HB 106 Engrossed

2024 Regular Session

Jackson

Abstract: Reduces the maximum amount of late fees and the maximum civil penalty imposed by the Bd. of Ethics on lobbyists for failure to timely file required reports.

Present law requires legislative, executive branch, and local lobbyists to register with the Bd. of Ethics (the "board") as soon as possible after employment as a lobbyist or after the first action requiring his registration as a lobbyist, whichever occurs first, and in any event no later than five days after employment or first action as a lobbyist.

Present law provides that any person required to register and who fails to timely register and any person who fails to timely file any required report, including a combined report for legislative and executive branch lobbying, shall be assessed a late fee of \$50 per day.

Present law requires legislative and executive branch lobbyists to file with the board monthly expenditure reports containing specific information.

Present law provides that any person who fails to file a required expenditure report containing all required information shall be assessed a late fee of \$50 per day.

Present law establishes maximums for late filing fees assessed by the board; such maximums are based on the amount of the per day fee. If the per day late filing fee is \$50, present law provides that the maximum fee is \$1,500.

Proposed law reduces the maximum fee as applicable to legislative, executive branch, and local lobbyists to \$500. Otherwise retains present law.

Present law provides that any lobbyist whose registration or report is filed 11 or more days after the day on which it was due may be assessed, in addition to late fees, after a hearing by the board, a civil penalty not to exceed \$10,000. Proposed law lowers the maximum civil penalty to \$1,000.
