1 SUBPART D. MEDICAID MANAGED CARE
2 INDEPENDENT CLAIMS REVIEW PROCESS

3 §460.81. Right of providers to independent review; applicability

4 A. If a provider's claim is subject to an adverse determination evidenced in
5 a remittance advice or other written or electronic notice from a managed care
6 organization, then the provider shall have a right to an independent review of the
7 adverse action taken by the managed care organization. Such independent review
8 shall be governed by the provisions of this Subpart and any applicable rules and
9 regulations promulgated by the department pursuant to the Administrative Procedure
10 Act. The provisions of this Subpart shall not otherwise prohibit or limit any
11 alternative legal or contractual remedy available to a provider to contest the partial
12 or total denial of a claim for payment for healthcare services. Any contractual
13 provision executed between a provider and a managed care organization which seeks
14 to limit or otherwise impede the appeal process as set forth in this Subpart shall be
15 null, void, and deemed to be contrary to the public policy of this state.

16 B. The provisions of this Subpart shall not apply to any adverse
17 determination associated with a claim filed with a managed care organization prior
18 to January 1, 2018, regardless of whether the claim is re-filed after that date. For all
19 adverse determinations related to claims filed on or after January 1, 2018, the state
20 shall not mandate that the provider and managed care organization resolve the claim
21 payment dispute through arbitration.

22 C. An adverse determination involved in litigation or arbitration or not
23 associated with a Medicaid enrollee shall not be eligible for independent review
24 under the provisions of this Subpart.

25 §460.82. Procedure for independent review

26 The following procedure shall govern the process for independent review of
27 an adverse determination taken against a provider by a managed care organization:

28 (1) A provider shall submit a written request for reconsideration to the
29 managed care organization that identifies the claim or claims in dispute, the reasons
30 for the dispute, and any documentation supporting the provider's position or request

1 by the managed care organization within one hundred eighty days from one of the
2 following dates:

3 (a) The date on which the managed care organization transmits remittance
4 advice or other notice electronically, or the date of postmark if the remittance advice
5 or other notice is provided in a nonelectronic format.

6 (b) Sixty days from the date the claim was submitted to the managed care
7 organization if the provider receives no remittance advice or other written or
8 electronic notice from a managed care organization either partially or totally denying
9 the claim.

10 (c) The date on which the managed care organization recoups monies
11 remitted for a previous claim payment.

12 (2) The managed care organization shall acknowledge in writing its receipt
13 of a reconsideration request submitted in accordance with Paragraph (1) of this
14 Subsection within five calendar days after receipt of the request. The managed care
15 organization shall render a final decision and provide a response to the provider
16 within forty-five calendar days from the date of receipt of the request for
17 reconsideration, unless a longer time to completely respond is agreed upon in writing
18 by the provider and the managed care organization.

19 (3)(a) Pursuant to the reconsideration request, if the managed care
20 organization upholds the adverse determination or does not respond to the request
21 within the time frames allowed in this Section, then the provider may file a written
22 notice with the department requesting the adverse action be submitted to an
23 independent reviewer as provided for in this Subpart. The notice requesting an
24 independent review shall be received by the department within sixty days from either
25 the date the provider receives notice of the decision of the reconsideration request;
26 or, if the managed care organization does not respond to the reconsideration request
27 within the time frames allowed in this Section, the last date of the time period
28 allowed for the managed care organization to respond.

29 (b) The department shall provide by rule for the appropriate address to be
30 used by the provider for submission of the notice required by this Section. The

1 provider shall include a copy of the written request for reconsideration with the
2 request for an independent review.

3 (c) If the managed care organization reverses the adverse determination
4 pursuant to a request for reconsideration, payment of the claim or claims in dispute
5 shall be paid no later than twenty days from the date of the decision.

6 (4)(a) Upon receipt of a notice of request for independent review and all
7 required supporting information and documentation, the department shall refer the
8 adverse determination to an independent reviewer. The department shall use best
9 efforts to refer an equal proportion of the total number of disputed claims to each
10 independent reviewer.

11 (b) Subject to approval by the department, a provider may aggregate multiple
12 adverse determinations involving the same managed care organization when the
13 specific reason for nonpayment of the claims aggregated involve a dispute regarding
14 a common substantive question of fact or law. The sole fact that a claim is not paid
15 does not create a common substantive question of fact or law unless the provider has
16 received no remittance advice or other written or electronic notice from a managed
17 care organization either partially or totally denying a claim within sixty calendar
18 days of receipt of the claim by the managed care organization and the claims involve
19 a common substantive question of fact or law.

20 (5)(a) Within fourteen calendar days of receipt of the request for independent
21 review, the independent reviewer shall request in writing that both the provider and
22 the managed care organization provide the reviewer all information and
23 documentation regarding the disputed claim or claims. The independent reviewer
24 shall request the provider and managed care organization to identify all information
25 and documentation that has been submitted by the provider to the managed care
26 organization regarding the disputed claim or claims. Further, the independent
27 reviewer shall advise the managed care organization and the provider that he will not
28 consider any information or documentation not received within thirty calendar days
29 of receipt of his request or any information submitted by the provider that was not
30 submitted to the managed care organization as part of the request for reconsideration.

1 **(b) If a provider elected to aggregate its claims, the independent reviewer**
2 **may, upon request, allow for up to an additional thirty days for both the provider and**
3 **managed care organization to provide relevant information related to the independent**
4 **review requests.**

5 **(6)(a) If the independent reviewer determines that guidance on a medical**
6 **issue from the department is required to make a decision, then the reviewer shall**
7 **refer this specific issue to the department for review and response unless the**
8 **department designates a different contact for this function by rule. Medical issues**
9 **requiring referral may include the matter of whether a medical benefit is a covered**
10 **service under the Medicaid program.**

11 **(b) The department may respond to the request or refer it to an independent**
12 **contractor. The response to a request to determine whether a service received was**
13 **medically necessary must be provided by a physician who is licensed by the state of**
14 **Louisiana and actively practices in the same medical specialty. The department shall**
15 **provide a concise response to the request within ninety calendar days after receipt.**

16 **(7)(a) Upon receipt of the information requested from the provider and**
17 **managed care organization or the lapse of the time period for the managed care**
18 **organization and provider to submit information along with receipt of any applicable**
19 **responses from the department for guidance on medical issue, the independent**
20 **reviewer shall examine all materials submitted and render a decision on the dispute**
21 **within sixty calendar days. However, the independent reviewer may request in**
22 **writing an extension of time from the department to resolve the dispute. If an**
23 **extension of time is granted by the department, then the independent reviewer shall**
24 **provide notice of the extension of time to both the provider and the managed care**
25 **organization involved in the dispute.**

26 **(b) In reaching a decision, the independent reviewer shall not consider any**
27 **information or documentation from the provider that the provider did not submit to**
28 **the managed care organization during the managed care organization's review of the**
29 **provider's request for reconsideration of the adverse determination.**

1 (8) Upon rendering a decision, the independent reviewer shall send to the
2 managed care organization, the provider, and the department a copy of the decision.
3 Once the independent reviewer renders a decision requiring a managed care
4 organization to pay any claims or portion of the claims, then the managed care
5 organization shall send the payment in full along with interest back to the date the
6 claim was originally denied or recouped to the provider within twenty calendar days
7 of the date of the reviewer's decision.

8 §460.83. Independent review; judicial appeal

9 Within sixty calendar days of an independent reviewer's decision, either party
10 to the dispute may file suit in any court having jurisdiction to review the independent
11 reviewer's decision and to recover any funds awarded by the independent reviewer
12 to the other party. Any claim concerning an independent reviewer's decision not
13 brought within sixty calendar days of the decision shall be barred indefinitely. Suits
14 filed pursuant to this Section shall be conducted in accordance with applicable
15 provisions of the Louisiana Code of Civil Procedure, and the review by the court will
16 be de novo without regard to the independent reviewer's decision. The independent
17 reviewer and any person who assisted the independent reviewer in reaching a
18 decision shall be prohibited from testifying at the court proceeding considering the
19 independent reviewer's decision. Venue shall be proper in the district court for the
20 parish where either the healthcare provider or the managed care organization is
21 domiciled, and the district court for that parish has exclusive jurisdiction thereof. If
22 the dispute between the parties is not fully resolved prior to the entry of a final
23 decision by the court initially hearing the dispute, then the prevailing party shall be
24 entitled to an award of reasonable attorney fees and expenses from the nonprevailing
25 party. For purposes of this Section, "reasonable attorney fees" means the number of
26 hours reasonably expended on the dispute multiplied by a reasonable hourly rate, and
27 shall not exceed ten percent of the total monetary amount in dispute or five hundred
28 dollars, whichever amount is greater.

1 §460.84. Costs

2 A. The fee for conducting an independent review shall in all cases be paid
3 to the independent reviewer by the managed care organization. A provider shall,
4 within ten days of the date of the decision of the independent reviewer, reimburse a
5 managed care organization for the fee associated with conducting an independent
6 review when the decision of the managed care organization is upheld. If the provider
7 fails to submit payment for the independent review within ten days from the date of
8 the decision, the managed care organization may withhold future payments to the
9 provider in an amount equal to the cost of the independent review; however, the
10 managed care organization shall ensure that such a withholding is clearly delineated
11 on the remittance advice. If a provider fails to properly reimburse the managed care
12 organization, the department may prohibit that provider from future participation in
13 the independent review process.

14 B. The managed care organization shall compensate the independent
15 reviewer within thirty calendar days of receipt by the managed care organization of
16 the reviewer's bill for services rendered. If the managed care organization fails to
17 pay the bill for the independent reviewer's services, then the reviewer may request
18 payment directly from the department from any funds held by the state that are
19 payable to the managed care organization.

20 §460.85. Independent reviewer selection panel; procedure

21 A. The Independent Reviewer Selection Panel is hereby created within the
22 department and shall consist of the secretary or his duly designated representative
23 and the following members appointed by the secretary:

24 (1) Two provider representatives.

25 (2) Two managed care organization representatives.

26 B. All decisions of the panel shall be made by a majority vote. The panel
27 shall meet at least twice per year. Panel members shall serve without compensation.

28 C. The panel shall:

29 (1) Select a chairperson.

1 (2) Select and identify an appropriate number of independent reviewers and
 2 determine a uniform rate of compensation per review to be paid to each reviewer.

3 (3) Continually review the number and outcome of requests for
 4 reconsideration and independent reviews on an aggregated basis. The panel shall not
 5 be provided any patient-identifying information for any reason.

6 D. The secretary shall report to the panel the name of any provider who
 7 submits ten or more requests for independent review along with the percentage of
 8 adverse determinations that are overturned.

9 §460.86. Independent reviewers

10 Each managed care organization shall utilize only independent reviewers who
 11 are selected in accordance with R.S. 46:460.85, and shall comply with the provisions
 12 of this Subpart in the resolution of disputed adverse determinations.

13 §460.87. Penalties

14 A managed care organization found by the secretary to be in violation of any
 15 provision of this Subpart may be subject to a penalty of up to twenty-five thousand
 16 dollars per violation. In addition, if a managed care organization is subject to more
 17 than one hundred independent reviews annually and the percentage of adverse
 18 determinations overturned in favor of the healthcare provider as a result of an
 19 independent review is greater than twenty-five percent, the managed care
 20 organization may be subject to a penalty of up to twenty-five thousand dollars.

21 §460.88. Rules and regulations

22 The department shall promulgate all rules and regulations in accordance with
 23 the Administrative Procedure Act as may be necessary to effectuate and implement
 24 the provisions of this Subpart.

25 §460.89. Exclusion

26 A. The provisions of this Subpart shall not be applicable to any claim
 27 adjudication or adverse determination rendered by a Dental Coordinated Care
 28 Network.

1 B. For purposes of this Subpart, a "Dental Coordinated Care Network" shall
 2 mean a managed care organization, as defined in R.S. 46:460.51, that solely provides
 3 dental benefits to Medicaid recipients.
