§241. Net income subject to tax

A. The net income of a nonresident individual or a corporation subject to the tax imposed by this Chapter shall be the sum of the net allocable income earned within or derived from sources within this state, as defined in R.S. 47:243, and the net apportionable income derived from sources in this state, as defined in R.S. 47:244, less the amount of federal income taxes attributable to the net allocable income and net apportionable income derived from sources in this state. The amount of federal income taxes to be so deducted shall be that portion of the total federal income tax which is levied with respect to the particular income derived from sources in this state to be computed in accordance with rules and regulations of the collector of revenue. Proper adjustment shall be made for the actual tax rates

1	applying to different classes of income and for all differences in the computation of
2	net income for purposes of federal income taxation as compared to the computation
3	of net income under this Chapter. Where the allocation of the tax is to be based on
4	a ratio of the amount of net income of a particular class, both the numerator and the
5	denominator of the fraction used in determining the ratio shall be computed on the
6	basis that such net income is determined for federal income tax purposes.
7	B. The net income of a corporation subject to the tax imposed by this
8	Chapter shall be the sum of the net allocable income earned within or derived from
9	sources within this state, as defined in R.S. 47:243, and the net apportionable income
10	derived from sources in this state, as defined in R.S. 47:244.

12	§287.12. Rates of tax
13	The tax to be assessed, levied, collected, and paid upon the Louisiana taxable
14	income of every corporation shall be computed at the rate of:
15	(1) Four percent upon the first twenty-five thousand dollars of Louisiana
16	taxable income.
17	(2) Five percent upon the amount of Louisiana taxable income above twenty-
18	five thousand dollars but not in excess of fifty thousand dollars.
19	(3) Six percent on the amount of Louisiana taxable income above fifty
20	thousand dollars but not in excess of one hundred thousand dollars.
21	(4) Seven percent on the amount of Louisiana taxable income above one

4	§287.442. Exceptions to taxable year of inclusion; taxable year deductions taken
5	* * *
6	B. Period for which deductions and credits shall be taken.
7	(1) The taxable year in which to claim the federal income tax deduction
8	allowed by R.S. 47:287.85 shall be determined as follows, regardless of the method
9	of accounting regularly employed by the taxpayer:
10	(a) The federal income tax deduction may be claimed for the same taxable
11	year in which the federal income tax sought to be deducted is incurred, provided the
12	taxpayer files a federal income tax return for such taxable year or is included with
13	affiliates in a consolidated federal income tax return for such taxable year.
14	(b)(i) Taxable year for adjustments to taxpayer's federal income tax return.
15	Except as otherwise provided in this Subparagraph, adjustments affecting federal
16	taxable income which are made to the taxpayer's income tax return subsequent to
17	filing, whether made because of a deficiency proposed by the government, a court
18	order, an amended return, or other appropriate instrument or act, showing an
19	overpayment or a deficiency shall be taken into account for purposes of this Part in
20	the period for which the return was filed, unless the prescriptive period for the
21	collection of tax or the refund or credit of overpayments, as the case may be, has
22	expired. If the applicable prescriptive period has expired, the additional tax paid by
23	the taxpayer in the case of an underpayment or the refund or credit received by the
24	taxpayer in the case of an overpayment shall be for the taxable year such tax was
25	paid, such refund was received, or such credit was allowed, as the case may be.
26	(ii)(b) When a federal refund results from transactions or conditions which
27	arise after the close of the taxable year for which the refund is made, such federal
28	refund shall be taken into account, for purposes of this Part, for the taxable year in
29	which arose the transactions or conditions causing the refund.

(c) Taking federal adjustments into account. A payment of additional federal tax upon income which has borne Louisiana tax shall be taken into account by decreasing taxable income. That portion, if any, of such additional federal tax payment which would be disallowed as a deduction under either R.S. 47:287.81 or R.S. 47:287.83 shall be excluded from such adjustment. Refunds or credits of federal overpayments, including refunds or credits created by the carryback of a federal net operating loss, shall be taken into account by increasing Louisiana net income or decreasing the Louisiana net loss, as the case may be. That portion, if any, of the federal refund or credit of an overpayment which has not previously been charged against or deducted from Louisiana net income shall be excluded from such adjustment.

(d) Adjustments made to the Louisiana return. Adjustments to a return filed pursuant to this Part, whether initiated by the secretary or the taxpayer, shall be taken into account in the taxable year for which the return was filed in accordance with rules, regulations, or forms prescribed by the secretary.

HB 263 Original

2019 Regular Session

Stokes

Abstract: Repeals the deductibility of federal income taxes paid for purposes of calculating corporate income taxes and changes the corporate income tax rate <u>from</u> a graduated schedule of rates dependent on the taxable income of the taxpayer <u>to</u> a flat rate of 3.95%.

<u>Present constitution</u> and <u>present law</u> authorize a state deduction for federal income taxes paid for purposes of computing income taxes for the same period.

<u>Proposed law</u> repeals the <u>present law</u> provisions that authorize a state deduction for federal income taxes paid for purposes of calculating corporate income taxes.

<u>Present law</u> provides for the computation of La. taxable income for a resident estate or trust, including provisions for the federal income tax deduction, limitations of deductions for net income, provisions for the federal deduction for alternative minimum tax, and the authority of the secretary of the Dept. of Revenue to consider reductions to the federal income tax deduction and the determination of the deductible portion of an alternative minimum tax.

<u>Proposed law</u> retains <u>present law</u> except as it applies to the deductibility of federal income taxes.

<u>Present law</u> provides that the tax to be assessed, levied, collected, and paid on the La. taxable income of every corporation shall be computed at the following rates:

- (1) 4% on the first \$25,000 of La. taxable income.
- (2) 5% on La. taxable income above \$25,000 but not in excess of \$50,000.
- (3) 6% on La. taxable income above \$50,000 but not in excess of \$100,000.

Page 7 of 8

CODING: Words in struck through type are deletions from existing law; words <u>underscored</u> are additions.

- (4) 7% on La. taxable income above \$100,000 but not in excess of \$200,000.
- (5) 8% on all La. taxable income in excess of \$200,000.

<u>Proposed law</u> changes <u>present law</u> by deleting the graduated schedule of rates dependant on the amount of taxable income of the taxpayer in favor of a flat 3.95% corporate income tax rate.

Applicable for all taxable periods beginning on or after Jan. 1, 2020.

Effective Jan. 1, 2020, if the proposed amendment of Article VII of the Constitution of La. contained in the Act which originated as House Bill No. __of this 2019 R.S. of the Legislature is adopted at a statewide election and becomes effective.

(Amends R.S. 47:93(B), 241, 287.12, 287.69, 287.442(B)(1), 300.6(A), and 300.7(A); Adds R.S. 47:55(6); Repeals R.S. 47:287.79, 287.83, and 287.85)
