AN ACT

To enact R.S. 30:2154(B)(9) and to repeal R.S. 30:2157 and 2157.1, relative to providing for permits, licenses, registrations, variances, or compliant schedules issued by the Department of Environmental Quality; to provide for emergency response standards; to provide for certification of certain abilities of local fire departments; to provide for the emergency response standards of certain solid waste facilities; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 30:2154(B)(9) is hereby enacted to read as follows:

§2154. Powers; duties; restrictions; prohibitions; penalties

* * *

B. The secretary is hereby directed:

* * *

(9)(a) To promulgate regulations, prior to July 1, 2011, for all applicants specifying emergency response requirements that shall include the preparation of an emergency response plan for any applicant seeking a permit to process or dispose of solid waste and shall provide that the requirement for an emergency response plan is satisfied by the applicant's demonstration that it has the ability to meet the response requirements of the applicable sections of the National Fire Protection Association.

(b) All potential applicants who seek to obtain a permit to process or dispose of solid waste shall be required to file an emergency response plan, in compliance with the promulgated regulations, as a special structures plan review with the state fire marshal. No application for a permit to process or dispose of solid waste shall
