

1 (g) W. O. Moss Regional Medical Center in Lake Charles.

2 (h) University Medical Center in Baton Rouge; and

3 WHEREAS, state law further provides that the board shall own and operate and have  
4 the responsibility for the operation and management of the following hospitals under LSU  
5 Health Sciences Center-Shreveport, including all programs and facilities thereof subject to  
6 the authority of the board to direct, control, supervise, and manage the hospitals:

7 (a) University Hospital Shreveport.

8 (b) E. A. Conway Medical Center in Monroe.

9 (c) Huey P. Long Medical Center in Pineville; and

10 WHEREAS, the board has announced that it intends to enter into public private  
11 partnerships with private entities whereby the hospital facilities will be leased or occupancy  
12 will be otherwise granted to the nonstate entity and the nonstate entity will assume  
13 responsibility for the hospitals' management and operations, all as to be described in a  
14 cooperative endeavor agreement, which will result in the termination of the employment of  
15 the current state employees in those hospitals, and the effective closure of the public  
16 hospitals; and

17 WHEREAS, the board, the Louisiana Department of Health and Hospitals and the  
18 state of Louisiana, through the division of administration, have entered into memoranda of  
19 understanding regarding the following public hospitals:

20 (a) With Louisiana Children's Medical Center and University Medical Center  
21 Medical Management Corporation regarding the interim successor hospital to Medical  
22 Center of Louisiana in New Orleans and upon its completion the new University Medical  
23 Center in New Orleans, Louisiana;

24 (b) With Lafayette General Health System, Inc. regarding University Medical Center  
25 in Lafayette, Louisiana;

26 (c) With Ochsner Health System and Hospital Service District No. 1 of the Parish of  
27 Terrebonne regarding L. J. Chabert Medical Center in Houma, Louisiana;

28 (d) With Southwest Louisiana Hospital Association d/b/a Lake Charles Memorial  
29 Hospital regarding W. O. Moss Regional Medical Center in Lake Charles, Louisiana;

1 (e) With Biomedical Research Foundation of Northwest Louisiana regarding the LSU  
2 Medical Center - Shreveport in Shreveport, Louisiana and E.A. Conway Medical Center in  
3 Monroe, Louisiana; and

4 WHEREAS, the attorney general of the state of Louisiana issued an opinion and  
5 determined that the board does not need the approval of the legislature to lease an entire state  
6 hospital facility under the board's control and management; and

7 WHEREAS, state law prohibits the closure of any hospital or emergency room under  
8 the authority of the board without legislative approval, which approval may be granted by  
9 the legislature either by concurrent resolution or by appropriate action in the General  
10 Appropriation Act; and

11 WHEREAS, the opinion of the attorney general does not address whether the lease  
12 of an entire state hospital facility to a nonstate entity constitutes the closure of the publicly  
13 owned hospital facility; and

14 WHEREAS, the General Appropriation Act for Fiscal Year 2012-2013, namely Act  
15 No. 13 of the 2012 Regular Session of the Legislature, does not contemplate the closure of  
16 any of the publicly owned hospital facilities; and

17 WHEREAS, Louisiana law further provides that prior to the confection of any  
18 cooperative endeavor agreement which would result or is expected to result in any nonpublic  
19 party to the agreement generating or expending revenue of one million dollars or more per  
20 year from the operation, management, or control of a state resource, the state agency shall  
21 inform the Joint Legislative Committee on the Budget of the proposed agreement and the  
22 Joint Legislative Committee on the Budget may hold a hearing on the agreement any time  
23 prior to the official confection of the agreement; and

24 WHEREAS, given the important nature of the mission and purpose of these  
25 hospitals, including but not limited to the provision of access to high quality medical care  
26 for the most vulnerable patients including the medically indigent and uninsured, the  
27 development of medical and clinical manpower throughout the state in the various accredited  
28 residency and other health education programs, and the cooperative nature in which these  
29 hospitals work collaboratively with other healthcare providers and agencies to improve the  
30 health outcomes of the citizens of the state, it is the right and the responsibility of the

1 legislature to actively participate and deliberate on the management structure for these  
2 hospitals to ensure that they are operating efficiently and effectively in the best interests of  
3 the citizens of the state.

4       THEREFORE, BE IT RESOLVED that any public private partnership between the  
5 Board of Supervisors of Louisiana State University and a nonstate entity for the operation  
6 and management of a public hospital shall require the approval of the Joint Legislative  
7 Committee on the Budget, and such approval shall be in addition to the requirements of R.S.  
8 39:366.1 et seq.

9       BE IT FURTHER RESOLVED that the LSU Board of Supervisors is directed to  
10 submit to the Joint Legislative Committee on the Budget for approval of any cooperative  
11 endeavor agreement that transfers the management and operation of a state owned hospital  
12 to a private entity.

13       BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the  
14 governor of the state of Louisiana, the vice president of health affairs and medical education  
15 for the Louisiana State University System, the chancellor of Louisiana State University  
16 Health Sciences Center-NO, the chancellor of Louisiana State University Health Sciences
