Proposed law requires the commissioner to issue a three-day special event permit to any retail dealer qualified for on premise consumption who applies for such permit for no fee authorizing the retail dealer to allow a person to bring homebrew alcoholic beverages on his licensed premises for the purpose of possessing, consuming, and serving such homebrew on his licensed premises in connection with homebrew club meetings, organized affairs, exhibitions, or competitions such as homebrewer's contests, tastings, or judging.

Proposed law requires all of the following criteria to be met:

- (1) Homebrew shall not be sold or offered for sale.
- (2) Homebrew shall only be served to those individuals attending the special event.
- (3) All homebrew alcoholic beverages shall be removed from the licensed premises within a reasonable time upon conclusion of the special event.

Proposed law defines "homebrew" as the brewing of beer, mead, and other alcoholic beverages through fermentation on a small scale as a hobby for person consumption, free distribution at residential social gatherings, and amateur brewing competitions or other non-commercial reasons authorized by present law regarding three-day special event permits.
