2 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

3 ➔Section 1. KRS 189.635 is amended to read as follows:

- 4 (1) The Justice and Public Safety Cabinet, Department of Kentucky State Police, shall  
5 be responsible for maintaining a reporting system for all vehicle accidents which  
6 occur within the Commonwealth. Such accident reports shall be utilized for such  
7 purposes as will improve the traffic safety program in the Commonwealth involving  
8 the collection, processing, storing, and dissemination of such data and the  
9 establishment of procedures by administrative regulations to insure that uniform  
10 definitions, classifications, and other federal requirements are in compliance.
- 11 (2) Any person operating a vehicle on the highways of this state who is involved in an  
12 accident resulting in fatal or nonfatal personal injury to any person or damage to the  
13 vehicle rendering the vehicle inoperable shall be required to immediately notify a  
14 law enforcement officer having jurisdiction. In the event the operator fails to notify  
15 or is incapable of notifying a law enforcement officer having jurisdiction, such  
16 responsibility shall rest with the owner of the vehicle or any occupant of the vehicle  
17 at the time of the accident. A law enforcement officer having jurisdiction shall  
18 investigate the accident and file a written report of the accident with his law  
19 enforcement agency.
- 20 (3) Every law enforcement agency whose officers investigate a vehicle accident of  
21 which a report must be made as required in this chapter shall file a report of the  
22 accident with the Department of Kentucky State Police within ten (10) days after  
23 investigation of the accident upon forms supplied by the department.
- 24 (4) Any person operating a vehicle on the highways of this state who is involved in an  
25 accident resulting in any property damage exceeding five hundred dollars (\$500) in  
26 which an investigation is not conducted by a law enforcement officer shall file a  
27 written report of the accident with the Department of Kentucky State Police within

- 1 ten (10) days of occurrence of the accident upon forms provided by the department.
- 2 (5) All accident reports filed with the Department of Kentucky State Police in  
3 compliance with subsection (4) above shall not be considered open records under  
4 KRS 61.872 to 61.884 and shall remain confidential except that the department may  
5 disclose the identity of a person involved in an accident when his or her identity is  
6 not otherwise known or when he or she denies his or her presence at an accident.  
7 Except as provided in subsection (9) of this section, all other accident reports  
8 required by this section, and the information contained in the reports, shall be  
9 confidential and exempt from public disclosure except when produced pursuant to a  
10 properly executed subpoena or court order, or except pursuant to subsection (8) of  
11 this section. These reports shall be made available only to the parties to the  
12 accident, the parents or guardians of a minor who is party to the accident, and

14 is the subject of the report, or to the attorneys of the parties.
- 15 (6) Except as provided for in this subsection, the department shall not release accident  
16 reports for a commercial purpose. The department may, as a matter of public safety,  
17 contract with an outside entity and release vehicle damage data extracted from  
18 accident reports to such an entity if the data is used solely for the purpose of  
19 providing the public a means of determining a vehicle's accident history. The  
20 department may further contract with a third party to provide electronic access to  
21 reports for persons and entities who are entitled to such reports under subsections  
22 (5) and (9) of this section.
- 23 (7) The department shall promulgate administrative regulations in accordance with  
24 KRS Chapter 13A to set out a fee schedule for accident reports made available  
25 pursuant to subsections (5), (8), and (9) of this section. These fees shall be in  
26 addition to those charged to the public for records produced under KRS Chapter 61.
- 27 (8) The report shall be made available to a news-gathering organization, solely for the

1 purpose of publishing or broadcasting the news. The news-gathering organization  
 2 shall not use or distribute the report, or knowingly allow its use or distribution, for a  
 3 commercial purpose other than the news-gathering organization's publication or  
 4 broadcasting of the information in the report. A newspaper, periodical, or radio or  
 5 television station shall not be held to have used or knowingly allowed the use of the  
 6 report for a commercial purpose merely because of its publication or broadcast.

7 (9) The report shall be made available without subpoena to any party to litigation who  
 8 files with the department a request for the report and includes a copy of the first  
 9 page of a District or Circuit Court clerk-stamped complaint naming all parties.

10 (10) *The report shall be made available without subpoena to the Department of*  
 11 *Workplace Standards in the Labor Cabinet if the accident report is pertinent to*

 14 involved in an accident on a railroad while functioning in their professional capacity  
 15 shall be prohibited from obtaining a copy of any accident report filed on the  
 16 accident under this section without written consent from the individual the company  
 17 insures. Insurance companies issuing motor vehicle policies in the Commonwealth  
 18 shall be prohibited from raising a policyholder's rates solely because the  
 19 policyholder, in his or her professional capacity, is a train engineer or other train

4 like comity to cases arising in the Commonwealth, the secretary may maintain  
5 actions in the courts of the Commonwealth to collect claims and judgments for  
6 wages arising in the other state in the same manner and to the same extent that

11 the business and not independent of the relationship of employer and employee. An

9 (b) "Engaged in severance or processing of coal" shall include all individuals,  
10 partnerships, limited partnerships, limited liability companies, corporations,  
11 joint ventures, associations, or any other business entity in the Commonwealth  
12 which has employees on its payroll who perform any of the acts stated in  
13 paragraph (a) of this subsection, regardless of whether the acts are performed  
14 as owner of the coal or on a contract or fee basis for the actual owner of the  
15 coal. A business entity engaged in the severance or processing of coal,  
16 including but not limited to administrative or selling functions, shall be  
17 considered wholly engaged in the severance or processing of coal for the  
18 purpose of this chapter. However, a business entity which is engaged in a  
19 separate business activity not related to coal, for which a separate premium  
20 charge is not made, shall be deemed to be engaged in the severance or  
21 processing of coal only to the extent that the number of employees engaged in  
22 the severance or processing of coal bears to the total number of employees.  
23 Any employee who is involved in the business of severing or processing of  
24 coal and business activities not related to coal shall be prorated based on the  
25 time involved in severance or processing of coal bears to his total time;

26 (24) "Premium" for every self-insured group means any and all assessments levied on its  
27 members by such group or contributed to it by the members thereof. For special

1 fund assessment purposes, "premium" also includes any and all membership dues,  
2 fees, or other payments by members of the group to associations or other entities  
3 used for underwriting, claims handling, loss control, premium audit, actuarial, or  
4 other services associated with the maintenance or operation of the self-insurance  
5 group;

6 (25) (a) "Premiums received" for policies effective on or after January 1, 1994, for  
7 insurance companies means direct written premiums as reported in the annual  
8 statement to the Department of Insurance by insurance companies, except that  
9 "premiums received" includes premiums charged off or deferred, and, on  
10 insurance policies or other evidence of coverage with provisions for  
11 deductibles, the calculated cost for coverage, including experience  
12 modification and premium surcharge or discount, prior to any reduction for  
13 deductibles. The rates, factors, and methods used to calculate the cost for  
14 coverage under this paragraph for insurance policies or other evidence of  
15 coverage with provisions for deductibles shall be the same rates, factors, and  
16 methods normally used by the insurance company in Kentucky to calculate the  
17 cost for coverage for insurance policies or other evidence of coverage without  
18 provisions for deductibles, except that, for insurance policies or other  
19 evidence of coverage with provisions for deductibles effective on or after  
20 January 1, 1995, the calculated cost for coverage shall not include any  
21 schedule rating modification, debits, or credits. The cost for coverage  
22 calculated under this paragraph by insurance companies that issue only  
23 deductible insurance policies in Kentucky shall be actuarially adequate to  
24 cover the entire liability of the employer for compensation under this chapter,  
25 including all expenses and allowances normally used to calculate the cost for  
26 coverage. For policies with provisions for deductibles with effective dates of  
27 May 6, 1993, through December 31, 1993, for which the insurance company

1 did not report premiums and remit special fund assessments based on the  
2 calculated cost for coverage prior to the reduction for deductibles, "premiums  
3 received" includes the initial premium plus any reimbursements invoiced for  
4 losses, expenses, and fees charged under the deductibles. The special fund  
5 assessment rates in effect for reimbursements invoiced for losses, expenses, or  
6 fees charged under the deductibles shall be those percentages in effect on the  
7 effective date of the insurance policy. For policies covering leased employees  
8 as defined in KRS 342.615, "premiums received" means premiums calculated  
9 using the experience modification factor of each lessee as defined in KRS  
10 342.615 for each leased employee for that portion of the payroll pertaining to  
11 the leased employee.

12 (b) "Direct written premium" for insurance companies means the gross premium  
13 written less return premiums and premiums on policies not taken but  
14 including policy and membership fees.

15 (c) "Premium," for policies effective on or after January 1, 1994, for insurance  
16 companies means all consideration, whether designated as premium or  
17 otherwise, for workers' compensation insurance paid to an insurance company  
18 or its representative, including, on insurance policies with provisions for  
19 deductibles, the calculated cost for coverage, including experience  
20 modification and premium surcharge or discount, prior to any reduction for  
21 deductibles. The rates, factors, and methods used to calculate the cost for  
22 coverage under this paragraph for insurance policies or other evidence of  
23 coverage with provisions for deductibles shall be the same rates, factors, and  
24 methods normally used by the insurance company in Kentucky to calculate the  
25 cost for coverage for insurance policies or other evidence of coverage without  
26 provisions for deductibles, except that, for insurance policies or other  
27 evidence of coverage with provisions for deductibles effective on or after

1 January 1, 1995, the calculated cost for coverage shall not include any  
2 schedule rating modifications, debits, or credits. The cost for coverage  
3 calculated under this paragraph by insurance companies that issue only  
4 deductible insurance policies in Kentucky shall be actuarially adequate to  
5 cover the entire liability of the employer for compensation under this chapter,  
6 including all expenses and allowances normally used to calculate the cost for  
7 coverage. For policies with provisions for deductibles with effective dates of  
8 May 6, 1993, through December 31, 1993, for which the insurance company  
9 did not report premiums and remit special fund assessments based on the  
10 calculated cost for coverage prior to the reduction for deductibles, "premium"  
11 includes the initial consideration plus any reimbursements invoiced for losses,  
12 expenses, or fees charged under the deductibles.

13 (d) "Return premiums" for insurance companies means amounts returned to  
14 insureds due to endorsements, retrospective adjustments, cancellations,  
15 dividends, or errors;

16 (26) "Insurance policy" for an insurance company or self-insured group means the term  
17 of insurance coverage commencing from the date coverage is extended, whether a  
18 new policy or a renewal, through its expiration, not to exceed the anniversary date  
19 of the renewal for the following year;

20 (27) "Self-insurance year" for a self-insured group means the annual period of  
21 certification of the group created pursuant to KRS 342.350(4) and 304.50-010;

22 (28) "Premium" for each employer carrying his own risk pursuant to KRS 342.340(1)  
23 shall be the projected value of the employer's workers' compensation claims for the  
24 next calendar year as calculated by the commissioner using generally-accepted  
25 actuarial methods as follows:

26 (a) The base period shall be the earliest three (3) calendar years of the five (5)  
27 calendar years immediately preceding the calendar year for which the

1 calculation is made. The commissioner shall identify each claim of the  
2 employer which has an injury date or date of last injurious exposure to the  
3 cause of an occupational disease during each one (1) of the three (3) calendar  
4 years to be used as the base, and shall assign a value to each claim. The value  
5 shall be the total of the indemnity benefits paid to date and projected to be  
6 paid, adjusted to current benefit levels, plus the medical benefits paid to date  
7 and projected to be paid for the life of the claim, plus the cost of medical and  
8 vocational rehabilitation paid to date and projected to be paid. Adjustment to  
9 current benefit levels shall be done by multiplying the weekly indemnity  
10 benefit for each claim by the number obtained by dividing the statewide  
11 average weekly wage which will be in effect for the year for which the  
12 premium is being calculated by the statewide average weekly wage in effect  
13 during the year in which the injury or date of the last exposure occurred. The  
14 total value of the claims using the adjusted weekly benefit shall then be  
15 calculated by the commissioner. Values for claims in which awards have been  
16 made or settlements reached because of findings of permanent partial or  
17 permanent total disability shall be calculated using the mortality and interest  
18 discount assumptions used in the latest available statistical plan of the  
19 advisory rating organization defined in Subtitle 13 of KRS Chapter 304. The  
20 sum of all calculated values shall be computed for all claims in the base  
21 period;

- 22 (b) The commissioner shall obtain the annual payroll for each of the three (3)  
23 years in the base period for each employer carrying his own risk from records  
24 of the department and from the records of the Office of Employment and  
25 Training, Education and Workforce Development Cabinet. The commissioner  
26 shall multiply each of the three (3) years of payroll by the number obtained by  
27 dividing the statewide average weekly wage which will be in effect for the

1 year in which the premium is being calculated by the statewide average  
2 weekly wage in effect in each of the years of the base period;

3 (c) The commissioner shall divide the total of the adjusted claim values for the  
4 three (3) year base period by the total adjusted payroll for the same three (3)  
5 year period. The value so calculated shall be multiplied by 1.25 and shall then  
6 be multiplied by the employer's most recent annualized payroll, calculated  
7 using records of the department and the Office of Employment and Training  
8 data which shall be made available for this purpose on a quarterly basis as  
9 reported, to obtain the premium for the next calendar year for assessment  
10 purposes under KRS 342.122;

11 (d) For November 1, 1987, through December 31, 1988, premium for each  
12 employer carrying its own risk shall be an amount calculated by the board  
13 pursuant to the provisions contained in this subsection and such premium  
14 shall be provided to each employer carrying its own risk and to the funding  
15 commission on or before January 1, 1988. Thereafter, the calculations set  
16 forth in this subsection shall be performed annually, at the time each employer  
17 applies or renews its application for certification to carry its own risk for the  
18 next twelve (12) month period and submits payroll and other data in support  
19 of the application. The employer and the funding commission shall be notified  
20 at the time of the certification or recertification of the premium calculated by  
21 the commissioner, which shall form the employer's basis for assessments  
22 pursuant to KRS 342.122 for the calendar year beginning on January 1  
23 following the date of certification or recertification;

24 (e) If an employer having fewer than five (5) years of doing business in this state  
25 applies to carry its own risk and is so certified, its premium for the purposes of  
26 KRS 342.122 shall be based on the lesser number of years of experience as  
27 may be available including the two (2) most recent years if necessary to create

1 a three (3) year base period. If the employer has less than two (2) years of  
2 operation in this state available for the premium calculation, then its premium  
3 shall be the greater of the value obtained by the calculation called for in this  
4 subsection or the amount of security required by the commissioner pursuant to  
5 KRS 342.340(1);

6 (f) If an employer is certified to carry its own risk after having previously insured  
7 the risk, its premium shall be calculated using values obtained from claims  
8 incurred while insured for as many of the years of the base period as may be  
9 necessary to create a full three (3) year base. After the employer is certified to  
10 carry its own risk and has paid all amounts due for assessments upon  
11 premiums paid while insured, the employer shall be assessed only upon the  
12 premium calculated under this subsection;

13 (g) "Premium" for each employer defined in KRS 342.630(2) shall be calculated  
14 as set forth in this subsection; and

15 (h) Notwithstanding any other provision of this subsection, the premium of any  
16 employer authorized to carry its own risk for purposes of assessments due  
17 under this chapter shall be no less than thirty cents (\$0.30) per one hundred  
18 dollars (\$100) of the employer's most recent annualized payroll for employees  
19 covered by this chapter;

20 (29) "SIC code" as used in this chapter means the Standard Industrial Classification  
21 Code contained in the latest edition of the Standard Industrial Classification Manual  
22 published by the Federal Office of Management and Budget;

23 (30) "Investment interest" means any pecuniary or beneficial interest in a provider of  
24 medical services or treatment under this chapter, other than a provider in which that  
25 pecuniary or investment interest is obtained on terms equally available to the public  
26 through trading on a registered national securities exchange, such as the New York  
27 Stock Exchange or the American Stock Exchange, or on the National Association of

- 1 Securities Dealers Automated Quotation System;
- 2 (31) "Managed health care system" means a health care system that employs gatekeeper  
3 providers, performs utilization review, and does medical bill audits;
- 4 (32) "Physician" means physicians and surgeons, psychologists, optometrists, dentists,  
5 podiatrists, and osteopathic and chiropractic practitioners acting within the scope of  
6 their license issued by the Commonwealth;
- 7 (33) "Objective medical findings" means information gained through direct observation  
8 and testing of the patient applying objective or standardized methods;
- 9 (34) "Work" means providing services to another in return for remuneration on a regular  
10 and sustained basis in a competitive economy;
- 11 (35) "Permanent impairment rating" means percentage of whole body impairment caused  
12 by the injury or occupational disease as determined by the "Guides to the Evaluation  
13 of Permanent Impairment";
- 14 (36) "Permanent disability rating" means the permanent impairment rating selected by an  
15 administrative law judge times the factor set forth in the table that appears at KRS  
16 342.730(1)(b); and
- 17 (37) "Guides to the Evaluation of Permanent Impairment" means, except as provided in  
18 KRS 342.262:
- 19 (a) The fifth edition published by the American Medical Association; and  
20 (b) For psychological impairments, Chapter 12 of the second edition published by  
21 the American Medical Association.
- 22 ➔Section 7. KRS 342.122 is amended to read as follows:
- 23 (1) (a) For calendar year 1997 and for each calendar year thereafter, for the purpose  
24 of funding and prefunding the liabilities of the special fund, financing the  
25 administration and operation of the Kentucky Workers' Compensation  
26 Funding Commission, and financing the expenditures for all programs in the  
27 Labor Cabinet, except the Division of ~~Employment Standards,~~

1           Apprenticeship and the Division of Wages and Hours~~[and Mediation]~~ in the  
2           Department of Workplace Standards, as reflected in the enacted budget of the  
3           Commonwealth and enacted by the General Assembly, the funding  
4           commission shall impose a special fund assessment rate of nine percent (9%)  
5           upon the amount of workers' compensation premiums received on and after  
6           January 1, 1997, through December 31, 1997, by every insurance carrier  
7           writing workers' compensation insurance in the Commonwealth, by every self-  
8           insured group operating under the provisions of KRS 342.350(4) and Chapter  
9           304, and against the premium, as defined in KRS 342.0011, of every employer  
10          carrying his or her own risk.

- 11          (b) The funding commission shall, for calendar year 1998 and thereafter, establish  
12          for the special fund an assessment rate to be assessed against all premium  
13          received during that calendar year which shall produce enough revenue to  
14          amortize on a level basis the unfunded liability of the special fund as of June  
15          30 preceding January 1 of each year, for the period remaining until December  
16          31, 2029. The interest rate to be used in this calculation shall reflect the  
17          funding commission's investment experience to date and the current  
18          investment policies of the commission. This assessment shall be imposed  
19          upon the amount of workers' compensation premiums received by every  
20          insurance carrier writing workers' compensation insurance in the  
21          Commonwealth, by every self-insured group operating under the provisions of  
22          KRS 342.350(4) and Chapter 304, and against the premium, as defined in  
23          KRS 342.0011, of every employer carrying its own risk. On or before October  
24          1 of each year, the commission shall notify each insurance carrier writing  
25          workers' compensation insurance in the Commonwealth, every group of self-  
26          insured employers, and each employer carrying its own risk, of the rates which  
27          shall become effective on January 1 of each year, unless modified by the

1 General Assembly.

2 (c) All assessments imposed by this section shall be paid to the Kentucky  
3 Workers' Compensation Funding Commission and shall be credited to the  
4 benefit reserve fund within the Kentucky Workers' Compensation Funding  
5 Commission.

6 (d) The assessments imposed in this chapter shall be in lieu of all other  
7 assessments or taxes on workers' compensation premiums.

8 (2) These assessments shall be paid quarterly not later than the thirtieth day of the  
9 month following the end of the quarter in which the premium is received. Receipt  
10 shall be considered timely through actual physical receipt or by postmark of the  
11 United States Postal Service. Employers carrying their own risk and employers  
12 defined in KRS 342.630(2) shall pay the annual assessments in four (4) equal  
13 quarterly installments.

14 (3) The assessments imposed by this section may be collected by the insurance carrier  
15 from the insured. However, the insurance carrier shall not collect from the employer  
16 any amount exceeding the assessments imposed pursuant to this section. If the  
17 insurance carrier collects the assessment from an insured, the assessment shall be  
18 collected at the same time and in the same proportion as the premium is collected.  
19 The assessment for an insurance policy or other evidence of coverage providing a  
20 deductible may be collected in accordance with this chapter on a premium amount  
21 that equates to the premium that would have applied without the deductible. Each  
22 statement from an insurance carrier presented to an insured reflecting premium and  
23 assessment amounts shall clearly identify and distinguish the amount to be paid for  
24 premium and the amount to be paid for assessments. No insurance carrier shall  
25 collect from an insured an amount in excess of the assessment percentages imposed  
26 by this chapter. The assessment for an insurance policy or other evidence of  
27 coverage providing a deductible may be collected in accordance with this chapter on

1 a premium amount that equates to the premium that would have applied without the  
2 deductible. The percentages imposed by this chapter for an insurance policy issued  
3 by an insurance company shall be those percentages in effect on the annual effective  
4 date of the policy, regardless of the date that the premium is actually received by the  
5 insurance company.

6 (4) A self-insured group may elect to report its premiums and to have its assessments  
7 computed in the same manner as insurance companies. This election may not be  
8 rescinded for at least ten (10) years, nor may this election be made a second time for  
9 at least another ten (10) years, except that the board of directors of the funding  
10 commission may, at its discretion, waive the ten (10) year ban on a case-by-case  
11 basis after formal petition has been made to the funding commission by a self-  
12 insured group.

13 (5) The funding commission, as part of the collection and auditing of the special fund  
14 assessments required by this section, shall annually require each insurance carrier  
15 and each self-insured group to provide a list of employers which it has insured or  
16 which are members and the amount collected from each employer. Additionally, the  
17 funding commission shall require each entity paying a special fund assessment to  
18 report the SIC code for each employer and the amount of premium collected from  
19 each SIC code. An insurance carrier or self-insured group may require its insureds  
20 or members to furnish the SIC code for each of their employees. However, the  
21 failure of any employer to furnish said codes shall not relieve the insurance carrier  
22 or self-insured group from the obligation to furnish same to the funding  
23 commission. The Office of Employment and Training, Education and Workforce  
24 Development Cabinet, is hereby directed to make available the SIC codes assigned  
25 in its records to specific employers to aid in the reporting and recording of the  
26 special fund assessment data.

27 (6) Each self-insured employer, self-insured group, or insurance carrier shall provide

1 any information and submit any reports the Department of Revenue or the funding  
2 commission may require to effectuate the provisions of this section. In addition, the  
3 funding commission may enter reciprocal agreements with other governmental  
4 agencies for the exchange of information necessary to effectuate the provisions of  
5 this section.

6 (7) The special fund shall be required to maintain a central claim registry of all claims  
7 to which it is named a party, giving each such claim a unique claim number and  
8 thereafter recording the status of each claim on a current basis. The registry shall be  
9 established by January 26, 1988, for all claims on which payments were made since  
10 July 1, 1986, or which were pending adjudication since July 1, 1986, by audit of all  
11 claim files in the possession of the special fund.

12 (8) The fund heretofore designated as the subsequent claim fund is abolished, and there  
13 is substituted therefor the special fund as set out by this section, and all moneys and  
14 properties owned by the subsequent claim fund are transferred to the special fund.

15 (9) Notwithstanding any other provisions of this section or this chapter to the contrary,  
16 the total amount of funds collected pursuant to the assessment rates adopted by the  
17 funding commission shall not be limited to the provisions of this section.

18 (10) All assessment rates imposed for periods prior to January 1, 1997, under KRS  
19 342.122 shall forever remain applicable to premiums received on policies with  
20 effective dates prior to January 1, 1997, by every insurance carrier writing workers'  
21 compensation insurance in the Commonwealth, by every self-insured group  
22 operating under the provision of KRS 342.350(4) and Chapter 304, and against the  
23 premium, as defined in KRS 342.0011, of every employer carrying its own risk.

24 ➔Section 8. KRS 342.213 is amended to read as follows:

25 (1) The Governor shall make all appointments to the board, and appoint the  
26 administrative law judges ~~and the commissioner~~ of the Department of Workers'  
27 Claims, subject to the consent of the Senate in accordance with KRS 11.160, and in

1 accordance with this section, KRS 342.215~~, 342.228,~~ and 342.230 by choosing  
2 from names presented to him or her by the Workers' Compensation Nominating  
3 Commission.

4 (2) The Workers' Compensation Nominating Commission shall consist of seven (7)  
5 members appointed by the Governor as follows:

6 (a) Two (2) members shall be attorneys experienced in the practice of workers'  
7 compensation, one (1) of whom customarily represents claimants, and one (1)  
8 of whom customarily represents employers. Both shall serve terms of two (2)  
9 years, but their successors shall be appointed to terms of four (4) years;

10 (b) 1. One (1) member of the political party having the largest number of  
11 registered voters and one (1) member of the political party having the  
12 second largest number of registered voters shall serve a term of three (3)  
13 years; and

14 2. Two (2) members of the political party having the largest number of  
15 registered voters and one (1) member of the political party having the  
16 second largest number of registered voters shall serve a term of four (4)  
17 years.

18 3. Thereafter, as each term expires, the vacancy so created shall be filled by  
19 an appointee from the same political party for a term of four (4) years;

20 (c) Appointments to fill the unexpired term of a member shall be for the  
21 remainder of the term; and

22 (d) The members shall annually select a chairman of the nominating commission.

23 (3) Notwithstanding the provisions of subsection (2) of this section, at least three (3)  
24 members of the Workers' Compensation Nominating Commission shall be  
25 individuals who directly derive no earned income from the workers' compensation  
26 program. In order to satisfy the requirement of this subsection, the Governor may  
27 remove any existing member of the Workers' Compensation Nominating

1 Commission and replace that member with an individual who does not derive  
2 earned income from the workers' compensation program. On or before March 1,  
3 1997, the Governor shall submit to the Senate a list of the members of the  
4 commission identifying the positions they fill and the terms they shall serve in  
5 accordance with the provisions of this section.

6 (4) The commissioner shall monitor the workload of the administrative law judges and,  
7 whenever a vacancy occurs, determine whether filling the position is necessary to  
8 expeditious resolution of claims brought under this chapter. One hundred twenty  
9 (120) days prior to the expiration of the terms of the administrative law judges, and  
10 when a vacancy occurs under other circumstances, the commissioner shall certify to  
11 the Workers' Compensation Nominating Commission that filling the position is  
12 necessary and the Workers' Compensation Nominating Commission shall act to fill  
13 only such positions as have been certified as necessary by the commissioner.

14 (5) (a) The Workers' Compensation Nominating Commission shall consult with the  
15 commissioner, chief administrative law judge, and a member of the Workers'  
16 Compensation Board as to the performance in office of the administrative law  
17 judges. The Workers' Compensation Nominating Commission may  
18 recommend retention of any sitting administrative law judge, or present to the  
19 Governor the names of three (3) qualified individuals nominated for the  
20 position. The Workers' Compensation Nominating Commission shall report  
21 its recommendation for retention to the Governor no later than thirty (30) days  
22 after receipt from the commissioner of certification of the necessity to fill the  
23 position and shall render to the Governor its list of nominees to fill vacancies  
24 within sixty (60) days of receipt of the commissioner's certification. The name  
25 of an individual who has been rejected by the Governor when recommended  
26 for retention shall not be presented thereafter as a nominee for the same  
27 position. No sitting administrative law judge shall be nominated to fill more

1 than one (1) vacancy except for separate vacancies as an administrative law  
2 judge.

3 (b) Within thirty (30) days of receipt of the recommendation, the Governor may  
4 reject recommendations of retention, in which event the Workers'  
5 Compensation Nominating Commission shall, within thirty (30) days,  
6 reconvene and present a list of the names of three (3) nominees for each  
7 position for which a recommendation for retention has been rejected by the  
8 Governor.

9 (6) ~~[(The Governor shall appoint the commissioner of the Department of Workers'~~  
10 ~~Claims from a list of three (3) names submitted by the nominating~~  
11 ~~commission. The list submitted to the Governor shall contain names of~~  
12 ~~individuals who meet the qualifications and requirements contained in KRS~~  
13 ~~342.228.]~~The commissioner shall be subject to Senate confirmation in  
14 accordance with KRS 11.160.

15 (7) (a) The Governor shall appoint the members of the Workers' Compensation  
16 Board. The nominating commission shall present to the Governor a list of  
17 three (3) candidates for appointment to the board no later than thirty (30) days  
18 prior to the expiration of a board member's term. For the purpose of filling
