

RÉSUMÉ DIGEST

HCR 121

2017 Regular Session

Ivey

Requests the division of administration, office of technology services, to study the current status of mission critical information technology systems in the agencies of the executive branch of state government to determine the risks posed and the costs of continued operation of outdated or ineffective information technology and to report its findings and recommendations to the legislature by Feb. 1, 2018. Specifies certain required report contents. Requires submission of the report to the legislature, except that information exempt from public disclosure pursuant to the Public Records Law shall be delivered in a separate report to the House and Senate select committees on homeland security.
