1	AN	ACT relating to insurance coverage of state property.	
2	Be it enacted by the General Assembly of the Commonwealth of Kentucky:		
3	→ S	ECTION 1. A NEW SECTION OF KRS 164A.555 TO 164A.630 IS	
4	CREATE	D TO READ AS FOLLOWS:	
5	(1) Not	withstanding KRS 56.065 to 56.180 and any other law to the contrary:	
6	<u>(a)</u>	Instead of insurance coverage provided through the state fire and tornado	
7		insurance fund, the governing board of each institution may, subject to	
8		paragraph (b) of this subsection, elect to obtain insurance under this section	
9		to cover any state property in the institution's possession against loss by fire	
10		and other hazards;	
11	<u>(b)</u>	An institution whose governing board elects to obtain insurance under this	
12		section shall:	
13		1. Not be required to obtain approval by the Finance and Administration	
14		Cabinet or any other state agency or official to terminate the	
15		institution's insurance coverage through the state fire and tornado	
16		insurance fund;	
17		2. Notify the secretary of the Finance and Administration Cabinet at	
18		least sixty (60) days before terminating the institution's insurance	
19		coverage through the state fire and tornado insurance fund;	
20		3. Ensure that the insurance is in place immediately following	
21		termination of the institution's insurance coverage through the state	
22		fire and tornado insurance fund; and	
23		4. Comply with any bidding or advertising requirements under KRS	
24		Chapters 45A and 424; and	
25	<u>(c)</u>	1. An institution that terminates the institution's insurance coverage	
26		through the state fire and tornado insurance fund under this	
2.7		subsection shall be permitted to resume that coverage without any	

1		need for approval by the Finance and Administration Cabinet or any
2		other state agency or official, at any future date by providing notice to
3		the secretary of the Finance and Administration Cabinet.
4	<u>2.</u>	Upon receipt of the notice provided by an institution under
5		subparagraph 1. of this paragraph, the Finance and Administration
6		Cabinet shall insure the state property in the institution's possession
7		against loss by fire and other hazards through the state fire and
8		tornado insurance fund, and coverage shall become effective not later
9		than:
10		a. The next date of renewal of the coverage provided through the
11		fund; or
12		b. Any other date agreed upon by the institution and the cabinet.
13	(2) Insurance	e obtained under this section:
14	(a) May	be provided:
15	<u>1.</u>	By an authorized insurer, as defined in KRS 304.1-100; or
16	<u>2.</u>	Through a self-insurance pool if the pool is:
17		a. Adequately reinsured by an authorized insurer, as defined in
18		KRS 304.1-100; and
19		b. Capable of insuring all of the state property in the institution's
20		possession;
21	(b) Sha	ll state the following for each insured building and its contents:
22	<u>1.</u>	Estimated replacement cost; and
23	<u>2.</u>	The amount of coverage provided;
24	(c) 1.	Except as provided in subsection (3) of this section, shall insure each
25		building and its contents for an amount equal to one hundred percent
26		(100%) of the replacement cost determined through a certified
27		replacement cost appraisal performed at the direction of the institution

1		by an appraiser:
2		a. Licensed to perform appraisal services under KRS Chapter
3		<u>324A; and</u>
4		b. Experienced in appraising commercial or governmental
5		property.
6		2. As used in this paragraph, "replacement cost" includes the increased
7		cost of construction brought about by code changes that:
8		a. Have occurred since the original structure was built; and
9		b. Are required to be incorporated within a rebuilt structure;
10		(d) Shall contain an agreed amount provision; and
11		(e) Shall include:
12		1. Ordinance and law coverage at not less than five million dollars
13		<u>(\$5,000,000);</u>
14		2. Debris removal coverage at not less than one million dollars
15		<u>(\$1,000,000);</u>
16		3. Extra expense coverage at not less than five million dollars
17		(\$5,000,000); and
18		4. For any building containing a steam boiler, boiler and machinery
19		coverage at not less than the total value of the real and personal
20		property in the building in which the steam boiler is located.
21	<u>(3)</u>	A governing board may obtain actual cash value coverage of a building and its
22		contents if a certification signed by the governing board chair is attached to the
23		insurance policy or contract, or self-insurance pool contract, stating that it would
24		not be fiscally responsible to provide replacement cost coverage for the building
25		being insured.
26		→ Section 2. KRS 164A.575 is amended to read as follows:
27	(1)	The governing boards of each institution may elect to purchase interest in real

1 property, contractual services, rentals of all types, supplies, materials, equipment,

- 2 printing, and services, except that competitive bids may not be required for:
- 3 (a) Contractual services where no competition exists;
- 4 (b) Food, clothing, equipment, supplies, or other materials to be used in laboratory and experimental studies;
- 6 (c) Instructional materials available from only one (1) source;
- 7 (d) Where rates are fixed by law or ordinance;
- 8 (e) Library books;
- 9 (f) Commercial items that are purchased for resale;
- 10 (g) Professional, technical, scientific, or artistic services, but contracts shall be submitted in accordance with KRS 45A.690 to 45A.725;
- 12 (h) All other commodities, equipment, and services which, in the reasonable 13 discretion of the board, are available from only one (1) source; and
- (i) Interests in real property.
- Nothing in this section shall deprive the boards from negotiating with vendors who maintain a General Services Administration price agreement with the United States of America or any agency thereof, provided, however, that no contract executed under this provision shall authorize a price higher than is contained in the contract between General Services Administration and the vendor affected.
- 20 (3) The governing board shall require the institution to take and maintain inventories of plant and equipment.
- 22 (4) The governing board shall establish procedures to identify items of common 23 general usage among all departments to foster volume purchasing. It shall establish 24 and enforce schedules for purchasing supplies, materials, and equipment.
- 25 (5) The governing board shall have power to salvage, to exchange, and to condemn 26 supplies, equipment, and real property.
- 27 (6) Upon the approval of the secretary of the Finance and Administration Cabinet, the

governing board may purchase or otherwise acquire all real property determined to
be needed for the institution's use. The amount paid shall not exceed the fair market
value as determined by a qualified appraiser or the value set by the eminent domain
procedure. Any real property acquired under this section shall be in name of the
Commonwealth for the use and benefit of the institution.

- (7) (a) Notwithstanding KRS 56.806, the governing board may renegotiate the cost of a lease after the expiration of the lease term and any renewal terms provided in the lease prior to any renewal not provided for in the terms of the lease.
 - (b) Except when a lease incorporates a lease-purchase under KRS 56.806, the governing board shall reserve the right to cancel a lease upon at least thirty (30) days' written notice.
 - (c) Notwithstanding KRS 56.823(2) and (3), any lease renewals, except automatic renewals permitted under KRS 56.803, 56.805(2), and 56.806(1), for which the annual rental cost will exceed two hundred thousand dollars (\$200,000) shall be reported to the Capital Projects and Bond Oversight Committee in the same format as set out in KRS 56.823(2).
 - (d) Notwithstanding KRS 56.813, a public college or university may pay for improvements to leased property costing in excess of ten thousand dollars (\$10,000) but less than one million dollars (\$1,000,000) in a lump sum upon approval of its board using non-general fund appropriations and without incurring debt.
- (8) The governing board shall sell or otherwise dispose of all real or personal property of the institution which is not needed or has become unsuitable for public use, or would be more suitable consistent with the public interest for some other use, as determined by the board. The determination of the board shall be set forth in an order, and shall be reached only after review of a written request by the institution

desiring to dispose of the property. Such request shall describe the property and state the reasons why the institution believes disposal should be effected. All instruments required by law to be recorded which convey any interest in any such real property so disposed of shall be executed and signed by the appropriate officer of the board. Unless the board deems it in the best interest of the institution to proceed otherwise, all such real or personal property shall be sold either by invitation of sealed bids or by public auction; provided, however, that the selling price of any interest in real property shall not be less than the fair market value thereof as determined by the Finance and Administration Cabinet or the Transportation Cabinet for such requirements of that department.

- (9)Real property or any interest therein may, subject to the provisions of KRS Chapter 45A, be purchased, leased, or otherwise acquired from any officer or employee of any board of the institution, based upon a written application by the grantor or lessor approved by the board, that the employee has not either himself or through any other person influenced or attempted to influence either the board requesting the purchase of the property. In any case in which such an acquisition is consummated, the said request and finding shall be recorded and kept by the Secretary of State along with the other documents recorded pursuant to the provisions of KRS Chapter 56.
- 20 (10) (a) As used in this section, "construction manager-agency," "construction management-at-risk," "design-bid-build," "design-build," and "construction manager-general contractor" shall have the same meaning as in KRS 45A.030.
 - (b) For capital construction projects, the procurement may be on a total designbid-build basis, a design-build basis, construction manager-general contractor basis, or construction management-at-risk basis, whichever in the judgment of the board offers the best value to the taxpayer. Best value shall be determined

in accordance with KRS 45A.070. Proposals shall be reviewed by the institution's engineering staff to assure quality and value, and compliance with procurement procedures. All specifications shall be written to promote competition. Services for projects delivered on the design-build basis, construction manager-general contractor basis, or construction management-at-risk basis shall be procured in accordance with KRS 45A.180, KRS 45A.183, and the regulations promulgated in accordance with KRS 45A.180. Nothing in this section shall prohibit the procurement of construction manager-agency services.

- (c) Notwithstanding KRS 45A.185, for all capital construction projects, bidder security for competitive sealed bidding for construction contracts shall only be required when the price is estimated to exceed one million dollars (\$1,000,000).
- 14 (11) The governing board shall attempt in every practicable way to insure the
 15 institution's supplying its real needs at the lowest possible cost. To accomplish this
 16 the board may enter into cooperative agreements with other public or private
 17 institutions of education or health care.
 - (12) The governing board shall have control and supervision over all purchases of energy consuming equipment, supplies, and related equipment purchased or acquired by the institution, and shall designate by regulation the manner in which an energy consuming item will be purchased so as to promote energy conservation and acquisition of energy efficient products.
 - (13) The governing board may negotiate directly for the purchase of contractual services, supplies, materials, or equipment in bona fide emergencies regardless of estimated costs. The existence of the emergency must be fully explained, in writing, by the vice president responsible for business affairs and such explanation must be approved by the institution president. The letter and approval shall be filed with the

record of all such purchases. Where practical, standard specifications shall be followed in making emergency purchases. A good faith effort shall be made to effect a competitively established price for emergency purchases.

4 (14) (a) All governing boards that purchase agricultural products, as defined by KRS
5 45A.630, shall, on or before January 1 of each year, provide a report to the
6 Legislative Research Commission and to the Department of Agriculture
7 describing the types, quantities, and costs of each product purchased. The
8 report shall be completed on a form provided by the department.

- (b) If purchasing agricultural products, a governing board shall encourage the purchase of Kentucky-grown agricultural products in accordance with KRS 45A.645. If a governing board purchases agricultural products through a contract with a vendor or food service provider, the contract shall require that if Kentucky-grown agricultural products are purchased, the products shall be purchased in accordance with KRS 45A.645. Only contracts entered into or renewed after July 15, 2008, shall be required to comply with the provisions of this subsection.
 - (c) All governing boards that purchase Kentucky-grown agricultural products shall, on or before January 1 of each year, provide a report to the Legislative Research Commission and to the Department of Agriculture describing the types, quantities, and costs of each product purchased. The report shall be completed on a form provided by the department.
- (15) Notwithstanding KRS 45.760, the governing board may authorize a capital construction project or a major item of equipment even though it is not specifically listed in any branch budget bill, subject to the following conditions and procedures:
- (a) The full cost shall be funded solely by non-general fund appropriations;
- 26 (b) Moneys specifically budgeted and appropriated by the General Assembly for 27 another purpose shall not be allotted or reallotted for expenditure on the

1	project or major item of equipment. Moneys utilized shall not jeopardize any
2	existing program and shall not require the use of any current general funds
3	specifically dedicated to existing programs; and
4	(c) The institution's president, or designee, shall submit the project or major item
5	of equipment to the Capital Projects and Bond Oversight Committee for
6	review as provided by KRS 45.800.
7	(16) Governing boards shall apply the reciprocal resident bidder preference described in
8	KRS 45A.494 prior to the award of any contract.
9	(17) Governing boards may authorize the use of reverse auctions as defined in KRS
10	45A.070 for the procurement of goods and leases.
11	[(18) (a) Notwithstanding KRS 56.070, the governing board may obtain private
12	insurance to cover any state property in the institution's possession against
13	loss by fire and other hazards. The level of private insurance coverage shall be
14	commensurate with or greater than the insurance coverage provided through
15	the state fire and tornado insurance fund. An institution whose governing
16	board elects to obtain private insurance shall notify the secretary of the
17	Finance and Administration Cabinet at least six (6) months before terminating
18	the institution's insurance coverage through the state fire and tornado
19	insurance fund.
20	(b) No later than January 1 of each year, an institution whose governing board
21	elects to obtain private insurance instead of insurance coverage provided
22	through the state fire and tornado insurance fund shall certify, in writing, to
23	the secretary of the Finance and Administration Cabinet that the property is
24	insured in accordance with paragraph (a) of this subsection and shall attach a
25	copy of the private insurance policy.]
