EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this bill.

An official with the Holy Rosary Redevelopment (a charitable organization) indicated that monies provided to the Holy Rosary Redevelopment by this bill will be spent on certain historical property in Lafayette.

REVENUE EXPLANATION

This bill may reduce local governmental revenue by \$200,000 annually. This reduction is due to distributing monies to a not-for-profit organization that would have been distributed to local government.

Based on information provided by the Department of the Treasury, since 2009, monies in the Fund have been distributed to the Cajundome Commission and the Lafayette Parish Convention and Visitors Commission. This bill may reduce funding available to these commissions by distributing \$200,000 to Holy Rosary Redevelopment (a charitable organization).
