Regular Session, 2010

1

HOUSE RESOLUTION NO. 102

BY REPRESENTATIVE TIM BURNS

PUBLIC BUILDINGS/ST CAPL: Requests the House Executive Committee to consider allowing open access to the wireless Internet capabilities in House-controlled areas of the State Capitol

A RESOLUTION

2	To urge and request the House Executive Committee to consider allowing open access to the
3	wireless Internet capabilities in House-controlled areas of the State Capitol.
4	WHEREAS, the Internet is an invaluable tool for conducting the business of state
5	government, particularly the legislative branch; and
6	WHEREAS, the Legislature of Louisiana makes available via the Internet
7	information concerning each phase of the legislative process, which allows greater access
8	to that process; and
9	WHEREAS, wireless Internet access makes using the Internet more convenient; and
10	WHEREAS, the State Capitol has existing wireless Internet capabilities, but access
11	is restricted.
12	THEREFORE, BE IT RESOLVED that the House of Representatives of the
13	Legislature of Louisiana does hereby urge and request the House Executive Committee to
14	consider allowing open access to the wireless Internet capabilities in House-controlled areas
15	of the State Capitol.

DIGEST

The digest printed below was prepared by House Legislative Services. It constitutes no part of the legislative instrument. The keyword, one-liner, abstract, and digest do not constitute part of the law or proof or indicia of legislative intent. [R.S. 1:13(B) and 24:177(E)]

Tim Burns HR No. 102

Requests the House Executive Committee to consider allowing open access to the wireless Internet capabilities in House-controlled areas of the State Capitol.

Summary of Amendments Adopted by House

Committee Amendments Proposed by <u>House Committee on House and Governmental Affairs</u> to the <u>original</u> resolution.

1. Requests the House Executive Committee to consider allowing for "open access" to wireless capabilities instead of allowing for "nonmember access".
