HB No. 287

Abstract: Increases the maximum per diem authorized to be paid to fire protection district board members in Calcasieu Parish from \$60 to \$100.

Present law authorizes parish governing authorities to create fire protection districts and authorizes payment of a per diem for attending meetings to members of the governing boards of such districts. Generally provides that \$30 per meeting, for a maximum of two meetings per month, is the maximum per diem.

Present law, relative to fire protection districts in Calcasieu Parish, provides that members of governing boards of such districts may be paid a per diem of up to \$60. Requires that any per diem increase be approved by the parish governing authority. Proposed law increases the maximum per diem in Calcasieu Parish to \$100. Otherwise retains present law.
