 24 Within ~~ten~~ twenty days after he receives this notice, the governor shall make

6 (b) If it determines that the number cannot be reduced or should be
7 increased, those persons who served as absentee by mail and early voting
8 commissioners and alternate absentee by mail and early voting commissioners for
9 the parish in the primary election shall serve in the general election, unless replaced
10 or disqualified in the manner provided by law for commissioners and alternate
11 commissioners. ~~The number of absentee by mail and early voting commissioners for~~
12 ~~a general election shall not be less than three.~~ If the parish board of election
13 supervisors determines that the number of absentee by mail and early voting
14 commissioners should be increased to more than the number of such commissioners
15 who served in the primary election, the parish board shall make a request to the
16 secretary of state for the additional absentee by mail and early voting commissioners.
17 If the secretary of state or his designee determines that there is a need for the
18 additional absentee by mail and early voting commissioners, the parish board shall
19 select the additional absentee by mail and early voting commissioners.

20 * * *

21 (3) If the parish board ~~determines~~ and the secretary of state or his designee
22 determine that the number of absentee by mail and early voting commissioners
23 should be increased, the parish board shall meet at 10:00 a.m. on the fifth day before
24 a general election and shall select the additional absentee by mail and early voting
25 commissioners and alternate absentee by mail and early voting commissioners to
26 serve in the general election for that parish from the list of certified commissioners
27 who have not been chosen to serve in the general election as a commissioner-in-
28 charge, commissioner, or, if applicable, absentee by mail and early voting
29 commissioner in the manner provided by law for the selection of commissioners and

1 alternate commissioners. If there are not enough certified commissioners to select
2 the appropriate number of absentee by mail and early voting commissioners and
3 alternate absentee by mail and early voting commissioners, the board of election
4 supervisors may select a qualified elector of the parish to serve; however, no such
5 elector shall serve as an absentee by mail and early voting commissioner if a
6 certified commissioner has been selected as an alternate absentee by mail and early
7 voting commissioner.

8 D. Selection for provisional ballot counting for a primary or general election.

6 made defendant to any action objecting to the calling of a special election. The
7 secretary of state, in his official capacity, shall be made a party defendant to any

23 cast on a candidate, ~~or~~ proposition, or recall, then these excluded legal votes shall be
24 added to the total votes on the candidate, ~~or the~~ proposition, or recall to which they
25 are attributable. Thereafter, and after considering all the evidence, the court shall
26 determine the result of the election.

27 §1432. Remedies

28 A.(1) If the trial judge in an action contesting an election determines that:
29 ~~(1)~~ (a) it is impossible to determine the result of election, or ~~(2)~~ (b) the number of

 2 sufficient to change the result in the election, if they had been allowed to vote, or ~~(3)~~
 3 (c) the number of unqualified voters who were allowed to vote by the election
 4 officials was sufficient to change the result of the election if they had not been
 5 allowed to vote, or ~~(4)~~ (d) a combination of the factors referred to in ~~(2)~~ (b) and ~~(3)~~
 6 (c) in this ~~Subsection~~ Paragraph would have been sufficient to change the result had

 9 determines that the appropriate remedy is the calling of a restricted election, the
 10 judge may render a final judgment ordering a restricted election, specifying the date
 11 of the election, the appropriate candidates for the election, the office or other position
 12 for which the election shall be held, and indicating which voters will be eligible to

 20 not been allowed to vote, or (d) a combination of the factors referred to in (b) and (c)
 21 in this Paragraph would have been sufficient to change the result had they not
 22 occurred, the judge may render a final judgment declaring the election void and
 23 ordering a new recall election, or, if the judge determines that the appropriate remedy
 24 is the calling of a restricted election, the judge may render a final judgment ordering
 25 a restricted election, specifying the date of the election, and indicating which voters
 26 will be eligible to vote.

1 §1433. Revote in precincts where voting machine malfunctions if result cannot be
2 otherwise ascertained

3 A. Notwithstanding the provisions of R.S. 18:1432, if a discrepancy
4 sufficient to change the result of the election between the total votes cast at an
5 election and the votes counted for the candidates in the election or for or against the
6 recall of a public officer occurs as a result of a voting machine malfunction, and an
7 accurate count of the votes cast on the malfunctioning machine cannot be determined
8 by the offering of circumstantial evidence or any other evidence, the court shall order
9 a revote in the precinct where the voting machine malfunctioned, which shall be
10 limited to those persons listed on the poll list as having cast their ballots in person
11 at the polls in the election in which the machine malfunctioned.

12 B. Notwithstanding the provisions of R.S. 18:1432, if a discrepancy
13 sufficient to change the result of the election between the total votes cast at an
14 election and the votes counted for the candidates in the election or for or against the
15 recall of a public officer occurs as a result of the malfunction of a voting machine
16 used for early voting, and an accurate count of the votes cast on the malfunctioning
17 machine cannot be determined by the offering of circumstantial evidence or any
18 other evidence, the court shall order a revote of electronic early voting ballots in the
19 parish where the voting machine used for early voting malfunctioned, which shall
20 be limited to those persons who voted during early voting in the election.

HB No. 533

Abstract: Revises the system of laws comprising the La. Election Code.

Present law (R.S. 18:103) provides for voter registration. Provides requirements and procedures for registering to vote by mail, including procedures for persons who are unable to register in person because they are in the U.S. Service or because they reside outside of the U.S. Provides that such a person must return registration documents by mail to the registrar. Proposed law allows for the transmission of registration documents by facsimile or other means of transmission in addition to mailing. Otherwise retains present law.

Present law (R.S. 18:152) provides that prior to each election, the registrar shall "request" a current precinct register and duplicate precinct register for each precinct in the parish where an election is to be held. Proposed law requires the registrar to "obtain" one current copy of the precinct register and repeals the requirement for a hard copy duplicate precinct register. Provides that the Dept. of State will provide the registrar with a duplicate precinct register in electronic form instead.

Present law (R.S. 18:154) prohibits the registrar and the Dept. of State from disclosing certain voter information, including the day and month of the date of birth of a voter. Proposed law retains present law, but provides an exception for transmitting the full date of birth of a voter to the Board of Ethics to verify the identity of a candidate for purposes of campaign finance reporting.

Present law (R.S. 18:431) requires the clerk of court to conduct a general course of instruction for commissioners at least semiannually. Proposed law changes this requirement to provide that the course of instruction be conducted at least annually instead of semiannually.

Present law (R.S. 18:427 and 435) provides for poll watchers. Provides for qualifications, powers, duties, appointment, and commission of watchers. Provides that each candidate is entitled to have one watcher at every precinct where the office he seeks is voted on in a primary or general election. Provides that a watcher shall be admitted within all parts of the polling place during the election and the counting and tabulation of votes, and shall call any infraction of the law to the attention of the commissioners. Proposed law specifies that watcher's responsibilities are limited to election day voting. Otherwise retains present law.

Present law (R.S. 18:463) requires a candidate to file a notice of candidacy. Requires that certain information be in the notice, including the political party, if any, with which the candidate is registered as being affiliated. Proposed law requires the candidate to list on the notice of candidacy the name of the political party if he is registered as being affiliated with a recognized political party, "other" if he is registered as being affiliated with a political party that is not a recognized political party, or "no party" if he is registered with no political party affiliation. Otherwise retains present law.

Present law (R.S. 18:109) requires the registrar to mail a notice of registration to a person who has sent information to the registrar concerning a new registration or change in registration. Requires that the notice contain certain information, including the party affiliation of the registrant. Proposed law requires the notice to contain an abbreviation of the name of the political party if the registrant is registered as being affiliated with a recognized political party, "other" if the registrant is registered as being affiliated with a political party that is not recognized, or "none" if the registrant is registered with no political party affiliation.

Present law (R.S. 18:591, 602, and 604) provides a 10-day deadline for making an appointment to fill a vacancy in the offices of elective members of state boards and commissions and certain local and municipal offices. Provides a 10-day deadline for issuing a proclamation calling a special election for certain offices. Proposed law extends the deadlines to 20 days.

Present law (R.S. 18:602) provides for vacancies in the office of a member of a parish or municipal governing authority or a combination thereof, a mayor, or any other local or municipal office, except member of a city or parish school board, district attorney, clerk of a district court, coroner, sheriff, tax assessor, judge, state legislator, or marshal of a city or municipal court, and the office is filled by election wholly within the boundaries of a local governmental subdivision. Provides that if the unexpired term of such a municipal office is one year or more, but the vacancy occurs within one year of the regular municipal primary election for that office, no special election will be called and the appointee shall serve for the remainder of the term of office. Proposed law applies provisions of present law relative to the holding of a special election based on the timing of the regular primary election to parish offices covered by present law. Otherwise retains present law.

Present law (R.S. 19:1284 and 1299.1) provides relative to bond, debt, and tax elections and other elections where a proposition or question is put to the voters. Provides requirements for a statement of a proposition to be submitted to the voters. Provides that the statement is the responsibility of the governing authority, political subdivision, or other entity calling the election. Requires certain information to be included, including a simple, unbiased, and concise summary of the proposition. Provides that the statement of the proposition shall not exceed 400 words. Provides that the secretary of state is responsible for ensuring that the statement of the proposition contains a summary as required by present law.

Proposed law repeals references to a "statement of a proposition" and applies requirements to the proposition itself. Provides that the proposition shall not exceed 200 words, instead of 400. Requires the proposition to be stated in the form of a question. Provides that the secretary of state shall ensure that the proposition complies with proposed law. Otherwise retains present law.

Present law (R.S. 44:52 et seq.) provides for the Dept. of State Address Confidentiality Program. Provides for the confidentiality of the physical addresses of program participants who are victims of abuse, sexual assault, or stalking.

Present law (R.S. 18:1303) provides eligibility requirements for voting absentee by mail. Provides that a program participant in the Address Confidentiality Program is eligible to vote absentee by mail. Present law (R.S. 18:1308) provides procedures and requirements for applying to vote absentee by mail. Requires the submission within certain deadlines of an application containing certain required information.

Proposed law (R.S. 18:1307) retains present law. Additionally provides that if a person applying to vote absentee by mail is a program participant in the Address Confidentiality Program pursuant to present law his application, if it meets the requirements of present law, shall remain valid as long as the applicant is a program participant in the Address Confidentiality Program. Provides that when the applicant ceases participation in the program, the registrar shall send notice by forwardable mail to the applicant that his

application will no longer be valid, and the applicant shall be required to submit a new application to the registrar that meets the requirements of present law and provide a current address before the applicant will be eligible to vote absentee by mail again.

Present law (R.S. 18:1309.1) requires the parish custodian, prior to the conduct of absentee voting, to provide notice to each candidate of the time and place at which the voting machines will be sealed for absentee voting in person; that each candidate or his representative may be present to observe the preparation of the machines; and that each candidate or his representative will have the opportunity to inspect and test vote the machines to see that they are in proper condition for the election. Provides that the notice shall state the time and place at which the parish custodian of voting machines will begin preparation of the machines for sealing and provides that the reasonable opportunity to inspect the machines shall not be less than 30 minutes beginning at the time designated by the parish custodian to begin preparation of the machines for sealing. Prohibits a candidate, his representative, or citizen from interfering with the registrar of voters, parish custodian, or any employee or technician or assuming any of their duties.

Proposed law requires each candidate to be notified at the time of qualifying instead of prior to the conduct of early voting. Provides that a candidate shall be notified to contact the registrar of voters concerning the time and place at which the voting machines will be prepared. Repeals provisions requiring the notice to contain the time and place for sealing. Provides that machines are prepared, tested, and sealed by the registrar in the presence of the parish board of election supervisors. Provides that a candidate may view the test vote tape for each machine instead of actually inspecting and testing the machines.

Present law (R.S. 18:1314) provides relative to absentee by mail and early voting commissioners. Provides for qualifications and selection. Provides that the parish board of election supervisors shall determine the number of absentee by mail and early voting commissioners necessary for an election. Requires the board to select at least three commissioners for the primary or first party primary election. Allows the board to increase or decrease the number of absentee by mail and early voting commissioners for a second party primary or general election.

Proposed law repeals the minimum number of absentee by mail and early voting commissioners that must be selected and provides for a maximum of six such commissioners. Requires approval of the secretary of state or his designee if the board seeks to use more than six absentee by mail and early voting commissioners for an election. Requires approval of the secretary of state or his designee to increase the number of commissioners to be used at the second party primary or general election. Provides that a designee of the secretary of state may approve the number of absentee by mail and early voting commissioners used to count and tabulate provisional ballots. Otherwise retains present law.

Present law (R.S. 18:1352) provides that voting machines shall be used throughout the state in all elections, provided that nothing in present law prohibits absentee by mail and early voting. Proposed law provides that paper ballots may be used when voting machines fail. Otherwise retains present law.

Present law provides procedures and time limits for contesting elections. Proposed law (R.S. 18:1401 and 1402) retains present law and additionally provides procedures and time limits for contesting recall elections. Provides that a public officer who alleges that, except for substantial irregularities or error, or except for fraud or other unlawful activities in the conduct of the election, he would not have been recalled may bring an action contesting the election. Provides that the secretary of state, in his official capacity, shall be made a party defendant to any action contesting an election for the recall of a public officer.

Proposed law (R.S. 18:1404, 1405, 1406, 1415) provides that an action contesting an election for the recall of a public officer shall be instituted in the district court for a parish

included in whole or in part in the voting area wherein the recall election is held; however if the public officer recalled is a statewide elected official, an action contesting the election shall be instituted in the district court for the parish where the state capitol is situated. Provides that an action contesting an election involving the recall of a public officer shall be instituted on or before 4:30 p.m. of the ninth day after the date of the election. Requires the petition in such an action to contain allegations that except for substantial irregularities or error, fraud, or other unlawful activities in the conduct of the election, the petitioner would not have been recalled. Provides further that if an action contesting an election involving the recall of a public officer has not been filed, the recalled public officer may conduct limited discovery as provided pursuant to present law during the period of time after the close of the polls on election day and prior to the expiration of time to file a suit contesting such election.

Present law (R.S. 18:1431) provides that when the court finds that one or more of the votes cast in a contested election are illegal or fraudulent, the judge shall subtract such vote or votes from the total votes cast for the candidate who received them if the contest involves election to office, or from the total vote for or against a proposition, if the contest is of an election upon a proposition. Provides that if the court determines that legal votes cast in the election were excluded in the total votes cast on a candidate or proposition, then these excluded legal votes shall be added to the total votes on the candidate or the proposition to which they are attributable. Provides that thereafter, and after considering all the evidence, the court shall determine the result of the election. Proposed law applies present law to votes cast in a recall election.

Present law (R.S. 18:1432) provides if the trial judge in an action contesting an election determines that: (1) it is impossible to determine the result of election, or (2) the number of qualified voters who were denied the right to vote by the election officials was sufficient to change the result in the election, if they had been allowed to vote, or (3) the number of unqualified voters who were allowed to vote by the election officials was sufficient to change the result of the election if they had not been allowed to vote, or (4) a combination of the factors referred to in (2) and (3) would have been sufficient to change the result had they not occurred, the judge may render a final judgment declaring the election void and ordering a new primary or general election for all the candidates, or, if the judge determines that the appropriate remedy is the calling of a restricted election, the judge may render a final judgment ordering a restricted election, specifying the date of the election, the appropriate candidates for the election, the office or other position for which the election shall be held, and indicating which voters will be eligible to vote. Proposed law applies present law to actions contesting recall elections.

Present law (R.S. 18:1433) provides for a revote at a precinct when a discrepancy sufficient to change the result of the election is caused because of a voting machine malfunction. Proposed law applies present law to recall elections.

Present law (R.S. 18:1300.13) provides that when a majority votes in favor of the recall, the public officer is, ipso facto, recalled and removed from office, and the office shall be vacated upon receipt by the secretary of state of certified returns from all of the parish boards of election supervisors within the jurisdiction. Proposed law provides instead that the office shall be vacated upon expiration of the time period for contesting the recall election set forth in proposed law if an action contesting the recall election is not commenced timely or when the final judgment becomes definitive if an action contesting the recall election is commenced timely.

Present law (R.S. 18:1259) provides for the arrangement of the ballot in elections for presidential electors. Includes the names of the presidential electors on the ballot. Proposed law provides that the names of the presidential electors shall not be on the ballot.

Proposed law makes various technical changes.

Effective upon signature of governor or lapse of time for gubernatorial action, except that provisions of proposed law relative to propositions submitted to voters become effective Jan. 1, 2012.
