Bill Text Version: **ENGROSSED**

Opp. Chamb. Action:

Proposed Amd.:

Sub. Bill For.:

Date: May 16, 2016	1:44 PM	Author: GATTI
Dept./Agy.: Office of Risk Management		Analyst: Willis Brewer
Subject: Provides exclusion from coverage for medical malpractice		

MALPRACTICE EG NO IMPACT See Note Page 1 of 1
Provides exclusion from coverage for medical malpractice by doctor practicing outside his specialty or hospital privileges (8/1/16).

Proposed law provides that it shall be considered an intentional tort for a physician to hold himself out as a specialist in an area of medicine for which he is not board certified or credentialed. Proposed law furthers defines malpractice as misrepresentation of education, training, or experience in specialty of medicine, surgery, or procedure. Proposed law defines specialist to mean a physician who is qualified by having completed advanced clinical training and education in a specific area of medicine to obtain certification by a specialty examining board.

Proposed law clarifies that intentionally representing oneself as a specialist without having obtained the required clinical training, education, and board certification shall cause a physician, his/her employer, hospital, or corporation to be subject to liability under the general tort law.

EXPENDITURE EXPLANATION

This measure excludes any physician practicing outside of their specialty from receiving malpractice liability insurance coverage that is provided under the private medical malpractice statute (RS 40:1231.1) administered by the Patient's Compensation Fund (PCF). The fiscal impact to private physicians and health care providers is indeterminable.

The section of law (RS 40:1237.1) that pertains to malpractice liability for state services and state health care providers is not immediately or directly affected by this bill therefore there is no anticipated impact to state governmental expenditures as a result of this measure.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
