## 2016 Regular Session

## HOUSE BILL NO. 969

## BY REPRESENTATIVES COX, BAGLEY, HENSGENS, HOFFMANN, HORTON, MIKE JOHNSON, MAGEE, AND DUSTIN MILLER

PUBLIC HEALTH: Requires adult residential care providers and nursing homes to disseminate information on shingles and pneumonia immunizations

1	AN ACT
2	To enact R.S. 40:2011 and 2166.9, relative to immunizations for adults; to require the
3	Department of Health and Hospitals to provide educational information on shingles
4	and pneumonia; to require nursing homes and adult residential care providers to
5	disseminate educational information on shingles and pneumonia; to establish the
6	minimum content of the information; to provide for interpretations; and to provide
7	for related matters.
8	Be it enacted by the Legislature of Louisiana:
9	Section 1. R.S. 40:2011 and 2166.9 are hereby enacted to read as follows:
10	§2011. Immunization information; shingles; pneumonia
11	A. No later than September first of each year and in accordance with the
12	latest recommendations of the Advisory Committee on Immunization Practices of
13	the Centers for Disease Control and Prevention, the Department of Health and
14	Hospitals shall provide to licensed nursing homes with educational information on
15	zoster, also known as shingles. The educational information shall include, at a
16	minimum, the risks associated with shingles and how to protect oneself against the
17	varicella-zoster virus. The licensed nursing homes shall disseminate this information
18	to their residents.

CODING: Words in struck through type are deletions from existing law; words <u>underscored</u> are additions.

1	B. No later than September first of each year and in accordance with the
2	latest recommendations of the Advisory Committee on Immunization Practices of
3	the Centers for Disease Control and Prevention, the Department of Health and
4	Hospitals shall provide nursing facilities with educational information on
5	pneumonia. The educational information shall include, at a minimum, the risks
6	associated with pneumonia and the availability of the pneumococcal immunization.
7	The licensed nursing homes shall disseminate this information to their residents.
8	C. Nothing in this Section shall be construed to require any licensed nursing
9	home to provide or pay for any immunization against the varicella-zoster virus or
10	pneumonia.
11	* * *
12	§2166.9. Immunization information; shingles; pneumonia
13	A. No later than September first of each year and in accordance with the
14	latest recommendations of the Advisory Committee on Immunization Practices of
15	the Centers for Disease Control and Prevention, the Department of Health and
16	Hospitals shall provide to licensed adult residential care providers with educational
17	information on zoster, also known as shingles. The educational information shall
18	include, at a minimum, the risks associated with shingles and how to protect oneself
19	against the varicella-zoster virus. The licensed adult residential care providers shall
20	disseminate this information to their residents.
21	B. No later than September first of each year and in accordance with the
22	latest recommendations of the Advisory Committee on Immunization Practices of
23	the Centers for Disease Control and Prevention, the Department of Health and
24	Hospitals shall provide licensed adult residential care providers with educational
25	information on pneumonia. The educational information shall include, at a
26	minimum, the risks associated with pneumonia and the availability of the
27	pneumococcal immunization. The licensed adult residential care providers shall
28	disseminate this information to their residents.

- C. Nothing in this Section shall be construed to require any adult residential

   care provider to provide or pay for any immunization against the varicella-zoster
- 3 <u>virus or pneumonia.</u>

## DIGEST

HB 969 Engrossed	2016 Regular Session	Cox
		COA

Abstract: Requires nursing homes and adult residential care providers to disseminate educational information on shingles and pneumonia.

<u>Proposed law</u> requires the Dept. of Health and Hospitals to provide nursing homes and adult residential care providers with educational information on shingles and pneumonia no later than Sept. 1 of each year and in accordance with the latest recommendations of the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention.

<u>Proposed law</u> requires the educational information to include, at a minimum, all of the following:

- (1) The risks associated with shingles and how to protect oneself against the varicellazoster virus.
- (2) The risks associated with pneumonia and the availability of the pneumococcal immunization.

<u>Proposed law</u> requires the nursing homes and adult residential care providers to disseminate the educational information to their residents.

<u>Proposed law</u> shall not be construed to require any nursing home or adult residential care provider to provide or pay for any immunization against the varicella-zoster virus or pneumonia.

(Adds R.S. 40:2011 and 2166.9)

Summary of Amendments Adopted by House

The Committee Amendments Proposed by <u>House Committee on Health and Welfare</u> to the <u>original</u> bill:

- 1. Require DHH to provide the educational information to licensed nursing homes and adult residential care providers.
- 2. Limit the minimum required content of the educational material provided by DHH.
- 3. Make technical changes.
