14 ***unless admission has already been granted by informed consent***~~[shall be~~
15 ~~requested from, and may be issued by, the judge to the appropriate law~~
16 ~~enforcement official upon probable cause that the child is dependent,~~
17 ~~neglected, or abused].~~ If, pursuant to a search~~[under a warrant]~~, a child is
18 discovered and appears to be in imminent danger, the child may be removed
19 by the law enforcement officer.

20 ***(b) Any interview by the cabinet or its designated representative of a child,***
21 ***parent, or other party to the case shall be recorded and retained for a period***
22 ***of five (5) years.***

23 ~~(c)~~~~(b)~~ If a child who is in a hospital or under the immediate care of a physician

14 exercising custodial control or supervision, he or she shall provide written
15 notice to the parent or other person stating the reasons for removal of the
16 child. Failure of the parent or other person to receive notice shall not, by
17 itself, be cause for civil or criminal liability.

18 ~~(f)~~~~(e)~~ 1. If a report includes a child fatality or near fatality, and the law
19 enforcement officer has reasonable grounds to believe any parent or
20 person exercising custodial control or supervision of the child was under

22 occurred, the law enforcement officer shall request a test of blood,
23 breath, or urine from that person.

24 2. If, after making the request, consent is not given for the test of blood,

19 participating professionals, including those in which the alleged perpetrator
20 does not have custodial control or supervision of the child or is not
21 responsible for the child's welfare. The purpose of the multidisciplinary team
22 shall be to review investigations, assess service delivery, and to facilitate
23 efficient and appropriate disposition of cases through the criminal justice
24 system.

25 (d) The team shall hold regularly scheduled meetings if new reports of sexual

27 are received or if active cases exist. At each meeting, each active case shall be

14 of significant improvement in the parent's conduct in the immediately

- 8 defined by KRS 202B.010(9) of the parent as certified by a qualified mental

- 25 (f) The payment or the failure to pay a reasonable portion of substitute physical
- 26 care and maintenance if financially able to do so.
- 27 (4) If the child has been placed with the cabinet, the parent may present testimony

1 concerning the reunification services offered by the cabinet and whether additional
 2 services would be likely to bring about lasting parental adjustment enabling a return
 3 of the child to the parent.

4 (5) If the parent proves by a preponderance of the evidence that the child will not
 5 continue to be an abused ~~for neglected~~ child as defined in KRS 600.020~~[(1)]~~ if
 6 returned to the parent the court in its discretion may determine not to terminate
 7 parental rights.

8 (6) Upon the conclusion of proof and argument of counsel, the Circuit Court shall enter
 9 findings of fact, conclusions of law, and a decision as to each parent-respondent
 10 within thirty (30) days either:

11 (a) Terminating the right of the parent; or

4 Services or a laboratory approved by the cabinet for the purpose of having made a

16 cabinet, or if the woman has obstetrical complications that are a medical indication
17 of possible use of any such substance for a nonmedical purpose.

18 (3) Any physician or person legally permitted to engage in attendance upon a pregnant
19 woman may administer to each newborn infant born under that person's care a
20 toxicology test to determine whether there is evidence of prenatal exposure to
21 alcohol, a controlled substance, or a substance identified on the list provided by the
22 Cabinet for Health and Family Services, if the attending person has reason to
23 believe, based on a medical assessment of the mother or the infant, that the mother
24 used any such substance for a nonmedical purpose during the pregnancy.

25 (4) The circumstances surrounding any positive toxicology finding shall be evaluated
26 by the attending person to determine if abuse or neglect of the infant, as defined
27 under KRS 600.020~~[(1)]~~, shall be reported to the state's child protective services

1 agency.

2 (5) An infant affected by substance abuse withdrawal symptoms resulting from prenatal
3 drug exposure or fetal alcohol spectrum disorder shall be reported to the state's
4 child protective services agency in accordance with 42 U.S.C. sec. 5106a.

5 (6) No prenatal screening for alcohol or other substance abuse or positive toxicology

7 (7) No person shall conduct or cause to be conducted any toxicological test pursuant to
8 this section on any pregnant woman without first informing the pregnant woman of
9 the purpose of the test.

10 (8) Every physician or other person legally permitted to engage in attendance upon a
11 pregnant woman in the Commonwealth shall take or cause to be taken from the
12 woman a specimen of blood which shall be submitted for the purpose of serologic
13 testing for the presence of hepatitis B surface antigen to a laboratory certified by the
14 United States Department for Health and Human Services pursuant to Section 333

18 upon a pregnant woman in the Commonwealth shall take or cause to be taken
19 from the woman a specimen of blood which shall be submitted for the
20 purpose of serologic testing for the presence of hepatitis C virus antibodies
21 and RNA in the blood.

22 (b) The results of this testing shall be recorded by the physician or other person
23 legally permitted to engage in attendance upon a pregnant woman in the
24 Commonwealth, in:

2 virus antibodies or RNA, the physician or other person legally permitted to
3 engage in attendance upon a pregnant woman in the Commonwealth shall
4 orally inform and clearly document the woman or the legal guardian of the
5 child or children she was pregnant with at the time of the testing, that it is
6 recommended that serologic testing for the presence of hepatitis C virus
7 antibodies and confirmation RNA in the blood be conducted on the child or
8 children she was pregnant with at the time of the testing at the twenty-four
9 (24) month recommended well baby pediatric check-up.

10 ➔Section 9. KRS 199.473 is amended to read as follows:

11 (1) All persons other than a child-placing agency or institution, the department, or
12 persons excepted by KRS 199.470(4) who wish to place or receive a child shall
13 make written application to the secretary for permission to place or receive a child.

14 (2) Prior to the approval of an application to place or receive a child, the fee required
15 pursuant to subsection (13) of this section shall be paid and a home study shall be
16 completed. The purpose of the home study shall be to review the background of the
17 applicant and determine the suitability of the applicant to receive a child, taking into
18 account at all times the best interest of the child for whom application to receive has
19 been made.

20 (3) (a) The home study shall be made in accordance with administrative regulations
21 promulgated by the cabinet in accordance with KRS Chapter 13A.

22 (b) The cabinet shall conduct the home study for an applicant whose total gross
23 income is equal to or less than two hundred fifty percent (250%) of the federal
24 poverty level guidelines issued each year by the federal government, unless
25 the applicant submits a written request for the home study to be conducted by
26 a licensed child-placing agency or institution. Upon request, the cabinet shall
27 make information available to an applicant who does not meet the

1 requirements of this paragraph to assist the applicant in obtaining a home
2 study from a licensed child-placing agency approved to provide adoption
3 services.

4 (c) A licensed child-placing agency approved to provide adoption services shall
5 conduct the home study for an applicant whose gross total income is more
6 than two hundred fifty percent (250%) of the federal poverty level guidelines
7 issued each year by the federal government.

8 (d) Calculation of family size for this subsection shall include each child
9 requested to be adopted.

10 (e) The portion of the home study pertaining to the home and family background
11 shall be valid for one (1) year following the date of its completion by an
12 adoption worker.

13 (4) The adoption worker making the home study shall make a finding in writing
14 recommending either that the application be granted or that the application be
15 denied. The recommendation of the adoption worker shall then be reviewed by the
16 secretary.

17 (5) Based on the report and recommendation of the adoption worker making the home
18 study, the secretary shall grant or refuse permission for the applicant to place or
19 receive a child as early as practicable, but, in any case, the decision shall be made
20 within sixty (60) days after the receipt of the application. In reaching a decision, the
21 secretary shall be guided by the ability of the persons wishing to receive the child to
22 give the child a suitable home, and shall at all times consider the best interest of the
23 child from a financial, medical, psychological, and psychiatric standpoint.

24 (6) If the application is refused, the secretary shall in general terms furnish in writing
25 the reasons for his or her refusal.

26 (7) Any person who seeks temporary custody of a child prior to the secretary's ruling
27 on an application for adoption shall file a petition seeking temporary custody, with

1 a notice of intent to adopt, with the Circuit Court that will have jurisdiction of the
2 adoption proceedings. The clerk of the court shall send a notice of the filing of the
3 petition to the cabinet. A hearing on the petition shall occur no later than seventy-
4 two (72) hours after the filing of the petition, excluding weekends and holidays.
5 Proceedings under this subsection shall be incorporated into the court's adoption
6 file. If the adoption is not finalized within six (6) months of the filing of the petition
7 and notice of intent, the court shall conduct a hearing on the status and custody of
8 the child.

9 (8) Upon a finding by the Circuit Court that the child should be placed prior to the
10 secretary's ruling on the application, the Circuit Court may grant the applicant
11 temporary custody of the child pending the decision of the secretary. Temporary
12 custody shall not be granted to an applicant unless a background check, including
13 but not limited to a criminal records check by the Justice and Public Safety Cabinet
14 or the Administrative Office of the Courts and a background check of child abuse
15 and neglect records maintained by the cabinet, has been submitted to and reviewed
16 by the court. The background check required for temporary custody shall be part of
17 the home study required under subsection (2) of this section. If the application is
18 denied by the secretary, the temporary custody order shall be set aside and, upon
19 motion of the cabinet or of the child's parent or parents, the Circuit Court may order
20 the child returned to the biological parent or parents or the child's custody may be
21 awarded to the cabinet, another licensed child-placing agency, or other individuals
22 deemed appropriate by the court. This section shall not be deemed to permit the
23 completion of any adoption proceeding without the approval of the secretary and
24 compliance with KRS 615.030, if required.

25 (9) In any case where the cabinet refuses to approve the placement of a child for
26 adoption when requested by the parent or parents of the child, or refuses the request
27 of any person or persons that a child be placed with that person or those persons for

1 adoption, the decision of the secretary in so refusing shall be final unless within ten
2 (10) days after notice of refusal, the biological or proposed adopting parent or
3 parents shall appeal to the Circuit Court of the county in which the adoption is
4 proposed. No placement shall be disapproved on the basis of the religious, ethnic,
5 racial, or interfaith background of the adoptive applicant, if the placement is made
6 with the consent of the parent.

7 (10) The cabinet may refuse to approve the placement of a child for adoption if the
8 child's custodial parent is unwilling for the child to be placed for adoption with the
9 proposed adoptive family. The cabinet may approve or deny the placement, in spite
10 of the fact that the custodial parent or parents are unwilling to be interviewed by the
11 cabinet or other approving entity, or if, after diligent efforts have been made, the
12 adoption worker is unable to locate or interview the custodial parent or parents. The
13 cabinet shall be made a party defendant to the appeal. In the hearing of an appeal,
14 the court shall review the findings of the secretary and shall determine if the
15 secretary has acted arbitrarily, unlawfully, or in a manner that constitutes an abuse
16 of discretion.

17 (11) If a child who does not fall within the exception provided for in KRS 199.470(4) is
18 placed or received in a home without the court's review of the background check
19 required under this section or the permission of the secretary for health and family
20 services, or if permission to receive a child has been denied, a representative of the
21 cabinet shall notify in writing or may petition the juvenile session of District Court
22 of the county in which the child is found setting out the facts concerning the child.
23 When the petition has been filed, the court shall take jurisdiction of the child and
24 shall provide for it as it would provide for a dependent child, neglected child, or
25 abused child under KRS Chapter 620, except that the child may not be placed in the
26 home of the applicants who are to receive the child unless permission to do so is
27 granted by the secretary or the action is ordered by a Kentucky court of competent

1 jurisdiction.

2 (12) When either the custodial parent or parents of the child to be placed or the persons
3 wishing to receive the child reside out-of-state, the requirement of KRS 615.030,
4 Interstate Compact on the Placement of Children, shall be met before the cabinet
5 gives approval for the child's placement.

6 (13) The secretary of the Cabinet for Health and Family Services shall be paid a
7 nonrefundable fee of two hundred dollars (\$200) upon the filing of the written
8 application for permission to place or receive a child. Payment shall be made by
9 certified or cashier's check only. All funds collected under this section shall be
10 deposited in a restricted account, which is hereby created, for the purpose of
11 subsidizing an adoptive parent for suitable care of a special-needs child as
12 authorized in KRS 199.555.

13 (14) Nothing in this statute shall be construed to limit the authority of the cabinet or a
14 child-placing institution or agency to determine the proper disposition of a child
15 committed to it by the juvenile session of District Court or the Circuit Court, prior
16 to the filing of an application to place or receive.

17 ➔Section 10. KRS 158.191 is amended to read as follows:

18 (1) As used in this section:

20 services that is not employed by or contracted with the school district to
21 provide services to the district's students;

22 (b) "Health services" has the same meaning as in KRS 156.502;

23 (c) "Mental health services" means services provided by a school-based mental
24 health services provider as defined in KRS 158.4416 but shall not include
25 academic or career counseling; and

26 (d) "Parent" means a person who has legal custody or control of the student such
27 as a mother, father, or guardian.

- 1 (2) Upon a student's enrollment and at the beginning of each school year, the district
2 shall provide a notification to the student's parents listing each of the health services
3 and mental health services related to human sexuality, contraception, or family
4 planning available at the student's school and of the parents' right to withhold
5 consent or decline any of those specific services. A parent's consent to a health
6 service or mental health service under this subsection shall not waive the parent's
7 right to access the student's educational or health records held by the district or the
8 notifications required under subsection (3) of this section.
- 9 (3) Except as provided in subsection (5) of this section, as part of a school district's
10 effort to provide a safe and supportive learning environment for students, a school
11 shall notify a student's parents if:
- 12 (a) The school changes the health services or mental health services related to
13 human sexuality, contraception, or family planning that it provides, and shall
14 obtain parental consent prior to providing health services or mental health
15 services to the student; or
- 16 (b) School personnel make a referral:
- 17 1. For the student to receive a school's health services or mental health
18 services; or
- 19 2. To an external health care provider, for which parental consent shall be
20 obtained prior to the referral being made.
- 21 (4) School districts and district personnel shall respect the rights of parents to make
22 decisions regarding the upbringing and control of the student through procedures
23 encouraging students to discuss mental or physical health or life issues with their
24 parents or through facilitating the discussion with their parents.
- 25 (5) (a) The Kentucky Board of Education or the Kentucky Department of Education
26 shall not require or recommend that a local school district keep any student
27 information confidential from a student's parents. A district or school shall not

1 adopt policies or procedures with the intent of keeping any student
2 information confidential from parents.

3 (b) The Kentucky Board of Education or the Kentucky Department of Education
4 shall not require or recommend policies or procedures for the use of pronouns
5 that do not conform to a student's biological sex as indicated on the student's
6 original, unedited birth certificate issued at the time of birth pursuant to KRS
7 156.070(2)(g)2.

8 (c) A local school district shall not require school personnel or students to use
9 pronouns for students that do not conform to that particular student's
10 biological sex as referenced in paragraph (b) of this subsection.

11 (d) Nothing in this subsection shall prohibit a school district or district personnel
12 from withholding information from a parent if a reasonably prudent person
13 would believe, based on previous conduct and history, that the disclosure
14 would result in the child becoming a dependent child, ~~or~~ an abused child, or
15 a neglected child, as those terms are defined in KRS 600.020. The fact that
16 district personnel withhold information from a parent under this subsection
17 shall not in itself constitute evidence of failure to report dependency, neglect,
18 or abuse to the Cabinet for Health and Family Services under KRS 620.030.

19 (6) Prior to a well-being questionnaire or assessment, or a health screening form being
20 given to a child for research purposes, a school district shall provide the student's
21 parent with access to review the material and shall obtain parental consent. Parental
22 consent shall not be a general consent to these assessments or forms but shall be
23 required for each assessment or form. A parent's refusal to consent shall not be an
24 indicator of having a belief regarding the topic of the assessment or form.

25 (7) Nothing in this section shall:

26 (a) Prohibit a school district or the district's personnel from seeking or providing
27 emergency medical or mental health services for a student as outlined in the

1 district's policies; or

2 (b) Remove the duty to report pursuant to KRS 620.030 if district personnel has
3 reasonable cause to believe the child is a dependent child or an abused or
4 neglected child due to the risk of physical or emotional injury identified in
5 KRS 600.020(1)(a)2. or as otherwise provided in that statute.

6 ➔Section 11. KRS 620.055 is amended to read as follows:
