

1 AN ACT relating to the contracting or reemployment of retired state and local
2 employees.

3 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

4 ➔Section 1. KRS 61.590 is amended to read as follows:

5 (1) **(a)** A member or beneficiary eligible to receive retirement benefits under any of
6 the provisions of KRS 61.510 to 61.705, 78.510 to 78.852, and 16.510 to
7 16.652 shall have on file at the retirement office on the form prescribed by the
8 board, a correctly completed notification of retirement, giving his ***or her***
9 name, address, Social Security number or Kentucky Retirement Systems
10 member identification number, last day of employment, and other information
11 the system may require. The form entitled "Notification of Retirement" shall
12 not be filed more than six (6) months before the member's effective retirement
13 date; **and**[-]

14 **(b) A member eligible to receive retirement benefits under any of the provisions of**
15 **KRS 61.510 to 61.705, 78.510 to 78.852, and 16.510 to 16.652 shall certify**
16 **in writing on the "Notification of Retirement" form or another form**
17 **prescribed by the board that no prearranged agreement existed prior to the**
18 **member's retirement between the member and any participating agency in**
19 **the systems administered by the Kentucky Retirement Systems for the**
20 **member to return to employment with the participating agency. No**
21 **retirement benefits shall be paid to the member until the member completes**
22 **the certification required by this paragraph.**

23 (2) After receipt of the correctly completed form entitled "Notification of Retirement",
24 the system shall cause to be prepared an estimate of the amounts the member or
25 beneficiary may expect to receive under the various plans available to the member
26 or beneficiary. This information shall be recorded on a form entitled "Estimated
27 Retirement Allowance" and forwarded to the member or beneficiary.

- 1 (3) The member or beneficiary shall file at the retirement office the form entitled
2 "Estimated Retirement Allowance" after he has checked one (1) payment option of
3 his choice, signed the document, and had his signature witnessed. A member shall
4 not have the right to select a different payment option on or after the first day of the
5 month in which the member receives his or her first retirement allowance or after
6 the effective date of a deferred retirement option as provided by subsection (6) of
7 this section. A beneficiary shall not have the right to select a different payment
8 option after the effective date of the beneficiary's retirement allowance as provided
9 in subsection (7) of this section.
- 10 (4) A member or beneficiary choosing a monthly payment option shall have on file at
11 the retirement office his birth certificate or other acceptable evidence of date of
12 birth. If a survivorship option is chosen, proof of dates of birth of the beneficiary
13 and member shall be on file at the retirement office.
- 14 (5) (a) The effective date of normal retirement shall be the first month following the
15 month in which employment from all employers participating in any of the
16 systems administered by Kentucky Retirement Systems was terminated.
- 17 (b) The effective date of disability retirement shall be the first month following
18 the month in which the member's last day of paid employment in a regular
19 full-time position occurred, provided the member files the form entitled
20 "Estimated Retirement Allowance" no later than six (6) months following the
21 date the notification of approval for disability retirement benefits is mailed. If
22 the member fails to file the form entitled "Estimated Retirement Allowance"
23 within six (6) months of the date the notification of approval for disability
24 retirement benefits is mailed, then the member's form entitled "Notification of
25 Retirement" shall be void. The member shall be required to submit a new
26 form entitled "Notification of Retirement" to apply for disability retirement
27 and reestablish eligibility for disability retirement benefits.

1 (c) The effective date of early retirement shall be the first month following the
2 month a correctly completed form entitled "Notification of Retirement" is
3 filed at the retirement office or a future month designated by the member, if
4 employment from all employers participating in any of the systems
5 administered by Kentucky Retirement Systems has been terminated and if the
6 member files the form entitled "Estimated Retirement Allowance" no later
7 than six (6) months following termination. If the member fails to file the form
8 entitled "Estimated Retirement Allowance" within six (6) months following
9 the effective retirement date of the member, then the member's form entitled
10 "Notification of Retirement" shall be void and the member shall be required to
11 submit a new form entitled "Notification of Retirement" to apply for early
12 retirement.

13 (6) The effective date of a deferred retirement option as provided under KRS 16.576(5)
14 shall be the month following age sixty-five (65), or the month following written
15 notification from the member that he wishes to begin receiving retirement
16 payments. In the event of the death of a member who has deferred his retirement
17 allowance, the effective date of retirement shall be the month following the
18 member's death.

19 (7) Notwithstanding the provisions of KRS 16.578 or 61.640, the effective date of a
20 beneficiary's retirement allowance under normal, early, or disability retirement shall
21 be as prescribed in subsection (5) or (6) of this section if the member dies before the
22 first day of the month in which the member would have received his or her first
23 retirement allowance and his beneficiary becomes eligible for payments under KRS
24 16.578 or 61.640.

25 ➔Section 2. KRS 61.637 is amended to read as follows:

26 (1) A retired member who is receiving monthly retirement payments under any of the
27 provisions of KRS 61.510 to 61.705 and 78.510 to 78.852 and who is reemployed

1 as an employee by a participating agency prior to August 1, 1998, shall have his
2 retirement payments suspended for the duration of reemployment. Monthly
3 payments shall not be suspended for a retired member who is reemployed if he
4 anticipates that he will receive less than the maximum permissible earnings as
5 provided by the Federal Social Security Act in compensation as a result of
6 reemployment during the calendar year. The payments shall be suspended at the
7 beginning of the month in which the reemployment occurs.

8 (2) Employer and employee contributions shall be made as provided in KRS 61.510 to
9 61.705 and 78.510 to 78.852 on the compensation paid during reemployment,
10 except where monthly payments were not suspended as provided in subsection (1)
11 of this section or would not increase the retired member's last monthly retirement
12 allowance by at least one dollar (\$1), and the member shall be credited with
13 additional service credit.

14 (3) In the month following the termination of reemployment, retirement allowance
15 payments shall be reinstated under the plan under which the member was receiving
16 payments prior to reemployment.

17 (4) (a) Notwithstanding the provisions of this section, the payments suspended in
18 accordance with subsection (1) of this section shall be paid retroactively to the
19 retired member, or his estate, if he does not receive more than the maximum
20 permissible earnings as provided by the Federal Social Security Act in
21 compensation from participating agencies during any calendar year of
22 reemployment.

23 (b) If the retired member is paid suspended payments retroactively in accordance
24 with this section, employee contributions deducted during his period of
25 reemployment, if any, shall be refunded to the retired employee, and no
26 service credit shall be earned for the period of reemployment.

27 (c) If the retired member is not eligible to be paid suspended payments for his

1 period of reemployment as an employee, his retirement allowance shall be
2 recomputed under the plan under which the member was receiving payments
3 prior to reemployment as follows:

- 4 1. The retired member's final compensation shall be recomputed using
5 creditable compensation for his period of reemployment; however, the
6 final compensation resulting from the recalculation shall not be less than
7 that of the member when his retirement allowance was last determined;
- 8 2. If the retired member initially retired on or subsequent to his normal
9 retirement date, his retirement allowance shall be recomputed by using
10 the formula in KRS 61.595(1);
- 11 3. If the retired member initially retired prior to his normal retirement date,
12 his retirement allowance shall be recomputed using the formula in KRS
13 61.595(2), except that the member's age used in computing benefits shall
14 be his age at the time of his initial retirement increased by the number of
15 months of service credit earned for service performed during
16 reemployment;
- 17 4. The retirement allowance payments resulting from the recomputation
18 under this subsection shall be payable in the month following the
19 termination of reemployment in lieu of payments under subparagraph 3.
20 The member shall not receive less in benefits as a result of the
21 recomputation than he was receiving prior to reemployment or would
22 receive as determined under KRS 61.691; and
- 23 5. Any retired member who was reemployed prior to March 26, 1974, shall
24 begin making contributions to the system in accordance with the
25 provisions of this section on the first day of the month following March
26 26, 1974.

27 (5) A retired member, or his estate, shall pay to the retirement fund the total amount of

1 payments which are not suspended in accordance with subsection (1) of this section
2 if the member received more than the maximum permissible earnings as provided
3 by the Federal Social Security Act in compensation from participating agencies
4 during any calendar year of reemployment, except the retired member or his estate
5 may repay the lesser of the total amount of payments which were not suspended or
6 fifty cents (\$0.50) of each dollar earned over the maximum permissible earnings
7 during reemployment if under age sixty-five (65), or one dollar (\$1) for every three
8 dollars (\$3) earned if over age sixty-five (65).

9 (6) (a) "Reemployment" or "reinstatement" as used in this section shall not include a
10 retired member who has been ordered reinstated by the Personnel Board under
11 authority of KRS 18A.095.

12 (b) A retired member who has been ordered reinstated by the Personnel Board
13 under authority of KRS 18A.095 or by court order or by order of the Human
14 Rights Commission and accepts employment by an agency participating in the
15 Kentucky Employees Retirement System or County Employees Retirement
16 System shall void his retirement by reimbursing the system in the full amount
17 of his retirement allowance payments received.

18 (7) (a) Effective August 1, 1998, the provisions of subsections (1) to (4) of this
19 section shall no longer apply to a retired member who is reemployed in a
20 position covered by the same retirement system from which the member
21 retired. Reemployed retired members shall be treated as new members upon
22 reemployment. Any retired member whose reemployment date preceded
23 August 1, 1998, who does not elect, within sixty (60) days of notification by
24 the retirement systems, to remain under the provisions of subsections (1) to
25 (4) of this section shall be deemed to have elected to participate under this
26 subsection.

27 (b) A retired member whose disability retirement was discontinued pursuant to

1 KRS 61.615 and who is reemployed in one (1) of the systems administered by
2 the Kentucky Retirement Systems prior to his or her normal retirement date
3 shall have his or her accounts combined upon termination for determining
4 eligibility for benefits. If the member is eligible for retirement, the member's
5 service and creditable compensation earned as a result of his or her
6 reemployment shall be used in the calculation of benefits, except that the
7 member's final compensation shall not be less than the final compensation last
8 used in determining his or her retirement allowance. The member shall not
9 change beneficiary or payment option designations. This provision shall apply
10 to members reemployed on or after August 1, 1998.

11 (8) *If a retired member accepts employment or begins serving as a volunteer with an*
12 *employer participating in the systems administered by Kentucky Retirement*
13 *Systems within twelve (12) months of his or her retirement date, the*~~[A]~~
14 ~~member [or his employer] shall notify the retirement system [if he has accepted~~
15 ~~employment or is serving as a volunteer with an employer that participates in the~~
16 ~~retirement system from which the member retired. The retired member]~~ and the
17 participating employer shall submit the information required or requested by the
18 systems to confirm the individual's employment or volunteer status. *The retired*
19 *member shall not be required to notify the retirement systems regarding any*
20 *employment or volunteer service with a participating agency that is accepted after*
21 *twelve (12) months following his or her retirement date.*

22 (9) If the retired member is under a contract *to provide services as an independent*
23 *contractor or leased employee to an employer participating in the systems*
24 *administered by Kentucky Retirement Systems within twelve (12) months of his or*
25 *her retirement date,* the member shall submit a copy of that contract to the
26 retirement system, and the retirement system shall determine if the member is an
27 independent contractor *or leased employee* for purposes of retirement benefits. The

1 retired member and the participating employer shall submit the information required
2 or requested by the systems to confirm the individual's ~~employment or volunteer~~
3 status **as an independent contractor or leased employee. The retired member shall**
4 **not be required to notify the retirement systems regarding any services entered**
5 **into as an independent contractor or leased employee with a participating agency**
6 **that the employee enters into after twelve (12) months following his or her**
7 **retirement date.**

8 (10) If a member is receiving a retirement allowance, or has filed the forms required for
9 a retirement allowance, and is employed within one (1) month of the member's
10 initial retirement date in a position that is required to participate in the same
11 retirement system from which the member retired, the member's retirement shall be
12 voided and the member shall repay to the retirement system all benefits received.
13 The member shall contribute to the member account established for him prior to his
14 voided retirement. The retirement allowance for which the member shall be eligible
15 upon retirement shall be determined by total service and creditable compensation.

16 (11) (a) If a member of the Kentucky Employees Retirement System retires from a
17 department which participates in more than one (1) retirement system and is
18 reemployed within one (1) month of his initial retirement date by the same
19 department in a position participating in another retirement system, the retired
20 member's retirement allowance shall be suspended for the first month of his
21 retirement and the member shall repay to the retirement system all benefits
22 received for the month.

23 (b) A retired member of the County Employees Retirement System who after
24 initial retirement is hired by the county from which the member retired shall
25 be considered to have been hired by the same employer.

26 (12) (a) If a hazardous member who retired prior to age fifty-five (55), or a
27 nonhazardous member who retired prior to age sixty-five (65), is reemployed

1 within six (6) months of the member's termination by the same employer, the
2 member shall obtain from his previous and current employers a copy of the
3 job description established by the employers for the position and a statement
4 of the duties performed by the member for the position from which he retired
5 and for the position in which he has been reemployed.

6 (b) The job descriptions and statements of duties shall be filed with the retirement
7 office.

8 (13) If the retirement system determines that the retired member has been employed in a
9 position with the same principal duties as the position from which the member
10 retired:

11 (a) The member's retirement allowance shall be suspended during the period that
12 begins on the month in which the member is reemployed and ends six (6)
13 months after the member's termination;

14 (b) The retired member shall repay to the retirement system all benefits paid from
15 systems administered by Kentucky Retirement Systems under reciprocity,
16 including medical insurance benefits, that the member received after
17 reemployment began;

18 (c) Upon termination, or subsequent to expiration of the six (6) month period
19 from the date of termination, the retired member's retirement allowance based
20 on his initial retirement account shall no longer be suspended and the member
21 shall receive the amount to which he is entitled, including an increase as
22 provided by KRS 61.691;

23 (d) Except as provided in subsection (7) of this section, if the position in which a
24 retired member is employed after initial retirement is a regular full-time
25 position, the retired member shall contribute to a second member account
26 established for him in the retirement system. Service credit gained after the
27 member's date of reemployment shall be credited to the second member

1 account; and

2 (e) Upon termination, the retired member shall be entitled to benefits payable
3 from his second retirement account.

4 (14) (a) If the retirement system determines that the retired member has not been
5 reemployed in a position with the same principal duties as the position from
6 which he retired, the retired member shall continue to receive his retirement
7 allowance.

8 (b) If the position is a regular full-time position, the member shall contribute to a
9 second member account in the retirement system.

10 (15) (a) If a retired member is reemployed at least one (1) month after initial
11 retirement in a different position, or at least six (6) months after initial
12 retirement in the same position, and prior to normal retirement age, the retired
13 member shall contribute to a second member account in the retirement system
14 and continue to receive a retirement allowance from the first member account.

15 (b) Service credit gained after reemployment shall be credited to the second
16 member account. Upon termination, the retired member shall be entitled to
17 benefits payable from the second member account.

18 (16) A retired member who is reemployed and contributing to a second member account
19 shall not be eligible to purchase service credit under any of the provisions of KRS
20 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852 which he was eligible to
21 purchase prior to his initial retirement.

22 (17) Notwithstanding any provision of subsections (1) to (7)(a) and (10) to (15) of this
23 section, the following shall apply to retired members who retired ~~prior to January~~
24 ~~1, 2019,~~ and who are reemployed by an agency participating in one (1) of the
25 systems administered by Kentucky Retirement Systems on or after September 1,
26 2008:

27 (a) Except as provided by paragraphs (c) and (d) of this subsection, if a member is

1 receiving a retirement allowance from one (1) of the systems administered by
2 Kentucky Retirement Systems, or has filed the forms required to receive a
