

1 AN ACT relating to assistance animals.

2 *Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

3 ➔SECTION 1. A NEW SECTION OF KRS CHAPTER 383 IS CREATED TO  
4 READ AS FOLLOWS:

5 (1) As used in this section:

6 (a) "Assistance animal" means an animal that works, provides assistance, or  
7 performs tasks for the benefit of a person with a disability, or provides  
8 emotional support that alleviates one or more identified symptoms or effects  
9 of a person's disability. This shall include a service animal specifically  
10 trained or equipped to perform tasks for a person with a disability, or an  
11 emotional support animal that provides support to alleviate one or more  
12 identified symptoms or effects of a person's disability; and

13 (b) "Therapeutic relationship" means the provision of medical care, program  
14 care, or personal care services, in good faith, to the person with a disability  
15 by:

16 1. A mental health service provider;

17 2. An individual or entity with a valid, unrestricted state license,  
18 certification, or registration to serve persons with disabilities; or

19 3. A caregiver, reliable third party, or a government entity with actual  
20 knowledge of the person's disability.

21 (2) A person with a disability may submit a request for a reasonable accommodation  
22 to maintain an assistance animal in a dwelling. Unless the person's disability or  
23 disability-related need is readily apparent, the person receiving the request may  
24 ask the person making the request to provide reliable documentation of the  
25 disability-related need for an assistance animal, including documentation from  
26 any person with whom the person making the request has or has had a  
27 therapeutic relationship.

- 1 (3) Unless the person making the request has a disability or disability-related need  
2 for an assistance animal that is readily apparent, a person receiving a request for  
3 a reasonable accommodation to maintain an assistance animal in a dwelling  
4 shall evaluate the request and any reliable supporting documentation to verify the  
5 disability-related need for the reasonable accommodation regarding an assistance  
6 animal. The person receiving the request may independently verify the  
7 authenticity of any supporting documentation.
- 8 (4) A person with a disability who is granted a reasonable accommodation to  
9 maintain an assistance animal in a dwelling shall comply with the rental  
10 agreement or any rules and regulations of the property owner applicable to all  
11 residents that do not interfere with an equal opportunity to use and enjoy the  
12 dwelling and any common areas of the premises. The person shall not be  
13 required to pay a pet fee or deposit or any additional rent to maintain an  
14 assistance animal in a dwelling, but shall be responsible for any physical  
15 damages to the dwelling if residents who maintain pets are responsible for  
16 physical damages to the dwelling caused by pets. Nothing in this section shall be  
17 construed to affect any cause of action against any resident for other damages  
18 under the laws of the Commonwealth.
- 19 (5) Notwithstanding any other law to the contrary, a landlord shall not be liable for  
20 injuries by a person's assistance animal permitted on the landlord's property as a  
21 reasonable accommodation to assist the person with a disability pursuant to the  
22 Fair Housing Act, as amended, 42 U.S.C. secs. 3601 et seq., the Americans with  
23 Disabilities Act of 1990, 42 U.S.C. secs. 12101 et seq., and Section 504 of the  
24 Rehabilitation Act of 1973, as amended, 29 U.S.C. sec. 701, or any other federal,  
25 state, or local law.
- 26 (6) A person commits the offense of misrepresentation of an assistance animal if the  
27 person knowingly:

- 1        (a) Misrepresents as a part of a request for a reasonable accommodation to  
2                maintain an assistance animal in a dwelling that the person has a disability
