Abstract: Requires the mayor to transmit certain court costs to the La. Association of Chiefs of Police for law enforcement education and training.

Present law authorizes a mayor to impose court costs up to \$30 for each offense on a defendant convicted of a municipal ordinance violation. Authorizes the mayor to transmit a portion of those court costs to the La. Association of Chiefs of Police to be used for law enforcement education and training.

Proposed law retains present law except it makes it mandatory, and not permissive, that the mayor transmit a portion of these court costs to the association for law enforcement education and training.
