Proposed law creates the crime of nonconsensual disclosure of a private image and provides that a person commits this offense when all of the following occur:

- (2) The person obtained the image under circumstances in which a reasonable person would know or understand that the image was to remain private.
- (3) The person knew or should have known that the person in the image has not consented to the disclosure of the image.
- (4) The person has the intent to harass or cause emotional distress to the person in the image, or the person who commits the offense knew or should have known that the disclosure could harass or cause emotional distress to the person in the image.

figure who is intimately involved in the resolution of important public questions, or by reason of his fame shapes events in areas of concern to society.
