2 secondary school, projected to the scheduled date of the beneficiary's first enrollment
3 into an elementary or secondary school. For purposes of this Chapter, the scheduled

6 E.(1) Annually, the authority shall credit the beneficiary of an education
7 savings account an earnings enhancement as calculated pursuant to this Paragraph.
8 An earnings enhancement shall be determined by adding the deposits made to the

23 enhancement rate applicable to an account established by a person or persons

25 the adjusted gross income reported by the owner of the account on his federal tax
26 return for the taxable year immediately preceding the year in which the beneficiary
27 of the account is being considered for an earnings enhancement, according to the
28 following schedule:

F. To be eligible in any given year for the crediting of an earnings enhancement to an education savings account on behalf of the beneficiary, the owner must authorize the authority to access the owner's prior year state tax return filed with the Department of Revenue or provide the authority a copy of his federal income tax return filed for the prior year.

G. The right of a beneficiary to the assets of an education savings account shall not be subject to and is expressly dispensed from collation, execution,

3 existing qualified tuition program authorized by Section 529 of the Internal Revenue

2019 Regular Session

Foil

Abstract: Authorizes the credit of earnings enhancements to START K12 education accounts.

Present law provides for the La. Student Tuition Assistance and Revenue Trust Kindergarten Through Grade Twelve (START K12) Program, an education savings program for certain expenses associated with enrolling in grades kindergarten through 12. The START K12 Program is similar to the La. Student Tuition Assistance and Revenue Trust (START) Program, except the former is for certain expenses associated with an elementary or secondary school and the latter is for certain expenses associated with an institution of postsecondary education.

Proposed law retains present law.

Present law provides for earnings enhancements, a "state match" on deposits between 2% and 14% annually for the START program; such rate depends on the account category and the account owner's income. Further, present law establishes the "Savings Enhancement Fund" as a special permanent subaccount within the START Program and provides that the legislature shall annually appropriate state general funds to be deposited by the treasurer in this fund. Provides that this fund shall be used for earnings enhancements for START accounts.

Proposed law retains present law and authorizes a state match for the START K12 Program at the same rates applicable to the START Program in present law and provides that the Savings Enhancement Fund shall also be used to fund earnings enhancements for the START K12 Program.

Effective Jan. 1, 2020.

(Amends R.S. 17:3100.2(3)-(13) and 3100.6(B)(2); Adds R.S. 17:3100.2(14) and (15), 3100.5(F)(5), and (G), 3100.6(D), (E), (F) and (G))
