AN ACT

To enact R.S. 48:21(C), relative to functions of the Department of Transportation and Development; to authorize the Department of Transportation and Development to allow state agencies the option to utilize the department to construct, maintain, improve, and repair roads surrounding state offices and other facilities when the agency provides monies for such work to be performed; to provide for certain conditions; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 48:21(C) is hereby enacted to read as follows:

§21. Functions

* * *

C. The department may construct, maintain, and improve roads, whether hard-surfaced or otherwise, for state offices and other surrounding facilities of these agencies. Such work shall be at the direction of, and in cooperation with, the Department of Transportation and Development and shall be funded from monies specifically designated for that purpose. However, when work is requested by any state agency to be performed by the Department of Transportation and Development the following conditions shall apply:

(1) The state agency shall provide monies for the construction, maintenance, improvement, and repairing of roads surrounding state offices and other facilities when such work is performed.

1 (2) Any work performed by the Department of Transportation and
2 Development shall not interfere with any construction work performed for Highway
3 Priority Program projects.
