19 the secretary and an agency charged with the administration of any other state or
20 federal unemployment compensation law.

26 deemed one (1) calendar week and the days beginning January 1 another week.

27 (13) Notwithstanding the provisions of this section or any other provision of this chapter,

1 no employing unit shall be initially determined a subject employer on the basis of
2 covered employment performed more than five (5) calendar years prior to the year
3 in which such determination is made, unless the secretary can show that the records
4 of such employment experience were fraudulently concealed or withheld for the
5 purpose of escaping liability under this chapter.

 11 341.990(11).

12 ~~(8)~~~~(6)~~ No information and~~or~~ records held confidential under subsection ~~(4)~~~~(3)~~ of

 15 commission, the secretary, or any duly authorized representative thereof, shall be
 16 exempt from punishment for perjury.

17 ➔Section 3. KRS 341.540 is amended to read as follows:

18 (1) As used in this section, unless the context clearly requires otherwise:

19 (a) "Substantially common" or "substantially the same" means that one (1) or
 20 more individual or individuals own or exercise pervasive management or
 21 control over both the predecessor and successor employing unit. Factors
 22 indicating pervasive management or control include, but are not limited to,
 23 whether the predecessor and successor share:

24 1. One (1) or more individuals or family members as owners~~in positions~~
 25 ~~of management or ownership~~, on boards of directors, ~~or~~ as
 26 shareholders, or executive or other officers; and

27 2. Titles to property, parent companies, workforce, assets, legal and

1 professional representation, physical location, client pools, marketing
2 services, Web sites, telephone numbers, or e-mail addresses;

3 (b) "Trade" or "business" includes the employing unit's workforce;

4 (c) "Knowingly" means having actual knowledge of, or acting with deliberate
5 ignorance or disregard for, the prohibition involved; and

6 (d) "Violates" or "attempts to violate" includes, but is not limited to, intended
7 evasion, misrepresentation, or willful nondisclosure.

8 (2) (a) For the purpose of this chapter, if a subject employer transfers all or part of its
9 trade or business~~[to another employing unit]~~, the acquiring employing unit
10 shall be deemed a successor if the transfer is in accordance with
11 administrative regulations promulgated by the secretary, or if the transferring
12 and acquiring employing units have substantially the same pervasive
13 management, ownership,~~[management]~~ or control. If an employing unit is
14 deemed a successor, the transferring employing unit shall be deemed a
15 predecessor.

16 (b) For the purpose of this chapter, if a nonsubject employer acquires all or
17 part of the trade or business of a subject employer, the nonsubject employer
18 shall file an application with the Office of Employment and Training,
19 Department of Workforce Investment to establish an unemployment reserve
20 account within forty-five (45) days of employing personnel. The application
21 will be considered and processed in accordance with administrative
22 regulations promulgated by the secretary and shall require information
23 necessary to determine whether the nonsubject employer is a successor of
24 the subject employer and to establish an initial unemployment contribution
25 rate for the employer. Factors to be considered in the determination of
26 successorship and the fixing of the initial rate shall include but not be
27 limited to the employer's prior unemployment claims history, benefit

1 charges, historical rate charges, and payment penalties assessed in the
2 previous five (5) years, in addition to the factors set forth in subsection
3 (6)(b) of this section. After consideration of these factors, and others that
4 the applicant may submit in justification of an initial rate determination,
5 the secretary shall set an appropriate contribution rate. Any determinations
6 of initial unemployment contribution rates made pursuant to this subsection
7 shall not be effective prior to January 1, 2018.

8 (3) (a) Notwithstanding subsection (2)(b) of this section, any successor to the trade
9 or business of a subject employer shall assume the resources and liabilities of
10 the predecessor's reserve account, including interest, and shall continue the
11 payment of all contributions and interest due under this chapter, except that
12 the successor shall not be required to assume the liability of any delinquent
13 contributions and interest of a predecessor or predecessors unless the cabinet
14 notifies the successor of the delinquency within six (6) months after the
15 department has notice of the succession; and

16 (b) Any nonsubject employer that is deemed a successor in whole or part upon
17 submission of the application referred to subsection (2)(b) of this section
18 shall be allowed to make a one (1) time voluntary payment to pay off or
19 reduce the negative reserve assumed from the predecessor. This payment
20 shall be made within sixty (60) days of receipt of the first notice of a
21 negative predecessor reserve account. This one (1) time voluntary payment
22 cannot exceed the amount of negative reserve assumed by the successor.

23 (4) The liability for delinquent contributions and interest imposed upon the successor
24 by subsection (3) of this section shall be secondary to the liability of the predecessor
25 or predecessors, and if the delinquency has been reduced to judgment, the order of
26 execution on the judgment shall be as follows:

27 (a) Against the assets, both real and personal, of the predecessor or predecessors;

- 1 (b) Against the assets, both real and personal, of the business acquired; and
2 (c) Against the assets, both real and personal, of the successor or acquirer.
- 3 (5) (a) Notwithstanding the provisions of subsection (3) of this section, any successor
4 to a portion of the trade or business of a subject employer, who is, or by
5 reason of the transfer becomes, a subject employer, shall assume the resources
6 and liabilities of the predecessor's reserve account in proportion to the
7 percentage of the payroll or employees assignable to the transferred portion. In
8 calculating the transferred portion, the secretary shall utilize the last four (4)
9 calendar quarters preceding the date of transfer for workers employed by the
10 successor subsequent to that date. The taxable payroll, benefit charges and the
11 potential benefit charges shall be assumed by the successors in a like
12 proportion.
- 13 (b) Notwithstanding the provisions of paragraph (a) of this subsection, if any
14 employing unit succeeds to a portion of the trade or business of another
15 employing unit; becomes, by reason of that succession, a subject employer
16 with substantially the same ownership, management, or control as the
17 predecessor employing unit; and lays off or terminates more than one-half
18 (1/2) of the original employees transferred within six (6) months of the date of
19 transfer; then the succession and creation of the new employing unit shall be
20 voided, and the benefits attributable to the lay-offs or terminations shall be
21 charged to the reserve account of the original employing unit.
- 22 (6) (a) The contribution rate of a successor in whole or in part, which was a subject
23 employer prior to succession, shall not be affected by the transfer of the
24 reserve account for the remainder of the rate year in which succession
25 occurred; except that the rate of the successor shall be recalculated and made
26 effective upon the first day of the calendar quarter immediately following the
27 date of the transfer if there is substantially common ownership, management,

1 or control of the predecessor and successor.

2 (b) The contribution rate of a successor in whole or in part, which was not a
3 subject employer prior to succession, shall be determined by a review of the
4 application required by subsection (2)(b) of this section, ~~for the calendar~~
5 ~~year in which succession occurred, the same rate as that of its predecessor;~~
6 ~~except if the secretary finds, after a thorough investigation based on the use~~
7 ~~of objective factors, including but not limited to:~~

- 8 1. The cost of acquiring the business;
- 9 2. How long the original business enterprise was continued; and
- 10 3. Whether a substantial number of new employees were hired for
11 performance of duties unrelated to the business activity prior to
12 acquisition;

13 that the succession was solely for the purpose of obtaining a rate lower than
14 that prescribed in KRS 341.270(1) and 341.272 for a new employing unit,
15 then the unemployment experience of the predecessor shall not be transferred,
16 the rate for a new employing unit shall be assigned, and the employing unit
17 shall be otherwise deemed a successor for the purpose of KRS 341.070(7) and
18 subsection (3) of this section.

19 (c) The contribution rate for a successor which becomes a subject employer
20 through the simultaneous transfer, either in whole or in part, of two (2) or
21 more predecessor reserve accounts shall be the rate determined in accordance
22 with the provisions of KRS 341.270, by combining the reserve accounts
23 succeeded to as of the computation date for determining rates for the calendar
24 year in which succession occurred.

25 (d) The contribution rate of a successor which succeeds, either in whole or in part,
26 to a predecessor's reserve account after a computation date, but prior to the
27 beginning of the calendar year immediately following that computation date,

1 shall be the rate determined in accordance with KRS 341.270, by effecting the
2 transfer of the reserve account as of the computation date immediately
3 preceding the date of succession.

4 (7) Notwithstanding KRS 341.270, the contribution rate for an employing unit that
5 knowingly violates or attempts to violate the provisions of this section or any other
6 provision of the chapter related to determining the assignment of a contribution rate
7 shall be the highest rate assignable under this chapter for the calendar year during
8 which the violation or attempted violation occurred and the three (3) calendar years
9 immediately following that year. If that employer's rate is already at the highest
10 assignable rate, or if the amount of increase in the employer's rate would be less
11 than an additional two percent (2%) for that year, then a penalty rate of
12 contributions of an additional two percent (2%) of taxable wages shall be imposed
13 for each year.

14 (8) In addition to the penalties prescribed in subsection (7) of this section and KRS
15 341.990(9), any person who knowingly violates this section shall be subject to the
16 penalties stipulated under KRS 341.990.

17 (9) (a) The secretary shall establish procedures to identify the transfer of a business
18 for purposes of this section.

19 (b) The secretary shall have the authority and discretion to set a contribution
20 rate upon the providing of justification by a subject employer and
21 consideration of relevant factors, including but not limited to the factors set
22 forth in subsections (2) and (6)(a) of this section.

23 ➔Section 4. KRS 341.614 is amended to read as follows:

24 (1) Effective January 1, 2014, there shall be a surcharge upon all subject contributing
25 employers for any year there are insufficient funds in the unemployment
26 compensation administration fund for the payment of interest on advances under
27 Title XII of the Social Security Act or for the repayment of money, including any

1 interest thereon, received from any source related to the payment of interest on such
2 advances.

3 (2) (a) The surcharge shall be twenty-two hundredths of one percent (0.22%) of the
4 first nine thousand six hundred dollars (\$9,600) in wages paid to each worker
5 by a subject contributing employer or his predecessor with respect to covered
6 employment during any calendar year.

7 (b) Effective January 1, 2015, and each calendar year thereafter, the secretary
8 shall adjust the surcharge percentage rate based on any increase to the taxable
9 wage base for that calendar year as provided in KRS 341.030(7). The purpose
10 of the adjustment shall be to maintain costs per worker comparable to the
11 original surcharge. Any reduction in the surcharge percentage rate shall
12 correspond to the increase to the taxable wage base for that calendar year and
13 shall be rounded up to the nearest one-hundredth of one percent (0.01%).

14 (c) Notwithstanding paragraph (b) of this subsection, the secretary may reduce the
15 surcharge percentage rate or suspend the surcharge for any calendar year based
16 on the balance of the unemployment insurance interest payment fund and the
17 projected amount due for interest on advances under Title XII of the Social
18 Security Act and for repayment of money, including any interest thereon,
19 received from any source related to the payment of interest on such advances.

20 (3) The surcharge established in this section shall be due and payable at the same time
21 and in the same manner as employer contributions. Any surcharge collected shall be
22 deposited in the unemployment insurance interest payment fund.

23 (4) Any surcharge unpaid on the date on which it is due and payable, pursuant to
24 subsection (3) of this section, shall be subject to interest at the rate of one and one-
25 half percent (1.5%) per month or fraction thereof, not to exceed ninety percent
26 (90%) of the amount of such surcharge, from and after such date until payment is
27 received by the cabinet, regardless of whether such delinquency has been reduced to

1 a judgment or not as provided in subsection (6) of this section or is the subject of an
2 administrative appeal or court action. The interest collected shall be deposited in the
3 unemployment insurance interest payment fund.

4 (5) A lien of the same nature and having the same force, effect, and priority as provided
5 in KRS 341.310 shall commence on all property of a subject contributing employer
6 delinquent in the payment of any surcharge or interest thereon.

7 (6) If, after due notice, any subject contributing employer defaults in payment of any
8 surcharge or interest thereon, the amount due may be collected by a civil action
9 instituted in the Franklin Circuit Court or the Franklin District Court depending on
10 the jurisdictional amount in controversy, including interest and penalties, in the
11 name of the state, and the subject contributing employer adjudged in default shall
12 pay the costs of the action. Civil actions brought under this section shall be heard by
13 the court, without the intervention of a jury, at the earliest possible date and shall be
14 entitled to preference on the calendar of the court over all other civil actions, except
15 petitions for judicial review under this chapter and cases arising under the Kentucky
16 workers' compensation law.

17 (7) At or after the commencement of an action under subsection (6) of this section,
18 attachment may be had against the property of the liable subject contributing
19 employer for such surcharge and interest without execution of a bond, or, after
20 judgment has been entered, an execution may be issued against the property of such
21 employer without the execution of a bond.

22 (8) An action for the recovery of a surcharge or interest thereon under this section shall
23 be barred, and any lien therefor shall be canceled and extinguished, unless collected
24 or suit for collection has been filed within ten (10) years from the due date of such
25 surcharge.

26 (9) Notwithstanding subsection (6) of this section, any delinquent surcharge or interest
27 thereon may be collected in accordance with the levy and distraint provisions of this

1 chapter.

2 **(10) Any delinquent surcharge or interest collected after July 31, 2017, shall not be**
3 **subject to the credit provisions contained in KRS 341.612 and shall be deposited**
4 **into the penalty and interest account.**

5 ➔Section 5. KRS 341.990 is amended to read as follows:

- 6 (1) Except as otherwise provided in subsection (11) of this section, any employee of
7 any state agency who violates any of the provisions of KRS 341.110 to 341.230
8 shall be guilty of a Class B misdemeanor.
- 9 (2) Any person subpoenaed to appear and testify or produce evidence in an inquiry,
10 investigation, or hearing conducted under this chapter who fails to obey the
11 subpoena shall be guilty of a Class B misdemeanor.
- 12 (3) Any subject employer, or officer or agent of a subject employer, who violates
13 subsection (1) of KRS 341.470 shall be guilty of a Class A misdemeanor.
- 14 (4) Any person who violates subsection (2) of KRS 341.470 shall be guilty of a Class A
15 misdemeanor.
- 16 (5) Any person who knowingly makes a false statement or representation of a material
17 fact or knowingly fails to disclose a material fact to the secretary to obtain or
18 increase any benefit under this chapter or under an employment security law of any
