ACT 285 (HB 794)

2018 Regular Session

Hall

Prior law required the secretary of the Dept. of Transportation and Development to convey ownership of excess immovable property authorized to be sold pursuant to existing law that is not purchased at public or private sale to the Dept. of Natural Resources.

New law modifies prior law to require the excess immovable property be conveyed to the division of administration instead of the Dept. of Natural Resources.

Effective May 18, 2018.
