HB 662

2016 Regular Session

Barras

MEDICAID: Provides for a fee on emergency ground ambulance service providers

Synopsis of Senate Amendments

1. Makes technical changes.
2. Clarifies that the maximum fee allowable in any year is not a gross calculation.
3. Clarifies that the payments made pursuant to proposed law are enhancements, and not supplemental payments.
4. Requires the state treasurer to establish the Ground Ambulance Service Provider Trust Fund Account within the La. Medical Assistance Trust Fund.

Digest of Bill as Finally Passed by Senate

Present law authorizes provider fees to be paid by certain healthcare providers.

Proposed law retains present law and establishes a provider fee for emergency ground ambulance service providers.

Proposed law prohibits the amount of the initial fee from exceeding the total cost to the state of providing the healthcare service subject to the fee and prohibits the amount of the fees imposed from exceeding 1.5% of the net operating revenue of emergency ground ambulance service providers.

Proposed law provides for the disposition of the fee including the deposit of the collected fees into the state treasury with the required amount credited to the Bond Security and Redemption Fund prior to the state treasurer placing the remaining amount into the Ground Ambulance Service Provider Trust Fund Account within the La. Medical Assistance Trust Fund.

Proposed law provides for the use of the collected fees to pay enhanced reimbursements to emergency ground ambulance service providers.

Proposed law establishes the procedure for changing the fee amount after the first year and prohibits the subsequent assessment from exceeding 3.5% of the net operating revenue of emergency ground ambulance service providers.

Proposed law provides for the termination of the fee collection and the return of monies collected.

Proposed law requires the Dept. of Health and Hospitals to promulgate all necessary rules and regulations, submit any necessary Medicaid state plan amendments no later than 90 days after the effective date of proposed law, and take all other actions as are necessary to institute the assessments and reimbursement enhancements provided for proposed law.

Effective upon signature of governor or lapse of time for gubernatorial action.
