

1 AN ACT relating to child support.

2 *Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

3 ➔Section 1. KRS 403.212 is amended to read as follows:

4 (1) The following provisions and child support table shall be the child support
5 guidelines established for the Commonwealth of Kentucky.

6 (2) For the purposes of the child support guidelines:

7 (a) "Income" means actual gross income of the parent if employed to full capacity
8 or potential income if unemployed or underemployed.

9 (b) "Gross income" includes income from any source, except as excluded in this
10 subsection, and includes but is not limited to income from salaries, wages,
11 retirement and pension funds, commissions, bonuses, dividends, severance
12 pay, pensions, interest, trust income, annuities, capital gains, Social Security
13 benefits, workers' compensation benefits, unemployment insurance benefits,
14 disability insurance benefits, Supplemental Security Income (SSI), gifts,
15 prizes, and alimony or maintenance received. Specifically excluded are
16 benefits received from means-tested public assistance programs, including but
17 not limited to public assistance as defined under Title IV-A of the Federal
18 Social Security Act, and food stamps.

19 (c) For income from self-employment, rent, royalties, proprietorship of a
20 business, or joint ownership of a partnership or closely held corporation,
21 "gross income" means gross receipts minus ordinary and necessary expenses
22 required for self-employment or business operation. Straight-line depreciation,
23 using Internal Revenue Service (IRS) guidelines, shall be the only allowable
24 method of calculating depreciation expense in determining gross income.
25 Specifically excluded from ordinary and necessary expenses for purposes of
26 this guideline shall be investment tax credits or any other business expenses
27 inappropriate for determining gross income for purposes of calculating child

1 support. Income and expenses from self-employment or operation of a
2 business shall be carefully reviewed to determine an appropriate level of gross
3 income available to the parent to satisfy a child support obligation. In most
4 cases, this amount will differ from a determination of business income for tax
5 purposes. Expense reimbursement or in-kind payments received by a parent in
6 the course of employment, self-employment, or operation of a business or
7 personal use of business property or payments of expenses by a business, shall
8 be counted as income if they are significant and reduce personal living
9 expenses such as a company or business car, free housing, reimbursed meals,
10 or club dues.

- 11 (d) If a parent is voluntarily unemployed or underemployed, child support shall be
12 calculated based on a determination of potential income, except that a
13 determination of potential income shall not be made for a parent who is
14 physically or mentally incapacitated or is caring for a very young child, age
15 three (3) or younger, for whom the parents owe a joint legal responsibility.
16 Potential income shall be determined based upon employment potential and
17 probable earnings level based on the obligor's or obligee's recent work history,
18 occupational qualifications, and prevailing job opportunities and earnings
19 levels in the community. A court may find a parent to be voluntarily
20 unemployed or underemployed without finding that the parent intended to
21 avoid or reduce the child support obligation.
- 22 (e) "Imputed child support obligation" means the amount of child support the
23 parent would be required to pay from application of the child support
24 guidelines.
- 25 (f) Income statements of the parents shall be verified by documentation of both
26 current and past income. Suitable documentation shall include, but shall not
27 be limited to, income tax returns, paystubs, employer statements, or receipts

1 and expenses if self-employed.

2 (g) "Combined monthly adjusted parental gross income" means the combined
3 monthly gross incomes of both parents, less any of the following payments
4 made by the parent:

5 1. The amount of pre-existing orders for current maintenance for prior
6 spouses to the extent payment is actually made and the amount of
7 current maintenance, if any, ordered paid in the proceeding before the
8 court;

9 2. The amount of pre-existing orders of current child support for prior-born
10 children to the extent payment is actually made under those orders; and

11 3. A deduction for the support to the extent payment is made, if a parent is
12 legally responsible for and is actually providing support for other prior-
13 born children who are not the subject of a particular proceeding. If the
14 prior-born children reside with that parent, an "imputed child support
15 obligation" shall be allowed in the amount which would result from
16 application of the guidelines for the support of the prior-born children.

17 (h) "Split custody arrangement" means a situation where each parent is the
18 residential custodian for one (1) or more children for whom the parents share
19 a joint legal responsibility.

20 (3) The child support obligation set forth in the child support guidelines table shall be
21 divided between the parents in proportion to their combined monthly adjusted
22 parental gross income.

23 (4) The child support obligation shall be the appropriate amount for the number of
24 children in the table for whom the parents share a joint legal responsibility. The
25 minimum amount of child support shall be zero dollars (\$0)~~[sixty dollars (\$60)]~~ per
26 month.

27 (5) The court may use its judicial discretion in determining child support in

1 circumstances where combined adjusted parental gross income exceeds the
2 uppermost levels of the guideline table.

3 (6) The child support obligation in a split custody arrangement shall be calculated in the
4 following manner:

5 (a) Two (2) separate child support obligation worksheets shall be prepared, one
6 (1) for each household, using the number of children born of the relationship
7 in each separate household, rather than the total number of children born of
8 the relationship.

9 (b) The nonresidential custodian with the greater monthly obligation amount shall
10 pay the difference between the obligation amounts, as determined by the
11 worksheets, to the other parent.

12 (7) The child support guidelines table is as follows:
