1 §780. Reexamination of beneficiaries retired for disability; modification of benefits;  
2 restoration to active service

3 A. Once each year during the first five years following any retirement of a  
4 member on a disability retirement allowance and once in every three-year period  
5 thereafter, the board of trustees shall require any disability ~~beneficiary~~ retiree whose  
6 first employment making him eligible for membership in one of the state systems  
7 occurred on or before June 30, 2014, who has not yet attained the age of sixty years  
8 and any disability retiree whose first employment making him eligible for  
9 membership in one of the state systems occurred on or after July 1, 2014, who has  
10 not yet attained the age of sixty-two to undergo a medical examination at the  
11 ~~beneficiary's~~ retiree's expense, to be made at the place of residence of the ~~beneficiary~~  
12 retiree or other place mutually agreed upon, by a physician or physicians designated  
13 by the board of trustees. The periodic reexaminations may be discontinued upon  
14 advice of the medical board that the retiree's condition is either terminal or that  
15 chances of recovery are highly improbable. If any such disability ~~beneficiary~~ retiree  
16 ~~who has not yet attained the age of sixty years~~ refuses to submit to at least one  
17 medical examination in any such year by a physician or physicians designated by the  
18 board of trustees, his allowance may be discontinued until his withdrawal of such  
19 refusal; but if his refusal continues for one year, all of his rights in and to his pension  
20 may be revoked by the board of trustees.

21 B. Every disability ~~beneficiary~~ retiree except a disability ~~beneficiary~~ retiree  
22 who had no earnings and is determined by the Teachers' Retirement System of  
23 Louisiana to be incapacitated or who is residing in a nursing home shall submit to  
24 the board of trustees by May first of every year, a notarized annual earnings  
25 statement detailing his earned income from employment in the previous tax year.  
26 Should a ~~beneficiary~~ retiree refuse to submit such an earnings statement by May  
27 first, his allowance may be discontinued without retroactive reimbursement, until the  
28 statement is filed. Should his refusal continue for the remainder of the calendar year,  
29 all his rights in and to his disability pension may be revoked by the board of trustees.

1 C.(1) Notwithstanding the provisions of R.S. 11:221, if the medical board  
2 reports and certifies to the board of trustees that a disability ~~beneficiary~~ retiree is able  
3 to engage in a gainful occupation paying more than the difference between his  
4 retirement allowance and the average final compensation, and if the board of trustees  
5 concurs in this report, then, except as provided in either Paragraph (2) or (3) of this  
6 Subsection, the amount of his pension shall be reduced to an amount which, together  
7 with his annuity and the amount earnable by him, shall equal the amount of his  
8 average final compensation. If his earning capacity is later changed, the amount of  
9 his pension may be further modified; ~~provided, that~~ however, the new pension shall  
10 not exceed the amount of the pension originally granted nor an amount which, when  
11 added to the amount earnable by the ~~beneficiary~~ retiree together with his annuity,  
12 equals the amount of his average final compensation.

13 (2)(a) The pay which is used to reduce benefits pursuant to Paragraph (1) of  
14 this Subsection shall not include the amount equal to the difference between the  
15 ~~beneficiary's~~ retiree's total annual benefit and the poverty threshold for a family unit  
16 of one person under age sixty-five as determined by the United States Bureau of the  
17 Census for the year in which such pay is earned.

18 (b) Any disability ~~beneficiary~~ retiree who is engaged in a gainful occupation  
19 shall provide such information or documentation as may be requested by the system  
20 to implement the provisions of this Paragraph.

21 (3)(a) If, pursuant to the provisions of this Subsection, the board of trustees  
22 reduces the pension of any disability ~~beneficiary~~ retiree of this system who retired  
23 pursuant to a reciprocal agreement between this system and any other state or  
24 statewide public retirement system, the reduction shall be subject to Subparagraph  
25 (b) of this Paragraph, provided the ~~beneficiary~~ retiree satisfies all of the following  
26 provisions of this Subparagraph:

27 (i) The vocational rehabilitation program within the Department of Children  
28 and Family Services furnishes the ~~beneficiary~~ retiree with durable medical

1 equipment for use, subject to a requirement that the ~~beneficiary~~ retiree be engaged  
2 in a gainful occupation for at least twenty hours per week.

3 (ii) The ~~beneficiary~~ retiree furnishes any documentation as may be requested  
4 by the Teachers' Retirement System of Louisiana.

5 (b) Any income earned while working the twenty hours required by the  
6 vocational rehabilitation program in order to use such durable medical equipment  
7 shall not be included in the pay which is used to implement Paragraph (1) of this  
8 Subsection. Any income which is derived from the same employment, but which is  
9 derived from work in excess of the twenty hours required in relation to such  
10 equipment shall be included for purposes of implementing Paragraph (1) of this  
11 Subsection.

12 D. For the purposes of this Section, there shall be an annual cost-of-living  
13 adjustment to the average final compensation figure used in the modification  
14 computations. This cost-of-living adjustment shall be based upon and directly reflect  
15 the annual percentage increase or decrease in the Consumer Price Index for the  
16 preceding calendar year.

17 E. If any disability ~~beneficiary~~ retiree is restored to active service, his  
18 retirement allowance shall cease, he shall again become a member of the retirement  
19 system, and he shall contribute thereafter at the current rate in effect at the time he  
20 is restored to service, and if he contributes for at least three years, the period of time  
21 on disability shall be counted as accredited service for purposes of establishing  
22 retirement eligibility, but not for computation of benefits. Any prior service  
23 certificate on the basis of which his service was computed at the time of his  
24 retirement shall be restored to full force and effect and, in addition, upon his  
25 subsequent retirement he shall be credited with all his service as a member.
