6 the employment of Kentucky residents during the construction of the economic
7 development project, shall be negotiated with the authority, and shall not exceed the
8 limitations established by this section.

9 (2) The authority shall compute the maximum amount of the advance disbursement

- 12 (4) The authority and the preliminarily approved company shall enter into a loan

26 time period over which the advance disbursement amount shall be repaid, and

4 eligible. Any portion of the incentives identified in the tax incentive agreement as
5 being devoted to the repayment of an advance disbursement shall be deducted from
6 the balance of approved costs available for recovery by the approved company, and
7 the department shall forward the amount deducted to the Cabinet for Economic
8 Development, Department of Financial Incentives, for deposit in the authority's
9 account. The timing of all reporting and fund transfers shall be established by
10 agreement between the department and the authority.

11 (6) During the period when an approved company's incentives are being applied to
12 repay an advance disbursement, the approved company shall, at the direction of the
13 authority or the department, file all required requests for incentives, submit all
14 required remittances, make all required tax payments, and provide the department
15 and the authority any information that would normally be required for the approved
