- "Accelerated learning" means an organized way of helping students meet 5 6 individual academic goals by providing direct instruction to eliminate student 7 performance deficiencies or enable students to move more quickly through 8 course requirements and pursue higher level skill development;
 - "Constructed-response items" or "performance-based items" means individual (b) test items that require the student to create an answer rather than select a response and may include fill-in-the-blank, short-answer, extended-answer, open-response, and writing-on-demand formats;
 - (c) "Criterion-referenced test" means a test that is aligned with defined academic content standards and measures an individual student's level of performance against the standards;
 - (d) "End-of-course examination" means the same as defined in KRS 158.860;
 - "Formative assessment" means a process used by teachers and students during (e) instruction to adjust ongoing teaching and learning to improve students' achievement of intended instructional outcomes. Formative assessments may include the use of commercial assessments, classroom observations, teacherdesigned classroom tests and assessments, and other processes and assignments to gain information about individual student learning;
 - "Interim assessments" means assessments that are given periodically (f) throughout the year to provide diagnostic information and to show individual student performance against content standards;
- 26 (g) "Summative assessment" means an assessment given at the end of the school 27 year, semester, or other period of time to evaluate students' performance

1			against content standards within a unit of instruction or a course; and
2		(h)	"Writing" means a purposeful act of thinking and expression that uses
3			language to explore ideas and communicate meaning to others. Writing is a
4			complex, multifaceted act of communication.
5	(2)	(a)	Beginning in fiscal year 2017-2018, and every six (6) years thereafter, the
6			Kentucky Department of Education shall implement a process for reviewing
7			Kentucky's academic standards and the alignment of corresponding
8			assessments for possible revision or replacement to ensure alignment with
9			postsecondary readiness standards necessary for global competitiveness and
10			with state career and technical education standards.
11		(b)	The revisions to the content standards shall:
12			1. Focus on critical knowledge, skills, and capacities needed for success in
13			the global economy;
14			2. Result in fewer but more in-depth standards to facilitate mastery
15			learning;
16			3. Communicate expectations more clearly and concisely to teachers,
17			parents, students, and citizens;
18			4. Be based on evidence-based research;
19			5. Consider international benchmarks; and
20			6. Ensure that the standards are aligned from elementary to high school to
21			postsecondary education so that students can be successful at each
22			education level.
23		(c)	1. The department shall establish four (4) standards and assessments
24			review and development committees, with each committee composed of
25			a minimum of six (6) Kentucky public school teachers and a minimum
26			of two (2) representatives from Kentucky institutions of higher
27			education, including at least one (1) representative from a public

institution of higher education. Each committee member shall teach in the subject area that his or her committee is assigned to review and have no prior or current affiliation with a curriculum or assessment resources vendor.

- 2. One (1) of the four (4) committees shall be assigned to focus on the review of language arts and writing academic standards and assessments, one (1) on the review of mathematics academic standards and assessments, one (1) on the review of science academic standards and assessments, and one (1) on the review of social studies academic standards and assessments.
- (d) 1. The department shall establish twelve (12) advisory panels to advise and assist each of the four (4) standards and assessments review and development committees.
 - 2. Three (3) advisory panels shall be assigned to each standards and assessments review and development committee. One (1) panel shall review the standards and assessments for kindergarten through grade five (5), one (1) shall review the standards and assessments for grades six (6) through eight (8), and one (1) shall review the standards and assessments for grades nine (9) through twelve (12).
 - 3. Each advisory panel shall be composed of at least one (1) representative from a Kentucky institution of higher education and a minimum of six (6) Kentucky public school teachers who teach in the grade level and subject reviewed by the advisory panel to which they are assigned and have no prior or current affiliation with a curriculum or assessment resources vendor.
- (e) The commissioner of education and the president of the Council on Postsecondary Education shall also provide consultants for the standards and

2		are 1	are business and industry professionals actively engaged in career fields that		
3		depe	end on the various content areas.		
4	(f)	1.	The standards and assessments process review committee is hereby		
5			established and shall be composed of ten (10) members, including:		
6			a. Three (3) members appointed by the Governor;		
7			b. Three (3) members of the Senate appointed by the President of the		
8			Senate;		
9			c. Three (3) members of the House of Representatives appointed by		
10			the Speaker of the House of Representatives; and		
11			d. The commissioner of education.		
12		2.	The review of the committee shall be limited to the procedural aspects		
13			of the review process undertaken prior to its consideration.		
14	(g)	1.	The review process implemented under this subsection shall be an open,		
15			transparent process that allows all Kentuckians an opportunity to		
16			participate. The department shall ensure the public's assistance in		
17			reviewing and suggesting changes to the standards and alignment		
18			adjustments to corresponding state assessments by establishing a Web		
19			site dedicated to collecting comments by the public and educators. An		
20			independent third party, which has no prior or current affiliation with a		
21			curriculum or assessment resources vendor, shall be selected by the		
22			department to collect and transmit the comments to the department for		
23			dissemination to the appropriate advisory panel for review and		
24			consideration.		
25		2.	Each advisory panel shall review the standards and assessments for its		

assigned subject matter and grade level and the suggestions made by the

public and educators. After completing its review, each advisory panel

26

shall make recommendations for changes to the standards and alignment adjustments for assessments to the appropriate standards and assessments review and development committee.

- 3. Each standards and assessments review and development committee shall review the findings and make recommendations to revise or replace existing standards and to adjust alignment of assessments to the standards and assessments process review committee.
- 4. The recommendations shall be published on the Web site established in this subsection for the purpose of gathering additional feedback from the public. The commissioner, on behalf of the standards and assessments process review committee, shall subsequently present the recommendations and the public feedback to the Interim Joint Committee on Education.
- 5. The commissioner shall subsequently provide a report to the standards and assessments process review committee summarizing the process conducted under this subsection and the resulting recommendations. The report shall include but not be limited to the timeline of the review process, public feedback, and responses from the Interim Joint Committee on Education.
- 6. After receiving the commissioner's report, the standards and assessments process review committee shall either concur that stakeholders have had adequate opportunity to provide input on standards and the corresponding alignment of state assessments or find the input process deficient. If the process is found deficient, the recommendations may be returned to the appropriate standards and assessments review and development committee for review as described in subparagraph 3. of this paragraph. If the process is found sufficient, the recommendations

1		shall be forwarded without amendment to the Kentucky Board of
2		Education.
3	(h)	The Kentucky Board of Education shall promulgate administrative regulations
4		in accordance with KRS Chapter 13A as may be needed for the administration
5		of the review process, including staggering the timing and sequence of the
6		review process by subject area and remuneration of the review and
7		development committees and advisory panels described in paragraphs (c) and
8		(d) of this subsection.
9	(i)	1. The Kentucky Board of Education shall consider for approval the
10		revisions to academic standards for a content area and the alignment of
11		the corresponding state assessment once recommendations are received
12		from the standards and assessments process review committee. Existing
13		state academic standards shall remain in place until the board approves
14		new standards.
15		2. Any revision to, or replacement of, the academic standards and
16		assessments as a result of the review process conducted under this
17		subsection shall be implemented in Kentucky public schools no later
18		than the second academic year following the review process. Existing
19		academic standards shall be used until new standards are implemented.
20		3. The Department of Education shall disseminate the academic content
21		standards to the schools and teacher preparation programs.
22	(j)	The Department of Education shall provide or facilitate statewide training
23		sessions for existing teachers and administrators on how to:
24		1. Integrate the revised content standards into classroom instruction;
25		2. Better integrate performance assessment of students within their
26		instructional practices; and

3.

Help all students use higher-order thinking and communication skills.

(k)	The Education Professional Standards Board in cooperation with the
	Kentucky Board of Education and the Council on Postsecondary Education
	shall coordinate information and training sessions for faculty and staff in all of
	the teacher preparation programs in the use of the revised academic content
	standards. The Education Professional Standards Board shall ensure that each
	teacher preparation program includes use of the academic standards in the pre-
	service education programs and that all teacher interns will have experience
	planning classroom instruction based on the revised standards.

- (l) The Council on Postsecondary Education in cooperation with the Kentucky Department of Education and the postsecondary education institutions in the state shall coordinate information sessions regarding the academic content standards for faculty who teach in the various content areas.
- 13 (3) (a) The Kentucky Board of Education shall be responsible for creating and
 14 implementing a balanced statewide assessment program that measures the
 15 students', schools', and districts' achievement of the goals set forth in KRS
 16 158.645 and 158.6451, to ensure compliance with the federal Every Student
 17 Succeeds Act of 2015, Pub. L. No. 114-95, or its successor, and to ensure
 18 school accountability.
 - (b) The board shall revise the annual statewide assessment program as needed in accordance with revised academic standards and corresponding assessment alignment adjustments approved by the board under subsection (2) of this section.
 - (c) The statewide assessments shall not include any academic standards not approved by the board under subsection (2) of this section.
 - (d) The board shall seek the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; the Education Assessment and Accountability Review Subcommittee, and the National

1		Technical Advisory Panel on Assessment and Accountability in the
2		development of the assessment program. The statewide assessment program
3		shall not include measurement of a student's ability to become a self-sufficient
4		individual or to become a responsible member of a family, work group, or
5		community.
6	(4) (a)	The academic components of the statewide assessment program shall be
7		composed of annual student summative tests, which may include a
8		combination of multiple competency-based assessment and performance
9		measures approved by the Kentucky Board of Education.
10	(b)	The annual student summative tests shall:
11		1. Measure individual student achievement in language, reading, English,
12		mathematics, science, and social studies at designated grades;
13		2. Provide teachers and parents a valid and reliable comprehensive analysis
14		of skills mastered by individual students;
15		3. Provide diagnostic information that identifies strengths and academic
16		deficiencies of individual students in the content areas;
17		4. Provide information to teachers that can enable them to improve
18		instruction for current and future students;
19		5. Provide longitudinal profiles for students; and
20		6. Ensure school and district accountability for student achievement of the
21		goals set forth in KRS 158.645 and 158.6451, except the statewide
22		assessment program shall not include measurement of a student's ability
23		to become a self-sufficient individual or to become a responsible
24		member of a family, work group, or community.

- 25 (5) The state student assessments shall include the following components:
- 26 (a) Elementary and middle grades requirements are:
- 27 1. A criterion-referenced test each in mathematics and reading in grades

1			three (3) through eight (8) that is valid and reliable for an individual
2			student and that measures the depth and breadth of Kentucky's academic
3			content standards;
4		2.	A criterion-referenced test each in science and social studies that is valid
5			and reliable for an individual student as necessary to measure the depth
6			and breadth of Kentucky's academic content standards to be
7			administered one (1) time within the elementary and middle grades,
8			respectively;
9		3.	An on-demand assessment of student writing to be administered one (1)
10			time within the elementary grades and one (1) time within the middle
11			grades; and
12		4.	An editing and mechanics test relating to writing, using multiple choice
13			and constructed response items, to be administered one (1) time within
14			the elementary and the middle grades, respectively;
15	(b)	High	n school requirements are:
16		1.	A criterion-referenced test in mathematics, reading, and science that is
17			valid and reliable for an individual student and that measures the depth
18			and breadth of Kentucky's academic content standards to be
19			administered one (1) time within the high school grades;
20		2.	A criterion-referenced test in social studies that is valid and reliable for
21			an individual student as necessary to measure the depth and breadth of
22			Kentucky's academic content standards to be administered one (1) time
23			within the high school grades;
24		3.	An on-demand assessment of student writing to be administered one (1)
25			time within the high school grades;
26		4.	An editing and mechanics test relating to writing, using multiple choice

27

and constructed response items, to be administered one (1) time within

1		the high school grades; and
2		5. A college admissions examination to assess English, reading,
3		mathematics, and science in the spring of grade ten (10) and the spring
4		of grade eleven (11);
5		c) The Kentucky Board of Education shall add any other component necessary to
6		comply with the Every Student Succeeds Act of 2015, Pub. L. No. 114-95, or
7		its successor, as determined by the United States Department of Education;
8		d) The criterion-referenced components required in this subsection shall be
9		composed of constructed response items and multiple choice items;
10		e) The Kentucky Board of Education may incorporate end-of-course
11		examinations into the assessment program to be used in lieu of requirements
12		for criterion-referenced tests required under paragraph (b) of this subsection;
13		and
14		f) The results of the assessment program developed under this subsection shall
15		be used by schools and districts to determine appropriate instructional
16		modifications for all students in order for students to make continuous
17		progress, including that needed by advanced learners.
18	(6)	Each school district shall administer the statewide student assessment during the
19		ast fourteen (14) days of school in the district's instructional calendar. The
20		Kentucky Board of Education may change the testing window to allow for
21		nnovative assessment systems or other online test administration and shall
22		promulgate administrative regulations that minimize the number of days of testing
23		nd outline the procedures to be used during the testing process to ensure test
24		ecurity, including procedures for testing makeup days, and to comply with federal
25		ssessment requirements.
26	(7)	A student enrolled in a district-operated or district-contracted alternative program

shall participate in the appropriate assessments required by this section.

(8)	A local school district may select and use commercial interim or formative
	assessments or develop and use its own formative assessments to provide data on
	how well its students are growing toward mastery of Kentucky academic standards,
	so long as the district's local school board develops a policy minimizing the
	reduction in instructional time related to the administration of the interim
	assessments. Nothing in this section precludes teachers from using ongoing teacher-
	developed formative processes.

- (9) Each school that enrolls primary students shall use diagnostic assessments and prompts that measure readiness in reading and mathematics for its primary students as determined by the school to be developmentally appropriate. The schools may use commercial products, use products and procedures developed by the district, or develop their own diagnostic procedures. The results shall be used to inform the teachers and parents or guardians of each student's skill level.
- 14 (10) The state board shall ensure that a technically sound longitudinal comparison of the assessment results for the same students shall be made available.
- 16 (11) The following provisions shall apply to the college admissions examinations 17 described in subsection (5)(b)5. of this section:
 - (a) The cost of both college admissions examinations administered to students in high school shall be paid for by the Kentucky Department of Education. The costs of additional college admissions examinations shall be the responsibility of the student;
 - (b) If funds are available, the Kentucky Department of Education shall provide a college admissions examination preparation program to all public high school juniors. The department may contract for necessary services; and
- 25 (c) Accommodations provided to a student with a disability taking the college 26 admissions assessments under this subsection shall consist of:
- 1. Accommodations provided in a manner allowed by the college

admissions assessment provider when results in test scores are

1

27

2		reportable	to a postsecondary institution for admissions and placement
3		purposes,	except as provided in subparagraph 2. of this paragraph; or
4		2. Accommo	dations provided in a manner allowed by a student's
5		individual	ized education program as defined in KRS 158.281 for a
6		student w	hose disability precludes valid assessment of his or her
7		academic	abilities using the accommodations provided under
8		subparagra	aph 1. of this paragraph when the student's scores are not
9		reportable	to a postsecondary institution for admissions and placement
10		purposes.	
11	(12)	Kentucky teachers sh	all have a significant role in the design of the assessments,
12		except for the colleg	e admissions exams described in subsection (5)(b)5. of this
13		section. The assessme	ents shall be designed to:
14		(a) Measure grade	appropriate core academic content, basic skills, and higher-
15		order thinking sl	kills and their application;
16		(b) Provide valid a	and reliable scores for schools. If scores are reported for
17		students individ	ually, they shall be valid and reliable;
18		(c) Minimize the tir	me spent by teachers and students on assessment; and
19		(d) Assess Kentuck	y academic standards only.
20	(13)	The results from asse	essment under subsections (3) and (5) of this section shall be
21		reported to the school	ol districts and schools no later than seventy-five (75) days
22		following the last da	ay the assessment can be administered. Assessment reports
23		provided to the school	ol districts and schools shall include an electronic copy of an
24		operational subset of	test items from each assessment administered to their students
25		and the results for each	h of those test items by student and by school.
26	(14)	The Department of E	Education shall gather information to establish the validity of

the assessment and accountability program. It shall develop a biennial plan for

validation studies that shall include but not be limited to the consistency of student results across multiple measures, the congruence of school scores with documented improvements in instructional practice and the school learning environment, and the potential for all scores to yield fair, consistent, and accurate student performance level and school accountability decisions. Validation activities shall take place in a timely manner and shall include a review of the accuracy of scores assigned to students and schools, as well as of the testing materials. The plan shall be submitted to the Commission by July 1 of the first year of each biennium. A summary of the findings shall be submitted to the Legislative Research Commission by September 1 of the second year of the biennium.

- (15) The Department of Education and the state board shall offer optional assistance to local school districts and schools in developing and using continuous assessment strategies needed to assure student progress. The continuous assessment shall provide diagnostic information to improve instruction to meet the needs of individual students.
- (16) The Administration Code for Kentucky's Assessment Program shall include prohibitions of inappropriate test preparation activities by school district employees charged with test administration and oversight, including but not limited to the issue of teachers being required to do test practice in lieu of regular classroom instruction and test practice outside the normal work day. The code shall include disciplinary sanctions that may be taken toward a school or individuals.
- (17) The Kentucky Board of Education, after the Department of Education has received advice from the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, shall promulgate an administrative regulation under KRS Chapter 13A to establish the components of a reporting structure for assessments administered under this section. The reporting structure

shall include the following component		shall	include	the	follo	wing	component
---------------------------------------	--	-------	---------	-----	-------	------	-----------

(a) A school report card that clearly communicates with parents and the public about school performance. The school report card shall be sent to the parents of the students of the districts, and information on electronic access to a summary of the results for the district shall be published in the newspaper with the largest circulation in the county. It shall include but not be limited to the following components reported by race, gender, *English language learner*, and disability, when appropriate:

- 1. Student academic achievement, including the results from each of the assessments administered under this section;
- 2. For Advanced Placement, Cambridge Advanced International, and International Baccalaureate, the courses offered, the number of students enrolled, completing, and taking the examination for each course, and the percentage of examinees receiving a score of three (3) or better on AP examinations, a score of "e" or better on Cambridge Advanced International examinations, or a score of five (5) or better on IB examinations. The data shall be disaggregated by gender, race, students with disabilities, and economic status;
- 3. Nonacademic achievement, including the school's attendance, retention, graduation rates, and student transition to postsecondary;
- 4. School learning environment, including measures of parental involvement; and
- 5. Any other school performance data required by the Every Student Succeeds Act of 2015, Pub. L. No. 114-95, or its successor;
- (b) An individual student report to parents for each student in grades three (3) through eight (8) summarizing the student's skills in reading, science, social studies, and mathematics. The school's staff shall develop a plan for

accelerated learning for any student with identified deficiencies or strengths;

2		and
3	(c)	A student's highest scores on the college admissions assessments administered
4		under subsection (5)(b)5. of this section.
5	(18) (a)	Beginning in fiscal year 2017-2018, and every six (6) years thereafter, the
6		Kentucky Department of Education shall implement a comprehensive process
7		for reviewing and revising the academic standards in visual and performing
8		arts and practical living skills and career studies for all levels and in foreign
9		language for middle and high schools. The department shall develop review
10		committees for the standards for each of the content areas that include
11		representation from certified specialist public school teachers and
12		postsecondary teachers in those subject areas.
13	(b)	The department shall provide to all schools guidelines for programs that

- incorporate the adopted academic standards in visual and performing arts and practical living and career studies. The department shall provide to middle and high schools guidelines for including a foreign language program. The guidelines shall address program length and time, courses offered, staffing, resources, and facilities.
- (c) The Kentucky Department of Education, in consultation with certified public school teachers of visual and performing arts, may develop program standards for the visual and performing arts.
- (19) The Kentucky Department of Education shall provide to all schools guidelines for including an effective writing program within the curriculum. Each school-based decision making council or, if there is no school council, a committee appointed by the principal, shall adopt policies that determine the writing program for its school and submit it to the Department of Education for review and comment. The writing program shall incorporate a variety of language resources, technological tools, and

1	multiple opportunities for students to develop complex communication skills for a
2	variety of purposes.

The Kentucky Department of Education, in consultation with the review committees described in subsection (18) of this section, shall develop a school profile report to be used by all schools to document how they will address the adopted academic standards in their implementation of the programs as described in subsection (18) of this section, which may include student opportunities and experiences in extracurricular activities.

- (b) By October 1 of each year, each school principal shall complete the school profile report, which shall be signed by the members of the school council, or the principal if no school council exists, and the superintendent. The report shall be electronically transmitted to the Kentucky Department of Education, and the original shall be maintained on file at the local board office and made available to the public upon request. The department shall include a link to each school's profile report on its Web site.
- (c) If a school staff member, student, or a student's parent has concerns regarding deficiencies in a school's implementation of the programs described in subsection (18) of this section, he or she may submit a written inquiry to the school council.
