is not located in an enhanced incentive county, and is located in a~~  
13       ~~county where the jurisdiction imposes a local occupational license fee equal to or~~  
14       ~~greater than one percent (1%); and~~
- 15       ~~2. The local jurisdiction agrees to forgo the local occupational license fee in an~~  
16       ~~amount of less than one percent (1%); then~~

17       ~~(b) An approved company or, with the authority's consent, an affiliate of an approved~~  
18       ~~company may require that each employee subject to tax imposed by KRS 141.020,~~  
19       ~~whose job is determined by the authority to be created as a result of the economic~~  
20       ~~development project, as a condition of employment, agree to pay an assessment to~~  
21       ~~be determined as follows:~~

- 22       ~~1. Divide the local occupational license fee that the local jurisdiction has agreed to~~  
23       ~~forgo by one percent (1%);~~
- 24       ~~2. Multiply the result determined under subparagraph 1. of this paragraph by three~~  
25       ~~percent (3%); and~~
- 26       ~~3. Add the result from subparagraph 2. of this paragraph to the local occupational~~  
27       ~~license fee that the local jurisdiction has agreed to forgo.~~

1 ~~(7)~~ If the project is not located in an enhanced incentive county, and:

- 2 (a) Is located in a local jurisdiction that does not impose a local occupational  
3 license fee, the local jurisdiction shall be required to provide some alternative  
4 inducement satisfactory to the authority at the local level in order for a  
5 preliminarily approved company to receive final approval. However, the  
6 authority may waive this requirement if there are reasonable circumstances  
7 that prevent the local jurisdiction from providing a reasonable inducement; or
- 8 (b) Is located in a local jurisdiction that does impose a local occupational license  
9 fee, the jurisdiction may request that the authority waive the local  
10 occupational license fee requirements established by subsection (3) ~~or~~ (4) ~~or~~  
11 ~~(5), or (6)~~ of this section if the local jurisdiction offers alternative  
12 inducements of similar value satisfactory to the authority. The authority shall  
13 review all requests for a waiver, and may waive the local occupational license  
14 fee requirements and instead require the local jurisdiction to provide  
15 alternative inducements of similar value if the authority determines that the  
16 circumstances warrant an alternative contribution by the local jurisdiction.

17 ~~(6)~~ Each employee paying the assessment shall simultaneously be entitled to a  
18 credit against the Kentucky individual income tax required to be withheld under  
19 KRS 141.310 equal to the state portion of the assessment and shall be entitled to a  
20 credit against the local occupational license tax equal to the local portion of the  
21 assessment.

22 ~~(7)~~ If more than one (1) local jurisdiction imposes an occupational license fee, the  
23 local jurisdiction portion of the assessment shall be prorated proportionately among  
24 the taxes imposed by the local jurisdictions unless one (1) local jurisdiction agrees  
25 to forgo the receipt of these taxes in an amount equal to the local jurisdiction  
26 portion of the wage assessment, in which case no proration shall be made.

27 ~~(8)~~ If a full-time employee subject to state tax imposed by KRS 141.020 is

1 already employed by the approved company at a site other than the site of the  
2 economic development project, that full-time employee's job shall be deemed to  
3 have been created when the full-time employee is transferred to the site of the  
4 economic development project if the full-time employee's existing job is filled with  
5 a new full-time employee.

6 ~~(9)~~~~(11)~~ If an approved company elects to impose the assessment as a condition of  
7 employment, it shall be authorized to deduct the assessment from each payment of  
8 wages to the employee.

9 ~~(10)~~~~(12)~~ Notwithstanding any other provision of the Kentucky Revised Statutes, if an  
10 approved company elects not to deduct the assessment from each payment of wages  
11 to the employee, but rather requests a reimbursement of state tax imposed by KRS  
12 141.020 or local occupational tax in the aggregate after they have been paid to the  
13 state or local jurisdiction, no interest shall be paid by the state or by the local  
14 jurisdiction on that reimbursement.

15 ~~(11)~~~~(13)~~ No credit, or portion thereof, shall be allowed against any occupational  
16 license fee imposed by or dedicated solely to the board of education in a local  
17 jurisdiction.

18 ~~(12)~~~~(14)~~ An approved company imposing an assessment shall make its payroll, books,  
19 and records available to the authority or the department upon request, and shall file  
20 with the authority or department documentation pertaining to the assessment as the  
21 authority or department may require.

22 ~~(13)~~~~(15)~~ Any assessment of the wages of employees of an approved company in  
23 connection with their employment at an economic development project shall

8 shall be two hundred fifty thousand dollars (\$250,000); or

9 2. Films or produces a documentary in whole or in part in the  
10 Commonwealth or that produces a national touring production of a  
11 Broadway show, the minimum combined total of qualifying  
12 expenditures and qualifying payroll expenditures shall be twenty  
13 thousand dollars (\$20,000).

14 (4) (a) Beginning on January 1, 2022, the total tax incentive approved under KRS  
15 141.383 and this subchapter shall be limited to seventy-five million dollars  
16 (\$75,000,000) for calendar year 2022 and each calendar year thereafter; and

17 (b) *Beginning with calendar year 2024:*

18 1. *Twenty-five million dollars (\$25,000,000) shall be allocated for all*  
19 *approved companies with a continuous film production; and*

20 2. *On the first day of July of each calendar year, any unused balance of*  
21 *the amount allocated under subparagraph 1. of this paragraph for*  
22 *continuous film productions, shall be made available for all approved*  
23 *companies with motion picture or entertainment productions.*

24 (5) (a) To qualify for the tax incentive available under KRS 141.383 and this  
25 subchapter all applicants shall:

26 1. Begin filming or production *in Kentucky* within six (6) months of  
27 *approval by*~~[filing an application with]~~ the authority; and

- 1           2. Complete filming or production in Kentucky within two (2) years of the  
2           filming or production start date.
- 3           (b) The tax credit shall be against the Kentucky income tax imposed under KRS  
4           141.020 or 141.040, and the limited liability entity tax imposed under KRS  
5           141.0401, and shall be refundable as provided in KRS 141.383.
- 6           (c) 1. For a motion picture or entertainment production or continuous film  
7           production filmed or produced in its entirety in an enhanced incentive  
8           county, the amount of the incentive shall be equal to thirty-five percent  
9           (35%) of the approved company's:
- 10           a. Qualifying expenditures;
- 11           b. Qualifying payroll expenditures paid to resident and nonresident  
12           below-the-line production crew; and
- 13           c. Qualifying payroll expenditures paid to resident and nonresident  
14           above-the-line production crew not to exceed one million dollars  
15           (\$1,000,000) in payroll expenditures per employee.
- 16           2. a. To the extent the approved company films or produces a motion  
17           picture or entertainment production or continuous film production  
18           in part in an enhanced incentive county and in part a Kentucky  
19           county that is not an enhanced incentive county, the approved  
20           company shall be eligible to receive the incentives provided in this  
21           paragraph for those expenditures incurred in the enhanced  
22           incentive county and all other expenditures shall be subject to the  
23           incentives provided in paragraph (d) of this subsection.
- 24           b. The approved company shall track the requisite expenditures by  
25           county. If the approved company can demonstrate to the  
26           satisfaction of the cabinet that it is not practical to use a separate  
27           accounting method to determine the expenditures by county, the

1 approved company shall determine the correct expenditures by  
2 county using an alternative method approved by the cabinet.

3 (d) For a motion picture or entertainment production **or continuous film**  
4 **production** filmed or produced in whole or in part in any Kentucky county  
5 other than in an enhanced incentive county, the amount of the incentive shall  
6 be equal to:

- 7 1. Thirty percent (30%) of the approved company's:
  - 8 a. Qualifying expenditures;
  - 9 b. Qualifying payroll expenditures paid to below-the-line production  
10 crew that are not residents; and
  - 11 c. Qualifying payroll expenditures paid to above-the-line production  
12 crew that are not residents, not to exceed one million dollars  
13 (\$1,000,000) in payroll expenditures per employee; and
- 14 2. Thirty-five percent (35%) of the approved company's:
  - 15 a. Qualifying payroll expenditures paid to resident below-the-line  
16 production crew; and
  - 17 b. Qualifying payroll expenditures paid to resident above-the-line  
18 production crew not to exceed one million dollars (\$1,000,000) in  
19 payroll expenditures per employee.

20 ➔Section 32. KRS 154.61-030 is amended to read as follows:

21 (1) An eligible company shall, at least thirty (30) days prior to incurring any  
22 expenditure for which recovery will be sought, file an application for tax incentives  
23 with the authority. The application shall include:

- 24 (a) The name and address of the applicant;
- 25 (b) Verification that the applicant is a Kentucky-based company;
- 26 (c) The **preliminary** production script or a detailed synopsis of the script;
- 27 (d) The locations where the filming or production will occur;

- 1 (e) The anticipated date on which filming or production shall begin in Kentucky;
- 2 (f) The anticipated date on which the applicant will complete incurring  
3 expenditures in Kentucky~~[production will be completed]~~;
- 4 (g) The total anticipated qualifying expenditures;
- 5 (h) The total anticipated qualifying payroll expenditures for resident and  
6 nonresident above-the-line crew by county;
- 7 (i) The total anticipated qualifying payroll expenditures for resident and  
8 nonresident below-the-line crew by county;
- 9 (j) The address of a Kentucky location at which records of the production will be  
10 kept;
- 11 (k) An affirmation that if not for the incentive offered under this subchapter, the  
12 eligible company would not film or produce the production in the  
13 Commonwealth; and
- 14 (l) Any other information the authority may require.
- 15 (2) The authority shall notify the eligible company within thirty (30) days after  
16 receiving the application of its status.
- 17 (3) Upon receipt of the application and any additional information submitted, the  
18 authority shall consider all submitted information and, if appropriate, authorize the  
19 execution of a tax incentive agreement between the authority and the approved  
20 company, if the amount of anticipated tax credit from the application would not  
21 make the total tax credit approved for the calendar year exceed the annual tax credit  
22 cap under KRS 154.61-020(4).
- 23 (4) The tax incentive agreement shall include the following provisions:
- 24 (a) The duties and responsibilities of the parties;
- 25 (b) A detailed description of the motion picture or entertainment production for  
26 which incentives are requested;
- 27 (c) The anticipated qualifying expenditures and qualifying payroll expenditures

- 1 for resident and nonresident above-the-line and below-the-line crews by  
2 county;
- 3 (d) The minimum combined total of qualifying expenditures and qualifying  
4 payroll expenditures necessary for the approved company to qualify for  
5 incentives;
- 6 (e) That the approved company shall:
- 7 1. Begin **filming or** production **in Kentucky** within six (6) months of  
8 **approval by**~~[filing an application with]~~ the authority; and
- 9 2. Complete production **in Kentucky** within two (2) years of their  
10 production start date;
- 11 (f) That the motion picture or entertainment production shall not include obscene  
12 materials and shall not negatively impact the economy or the tourism industry  
13 of the Commonwealth;
- 14 (g) That the execution of the agreement is not a guarantee of tax incentives and  
15 that actual receipt of the incentives shall be contingent upon the approved  
16 company meeting the requirements established by the tax incentive  
17 agreement;
- 18 (h) That the approved company shall submit to the authority within one hundred  
19 eighty (180) days of the completion of **production in Kentucky for** the motion  
20 picture or entertainment production a detailed cost report of the qualifying  
21 expenditures, qualifying payroll expenditures, and **the latest version of the**  
22 **production script at the time of cost report submission**~~[final script]~~;
- 23 (i) That the approved company shall provide the authority with documentation  
24 that the approved company **or the associated loan-out entity** has withheld  
25 income tax as required by KRS 141.310 **or the individual income tax rate**  
26 **imposed by KRS 141.020** on all qualified payroll expenditures for which an  
27 incentive under this subchapter is sought;

- 1 (j) That, if the authority determines that the approved company has failed to  
2 comply with any of its obligations under the tax incentive agreement:
- 3 1. The authority may deny the incentives available to the approved  
4 company;
  - 5 2. Both the authority and the Department of Revenue may pursue any  
6 remedy provided under the tax incentive agreement;
  - 7 3. The authority may terminate the tax incentive agreement; and
  - 8 4. Both the authority and the Department of Revenue may pursue any other  
9 remedy at law to which it may be entitled;
- 10 (k) That the authority and the Department of Revenue shall monitor the tax  
11 incentive agreement;
- 12 (l) That the approved company shall provide to the authority and the Department  
13 of Revenue all information necessary to monitor the tax incentive agreement;
- 14 (m) That the authority may share information with the Department of Revenue  
15 and the Interim Joint Committee on Appropriations and Revenue or any other  
16 entity the authority determines is necessary for the purposes of monitoring  
17 and enforcing the terms of the tax incentive agreement;
- 18 (n) That the motion picture or entertainment production shall contain an  
19 acknowledgment that the motion picture or entertainment production was  
20 produced or filmed in the Commonwealth of Kentucky;
- 21 (o) That the approved company shall include screen credits in its final production,  
22 indicating the approved company received tax incentives from the  
23 Commonwealth of Kentucky;
- 24 (p) Terms of default;
- 25 (q) The method and procedures by which the approved company shall request and  
26 receive the incentive provided under KRS 141.383 and 154.61-020;
- 27 (r) That the approved company may be required to pay an administrative fee as

- 1 authorized under subsection (5) of this section; and
- 2 (s) Any other provisions deemed necessary or appropriate by the parties to the tax  
3 incentive agreement.
- 4 (5) The authority may require the approved company to pay an administrative fee, the  
5 amount of which shall be established by administrative regulation promulgated in  
6 accordance with KRS Chapter 13A. The administrative fee shall not exceed one-  
7 half of one percent (0.5%) of the estimated amount of tax incentive sought or five  
8 hundred dollars (\$500), whichever is greater.
- 9 (6) Prior to commencement of activity as provided in a tax incentive agreement, the tax  
10 incentive agreement shall be approved by the authority. Following approval by the  
11 authority, the tax incentive agreement shall be submitted to the Government  
12 Contract Review Committee established by KRS 45A.705 for review, as provided  
13 in KRS 45A.695, 45A.705, and 45A.725.
- 14 (7) The authority shall notify the Department of Revenue following~~upon~~ approval of  
15 an approved company. The notification shall include the name of the approved  
16 company, the name of the motion picture or entertainment production, the estimated  
17 amount of qualifying expenditures, the estimated date on which the approved  
18 company will complete filming or production in Kentucky, and any other  
19 information required by the department.
- 20 (8) Within one hundred eighty days (180) days of completion of production in  
21 Kentucky for the motion picture or entertainment production, the approved  
22 company shall submit to the authority a detailed cost report of:
- 23 (a) Qualifying expenditures;
- 24 (b) Qualifying payroll expenditures for resident and nonresident above-the-line  
25 crew by county;
- 26 (c) Qualifying payroll expenditures for resident and nonresident below-the-line  
27 crew by county; and

- 1 (d) The latest version of the production script available at the time of cost report  
 2 submission~~[final script]~~.
- 3 (9) (a) Cabinet staff~~[The authority, together with the secretary,]~~ shall review all  
 4 information submitted for accuracy and shall confirm that all relevant  
 5 provisions of the tax incentive agreement have been met.
- 6 (b) Upon confirmation that all requirements of the tax incentive agreement have  
 7 been met, cabinet staff~~[the authority and the secretary]~~ shall review the latest  
 8 version of the production script available at the time of cost report  
 9 submission~~[final script]~~, and if they determine that the motion picture or  
 10 entertainment production does not:
- 11 1. Contain visual or implied scenes that are obscene; or
  - 12 2. Negatively impact the economy or the tourism industry of the  
 13 Commonwealth;
- 14 the authority shall forward the detailed cost report to the Department of  
 15 Revenue for calculation of the refundable credit.
- 16 (10) The Department of Revenue shall:
- 17 (a) Verify that the approved company withheld the proper amount of income tax  
 18 on qualifying payroll expenditures; and
  - 19 (b) Notify the authority of the total amount of refundable credit available on  
 20 qualifying expenditures and qualifying payroll expenditures.
- 21 ➔Section 33. KRS 164.6017 is amended to read as follows:
- 22 (1) The cabinets shall have all the powers and authority, not explicitly prohibited by  
 23 statute, necessary and convenient to carry out and effectuate the purposes of KRS  
 24 164.6019 to 164.6029, including but not limited to:
- 25 (a) Entering into contracts or agreements necessary or incidental to the  
 26 performance of its duties, functions, and responsibilities; and
  - 27 (b) Soliciting, borrowing, accepting, receiving, and expending funds from any

- 1 public or private source, including but not limited to general fund  
2 appropriations of the Commonwealth, grants, or contributions of money,  
3 property, labor, or other things of value to be used to carry out the programs'  
4 operations, functions, and responsibilities; and
- 5 (c) Notwithstanding the provisions in paragraph (a) of this subsection, the  
6 executive director of the Office of Entrepreneurship and ~~Small Business~~  
7 ~~Innovation~~ shall approve the contracts issued by the cabinet regarding the  
8 structure of programs and funding levels in those programs administered by a  
9 science and technology organization and created in KRS 154.12-320.
- 10 (2) The cabinet may expend money in the funds created in KRS 164.6019 and  
11 164.6027 for reasonable administrative expenses directly incurred in carrying out  
12 the requirements of KRS 164.6019 to 164.6029. It is the intent of the General  
13 Assembly that the funds created in KRS 164.6019 and 164.6027 be used, to the  
14 fullest extent possible, to directly fund project costs. It is also the intent of the  
15 General Assembly that the first priority of expenditures of any excess revenues  
16 generated from the funds created in KRS 164.6019 and 164.6027 is to replenish  
17 general fund appropriations for those same purposes.
- 18 (3) The cabinet shall contract with a science and technology organization to administer  
19 the programs created in KRS 164.6021 and 164.6029. The cabinet shall work with  
20 the science and technology organization to adopt best practices for state investment  
21 funds, and shall oversee and approve the application criteria, the process for  
22 submission of an application, the types of equity investments permitted, the amount  
23 of investments that should be made in each fiscal year, the category or categories of  
24 investments that shall be made consistent with the cabinet's strategic plans, and the  
25 structure and type of outside expertise or peer review used in the application review  
26 process for the programs created in KRS 164.6021 and 164.6029.
- 27 (4) No member of the cabinet or the science and technology organization or other

1 administering entity, or their employees or outside experts or their closely related  
2 family members, shall directly or indirectly financially benefit in any award,  
3 contract, or agreement under the programs.

4 (5) The cabinet shall submit an annual report prior to November 1 to the Governor and  
5 the General Assembly detailing its work related to the programs created in KRS  
6 164.6021 and 164.6029. The annual report shall indicate progress made through  
7 investments, and shall include but not be limited to reporting on the progress made  
8 in achieving each program's purposes, qualitative and quantitative information  
9 concerning the applications received, projects approved and undertaken, companies  
10 served, and funding amounts invested in each project or program, as appropriate,  
11 and findings and recommendations to increase each program's effectiveness in  
12 achieving its purposes.

13 (6) All records related to the administration of the programs created in KRS 164.6021  
14 and 164.6029 shall be deemed property of the cabinet and shall be deemed open  
15 records and subject to public inspection under KRS 61.870 to 61.884. Any research  
16 that involves or is a patent, trade secret, or other legally protectable interest shall be  
17 exempt from inspection until such time as the intellectual property rights have been  
18 fully protected.

19 ➔Section 34. KRS 164.6021 is amended to read as follows:

20 (1) The Cabinet for Economic Development shall manage the Kentucky enterprise fund  
21 to provide capital to small and medium-size, Kentucky-based companies to  
22 undertake feasibility, concept development, research and development, or  
23 commercialization work.

24 (2) The purpose of the Kentucky enterprise fund is to:

25 (a) Accelerate knowledge transfer and technological innovation, improve  
26 economic competitiveness, and spur economic growth in Kentucky-based  
27 companies;

- 1 (b) Support feasibility, concept development, research and development, or  
2 commercialization activities that have clear potential to lead to commercially  
3 successful products, processes, or services within a reasonable period of time;
- 4 (c) Stimulate growth-oriented enterprises within the Commonwealth;
- 5 (d) Encourage partnerships and collaborative projects between private enterprises,  
6 Kentucky's colleges and universities, and research organizations;
- 7 (e) Promote research and development and commercialization activities that are  
8 market-oriented; and
- 9 (f) Support small and medium-sized companies.
- 10 (3) The Kentucky enterprise fund shall be used to fund qualified companies in  
11 accordance with this section as follows:
- 12 (a) Grants of up to fifty thousand dollars (\$50,000) for companies exploring the  
13 feasibility of technology commercialization or projects related to feasibility  
14 studies, such as incubator and accelerator programs;
- 15 (b) Funding of up to two hundred fifty thousand dollars (\$250,000) for companies  
16 in the concept development phase of technology commercialization;
- 17 (c) Funding of up to five hundred thousand dollars (\$500,000) for companies  
18 advancing and promoting the program goals, as outlined in subsection (2) of  
19 this section; and
- 20 (d) For new investments made on or after July 1, 2021, no qualified company can  
21 receive a total investment from the fund in excess of up to five hundred  
22 thousand dollars (\$500,000).
- 23 (4) Beginning July 1, 2021, the cabinet shall allocate at least twenty percent (20%) of  
24 the annual allotment of funds for the Kentucky enterprise fund to qualified  
25 companies located in rural or enhanced incentive counties, as certified under KRS  
26 154.32-050, and at least twenty percent (20%) of the annual allotment of funds to  
27 qualified companies located in Opportunity Zones, as designated by the

1 Commonwealth and certified by the Secretary of the United States Treasury.

2 (5) For all funding totaling more than thirty thousand dollars (\$30,000), the science and  
3 technology organization or any entity designated by the executive director of the  
4 Office of Entrepreneurship and ~~[Small Business]~~Innovation shall receive an equity  
5 interest in the qualified company, such as a general or limited partnership interest,  
6 limited liability company interest, common or preferred stock with or without  
7 voting rights and without regard to seniority position, forms of subordinate or  
8 convertible unsecured debt, or both, with warrants, rights, or other means of equity  
9 conversion attached, a near equity interest such as a simple agreement for future  
10 equity or "SAFE agreement", or other convertible debt instruments that are  
11 determined to qualify as an adequate investment interest by the executive director  
12 of the Office of Entrepreneurship and ~~[Small Business]~~Innovation.

13 ➔Section 35. KRS 164.6023 is amended to read as follows:

14 (1) The science and technology organization shall have the authority, upon approval by  
15 the cabinet, to review applications, qualify companies, and certify qualified  
16 companies to receive funding from the Kentucky enterprise fund.

17 (2) The science and technology organization shall develop application criteria and an  
18 application process subject to the following limitations. The proposed project shall  
19 be likely to:

20 (a) Produce a measurable result and be technically sound;

21 (b) Lead to innovative technology or new knowledge;

22 (c) Lead to commercially successful products, processes, or services within a  
23 reasonable period of time; or

24 (d) Show significant potential for stimulating economic growth and a reasonable  
25 probability to enhance employment opportunities within the Commonwealth.

26 (3) The applicant shall provide to the science and technology organization an  
27 application that shall include but not be limited to the following information:

- 1 (a) Verification that the applicant is an eligible company that meets the definition  
2 of a Kentucky-based company and medium-size company or small company;
- 3 (b) A technology description and plan that is sufficient for outside expert review;
- 4 (c) A detailed financial analysis that includes the commitment of resources by the  
5 applicant and others;
- 6 (d) Sufficient detail concerning proposed project partners, type and amount of  
7 work to be performed and financing to be contributed by each partner, and  
8 expected product or service with estimated costs to be reflected in the  
9 negotiated contract or agreement; and
- 10 (e) A statement of the economic development potential of the project.
- 11 (4) The science and technology organization shall conduct an independent review with  
12 the use of outside experts to evaluate each application. Following the application  
13 review, the science and technology organization shall make a determination of the  
14 application and may determine that the applicant is a qualified company as defined  
15 in KRS 164.6011.
- 16 (5) Upon a qualified company's presentation of a legal agreement or contract meeting  
17 the conditions under subsection (6) of this section, the science and technology  
18 organization shall present the qualified company, the project partners, if any, and  
19 the college or university in the Commonwealth, if any, with a certification  
20 authorizing funding.
- 21 (6) Prior to receiving certification authorizing funding from the science and technology  
22 organization, the qualified company shall:
- 23 (a) Negotiate an agreement and funding contract with a college or university in  
24 the Commonwealth, if any, and with a project partner, if any, that is  
25 satisfactory to the science and technology organization, to undertake the  
26 commercialization work; and
- 27 (b) Provide assurance to the science and technology organization that the college

1 or university and the qualified company have negotiated the ownership and  
2 disposition of patents, royalties, all other intellectual property rights, and  
3 equity or related position relating to the contract between the qualifying  
4 company and the college or university;

5 unless the requirement to partner with a college or university is recommended to be  
6 waived by the science and technology organization.

7 (7) Prior to certifying a qualified company, the science and technology organization  
8 may negotiate with the qualified company the ownership and disposition of patents,  
9 royalties, all other intellectual property rights, and an equity, near equity such as a  
10 simple agreement for future equity or "SAFE agreement", convertible debt, or  
11 similar investment format that is approved by the executive director of the Office of  
12 Entrepreneurship and ~~Small Business~~ Innovation on behalf of the Kentucky  
13 enterprise fund for the sole purpose of reinvesting and sustaining a revolving fund  
14 to carry out the provisions of KRS 164.6021 and 164.6023.

15 (8) The science and technology organization, upon approval by the cabinet, shall set  
16 forth guidelines as to when and how all areas of the state will be notified about the  
17 program's availability and a program schedule, including but not limited to the  
18 following:

19 (a) A review cycle including:

- 20 1. A deadline for submission of applications at least biannually; and
- 21 2. A deadline for reviewing applications of no more than one hundred  
22 twenty (120) days after the application submission deadline; and

23 (b) A deadline, from the date an applicant is determined to be a qualified  
24 company, by which certification shall be made. If certification is not made by  
25 that deadline the funding voucher award is made void.

26 ➔Section 36. KRS 174.205 is amended to read as follows:

27 The Water Transportation Advisory Board shall:

- 1 (1) Advise the Transportation Cabinet, the Cabinet for Economic Development, the  
2 Governor's Office, and the General Assembly on matters relating to water  
3 transportation;
- 4 (2) Recommend action to enable the Commonwealth to make best use of its waterways  
5 and riverports for future economic growth;
- 6 (3) Assist in defining the duties and functions of positions within state government  
7 responsible for water transportation;
- 8 (4) Recommend criteria for setting priorities for funding riverport marketing initiatives~~[~~  
9 ~~under the riverport marketing assistance trust fund established in KRS 154.80-140]~~;
- 10 (5) Evaluate applications submitted by riverports for grants under the riverport  
11 marketing assistance trust fund and make recommendations to the granting  
12 authority on the disbursement of those funds;
- 13 (6) Recommend criteria for setting priorities for funding riverport improvements under  
14 the riverport financial assistance trust fund established in KRS 174.210; and
- 15 (7) Evaluate applications submitted by riverports for grants under the riverport  
16 financial assistance trust fund and make recommendations to the granting authority  
17 on the disbursement of those funds.

18 ➔Section 37. KRS 141.0205 is amended to read as follows:

19 If a taxpayer is entitled to more than one (1) of the tax credits allowed against the tax  
20 imposed by KRS 141.020, 141.040, and 141.0401, the priority of application and use of  
21 the credits shall be determined as follows:

- 22 (1) The nonrefundable business incentive credits against the tax imposed by KRS  
23 141.020 shall be taken in the following order:
  - 24 (a) The limited liability entity tax credit permitted by KRS 141.0401;
  - 25 (b) The economic development credits computed under KRS 141.347, 141.381,  
26 141.384, 141.3841, 141.400, ~~[141.401,]~~141.403, 141.407, 141.415, 154.12-
