The board shall require continuing education for emergency medical technicians or first responders that includes the completion of one and one-half (1.5) hours of board approved continuing education covering the recognition and prevention of pediatric abusive head trauma, as defined in KRS 620.020, at least one (1) time

every five (5) years. The one and one-half (1.5) hours required under this section

shall be included in the current number of required continuing education hours.

- 8 *(3)* The board shall require continuing education for emergency medical technicians 9 or first responders which includes the completion of a one-time training course of 10 at least three (3) hours covering awareness of sexual violence, including 11 reporting options, care options, pre-hospital treatment considerations, knowledge 12 of regional rape crisis centers, and how to access the SANE-ready list, at least one (1) time every five (5) years. The three (3) hours of continuing education 13 14 required under this subsection shall be included in the current number of 15 required continuing education hours.
- Section 4. KRS 314.073 is amended to read as follows:
- 17 (1) As a prerequisite for license renewal, all individuals licensed under provisions of
  18 this chapter shall be required to document continuing competency during the
  19 immediate past licensure period as prescribed in regulations promulgated by the
  20 board.
- 21 (2) The continuing competency requirement shall be documented and reported as set 22 forth by the board in administrative regulations promulgated in accordance with 23 KRS Chapter 13A.
- 24 (3) The board shall approve providers of continuing education. The approval may 25 include recognition of providers approved by national organizations and state 26 boards of nursing with comparable standards. Standards for these approvals shall be 27 set by the board in administrative regulations promulgated in accordance with the

1	provisions	of KRS	Chapter	13A.

- (4) The board shall work cooperatively with professional nursing organizations, approved nursing schools, and other potential sources of continuing education programs to ensure that adequate continuing education offerings are available statewide. The board may enter into contractual agreements to implement the
- 6 provisions of this section.
