employee productivity and discipline, and performance management. This Subsection shall only be effective in the event that funds are appropriated to effect these provisions. The legislative auditor, in cooperation and coordination with the Board of Regents, shall annually audit data submitted or to be submitted by institutions to the Board of Regents as indicators of meeting performance objective targets established by or pursuant to this Section to ensure that the data is reliable. No provision of this Subsection shall be construed to limit the authority of the auditor under any other provision of law. The legislative auditor shall, to the extent that he determines feasible and in the best interests of the state, take steps to minimize disruption of normal operations at the institutions such as conducting such audits in conjunction with the institution's financial audit.
