5 (b) "Population" shall mean that enumeration of persons within the state, its

10 annually not later than January fifteenth of each calendar year. Any tax recipient body or
11 incorporated municipality which is aggrieved by such determination may file a petition for
12 administrative review with the state treasurer not later than March fifteenth of each calendar
13 year hereafter. The estimates so submitted shall have no effect on the distribution for the

1 Section 2. The revenue sharing fund for the Fiscal Year 2023-2024 shall consist of
2 the sum of Ninety Million and No/100 (\$90,000,000.00) Dollars.

3 Section 3. The amount to be distributed annually to each parish from the revenue
4 sharing fund shall be the sum of (a) an amount equal to that percentage of eighty percent of
5 the total fund which is equal to the ratio which the population of the parish bears to the total
6 state population, and (b) an amount equal to that percentage of twenty percent of the total
7 fund which is equal to the ratio which the number of homesteads in the parish bears to the
8 total number of homesteads in the state. As used in this Section, the term "homesteads" shall
9 mean that enumeration of adjusted homestead exemption claims filed with the assessors as
10 determined by the Louisiana Tax Commission as of March thirty-first of the current calendar
11 year.

12 Section 4. Except as provided in Section 5, the state treasurer shall distribute the
13 funds herein allocated to the tax collectors of the respective parishes and to the city of New
14 Orleans.

15 Section 5. That portion of the fund for the parish of Ouachita allocated to the
16 Monroe City School Board shall be an amount which will reimburse said board, to the extent
17 available and subject to the provisions of Section 9(C) of this Act, for the taxes lost as a
18 result of homestead exemptions based on the tax rolls for the current calendar year and shall
19 be distributed directly to the city treasurer of the city of Monroe, who shall pay therefrom
20 the statutorily dedicated deductions for retirement systems. For the purpose of distribution
21 of the balance of the revenue sharing funds the state treasurer may use the amount listed on
22 the prior year Ouachita Parish tax rolls which were due the Monroe City School Board.

23 Section 6. Eleven and nine-tenths percent of all revenue sharing funds distributed
24 by the provisions of this Act, excluding such funds as are distributed directly to the city of
25 New Orleans and the amount listed on the prior year Ouachita Parish tax rolls which were
26 due the Monroe City School Board (\$1,180,333), shall form a special fund (\$9,751,324) to
27 be distributed as commissions to the tax collectors of the respective parishes, the city of New
28 Orleans excepted. Each such tax collector shall receive a percentage of such fund, based on
29 commissions received by him pursuant to Act 153 of the 1973 Regular Session, as provided
30 in Section 8 of this Act.

1 Section 7.A. Two and forty-four hundredths percent of all revenue sharing funds
 2 distributed by the provisions of this Act, excluding such funds as are distributed directly to
 3 the city of New Orleans and the amount listed on the prior year Ouachita tax rolls which

 5 (\$1,999,431) to be distributed to the various retirement systems which were eligible for
 6 payment pursuant to Act 153 of the 1973 Regular Session, as provided in Section 8 of this
 7 Act for distribution to such retirement systems, and shall make due payment thereof to each
 8 retirement system in the same proportion that the statutory deduction provided by law for
 9 the system bears to the total statutory deductions provided by law for all such retirement
 10 systems. For the purpose of distributing these retirement contributions, the state treasurer
 11 may use the statutory deductions determined by the Public Retirement Systems Actuarial
 12 Committee as per R.S. 11:103 for the previous calendar year.

13 B. The city of New Orleans shall make the deductions legally established for
 14 retirement systems which were eligible for payment pursuant to Act 153 of the 1973 Regular
 15 Session and shall make due payment in accordance with the statutory deductions provided
 16 by law for all such retirement systems. Notwithstanding the above provisions the city of

1 jurisdiction an amount available after commissions and deductions which is necessary to
 2 offset losses attributable to homestead exemptions. In any parish which had excess funds
 3 in 1977, the amount available for the reimbursement of homestead exemption losses shall
 4 be limited to the amount used for that purpose in 1977, adjusted by the percentage by which
 5 the number of homesteads in the parish increased or decreased from 1977 to 2022, together

3 Section 13. The state treasurer shall distribute one-third of the total amount herein
4 allocated to the parishes from the revenue sharing fund to the parish tax collector, or in
5 Orleans Parish to the city of New Orleans, not later than the first day of December in each
6 year, one-third thereof not later than the fifteenth day of March in each year and one-third
7 thereof not later than the fifteenth day of May in each year, and each one-third of the total
8 allocation shall be distributed in accordance with the provisions of Sections 6, 7, 9, and 10
9 of this Act; however, the legislative auditor may authorize the granting of additional sums
10 due any recipient in advance upon a showing that the advance receipt of such funds is
11 reasonably necessary. If the state treasurer does not distribute the fund on or before the dates
12 specified in this Act, any interest or other income derived by the state from the parish
13 allocations, earned prior to the distribution to the parishes, shall be paid over a pro rata basis
14 together with the principal amounts due the parishes under the provisions of this Act. Any
15 interest or other income derived by the parish tax collector or the city of New Orleans from
16 the investment or other use of such total parish allocations received from the state treasurer,
17 earned prior to the distributions within the parish as required by the foregoing provisions of
18 this Act, shall be paid over a pro rata basis together with the principal amounts due the local
19 recipients under the provisions of this Act upon distribution thereto, and the parish tax
20 collectors or the city of New Orleans may retain only investment income earned on that
21 portion of the total parish allocation to which they are otherwise entitled under the provisions
22 of this Act. In light of the fact that all assessment roll figures will not be available in time
23 to base the December distribution by the treasurer on current figures, the distribution of
24 funds on the first day of December pursuant to this Act shall be based on the distribution
25 figures for Fiscal Year 2022-2023. The remaining two distributions on the fifteenth day of
26 March and the fifteenth day of May shall be based on current figures for Fiscal Year
27 2023-2024, and such distributions shall be adjusted to compensate for the differences
28 resulting in the use of the Fiscal Year 2022-2023 figures for the December distribution.

29 Section 14. On or before such date as shall be established by the state treasurer, each
30 tax collector, the city of New Orleans, and the city treasurer of the city of Monroe annually

1 shall file with the state treasurer, on such forms as the state treasurer may require, all
 2 information necessary to the computation of the funds to be distributed within the parishes,
 3 including, but not limited to, a listing of all such local entities seeking eligibility for funds
 4 as a tax recipient body under the qualifications set out in Section 1(A) of this Act, all new
 5 millages of such tax recipient bodies as are listed in Section 9(B) of this Act, and all
 6 remaining authorities on the tax rolls which are otherwise ineligible to participate in the
 7 distribution of revenue sharing funds as tax recipient bodies. The listing shall include such
 8 verification for eligibility as may be required by the state treasurer and, notwithstanding the
 9 provisions of Section 12 of this Act, no revenue sharing funds shall be distributed prior to
 10 receipt and acceptance by the state treasurer of such information and verification. The same
 11 authorities shall in the same manner submit to the state treasurer a statement of the amount
 12 of revenue sharing funds distributed to each recipient of such funds, including the amount
 13 deducted for sheriffs' commissions and for retirement system contributions and shall state
 14 clearly on such forms the amount of the distribution to each such recipient which is derived
 15 from excess funds and the amount of such distribution which represents reimbursement for
 16 tax losses by reasons of the homestead exemption. Such statement shall also include the
 17 amount of any revenue sharing funds which remain to be distributed and the recipients to
 18 which such remaining funds will be distributed.
