 18 be able to assume his or her duties within a period of time that the board determines
 19 to be reasonable.
- 20 (6) Any school teacher or employee may repurchase previously used sick leave days

A teacher or employee who has accrued more than 8 fifteen (15) days' sick leave may request the board of education to transfer a 9 designated amount of sick leave to another teacher or employee who is 10 authorized to receive the sick leave donated. A teacher or employee may not 11 request an amount of sick leave be donated that reduces his or her sick leave 12 balance to less than fifteen (15) days.
- 13 (b) A teacher or employee may receive donations of sick leave if:

In the event 2 that a member fails to designate a beneficiary, or all designated beneficiaries predecease 3 the member, the member's estate shall be deemed to be the beneficiary. Members may 4 designate as beneficiaries only presently identifiable and existing individuals, or trusts 5 where otherwise permitted, without contingency instructions, on forms prescribed by the 6 retirement system. The provisions of this section shall be retroactive as they relate to 7 election of beneficiaries by members still in active status on the effective date of this 8 section. The provisions of this section shall not apply to any account from which a 9 member is drawing a retirement allowance or to the life insurance benefit available under KRS 161.655. 10

11 → Section 14. KRS 161.500 is repealed, reenacted, and amended to read as
12 follows:

13 (1)At the close of each fiscal year, the retirement system shall add service credit to the 14 account of each member who made contributions to his or her account during the 15 year. Members shall be entitled to a full year of service credit if their total paid days 16 were not less than one hundred eighty (180) days of a one hundred eighty-five (185) 17 day contract for a regular school or fiscal year. In the event an individual who 18 became]a member[prior to January 1, 2019,] is paid for less than one hundred 19 eighty (180) days, the member may purchase credit according to administrative 20 regulations established by the board of trustees. In no case shall more than one (1) 21 year of service be credited for all service performed in one (1) fiscal year. Members 22 who complete their employment contract prior to the close of a fiscal year and elect 23 to retire prior to the close of a fiscal year shall have their service credit reduced by 24 eight percent (8%) for each calendar month that the retirement becomes effective 25 prior to July 1.

26 (2) Members who are employed and paid for less than the number of days required in

fractional service. Such credit shall be based upon the number of days employed and the number of days in the member's annual employment agreement or normal employment year.

- 4 (3) Service credit may not exceed the ratio between the school or fiscal year and the
 5 number of months or fraction of a month the member is employed during that year.
- 6 (4) No service credit shall be granted in the Teachers' Retirement System for service
 7 that has been or will be used in qualifying for annuity benefit payments from
 8 another retirement system financed wholly or in part by public funds.
- 9 → Section 15. KRS 161.507 is repealed, reenacted, and amended to read as
 10 follows:

11 An active contributing member of the Teachers' Retirement System may receive (1)12 service credit for active service rendered in the uniformed services of the Armed 13 Forces of the United States, including the commissioned corps of the Public Health 14 Service, subject to the provisions of the Uniformed Services Employment and 15 Reemployment Rights Act of 1994[, the provisions of this section as applicable,] 16 and the administrative regulations promulgated by the board of trustees. Military 17 service includes service in the uniformed services that occurs before the 18 employment of a member in a position covered by the retirement system or where a 19 member leaves covered employment without giving advance written or verbal 20 notice of performing duty in the uniformed services. Service in the uniformed 21 services also includes uniformed service that occurs after employment in a position 22 covered by the retirement system where the member has given advance written or 23 verbal notice of performing duty in the uniformed services and the member returns 24 directly from uniformed services to covered employment. Military service may be 25 credited only if discharge was honorable or was not terminated upon the occurrence 26 of any of the events listed in 38 U.S.C. sec. 4304. Service shall be considered as 27 Kentucky teaching service, except that service may not be used for meeting the

service requirements set forth in KRS 161.600(1)(a) or 161.661(1) or subsection (2)
of Section 7 of this Act unless the service occurred after the member gave written
or verbal notice of performing duty in the uniformed services and the member
returned directly from uniformed services to covered employment. A maximum of
six (6) years of military service may be credited, but in no case a greater number of
years than the actual years of contributing service in Kentucky.

7 (2) No credit shall be granted for military service which has been or will be used in
8 qualifying for annuity benefit payments from another retirement system financed
9 wholly or in part by public funds.

10 (3) A member having twenty (20) years or more of active duty in the military service,
and who is qualified for regular federal retirement benefits based on this military
service, may not receive credit for any military service in the Teachers' Retirement
System. This subsection shall apply to service presented for credit on July 1, 1975,
and after this date.

15 [An individual who became]A member receiving[prior to January 1, 2019, (4)(a) 16 who desires to receive] retirement credit for active duty in the armed services 17 of the United States prior to employment in a position covered by the retirement system or where the member leaves covered employment without 18 19 giving advance written or verbal notice of performing duty in the uniformed 20 services shall pay to the retirement system the full actuarial cost of the service 21 credit purchased as provided under KRS 161.220(22). These contributions 22 shall not be picked up, as described in KRS 161.540(2). In purchasing 23 retirement credit for active duty in the armed services, the latest years of 24 service shall be considered first in allowing credit toward retirement. The 25 board of trustees shall adopt a table of actuarial factors to be used in 26 calculating the amount of contribution required for crediting this service.

27

(b) If military service occurred after the member gave written or verbal notice of

1 performing duty in the uniformed services and the member returns directly 2 from uniformed services to covered employment, the member shall contribute 3 the regular member contribution required by KRS 161.540. The member may 4 make the payment of delayed contributions in a lump sum payment or in 5 installments not to exceed five (5) years beginning with the member's date of 6 reemployment. Interest at the rate of eight percent (8%) per annum shall be 7 charged for delayed contributions beginning with the member's date of 8 reemployment until paid. Members participating in the *supplemental benefit* 9 component[hybrid cash balance plan as provided by KRS 161.235] who make 10 the regular member contribution required by this paragraph, shall *also* receive 11 the mandatory employer contributions in the supplemental benefit 12 *component*[credits] for the period of service purchased.

13 (5)An active contributing member of the Teachers' Retirement System who became a 14 member of the system prior to July[January] 1, 2019, may receive service credit for 15 service in the military reserves of the United States or the National Guard. The 16 member may purchase one (1) month of service for each six (6) months of service 17 in the reserves or the National Guard. Notwithstanding any other statute, regulation, 18 or policy to the contrary, the system shall provide a member, upon request, the 19 estimated actuarial cost of the National Guard or military reserves service purchase 20 based upon the information available at the time of the request. The member shall 21 be entitled to enter into a contract with the system at the time of the request to 22 purchase the National Guard or military reserve service by paying to the system the 23 estimated actuarial cost, either by installments or in lump sum. The member shall 24 pay the full actuarial cost of this service in the military reserves or the National 25 Guard as provided in KRS 161.220(22). Service in the military reserves or the 26 National Guard shall be treated as service earned prior to participation in the system 27 and shall not be used for meeting the service requirements set forth in KRS

In exercising this right, the surviving 6 widow or widower shall be entitled to receive an annuity for life, except as 7 provided in subsection (6) of this section. The surviving spouse shall not waive the survivorship benefits 9 available under this subsection or subsections (1) and (6) of this section if any 10 of the member's children have attained age eighteen (18) or older unless all of 11 those children consent in writing on forms prescribed by the retirement system 12 to waive their survivorship benefits available under this subsection;

- (b) Notwithstanding any provision of law to the contrary, the surviving spouse
 shall not elect to receive a lump-sum refund of the member's accumulated
 account balance in lieu of the survivorship benefits payable under this
 subsection and subsection (1) of this section unless:

6		a court of law; and

Any child or children age eighteen (18) or older who are mentally

(2) physicians' statements consent in writing on forms prescribed by the
retirement system to waive their survivorship benefits available under
this subsection.

12 (c) If eligible to elect a lump-sum refund of the member's accumulated account 13 balance, the surviving spouse shall sign a waiver on forms prescribed by the 14 retirement system of his or her rights and the member's children's rights to the 15 survivorship benefits payable under this subsection and subsections (1) and 16 (2) of this section;

Where the sole eligible survivors are dependent parents aged sixty-five (65) or over,
the benefit shall be two hundred dollars (\$200) per month for one (1) parent or two

hospital, nursing home, or other institution at the member's expense for same
period;

27 (6) The benefit to a child as defined in subsection (2) of this section shall terminate

upon the attainment of age eighteen (18) or upon reaching age nineteen (19), if a
full-time student in high school, or upon marriage, except that benefits shall
continue until the attainment of age twenty-three (23) for an unmarried child who is
a full-time student in a recognized educational program beyond the high school
level. The benefit to a widow, widower, dependent parent, or dependent brother or
sister or dependent child age eighteen (18) or older shall terminate upon marriage,
or upon termination of the condition creating the dependency;

8 (7) The board of trustees shall be the sole judge of eligibility or dependency of any 9 beneficiary, and may require formal application or information relating to eligibility 10 or dependency, including proof of annual income satisfactory to the board. The 11 board of trustees may subpoena records and individuals whenever it deems this 12 action necessary;

13 (8) No payment of benefits shall be made unless the board of trustees authorizes the

board of trustees shall be final as to eligibility, dependency, or disability, and the
amount of benefits payable;

18 (9) In the event that there are no eligible survivors as defined in subsections (1) to (5)19 of this section, or in the event that the surviving spouse elects not to receive 20 survivorship benefits on his or her own behalf or on behalf of any of the member's 21 children as permitted under subsections (2) and (3) of this section, the board of 22 trustees shall pay to the estate or the designated beneficiaries of the deceased 23 member a refund of his accumulated account balance as provided in KRS 24 161.470(7). If the benefits paid or payable under subsections (1) to (5) of this 25 section and KRS 161.661 shall amount to a sum less than the member's 26 accumulated account balance at the time of death, the board of trustees shall pay to 27 the estate or designated beneficiaries of the deceased member the balance of the

accumulated account balance;

2 (10) Any person who is receiving benefits and becomes disqualified from receiving 3 those benefits under this section shall immediately notify the Teachers' Retirement 4 System of this disqualification in writing and shall return all benefits paid after the 5 date of disqualification. Failure to comply with these provisions shall create an 6 indebtedness of that person to the Teachers' Retirement System. Interest at the rate 7 of eight percent (8%) per annum shall be charged if the debt is not repaid within 8 sixty (60) days after the date of disqualification. Failure to repay this debt creates a 9 lien in favor of the Teachers' Retirement System upon all property of the person 10 who improperly receives benefits and does not repay those benefits; and

(11) Benefits under subsections (2) and (3) of this section shall apply to a child who is a
legally adopted survivor at the time of the death of the member. This provision shall

15 → Section 18. KRS 161.522 is amended to read as follows:

16 Upon the death of a member retired for disability who had a minimum of twenty-seven 17 (27) years of service at the time of death, except as provided in KRS 161.661(6), the 18 spouse, if named as the primary beneficiary of the member's account, shall be entitled to 19 elect, in lieu of a refund of the member's account, an annuity actuarially equivalent to the annuity that would have been paid to the deceased member had retirement for service 20 21 been effective on the day immediately preceding the member's death. This option shall be 22 available only during the entitlement period described under KRS 161.661(3) and (4) 23 prior to the recalculation of the member's disability allowance under KRS 161.661(5). In 24 selecting this right, the spouse shall be limited to selecting an option providing a straight 25 life annuity with refundable balance or a term certain option. There shall be a monthly 26 minimum allowance of three hundred dollars (\$300) as the basic straight life annuity. 27 This section applies to surviving spouses of members who were receiving benefit

payments under KRS 161.520 as of June 30, 1988, and to surviving spouses of members
who die on or after July 1, 1984, except that the member shall have been retired for
disability with a minimum of thirty (30) years of service if either of these two (2)
conditions were met prior to July 1, 1990.[This section does not apply to individuals who

6 →Section 19. KRS 161.525 is repealed, reenacted, and amended to read as
7 follows:

Under the provisions of KRS 61.680, benefits shall be 17 processed as if the member retired for service. In exercising this right the spouse or 18 legal dependent shall be limited to selecting an option providing either a straight life 19 annuity with refundable balance or a term certain option. A spouse may receive the annuity provided by this section at the same time as children are qualifying for 20 21 survivors' benefits under the provisions of KRS 161.520; however, a legal 22 dependent, other than a spouse, may not receive these payments if children have 23 qualified for benefits under that section.

24 (2) A spouse qualifying for an annuity under subsection (1) of this section may defer
25 the payments in order to reduce the actuarial discounts to be applied due to age.

26 (3) Upon death of a member in active contributing status at the time of his death, who
27 had a minimum of twenty-seven (27) years of service, the spouse, if named as the

This provision applies to surviving spouses of members who were receiving benefit payments under KRS 161.520 as of June 30, 1986, and to surviving spouses of members who die on or after July 1, 1986.[This subsection does not apply to individuals who become members on or after January 1, 2019.]

8 (1) (a) Members may make contributions and receive service credit for substitute, 9 part-time, or any service other than regular full-time teaching as provided in 10 the administrative regulations of the board of trustees if contributions were not 11 otherwise made as a result of the service.[This paragraph does not apply to 12 members who retired on or after January 1, 2019, and are reemployed on or 13 after January 1, 2019.]

(b) Members placed on leave of absence during a period of full-time employment
as defined in KRS 161.220(21) may make contributions and receive service
credit for this leave only if contributions are made by the end of the fiscal year
next succeeding the year in which the leave was effective as provided in
administrative regulations promulgated by the board of trustees. Contributions
permitted after August 1, 1982, shall not be picked-up pursuant to KRS
161.540(2).

(2) Active contributing members of the Teachers' Retirement System, or former
members who are currently participating in a state-administered retirement system,
who were granted leaves of absence during a period of full-time employment as
defined in KRS 161.220(21) since July 1, 1964, for reasons of health as defined
under the Federal Family Medical Leave Act of 1993, 29 U.S.C. secs. 2601 et seq.,

9			received for the year immediately preceding the leave of absence plus interest			
10			at the rate of eight percent (8%) compounded annually from the beginning of			
11			the school year following the year of the leave of absence, and by depositing			
12			in the state accumulation fund an amount equal to this total.			
13		(c)	The member shall receive credit for no more than two (2) years under the			
14			provisions of this subsection.			
15	(3)	Con	tributions permitted under this section after August 1, 1982, shall not be picked-

The member shall pay the full actuarial cost of the service credit as 3 provided in KRS 161.220(22). The payment shall not be picked up by the employer as 4 described in KRS 161.540(2), and the member's payment shall be credited to the 5 member's contribution account and shall be considered accumulated contributions of the 6 member. Payment by the member may be by lump sum or by installment payments as 7 provided in KRS 161.597. Notwithstanding any other statute to the contrary, the 8 Kentucky Teachers' Retirement System shall recognize nonqualified service credit 9 purchased with another retirement system only to the extent that the member had an 10 equivalent number of full months of active employment in the position covered by the 11 other retirement system during the period that the nonqualified service was purchased. 12 This section shall not apply to :-

4 → Section 30. KRS 161.605 is repealed, reenacted, and amended to read as
5 follows:

Any member retired by reason of service may return to work in a position covered by the
Kentucky Teachers' Retirement System and continue to receive his or her retirement
allowance under the following conditions:

9 (1)Any member who is retired with thirty (30) or more years of service may return to 10 work in a full-time or a part-time position covered by the Kentucky Teachers' 11 Retirement System and earn up to a maximum of seventy-five percent (75%) of the 12 member's last annual compensation measured on a daily rate to be determined by 13 the board of trustees. For purposes of determining whether the salary of a member 14 returning to work is seventy-five percent (75%) or less of the member's last annual 15 compensation, all remuneration paid and benefits provided to the member, on an 16 actual dollar or fair market value basis as determined by the retirement system, shall 17 be considered. Members who were retired on or before June 30, 2002, shall be 18 entitled to return to work under the provisions of this section as if they had retired 19 with thirty (30) years of service. Nonqualified service credit purchased under the 20 provisions of KRS 161.5465 or elsewhere with any state-administered retirement 21 system shall not be used to meet the thirty (30) year requirement set forth in this 22 subsection. Out-of state teaching service provided in public schools for kindergarten 23 through grade twelve (12) may count toward the thirty (30) year requirement set 24 forth in this subsection even if it is not purchased as service credit, if the member 25 obtains from his or her out-of-state employer certification of this service on forms 26 prescribed by the retirement system;

27

(2) Any member who is retired with less than thirty (30) years of service after June 30,

19 RS BR 1568

1 2002, may return to work in a full-time or part-time position covered by the 2 Kentucky Teachers' Retirement System and earn up to a maximum of sixty-five 3 percent (65%) of the member's last annual compensation measured on a daily rate to 4 be determined by the board of trustees. For purposes of determining whether the 5 salary of a member returning to work is sixty-five percent (65%) or less of the 6 member's last annual compensation, all remuneration paid and benefits provided to 7 the member, on an actual dollar or fair market value basis as determined by the 8 retirement system, shall be considered;

9 (3) Reemployment of a retired member under subsection (1) or (2) of this section in a 10 full-time teaching or nonteaching position in a local school district shall be 11 permitted only if the employer certifies to the Kentucky Teachers' Retirement 12 System that there are no other qualified applicants available to fill the teaching or 13 nonteaching position. The employer may use any source considered reliable 14 including but not limited to data provided by the Education Professional Standards 15 Board and the Department of Education to determine whether other qualified 16 applicants are available to fill the teaching or nonteaching position. The Kentucky 17 Board of Education shall promulgate administrative regulations to establish procedures to determine whether other qualified applicants are available to fill a 18 19 teaching or nonteaching position and, if not, for filling the position with a retired 20 member who will then be permitted to return to work in that position under 21 subsection (1) or (2) of this section. The administrative regulations shall assure that 22 a retired member shall not be hired in a teaching or nonteaching position by a local 23 school district until the superintendent of the school district assures the Kentucky 24 Teachers' Retirement System that every reasonable effort has been made to recruit 25 other qualified applicants for the position on an annual basis;

26 (4) Under this section, an employer may employ full-time a number of retired members

1 that employer. The board of trustees may reduce this three percent (3%) cap upon 2 recommendation of the retirement system's actuary if a reduction is necessary to 3 maintain the actuarial soundness of the retirement system. The board of trustees 4 may increase the three percent (3%) cap upon a determination that an increase is 5 warranted to help address a shortage in the number of available teachers and upon 6 the determination of the retirement system's actuary that the proposed cap increase 7 allows the actuarial soundness of the retirement system to be maintained. For purposes of this subsection, "full-time" means the same as defined by KRS 8 9 161.220(21). A local school district may exceed the quota established by this 10 subsection by making an annual written request to the Kentucky Department of 11 Education which the department may approve on a year-by-year basis if the 12 statewide quota has not been met. A district's written request to exceed its quota 13 shall be submitted no sooner than two (2) weeks after the start of the school year;

(5) (a) [Except as provided by subsection (10) of this section,]A member returning
to work in a full-time or part-time position under subsection (1) or (2) of this
section will contribute to an account with the retirement system that will be
administered independently from and with no reciprocal impact with the
member's original retirement account, or any other account from which the
member is eligible to draw a retirement allowance.

20 Except as provided by subsection (10) of this section, A member returning (b) 21 to work under subsection (1) or (2) of this section shall make contributions to 22 the retirement system at the rate provided under KRS 161.540. The new 23 account shall independently meet the five (5) year vesting requirement as well 24 as all other conditions set forth in KRS 161.600(1) or (2), as applicable, 25 before any retirement allowance is payable from this account. The retirement 26 allowance accruing under this new account shall be calculated pursuant to 27 KRS 161.620 $\frac{(1)(b)}{(1)}$. This new account shall not entitle the member to a

Page 80 of 108

- duplication of the benefits offered under KRS 161.620(7) or 161.675, nor
 shall this new account provide the benefits offered by KRS 161.520, 161.525,
 161.620(3), 161.655, 161.661, or 161.663.
- 4 (c) A member returning to work under subsection (1) or (2) of this section shall 5 waive his or her medical insurance with the Kentucky Teachers' Retirement 6 System during the period of reemployment and shall receive the medical 7 insurance coverage that is generally provided by the member's active employer 8 to the other members of the retirement system that the active employer 9 employs. If medical insurance coverage is not available from the employer, 10 the Kentucky Teachers' Retirement System may provide coverage for the 11 member.
- 12 (d) A member returning to work under subsection (1) or (2) of this section shall 13 not be eligible to purchase service credit for any service provided after the 14 member's effective date of retirement but prior to the date that the member 15 returns to work. A member returning to work under subsection (1) or (2) of 16 this section shall not be eligible to purchase service credit that the member 17 would have otherwise been eligible to purchase prior to the member's initial 18 retirement.
- (e) A member who returns to work under subsection (1) or (2) of this section, or
 in the event of the death of the member, the member's estate or applicably
 designated beneficiary, shall be entitled, within ninety (90) days of the posting
 of the annual report submitted by the employer, to a refund of contributions as
 permitted and limited by KRS 161.470;
- (6) The board of trustees may annually, on July 1, adjust the current daily rate of a
 member's last annual compensation, for each full twelve (12) month period that has
 elapsed subsequent to the member earning his or her last annual compensation, by
 the percentage increase in the annual average of the consumer price index for all

19 RS BR 1568

1 urban consumers for the calendar year preceding the adjustment as published by the 2 Federal Bureau of Labor Statistics, not to exceed five percent (5%) annually. Each 3 annual adjustment shall become part of the member's daily rate base. Failure to 4 comply with the salary limitations set forth in subsections (1) and (2) of this section 5 as may be adjusted by this subsection shall result in a reduction of the member's 6 retirement allowance or any other benefit to which the member would otherwise be 7 entitled on a dollar-for-dollar basis for each dollar that the member exceeds these salary limitations. Notwithstanding any other provision of law to the contrary, a 8 9 member retiring from a local school district who returns to work for a local school 10 district under subsection (1) or (2) of this section shall be entitled, without any 11 reduction to his or her retirement allowance or any other retirement benefit, to earn 12 a minimum amount equal to one hundred seventy dollars (\$170) per day;

13 (7)A retired member returning to work under subsection (1) or (2) of this section (a) 14 shall have separated from service for a period of at least one (1) year if 15 returning to work for the same employer on a full-time basis, and at least three 16 (3) months if returning to work for a different employer on a full-time basis. A 17 retired member returning to work under subsection (1) or (2) of this section on 18 a part-time basis shall have separated from service for a period of at least three 19 (3) months before returning to work for any employer.

20 As an alternative to the separation-from-service requirements in paragraph (a) (b) 21 of this subsection, a retired member who is returning to work for the same 22 employer in a full-time position under subsections (1) and (2) of this section 23 may elect a separation-from-service of not less than two (2) months followed 24 by a forfeiture of the retired member's retirement allowance on a month-to-25 month basis for each month that the member has separated from service for 26 less than twelve (12) full months. A retired member returning to work for the 27 same employer in a part-time position, or for a different employer in a full-

19 RS BR 1568

1 time position, may elect an alternative separation-from-service requirement of 2 at least two (2) months followed by a forfeiture of the member's retirement 3 allowance for one (1) month. During the period that the member forfeits his or 4 her retirement allowance and thereafter, member and employer contributions 5 shall be made to the retirement system as a result of employment in any 6 position subject to membership in the retirement system. The member shall 7 contribute to an account with the retirement system subject to the conditions 8 set forth in subsection (5) of this section. For purposes of measuring the 9 separation-from-service requirements set forth throughout this section, a 10 member's separation-from-service begins on the first day following the last 11 day of paid employment for the member prior to retirement.

12 (c) Failure to comply with the separation-from-service requirements in this 13 subsection voids a member's retirement and the member shall be required to 14 return all the retirement benefits he or she received, with interest, for the 15 period of time that the member returned to work without a sufficient 16 separation from service;

17 Effective July 1, 2004, local school districts may employ retired members in (8)(a) 18 full-time or part-time teaching or administrative positions without limitation 19 on the compensation of the retired members that is otherwise required by 20 subsections (1) and (2) of this section. Under provisions of this subsection, a 21 local school district may only employ retired members to fill critical shortage 22 positions for which there are no other qualified applicants as determined by 23 the local superintendent. The number of retired members that a local school 24 district may employ under this subsection shall be no more than two (2) 25 members per local school district or one percent (1%) of the total active 26 members employed by the local school district on a full-time basis as defined 27 under KRS 161.220(21), whichever number is greater. Retired members

19 RS BR 1568

1 returning to work under this subsection shall be subject to the separation-2 from-service requirements set forth in subsection (7) of this section. Retired 3 members returning to work under this subsection shall waive their medical 4 insurance coverage with the retirement system during their period of 5 reemployment and receive medical insurance coverage that is offered to other 6 full-time members employed by the local school district. Retired members 7 returning to work under this subsection shall contribute to an account subject 8 to the conditions set forth in subsection (5) of this section. Retired members 9 returning to work under this subsection shall make contributions to the 10 retirement system at the rate provided under KRS 161.540. The employer 11 shall make contributions at the rate provided under KRS 161.550. Local 12 school districts shall make annual payments to the retirement system on the 13 compensation paid to the reemployed retirees at the rates determined by the 14 retirement system's actuary that reflect any accrued liability resulting from the 15 reemployment of these members.

16 (b) The Department of Education may employ retired members in full-time or part-time teaching or nonteaching positions without the limitations on 17 18 compensation otherwise required by subsections (1) and (2) of this section to 19 fill critical shortage areas in the schools it operates, including the Kentucky 20 School for the Blind, the Kentucky School for the Deaf, and the Kentucky 21 Virtual High School, and to serve on audit teams. The department shall be 22 subject to the same requirements as local school districts as provided in 23 paragraph (a) of this subsection, except the Kentucky Teachers' Retirement 24 System shall determine the maximum number of employees that may be 25 employed under this paragraph;

26 (9) The return to work limitations set forth in this section shall apply to retired
 27 members who are returning to work in the same position from which they retired, or

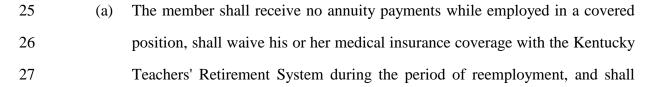

19 RS BR 1568

1 a position substantially similar to the one from which they retired, or a position 2 described in KRS 161.046 or any position listed in KRS 161.220(4) which requires 3 membership in the retirement system. Positions which generally require certification 4 or graduation from a four (4) year college or university as a condition of 5 employment which are created, or changed to remove the position from coverage 6 under KRS 161.220(4) are also subject to the return to work limitations set forth in 7 this section. The board of trustees shall determine whether employment in a 8 nonteaching position is subject to this subsection;

9 (10) [(a) Notwithstanding the provisions of this section, individuals who retire and 10 begin drawing a retirement allowance from one (1) or more of the systems or 11 plans administered by the Kentucky Retirement Systems, the Teachers' 12 Retirement System, or the Judicial Form Retirement System on or after 13 January 1, 2019, who are reemployed on or after January 1, 2019, with an 14 employer participating in the Teachers' Retirement System shall not be eligible to contribute to or earn benefits in a second retirement account during 15 16 the period of reemployment. Employers shall be required to pay the employer 17 normal cost for pension benefits established by KRS 161.550 for any period of 18 full-time reemployment to help pay down the unfunded liability of the 19 Teachers' Retirement System pension fund.

20 21 (b)]The provisions of subsections (1) to (8) of this section are not subject to KRS 161.714;

(11) Any member retired by reason of service may waive his or her annuity and return to
 full-time employment in a position covered by the Kentucky Teachers' Retirement
 System under the following conditions:

The member's estate or, if there is a beneficiary applicably designated by the member, then the beneficiary, shall continue to be eligible for life insurance benefits as provided in KRS 161.655. Service subsequent to retirement shall not be used to improve an annuity, except as provided in paragraphs (b) and (c) of this subsection;

8 (b) Any member who waives regular annuity benefits and returns to teaching or 9 covered employment shall be entitled to make contributions on the salaries 10 received for this service and have his retirement annuity recalculated as 11 provided in the regular retirement formula in KRS 161.620(1), less any 12 applicable actuarial discount applied to the original retirement allowance due 13 to the election of a joint and last survivor option. Retirement option and 14 beneficiary designation on original retirement shall not be altered by 15 postretirement employment, and dependents and spouses of the members shall 16 not become eligible for benefits under KRS 161.520, 161.525, or 161.661 17 because of postretirement employment;

18 When a member returns to full-time teaching or covered employment as (c) 19 provided in subsection (b) of this section, the employer is required to withhold 20 and remit regular retirement contributions. The member must be employed 21 full-time for at least one (1) consecutive contract year to be eligible to 22 improve an annuity. The member shall be returned to the annuity rolls on July 23 1 following completion of the contract year or on the first day of the month 24 following the month of termination of service if full-time employment exceeds one (1) consecutive contract year. Any discounts applied at the time 25 26 of the original retirement due to service or age may be reduced or eliminated 27 due to additional employment if full-time employment is for one (1) 1

consecutive contract year or longer; and

(d) A member retired by reason of service who has been employed the equivalent
of twenty-five (25) days or more during a school year under KRS 161.605
may waive the member's retirement annuity and return to regular employment
covered by the Kentucky Teachers' Retirement System during that school year
a maximum of one (1) time during any five (5) year period, beginning with
that school year;

8 (12) Retired members may be employed in a part-time teaching capacity by an agency 9 described in KRS 161.220(4)(b) or (n), not to exceed the equivalent of twelve (12) 10 teaching hours in any one (1) fiscal year. Retired members may be employed for a 11 period not to exceed the equivalent of one hundred (100) days in any one (1) fiscal 12 year in a part-time administrative or nonteaching capacity by an agency described in 13 KRS 161.220(4)(b) or (n) in a position that would otherwise be covered by the 14 retirement system. The return to work provisions set forth in subsections (1) to (8) 15 of this section shall not apply to retired members who return to work solely for an 16 agency described in KRS 161.220(4)(b) or (n). Calculation of the number of days 17 and teaching hours for part-time teaching, substitute teaching, or part-time 18 employment in a nonteaching capacity under this section shall not exceed the ratio 19 between a school year and the actual months of retirement for the member during 20 that school year. The board of trustees by administrative regulation may establish 21 fractional equivalents of a day of teaching service. Any member who exceeds the 22 twelve (12) hour or one hundred (100) day limitations of this subsection shall be 23 subject to having his or her retirement voided and be required to return all 24 retirement allowances and other benefits paid to the member or on the member's 25 behalf since the effective date of retirement. In lieu of voiding a member's 26 retirement, the system may reduce the member's retirement allowance or any other 27 benefit to which the member would otherwise be entitled on a dollar-for-dollar basis 1 2

3

for each dollar of compensation that the member earns in employment exceeding twelve (12) hours, one hundred (100) days, or any apportionment of the two (2) combined;

4 (13) When a retired member returns to employment in a part-time teaching capacity or in
a nonteaching capacity as provided in subsection (12) of this section, the employer
shall contribute annually to the retirement system on the compensation paid to the
retired member at rates determined by the retirement system actuary that reflect
accrued liability for retired members who return to work under subsection (12) of
this section; and

(14) For retired members who return to work during any one (1) fiscal year in both a
position described in KRS 161.220(4)(b) or (n) and in a position described under
another provision under KRS 161.220(4), and for retired members who return to
work in a position described under KRS 161.220(4)(b) or (n) in both a teaching and
an administrative or nonteaching capacity, the board of trustees shall adopt a
methodology for a pro rata apportionment of days and hours that the retired member
may work in each position.

The methodology adopted by the board 7 of trustees may be amended as necessary to ensure its actuarial soundness. The retirement allowance for members providing part-time and substitute services shall 8 9 be calculated pursuant to Section 2 of this Act and [KRS 161.235 or] 161.620, as 10 applicable, except that the provisions of KRS 161.620(3) shall not apply. Members 11 providing part-time and substitute services who meet the service retirement 12 conditions of KRS [161.235 or]161.600[, as applicable], may also be eligible to 13 participate as approved by the board of trustees in the medical insurance program 14 provided by the retirement system under KRS 161.675. 2 In addition to the pro rata methodology adopted by the board of trustees under (3)3 subsection (1) of this section, members providing part-time and substitute services 4 shall be subject to all limitations and conditions regarding the accrual, retention, 5 accreditation, and use of service credit that apply to members providing full-time 6 services. In addition to the eligibility conditions set forth by the board of trustees 7 under subsection (2) of this section, members providing part-time and substitute 8 services shall be subject to all limitations and conditions regarding both the 9 eligibility to participate and the extent of participation in any benefit offered under 10 KRS 161.220 to 161.716 that apply to members providing full-time services;

(4) Notwithstanding any other provisions of this section to the contrary, instructional
assistants who provide teaching services in the local school districts on a full-time

any one (1) fiscal year shall not be considered members of the Teachers' Retirement
System during that period in which they are serving as substitute teachers for five

21 part-time and substitute services who had retirement contributions posted to their
22 accounts during the previous fiscal year and who have not had those contributions
23 refunded to them are eligible to vote for the board of trustees;

(6) The board of trustees of the Teachers' Retirement System shall be responsible for
final determination of membership eligibility and may direct employers to take
whatever action that may be necessary to correct any error relating to membership;

If the member dies prior to 23 making application for a retirement allowance under this plan, the beneficiary 24 designated by the participant for this plan shall receive a refund of the funds in the 25 account. If there is a remaining balance in the account at the death of the participant 26 after retirement from this plan, it shall be paid to the beneficiary designated by the 27 participant for this benefit.

A disability occurring during the regular vacation immediately following 23 the last period of active service in Kentucky or during an official leave for which 24 the member is entitled to make regular contributions to the retirement system, shall 25 be considered as having occurred during a period of active service. The annual 26 disability allowance shall be equal to sixty percent (60%) of the member's final 27 average salary. [Individuals who became]University members and individuals who

<u>become nonuniversity members</u> prior to January 1, <u>2020</u>[2019], who have twenty seven (27) or more years of service credit are eligible for service retirement only.

 7 section shall not apply to disability retirees whose benefits were calculated on the
 8 service retirement formula nor to survivors of these members.
- 9 (3) Members shall earn one (1) year of entitlement to disability retirement, at sixty
 10 percent (60%) of the member's final average salary, for each four (4) years of
 11 service in a covered position, but any member meeting the service requirement for
 12 disability retirement shall be credited with no less than five (5) years of eligibility.
- 13 (4) A member retired by reason of disability shall continue to earn service credit at the 14 rate of one (1) year for each year retired for disability. This service shall be credited 15 to the member's account at the expiration of entitlement as defined in subsection (3) 16 of this section, or when the member's eligibility for disability benefits is terminated 17 upon recommendation of a medical review committee, and this service shall be used 18 in calculating benefits as provided in subsection (5) of this section, but under no 19 circumstances shall this service be used to provide the member with more than 20 twenty-seven (27) years of total service credit or the level of service credit needed 21 to meet the requirements of KRS 161.235(6)(b), as applicable]. The service credit 22 shall be valued at the same level as service earned by active members as provided 23 under KRS [161.235,]161.600[,] or 161.620 or Section 2 of this Act, as applicable. 24 Members participating in the *supplemental benefit component* [hybrid cash balance 25 plan as provided by KRS 161.235] shall also be credited with *mandatory* employer 26 contributions[credits] and interest [credits] for each year of service earned under 27 the provisions of this subsection based upon the salary in which the last employer

 by subsection (3) of this section shall not reduce the accumulated account balance
 of a member participating in the <u>supplemental benefit component[hybrid_cash</u>
 <u>balance plan].</u>

5 (5) Any member retired by reason of disability and remaining disabled at the expiration 6 of the entitlement period shall have his disability benefits recalculated using the 7 service retirement formula with service credit and any additional accumulated 8 account balance earned as set out in subsection (4) of this section. For persons who 9 became members prior to January 1, 2020[2019], the retirement allowance shall be 10 calculated as set forth in KRS 161.620, except that those persons less than sixty 11 (60) years of age shall be considered as sixty (60) years of age. For persons who 12 become members on or after January 1, 2020[2019], the retirement allowance or 13 benefit in the supplemental benefit component shall be calculated as set forth in 14 Section 2 of this Act[KRS 161.235], except that those persons less than age fifty-15 *five* (55)[sixty-five (65)] shall be considered as *fifty-five* (55)[sixty-five (65)] years 16 of age. Members having their disability benefits recalculated under this subsection 17 shall not be entitled to a benefit based upon an average of their three (3) highest 18 salaries as set forth in KRS 161.220(9), unless approved otherwise by the board of 19 trustees.

20 Members who have their disability retirement allowance recalculated at the (6)21 expiration of the entitlement period shall continue to have coverage under the post-22 retirement medical insurance program. Restrictions on employment shall remain in 23 effect until the member attains age seventy (70) or until the member's eligibility is 24 discontinued. KRS 161.520 and 161.525 shall not apply to survivors of disability 25 retirees whose retirement allowances have been recalculated at the expiration of the 26 entitlement period. Members who have their disability retirement allowance 27 recalculated at the expiration of their entitlement period shall be entitled to a minimum monthly allowance of five hundred dollars (\$500) as the basic straight life
annuity. The minimum allowance shall be effective July 1, 1992, and shall apply to
those members who have had their allowance recalculated prior to that date and to
disability retirees who will have their benefit allowance recalculated on or after that
date.

6 (7) Effective July 1, 1992, members retired for disability prior to July 1, 1964, shall be
7 entitled to a minimum monthly allowance of five hundred dollars (\$500) as their
8 basic straight life annuity and their surviving spouse shall be eligible for survivor
9 benefits as provided in KRS 161.520(1)(a) and (b).

10 Any member retired by reason of disability may voluntarily waive disability benefits (8) 11 and return to teaching or any individual who became a member prior to January 1, 12 2020[2019], who is age sixty (60) years or older, may elect to waive disability 13 benefits and retire for service on the basis of service credited to the member on the effective date of the disability retirement, or any individual who becomes a member 14 15 on or after January 1, 2020[2019], who is *fifty-five (55)*[sixty five (65)] years of age 16 or older, may elect to waive disability benefits and retire for service on the basis of 17 his or her accumulated account balance and service credited to the member on the 18 effective date of disability retirement.

(9) In order to qualify for retirement by reason of disability a member must suffer from
a physical or mental condition presumed to be permanent in duration and of a nature
as to render the member incapable of being gainfully employed in a covered
position. The incapability must be revealed by a competent examination by a
licensed physician or physicians and must be approved by a majority of a medical
review committee.

(10) A member retired by reason of disability shall be required to undergo periodic
 examinations at the discretion of the board of trustees to determine whether the
 disability allowance shall be continued. When examination and recommendation of

1

2

a medical review committee indicate the disability no longer exists, the allowance shall be discontinued.

(11) Eligibility for payment shall begin on the first day of the month following receipt of
the application in the Teachers' Retirement System office, or the first of the month
next following the last payment of salary or sick leave benefits by the employer,
whichever is the later date.

7 (12) No person who receives a disability allowance may be employed in a position that 8 entails duties or qualification requirements similar to positions subject to 9 participation in the retirement system either within or without the State of 10 Kentucky. So doing shall constitute a misdemeanor and shall result in loss of the 11 allowance from the first date of this service. A member who applies for and is 12 approved for disability retirement on or after July 1, 2002, and whose annual 13 disability benefit is less than forty thousand dollars (\$40,000) may earn income in 14 any occupation other than covered employment only to the extent that the annual 15 income from the other employment when added to the annual disability benefit does 16 not exceed forty thousand dollars (\$40,000). For any member who exceeds this 17 limit as a result of income from other employment, the Kentucky Teachers' 18 Retirement System shall reduce the member's disability benefit on a dollar-for-19 dollar basis for each dollar that the member's combined annual disability benefit and 20 annual income from other employment exceeds forty thousand dollars (\$40,000). 21 The board of trustees may annually increase the forty thousand dollar (\$40,000) 22 limit by the percentage increase in the annual average of the consumer price index 23 for all urban consumers for the most recent calendar year as published by the 24 Federal Bureau of Labor Statistics, not to exceed five percent (5%).

(13) All members who applied for disability retirement before July 1, 2002, and were
approved as a result of that application shall be subject to the income limitations as
they existed on June 30, 2002, until July 1, 2006. Effective July 1, 2006, the twenty-

19 RS BR 1568

seven thousand dollar (\$27,000) limitation shall be increased to forty thousand dollars (\$40,000) and may be adjusted by the board of trustees by the consumer price index in the manner described in subsection (12) of this section. The recipient of a disability allowance who engages in any gainful occupation other than covered employment must make a report of the duties involved, compensation received, and any other pertinent information required by the board of trustees.

7 (14) The board of trustees shall designate medical review committees, each consisting of 8 three (3) licensed physicians. A medical review committee shall pass upon all 9 applications for disability retirement and upon all applicant statements, medical 10 certifications, and examinations submitted in connection with disability 11 applications. The disposition of each case shall be recommended by a medical 12 review committee in writing to the retirement system. Members of a medical review 13 committee shall follow administrative regulations regarding procedures as the board 14 of trustees may enact and shall be paid reasonable fees and expenses as authorized 15 by the board of trustees in compliance with the provisions of KRS 161.330 and 16 161.340. The retirement system may secure additional medical examinations and 17 information as it deems necessary. A member may appeal any final agency decision denying his or her disability retirement application pursuant to the provisions of 18 19 KRS 161.250(2).

(15) A disability may be presumed to be permanent if the condition creating the
disability may be reasonably expected to continue for one (1) year or more from the
date of application for disability benefits.

(16) Any member who has voluntarily waived disability benefits or whose disability
benefits have been discontinued on recommendation of a medical review
committee, may apply for reinstatement of disability benefits. The application for
reinstatement must be made to the retirement system within twelve (12) months of
the date disability benefits terminated. If the termination of benefits were voluntary,

19 RS BR 1568

1

2

3

the reinstatement may be made without medical examination if application is made within three (3) months of the termination date. Other applications for reinstatement will be processed in the same manner as new applications for benefits.

4 (17) No person who is receiving disability benefits under this section may be employed
5 in a position which qualifies the person for membership in a retirement system
6 financed wholly or in part with public funds. Employment in a position prohibited
7 by this subsection shall result in disqualification for those disability benefits from
8 the date of employment in the prohibited position.

9 (18) Any person who is receiving benefits and becomes disqualified from receiving 10 those benefits under this section, or becomes disqualified from receiving a portion 11 of those benefits due to income from other than covered employment, shall 12 immediately notify the Teachers' Retirement System of this disqualification in 13 writing and shall return all benefits paid after the date of disqualification. Failure to 14 comply with these provisions shall create an indebtedness of that person to the 15 Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum 16 shall be charged if the debt is not repaid within sixty (60) days after the date of 17 disqualification. Failure to repay this debt creates a lien in favor of the Teachers' 18 Retirement System upon all property of the person who improperly receives benefits 19 and does not repay those benefits. The Kentucky Teachers' Retirement System may, 20 in order to collect an outstanding debt, reduce or terminate any benefit that a 21 member is otherwise entitled to receive.

A final divorce decree 17 shall not terminate the designation of a trust as beneficiary regardless of who is 18 designated as beneficiary of the trust. In the event that the member fails to designate 19 a beneficiary or all designated beneficiaries predecease the member, any remaining 20 accumulated member contributions shall be payable to the member's estate.
