

1 A RESOLUTION condemning any and all manifestations of antisemitism.

2 WHEREAS, the Jewish-American experience is a story of faith, fortitude, and
3 progress and is connected to key tenets of American identity; and

4 WHEREAS, generations of Jewish people have come to this Nation fleeing
5 oppression, discrimination, and persecution in search of a better life for themselves and
6 their children; and

7 WHEREAS, these Jewish-Americans have created lives for themselves and their
8 families and played indispensable roles in our Commonwealth's civic and community
9 life, making invaluable contributions to our Commonwealth through their leadership and
10 achievements; and

11 WHEREAS, on August 21, 1790, President George Washington sent a letter to the
12 Hebrew Congregation of Newport, Rhode Island, expressing that the newly formed
13 United States would be a Nation that "gives to bigotry no sanction, to persecution no
14 assistance" and that the Jewish people should "dwell in this land, [and] continue to merit
15 and enjoy the good will of the other Inhabitants...and there shall be none to make him
16 afraid"; and

17 WHEREAS, alongside this narrative of achievement and opportunity, there is also a
18 history, far older than the Nation itself, of racism, bigotry, and other forms of prejudice
19 manifesting in the scourge of antisemitism; and

20 WHEREAS, antisemitism is an insidious form of prejudice stretching back
21 millennia that attacks the humanity of the Jewish people and has led to violence,
22 destruction of lives and communities, and genocide; and

23 WHEREAS, conspiracy theories that Jews are uniquely evil and influential has led
24 to mass killings of Jews throughout time, including the poisonous Nazi ideology that
25 resulted in the murder of 6 million Jews, including 1.5 million Jewish children, and
26 millions of other victims of the Nazis in Europe; and

27 WHEREAS, over the course of the past decade, Holocaust distortion and denial has

1 grown in intensity; and

2 WHEREAS, recent surveys of Holocaust knowledge among millennials and Gen Z
3 in the US found a shocking lack of historical information, including 63 percent of
4 respondents who did not know that 6 million Jews were murdered during the Holocaust
5 and 36 percent who thought that "two million or fewer Jews" were killed; and

6 WHEREAS, there is a documented and dangerous rise of antisemitism globally and
7 in the United States, where Jews are increasingly affected by the grotesque spread of
8 misinformation and lies including blame for the spread of COVID-19, false claims
9 including the control of the media and the financial system, accusations of dual loyalty,
10 and a multitude of negative stereotypes; and

11 WHEREAS, according to the Federal Bureau of Investigation, there has been a
12 troubling rise of antisemitism in the United States, including acts of violence,
13 intimidation, and radicalization on college campuses; and

14 WHEREAS, the Kentucky Jewish Council's Antisemitism Report 2022 recorded
15 over 30 serious incidents of antisemitism in the commonwealth in 2022, including
16 attempted murder, threats against Jewish institutions, and use of dangerous tropes in
17 politics and media; and

18 WHEREAS, the Kentucky Jewish Council's chairman, Rabbi Shlomo Litvin,
19 presented their Antisemitism Report on to members of the Kentucky Legislature, the
20 Office of the Governor, Office of the Attorney Generals Office, and the public, and
21 included a call for action; and

22 WHEREAS, this rise in antisemitism is matched by a national trend, including a
23 167 percent increase in 2021 over the previous year, a terrorist taking members of the
24 Jewish community hostage in Colleyville, Texas, and recurring violence on the streets of
25 New York City; and

26 WHEREAS, this rise in hate has also been seen online, including promotion of
27 antisemitic cults by NBA player Kyrie Irving, unhinged ranting by neo-Nazi Nick

1 Fuentes, and most troubling, repeated threats and antisemitic diatribes by international
2 icon Kanye West, which inspired a tremendous wave of antisemitic sentiment; and

3 WHEREAS, this disturbing trend is also seen internationally, with violence against
4 Jews on the streets of London, Berlin, and across France, continued calls for Jewish
5 extermination and Holocaust denial from Iran, and frequent attacks on Jewish civilians in
6 Israel; and

7 WHEREAS, in 2021, Kentucky became the first state in the United States to accept
8 the International Holocaust Remembrance Alliance's Definition of Antisemitism,
9 supported by the Jewish community around the world, as a tool to recognize and combat
10 this pernicious hatred; and

11 WHEREAS, the rise in antisemitism goes against the values of the United States of
12 America and the Commonwealth of Kentucky, as well as the morals of our society;

13 NOW, THEREFORE,
