EXPENDITURE EXPLANATION

Proposed law will increase SGF expenditures by \$293,876 in FY 24 and subsequent fiscal years reflecting an anticipated increase in personal services associated with market rate adjustments. The proposed law creates the Office of Child Advocacy and a State Child Advocate position as well as provides for duties and powers, primarily focusing on the protection of children. In addition, the proposed law authorizes the State Child Advocate to hire any staff deemed necessary to fulfill the responsibilities of the newly created Office of Child Advocacy.

The Office of the Governor reports that the staffing requirements necessary to operate an effective Office of Child Advocacy would likely incorporate two (2) new T.O. positions - State Child Advocate at \$147,231 (salary and related benefits) and an administrative assistant at \$75,996 (salary and related benefits). Also, the Office of the Governor reports needing operating expenses of \$21,500, professional services of \$45,000, and equipment of \$4,150. The breakdown of expenditures is below:
