

2022 Regular Session

HOUSE BILL NO. 330

BY REPRESENTATIVE TRAVIS JOHNSON

AGRICULTURAL COMMODITIES: Creates the Industrial Hemp Promotion and Research Program

1 AN ACT

2 To enact Part VII of Chapter 10-A of Title 3 of the Louisiana Revised Statutes of 1950, to  
3 be comprised of R.S. 3:1491 through 1496 and R.S. 36:629(L)(4), relative to the  
4 creation of the Louisiana Industrial Hemp Promotion and Research Program; to  
5 create the Louisiana Industrial Hemp Promotion and Research Advisory Board; to  
6 provide for the composition, powers, duties, and functions of the board; to authorize  
7 the commissioner of agriculture and forestry to adopt rules and accept certain funds;  
8 to provide for the use of funds; to provide for definitions; to provide for transfer of  
9 the board to the Department of Agriculture and Forestry; and to provide for related  
10 matters.

11 Be it enacted by the Legislature of Louisiana:

12 Section 1. Part VII of Chapter 10-A of Title 3 of the Louisiana Revised Statutes of  
13 1950, to be comprised of R.S. 3:1491 through 1496, is hereby enacted to read as follows:

14 PART VII. LOUISIANA INDUSTRIAL HEMP PROMOTION AND  
15 RESEARCH PROGRAM

16 §1491. Name and purpose

17 A. The name of the program created and organized by this Part shall be the  
18 Louisiana Industrial Hemp Promotion and Research Program.

1           B. The purpose of the program is to support the growth and development of  
2           the industrial hemp industry in Louisiana by enhancing research, education,  
3           promotion, facilities, and industrial hemp related activities throughout the state.

4           §1492. Definitions

5           As used in this Part:

6           (1) "Board" means the Louisiana Industrial Hemp Promotion and Research  
7           Advisory Board.

8           (2) "Commissioner" means the Louisiana commissioner of agriculture and  
9           forestry.

10          (3) "Industrial hemp" means the same as previously defined in this Chapter.

11          (4) "Industrial hemp educational program" means any event focused on  
12          improving a participant's understanding of the industrial hemp industry.

13          (5) "Industrial hemp facility" means any facility used to produce or process  
14          industrial hemp.

15          (6) "Industrial hemp industry member" means any person with an interest  
16          and background in the requirements of producing, handling, processing, or selling  
17          industrial hemp or products produced from industrial hemp.

18          (7) "Industrial hemp research" means any scholarly activity conducted to  
19          collect scientific data utilizing experimental design as authorized under this Chapter.

20          (8) "Program" means the Louisiana Industrial Hemp Promotion and  
21          Research Program.

22          (9) "Promotion of the industrial hemp industry" means the development of  
23          a comprehensive marketing plan for the industrial hemp industry, which may include  
24          a website, social media, and an advertising program.

25          §1493. Louisiana Industrial Hemp Promotion and Research Advisory Board;  
26          creation and organization

27          A. The Louisiana Industrial Hemp Promotion and Research Advisory Board  
28          is hereby created within the Department of Agriculture and Forestry. The board shall  
29          be domiciled in Baton Rouge.

CODING: Words in ~~struck through~~ type are deletions from existing law; words underscored are additions.

1           B. The board shall consist of eleven members appointed by the  
2           commissioner as follows:

3           (1) One member who is engaged in the production of industrial hemp or  
4           industrial hemp seed appointed from a list of three persons nominated by the  
5           Louisiana Farm Bureau Federation, Inc.

6           (2) One member who is appointed from a list of three persons nominated by  
7           the Louisiana State University Agricultural Center.

8           (3) One member who is appointed from a list of three persons nominated by  
9           the Southern University Agricultural Center.

10          (4) One member appointed from a list of three persons nominated by the  
11          chairman of the House Committee on Agriculture, Forestry, Aquaculture and Rural  
12          Development.

13          (5) One member appointed from a list of three persons nominated by the  
14          chairman of the Senate Committee on Agriculture, Forestry, Aquaculture, and Rural  
15          Development.

16          (6) One member who is a licensed grower of industrial hemp.

17          (7) One member who is a licensed processor of industrial hemp.

18          (8) One member who is a consumer of industrial hemp.

19          (9) One member who is a representative of the Louisiana industrial hemp  
20          industry.

21          (10) One member appointed from a list of three persons nominated by the  
22          Louisiana Black Farmers Cannabis and Hemp Association.

23          (11) One member appointed from a list of three persons nominated by the  
24          Morehouse Parish Black Farmers and Landowners Association.

25          C. The commissioner, or his designee, shall serve as an ex officio member  
26          in an advisory capacity only.

27          D. Members shall serve at the pleasure of the commissioner and shall serve  
28          terms concurrent with the term of the commissioner making the appointment.

1           E. An organization authorized to make nominations for appointment to the  
2           board shall submit its list of nominees within thirty days after the commissioner  
3           requests the list. The commissioner shall make all appointments to the board no later  
4           than thirty days after receiving the list of nominees. The board should be  
5           representative of the state's population by race and gender to ensure diversity.

6           F. A vacancy in the office of a member shall be filled in the same manner as  
7           the original appointment. Persons appointed to fill vacancies shall serve for the  
8           unexpired portion of the vacated term.

9           G. A majority of the voting members of the board shall constitute a quorum  
10          for the transaction of business. All official actions of the board shall require the  
11          affirmative vote of a majority of the members of the board present and voting.

12          H. Members of the board shall receive no compensation.

13          I. The board shall meet at least twice a year and may meet at other times on  
14          the call of the chairman or any four members.

15          J. The board, by a vote of a majority of the members, may expel a member  
16          for good cause shown. Good cause shall include but shall not be limited to three  
17          consecutive unexcused absences. The expulsion of a member creates a vacancy in  
18          the office of the expelled member.

19          K. The board shall meet and organize as soon as practicable after  
20          appointment of the members, and shall elect a chairman, vice chairman, and  
21          secretary-treasurer from the membership of the board, whose duties shall be those  
22          customarily exercised by such officers or specifically designated by the board.  
23          Officers shall serve a one-year term.

24          §1494. Powers and duties

25                 A. The board shall:

26                     (1) Advise the commissioner on the development and maintenance of the  
27                     Louisiana Industrial Hemp Promotion and Research Program.

28                     (2) Maintain a permanent record of its proceedings.

1           (3) Submit an annual report of its activities to the House Committee on  
2           Agriculture, Forestry, Aquaculture and Rural Development and the Senate  
3           Committee on Agriculture, Forestry, Aquaculture, and Rural Development by  
4           January thirty-first of each year.

5           B. The board may:

6           (1) Provide information to governmental entities upon request on subjects  
7           of concern to the industrial hemp industry and collaborate with the state or federal  
8           government on the development and administration of the program.

9           (2) Cooperate with any local, state, regional, or national organization or  
10          agency engaged in activities consistent with the objectives of the program.

11          C. The commissioner may:

12          (1) Adopt such rules and regulations as are necessary to administer the  
13          program. All rules and regulations shall be adopted in accordance with the  
14          Administrative Procedure Act.

15          (2) Enter into contracts or other agreements to accomplish any purpose  
16          authorized by this Part, including advertising, education, marketing, promotion,  
17          research, or services.

18          §1495. Funding

19          To achieve the purposes of this Part, the commissioner may accept and  
20          expend monies from any source, including gifts, contributions, donations, state  
21          appropriations, and federal grants and may accept and use services from individuals,  
22          corporations, and governmental entities.

23          §1496. Use of funds

24          Funds made available to the commissioner shall be expended to effectuate  
25          the purposes of this Part including but not limited to the following uses:

26          (1) To attract additional business associated with the industrial hemp  
27          industry to Louisiana including processors.

28          (2) To develop and promote Louisiana industrial hemp brands or marketing  
29          campaigns.

1           (3) To aid in the development of a coordinated research plan designed to  
2           develop higher quality industrial hemp seeds and plants best suited for cultivation  
3           within the state, new and improved uses for industrial hemp, and best management  
4           practices.

5           (4) To develop educational programs and disseminate educational materials  
6           about industrial hemp.

7           (5) To support the enhancement and maintenance of public-use industrial  
8           hemp facilities, specifically those used for the purposes of promotion and research.

9           (6) To promote activities, facilities, events, and the needs of the Louisiana  
10           industrial hemp industry.

11           (7) To contract for scientific research with accredited postsecondary  
12           education institutions, or similar educational institutions, and industrial hemp  
13           licensees authorized to conduct industrial hemp research under this Chapter that will  
14           assist in carrying out the purposes of the program, including industrial hemp best  
15           management practices.

16           Section 2. R.S. 36:629(L)(4) is hereby enacted to read as follows:

17           §629. Transfer of boards, commissions, departments, and agencies to the  
18           Department of Agriculture and Forestry

19   \*       \*       \*

20           L. The following agencies are transferred to the Department of Agriculture  
21           and Forestry and shall perform and exercise their powers, duties, functions, and  
22           responsibilities as provided by law:

23   \*       \*       \*

24           (4) The Louisiana Industrial Hemp Promotion and Research Program (R.S.  
25           3:1491 et seq.).

HB 330 Engrossed

2022 Regular Session

Travis Johnson

**Abstract:** Creates the La. Industrial Hemp Promotion and Research Program.

Proposed law establishes the La. Industrial Hemp Promotion and Research Program to support the growth and development of the industrial hemp industry in La.

Proposed law defines the following terms:

- (1) "Board" means the La. Industrial Hemp Promotion and Research Advisory Board.
- (2) "Commissioner" means the La. commissioner of agriculture and forestry.
- (3) "Industrial hemp" means the same as defined in present law.
- (4) "Industrial hemp educational program" means any event focused on improving a participant's understanding of the industrial hemp industry.
- (5) "Industrial hemp facility" means any facility used to produce or process industrial hemp.
- (6) "Industrial hemp industry member" means any person with an interest and background in the requirements of producing, handling, processing, or selling industrial hemp or products produced from industrial hemp.
- (7) "Industrial hemp research" means any scholarly activity conducted to collect scientific data utilizing experimental design as authorized under this Chapter.
- (8) "Program" means the La. Industrial Hemp Promotion and Research Program.
- (9) "Promotion of the industrial hemp industry" means the development of a comprehensive marketing plan for the industrial hemp industry, which may include a website, social media, and an advertising program.

Proposed law creates the La. Industrial Hemp Promotion and Research Advisory Board within the Dept. of Agriculture and Forestry.

Proposed law provides that the board shall consist of 11 members appointed by the commissioner as follows:

- (1) One member who is engaged in the production of industrial hemp or industrial hemp seed appointed from a list of three persons nominated by the La. Farm Bureau Federation, Inc.
- (2) One member who is appointed from a list of three persons nominated by the La. State Univ. Agricultural Ctr.
- (3) One member who is appointed from a list of three persons nominated by the Southern Univ. Agricultural Ctr.

- (4) One member appointed from a list of three persons nominated by the chairman of the House Committee on Agriculture, Forestry, Aquaculture and Rural Development.
- (5) One member appointed from a list of three persons nominated by the chairman of the Senate Committee on Agriculture, Forestry, Aquaculture, and Rural Development.
- (6) One member who is a licensed grower of industrial hemp.
- (7) One member who is a licensed processor of industrial hemp.
- (8) One member who is a consumer of industrial hemp.
- (9) One member who is a representative of the La. industrial hemp industry.
- (10) One member appointed from a list of three persons nominated by the La. Black Farmers Cannabis and Hemp Assoc.
- (11) One member appointed from a list of three persons nominated by the Morehouse Parish Black Farmers and Landowners Assoc.

Proposed law requires the commissioner or his designee to serve as an ex officio member in an advisory capacity only.

Proposed law provides for the organization and administration of the board, including provisions for nominations, the length of terms, vacancies, quorum requirements, expulsions, meeting requirements, and appointment of officers.

Proposed law specifies that the board should be representative of the state's population by race and gender to ensure diversity.

Proposed law prohibits members of the board from receiving any compensation.

Proposed law requires the board to:

- (1) Advise the commissioner on the development and maintenance of the La. Industrial Hemp Promotion and Research Program.
- (2) Maintain a permanent record of its proceedings.
- (3) Submit an annual report of its activities to the House Committee on Agriculture, Forestry, Aquaculture and Rural Development and the Senate Committee on Agriculture, Forestry, Aquaculture, and Rural Development by Jan. 31st of each year.

Proposed law authorizes the board to:

- (1) Provide information to governmental entities upon request on subjects of concern to the industrial hemp industry and collaborate with the state or federal government on the development and administration of the program.
- (2) Cooperate with any local, state, regional, or national organization or agency engaged in activities consistent with the objectives of the program.

Proposed law authorizes the commissioner to:

- (1) Adopt such rules and regulations, as are necessary to administer the program, in accordance with the Administrative Procedure Act.

- (2) Enter into contracts or other agreements to accomplish any purpose authorized by proposed law, including advertising, education, marketing, promotion, research, or services.

Proposed law authorizes the commissioner to accept and expend monies from any source, including gifts, contributions, donations, state appropriations, and federal grants, and to accept and use services from individuals, corporations, and governmental entities.

Proposed law requires all funds made available to the commissioner be expended only to effectuate the purposes of proposed law, including the following uses:

- (1) To attract additional business associated with the industrial hemp industry to La. including processors.
- (2) To develop and promote La. industrial hemp brands or marketing campaigns.
- (3) To aid in the development of a coordinated research plan designed to develop higher quality industrial hemp seeds and plants best suited for cultivation within the state, new and improved uses for industrial hemp, and best management practices.
- (4) To develop educational programs and disseminate educational materials about industrial hemp.
- (5) To support the enhancement and maintenance of public-use industrial hemp facilities, specifically those used for the purposes of promotion and research.
- (6) To promote activities, facilities, events, and the needs of the La. industrial hemp industry.
- (7) To contract for scientific research with accredited postsecondary education institutions or similar educational institutions and industrial hemp licensees authorized to conduct industrial hemp research under present law that will assist in carrying out the purposes of the program, including industrial hemp best management practices.

Proposed law provides for the transfer of the program to the Dept. of Agriculture and Forestry as provided by law.

(Adds R.S. 3:1491-1496 and R.S. 36:629(L)(4))
