

1 A JOINT RESOLUTION establishing a Workforce Attraction and Retention Task  
2 Force to study how Kentucky can attract and retain skilled workers to address workforce  
3 needs throughout the state and declaring an emergency.

4 WHEREAS, there are 9.6 million open jobs across the United States with only 5.7  
5 million actively unemployed workers; and

6 WHEREAS, as of September 2023, there were an estimated 131,000 open jobs  
7 across Kentucky with only 85,000 actively unemployed workers; and

8 WHEREAS, the workforce shortage in the United States has been caused by  
9 declining birth rates and the surge in baby boomer retirement, which many experts say  
10 will create a "forever labor shortage"; and

11 WHEREAS, the workforce landscape is creating competition between states for  
12 skilled and talented workers and emphasizing the need for marketing that can attract  
13 people in much the same way as states, regions, and cities market their communities for  
14 job creation and tourism; and

15 WHEREAS, it is incumbent upon the General Assembly to gather Kentucky's  
16 leaders in economic development, tourism, education, and labor to study what local,
