2017 Second Extraordinary Session

HOUSE BILL NO. 1

BY REPRESENTATIVE HENRY

APPROPRIATIONS: Provides for the ordinary operating expenses of state government for Fiscal Year 2017-2018 (Item #2)

1 AN ACT

2 Making annual appropriations for Fiscal Year 2017-2018 for the ordinary expenses of the
3 executive branch of state government, pensions, public schools, public roads, public
4 charities, and state institutions and providing with respect to the expenditure of said
5 appropriations.

6 Be it enacted by the Legislature of Louisiana:

7 Section 1. The appropriations in this Act from state revenue shall be payable out of the
8 sources specified and shall be limited by the provisions of Article VII, Section 10(D) of the
9 Louisiana Constitution.

10 Section 2. All money from federal, interagency, statutory dedications, or self-generated
11 revenues shall be available for expenditure in the amounts herein appropriated. Any increase
12 in such revenues shall be available for allotment and expenditure by an agency on approval
13 of an increase in the appropriation by the commissioner of administration and the Joint
14 Legislative Committee on the Budget. Any increase in such revenues for an agency without
15 an appropriation from the respective revenue source shall be incorporated into the agency's
16 appropriation on approval of the commissioner of administration and the Joint Legislative
17 Committee on the Budget. In the event that these revenues should be less than the amount
18 appropriated, the appropriation shall be reduced accordingly. To the extent that such funds
19 were included in the budget on a matching basis with state funds, a corresponding decrease
20 in the state matching funds may be made. Any federal funds which are classified as disaster
21 or emergency may be expended prior to approval of a BA-7 by the Joint Legislative

1 Committee on the Budget upon the secretary's certifying to the governor that any delay
2 would be detrimental to the state. The Joint Legislative Committee on the Budget shall be
3 notified in writing of such declaration and shall meet to consider such action, but if it is
4 found by the committee that such funds were not needed for an emergency expenditure, such
5 approval may be withdrawn and any balance remaining shall not be expended.

6 Section 3.A. Notwithstanding any other law to the contrary, the functions of any
7 department, agency, program, or budget unit of the executive branch, except functions in
8 departments, agencies, programs, or budget units of other statewide elected officials, may
9 be transferred to a different department, agency, program, or budget unit for the purpose of
10 economizing the operations of state government by executive order of the governor.
11 Provided, however, that each such transfer must, prior to implementation, be approved by
12 the commissioner of administration and Joint Legislative Committee on the Budget. Further,
13 provided that no transfers pursuant to this Section shall violate the provisions of Title 36,
14 Organization of the Executive Branch of State Government.

15 B. In the event that any agency, budget unit, program, or function of a department is
16 transferred to any other department, agency, program, or budget unit by other Act or Acts
17 of the legislature, the commissioner of administration shall make the necessary adjustments
18 to appropriations through the notification of appropriation process, or through approval of
19 mid-year adjustments. All such adjustments shall be in strict conformity with the provisions
20 of the Act or Acts which provide for the transfers.

21 C. Notwithstanding any other law to the contrary and before the commissioner of
22 administration shall authorize the purchase of any luxury or full-size motor vehicle for
23 personal assignment by a statewide elected official other than the governor and lieutenant
24 governor, such official shall first submit the request to the Joint Legislative Committee on
25 the Budget for approval. "Luxury or full-sized motor vehicle" shall mean or refer to such
26 vehicles as defined or used in rules or guidelines promulgated and implemented by the
27 Division of Administration.

28 D. Notwithstanding any provision of law to the contrary, each agency which has
29 contracted with outside legal counsel for representation in an action against another agency,
30 shall submit a detailed report of all litigation costs incurred and payable to the outside

1 counsel to the commissioner of administration, the legislative committee charged with
2 oversight of that agency, and the Joint Legislative Committee on the Budget. The report
3 shall be submitted on a quarterly basis, each January, April, July, and October, and shall
4 include all litigation costs paid and payable during the prior quarter. For purposes of this
5 Subsection, the term "litigation expenses" shall mean court costs and attorney fees of the
6 agency and of the other party if the agency was required to pay such costs and fees. The
7 commissioner of administration shall not authorize any payments for any such contract until
8 such report for the prior quarter has been submitted.

9 E. Notwithstanding any provision of law to the contrary, each agency may use a portion
10 of its appropriations contained in this Act for the expenditure of funds for salaries and
11 related benefits for smoking cessation wellness programs, including pharmacotherapy and
12 behavioral counseling for state employees of the agency.

13 Section 4. Each schedule as designated by a five-digit number code for which an
14 appropriation is made in this Act is hereby declared to be a budget unit of the state.

15 Section 5.A. The program descriptions, account descriptions, general performance
16 information, and the role, scope, and mission statements of postsecondary education
17 institutions contained in this Act are not part of the law and are not enacted into law by
18 virtue of their inclusion in this Act.

19 B. All key and supporting performance objectives and indicators for the departments,
20 agencies, programs, and budget units contained in the Governor's Executive Budget
21 Supporting Document shall be adjusted by the commissioner of administration to reflect the
22 funds appropriated therein. The commissioner of administration shall report on these
23 adjustments to the Joint Legislative Committee on the Budget by August 15, 2017.

24 C. The discretionary and nondiscretionary allocations contained in this Act are provided
25 in accordance with R.S. 39:51(A)(3) and are to provide information to assist in legislative
26 decision making and shall not be construed to limit the expenditures or means of financing
27 of an agency, budget unit, or department to the discretionary or nondiscretionary amounts
28 contained in this Act.

29 D. The expenditure category allocations contained in this Act are provided in
30 accordance with R.S. 39:51(C) and are to provide information to assist in legislative decision

1 making and shall not be construed to limit the expenditures or means of financing of an
2 agency, budget unit, or department to the expenditure category amounts contained in this
3 Act. The commissioner of administration shall report to the Joint Legislative Committee on
4 the Budget the initial allocation of expenditures as required by R.S. 39:57.1. Any
5 subsequent change to the allocation of expenditures shall be reported by the commissioner
6 of administration to the Joint Legislative Committee on the Budget. The commissioner of
7 administration shall post the initial allocation of expenditures and any changes to the
8 allocations of expenditures on the website maintained by the commissioner under R.S.
9 39:6(C).

10 Section 6.A. Unless expressly provided in this Act, funds cannot be transferred between
11 departments or schedules receiving appropriations. However, any unencumbered funds
12 which accrue to an appropriation within a department or schedule of this Act due to policy,
13 programmatic, or cost-saving/avoidance measures may, upon approval by the commissioner
14 of administration and the Joint Legislative Committee on the Budget, be transferred to any
15 other appropriation within that same department or schedule. Each request for the transfer
16 of funds pursuant to this Section shall include full written justification. The commissioner
17 of administration, upon approval by the Joint Legislative Committee on the Budget, shall
18 have the authority to transfer between departments funds associated with lease agreements
19 between the state and the Office Facilities Corporation.

20 B. In conjunction with the continuing assessment of the existing staff, assets, contracts,
21 and facilities of each department, agency, program or budget unit's information technology
22 resources and procurement resources, upon completion of this assessment and to the extent
23 optimization of these resources will result in the projected cost savings through staff
24 reductions, realization of operational efficiencies, cost avoidance, and elimination of asset
25 duplication, the commissioner of administration is authorized to transfer the functions,
26 positions, assets, and funds from any other department, agency, program, or budget units
27 related to these optimizations to a different department. The provisions of this Subsection
28 shall not apply to the Department of Culture, Recreation and Tourism, or any agency
29 contained in Schedule 04, Elected Officials, of this Act.

1 C. The commissioner of administration shall review all existing leases for office and
2 warehouse space and compare the rent per square foot of such space to the market rent of
3 similar space in the same market. The commissioner of administration is authorized and
4 directed to renegotiate all leases that are in excess of the market rent to bring the rent in line
5 with the market rent. The commissioner of administration, upon approval of the Joint
6 Legislative Committee on the Budget, shall have the authority to transfer between
7 departments funds from any savings from renegotiated leases.

8 Section 7. The state treasurer is hereby authorized and directed to use any available
9 funds on deposit in the state treasury to complete the payment of General Fund
10 appropriations for the Fiscal Year 2016-2017. In order to conform to the provisions of P.L.
11 101-453, the Cash Management Improvement Act of 1990, and in accordance with the
12 agreement executed between the state and Financial Management Services, a division of the
13 U.S. Treasury, the state treasurer is hereby authorized to release checks drawn on federally
14 funded appropriations prior to the receipt of funds from the U.S. Treasury.

15 Section 8.A.(1) The figures in parentheses following the designation of a program are
16 the total authorized positions and authorized other charges positions for that program. If
17 there are no figures following a department, agency, or program, the commissioner of
18 administration shall have the authority to set the number of positions.

19 (2) The commissioner of administration, upon approval of the Joint Legislative
20 Committee on the Budget, shall have the authority to transfer positions between departments,
21 agencies, or programs or to increase or decrease positions and associated funding necessary
22 to effectuate such transfers.

23 (3) The number of authorized positions and authorized other charges positions approved
24 for each department, agency, or program as a result of the passage of this Act may be
25 increased by the commissioner of administration in conjunction with the transfer of
26 functions or funds to that department, agency, or program when sufficient documentation
27 is presented and the request deemed valid.

28 (4) The number of authorized positions and authorized other charges positions approved
29 in this Act for each department, agency, or program may also be increased by the
30 commissioner of administration when sufficient documentation of other necessary

1 adjustments is presented and the request is deemed valid. The total number of such positions
2 so approved by the commissioner of administration may not be increased in excess of three
3 hundred fifty (350). Any request which reflects an annual aggregate increase in excess of
4 twenty-five (25) positions for any department, agency, or program must also be approved
5 by the Joint Legislative Committee on the Budget.

6 B. Orders from the Civil Service Commission or its designated referee which direct an
7 agency to pay attorney fees for a successful appeal by an employee may be paid out of an
8 agency's appropriation from the expenditure category professional services; provided,
9 however, that an individual expenditure pursuant to this Subsection may not exceed \$1,500
10 in accordance with Civil Service Rule 13.35(a).

11 C. The budget request of any agency with an appropriation level of thirty million dollars
12 or more shall include, within its existing table of organization, positions which perform the
13 function of internal auditing, including the position of a chief audit executive. The chief
14 audit executive shall be responsible for ensuring that the internal audit function adheres to
15 the Institute of Internal Auditors, International Standards for the Professional Practice of
16 Internal Auditing. The chief audit executive shall maintain organizational independence in
17 accordance with these standards and shall have direct and unrestricted access to the
18 commission, board, secretary, or equivalent head of the agency. The chief audit executive
19 shall certify to the commission, board, secretary, or equivalent head of the agency that the
20 internal audit function conforms to the Institute of Internal Auditors, International Standards
21 for the Professional Practice of Internal Auditing.

22 D. In the event that any cost assessment allocation proposed by the Office of Group
23 Benefits becomes effective during Fiscal Year 2017-2018, each budget unit contained in this
24 Act shall pay out of its appropriation an amount no less than 75% of total premiums for all

29 submitted in accordance with the provisions of this Section shall be considered by the

1 commissioner of administration and Joint Legislative Committee on the Budget only when

10 comply with the provisions of R.S. 24:513. The Legislative Audit Advisory Council may
11 grant additional extensions of time to comply with the provisions of R.S. 24:513 for recipient
12 entities of an appropriation contained in this Act with recommendation by the legislative
13 auditor pursuant to R.S. 39:72.1.

29 Title 39 of the Louisiana Revised Statutes of 1950 as amended.

1 B.(1) No funds appropriated in this Act shall be transferred to a public or quasi-public

3 funds submits, for approval, a comprehensive budget to the legislative auditor and the
4 transferring agency showing all anticipated uses of the appropriation, an estimate of the
5 duration of the project, and a plan showing specific goals and objectives for the use of such
6 funds, including measures of performance. In addition, and prior to making such
7 expenditure, the transferring agency shall require each recipient to agree in writing to
8 provide written reports to the transferring agency at least every six months concerning the
9 use of the funds and the specific goals and objectives for the use of the funds. In the event
10 the transferring agency determines that the recipient failed to use the funds set forth in its
11 budget within the estimated duration of the project or failed to reasonably achieve its
12 specific goals and objectives for the use of the funds, the transferring agency shall demand
13 that any unexpended funds be returned to the state treasury unless approval to retain the
14 funds is obtained from the division of administration and the Joint Legislative Committee
15 on the Budget. Each recipient shall be audited in accordance with R.S. 24:513. If the
16 amount of the public funds received by the provider is below the amount for which an audit
17 is required under R.S. 24:513, the transferring agency shall monitor and evaluate the use of
18 the funds to ensure effective achievement of the goals and objectives. The transferring
19 agency shall forward to the legislative auditor, the division of administration, and the Joint
20 Legislative Committee on the Budget a report showing specific data regarding compliance

26 provisions of the Louisiana Revised Statutes of 1950 and the Constitution of the State of
27 Louisiana to local governing authorities shall be exempt from the provisions of this
28 Subsection.

30 of an entity subject to this Subsection is misspelled or misstated in this Act or any other Act,

1 the state treasurer may pay the funds appropriated to the entity without obtaining the
2 approval of the Joint Legislative Committee on the Budget, but only after the entity has
3 provided proof of its correct legal name to the state treasurer and transmitted a copy to the
4 staffs of the House Committee on Appropriations and the Senate Committee on Finance.

5 C. The Louisiana Department of Health shall continue to provide for immunizations in
6 those parish health units which receive any funding from local governmental sources.

7 D. All departments containing appropriations out of means of financing designated as

SCHEDULE 09

2

LOUISIANA DEPARTMENT OF HEALTH

3

For Fiscal Year 2017-2018, cash generated by each budget unit within Schedule 09 may be pooled with any other budget unit within Schedule 09 to avoid a cash deficit. No budget unit may expend more revenues than are appropriated to it in this Act except upon the approval of the Division of Administration and the Joint Legislative Committee on the Budget, or as may otherwise be provided for by law.

8

Notwithstanding any provision of law to the contrary, the department shall purchase medical services for consumers in the most cost effective manner. The secretary is directed to utilize various cost containment measures to ensure expenditures remain at the level appropriated in this Schedule, including but not limited to precertification, preadmission screening, diversion, fraud control, utilization review and management, prior authorization, service limitations, drug therapy management, disease management, cost sharing, and other measures as permitted under federal law.

15

Beginning on October 1, 2017, and monthly thereafter, the department shall submit a report detailing the programmatic allocations of the total appropriated for Schedule 09-306 Medical Vendor Payments in this Act to the Joint Legislative Committee on the Budget for its review. The first report shall include a detailed itemization of the actual means of financing and expenditures for Medical Vendor Payments in Fiscal Year 2016-2017 and the initial allocation of payments for Fiscal Year 2017-2018 to provider groups, state agencies, or managed care programs within each of the four programs: Payments to Private Providers; Payments to Public Providers; Medicare Buy-Ins and Supplements; and Uncompensated Care Costs. The first report shall also include, for both the prior and current fiscal year, an itemization of supplemental payments and uncompensated care costs payments to the LSU Public Private Partnership hospitals. The second report, and each subsequent report thereafter, shall itemize the projected expenditures in Fiscal Year 2017-2018 for each allocation within the four programs and payments to the public private partnership hospital as presented in the first report of the fiscal year. Also, the reports shall include a section specifying the total amount of pharmacy rebates received year-to-date and the total amount projected to be received by the end of the fiscal year. Further, the department shall include a section in each report detailing the anticipated levels of revenue collections in Medical Vendor Payments by source and, in the event a deficit is projected, any other sources of revenues that may be available or adjustments in expenditures that could be implemented within the department to aid in alleviating the projected deficit. Finally, the department may vary the forecasting methodologies utilized to produce the reports as necessary to ensure the submission of the most accurate projections of revenues and expenditures as practicable.

37

Notwithstanding any law to the contrary and specifically R.S. 39:82(E), for Fiscal Year 2017-2018 any over-collected funds, including interagency transfers, fees and self-generated revenues, federal funds, and surplus statutory dedicated funds generated and collected by any agency in Schedule 09 for Fiscal Year 2016-2017 may be carried forward and expended in Fiscal Year 2017-2018 in the Medical Vendor Program. Revenues from refunds and recoveries in the Medical Vendor Program are authorized to be expended in Fiscal Year 2017-2018. No such carried forward funds, which are in excess of those appropriated in this Act, may be expended without the express approval of the Division of Administration and the Joint Legislative Committee on the Budget.

46

Notwithstanding any law to the contrary, the secretary may transfer, with the approval of the commissioner of administration via midyear budget adjustment (BA-7 Form), up to twenty-five (25) authorized positions and associated personal services funding if necessary from one budget unit to any other budget unit and/or between programs within any budget unit within this schedule. Not more than an aggregate of one-hundred (100) positions and associated personal services may be transferred between budget units and/or programs within a budget unit without the approval of the Joint Legislative Committee on the Budget.

1 Notwithstanding any provision of law to the contrary, the secretary is authorized to transfer,
 2 with the approval of the commissioner of administration through midyear budget
 3 adjustments, funds and authorized positions from one budget unit to any other budget unit
 4 and/or between programs within any budget unit within this schedule. Such transfers shall
 5 be made solely to provide for the effective delivery of services by the department, promote
 6 efficiencies and enhance the cost effective delivery of services. Not more than six million
 7 dollars may be transferred pursuant to this authority. The secretary and the commissioner
 8 shall promptly notify the Joint Legislative Committee on the Budget of any such transfer.

9 Notwithstanding any provision of law to the contrary, the department shall not be under any
 10 obligation to perform any of the services as described in R.S. 46:2116, et seq., and may
 11 utilize other revenue sources to provide these services. Provided, further, that any additional
 12 funding for state plan personal assistance services may be used as state match for available
 13 federal funds.

14 Provided, however, that the department shall not reduce the payments for waivers services,
 15 applied behavioral analysis rates, or graduate medical education.

16 Provided further, that any non-state entity reimbursing for the provision of applied
 17 behavioral analysis services to Medicaid enrollees as a part of a contract with the department
 18 also shall not reduce the reimbursement rates paid for such services.
