HOUSE RESOLUTION NO. 148

BY REPRESENTATIVE CARPENTER

PARKS/RECREATION COMMN: Creates a task force on the policies of the Recreation and Park Commission for the Parish of East Baton Rouge

1 A RESOLUTION

2 To create the Task Force on Recreation and Park Commission for the Parish of East Baton  
3 Rouge Policies to study issues related to the operation, management, funding, and  
4 location of the Baton Rouge Zoo and to provide for a written report of findings and  
5 recommendations to the House Committee on Municipal, Parochial and Cultural  
6 Affairs not later than December 31, 2018.

7 WHEREAS, the Recreation and Park Commission for the Parish of East Baton  
8 Rouge (BREC) was created by Act No. 246 of the 1946 Regular Session of the Louisiana  
9 Legislature; and

10 WHEREAS, BREC is responsible for the maintenance, management, and control of  
11 all parks, playgrounds, play fields, or other property, including the Baton Rouge Zoo,  
12 permanently devoted to recreational purposes located within East Baton Rouge Parish; and

13 WHEREAS, in 1965, aided by the urging of television personality William  
14 "Buckskin Bill" Black, Baton Rouge taxpayers passed a local property tax that provided  
15 more than three-quarters of a million dollars for the construction of the Baton Rouge Zoo  
16 and matching funds were obtained from the Bureau of Outdoor Recreation; and

17 WHEREAS, construction of the zoo began in 1966 and the zoo first opened on Easter  
18 Sunday, 1970, to residents of East Baton Rouge Parish who fully embraced the concept of  
19 the new zoo and the sense of ownership it instilled in the community; and

1           WHEREAS, over the next forty years, the zoo became a year-round family attraction  
2 and vital economic driver in north Baton Rouge with more than a quarter million annual  
3 visitors of all ages and backgrounds; and

4           WHEREAS, over the last several years, although BREC receives millions of dollars  
5 in funding annually from local property taxes, the facilities at the Baton Rouge Zoo have  
6 fallen into disrepair, the number of visitors has declined significantly, and the zoo recently  
7 lost its accreditation; and

8           WHEREAS, BREC contends that the zoo cannot survive at its current location and  
9 has made a recent push to move the zoo to the Baton Rouge fairgrounds in the southern part  
10 of the parish, arguing that a state-of-the-art zoo can be developed at that location which will  
11 result in an additional one hundred twenty-five thousand annual visitors; and

12           WHEREAS, the Baton Rouge fairgrounds, which are comprised of one hundred  
13 thirty-three acres, were inundated with significant floodwaters during the August 2016 flood  
14 and are susceptible to future flooding, which poses a potential threat to all animals that  
15 would be housed at that location; and

16           WHEREAS, the zoo currently sits on only a tiny portion of the sprawling six hundred  
17 acres of Greenwood Park which provides ample room for the expansion of zoo facilities on  
18 property that did not flood during the August 2016 flood; and

19           WHEREAS, BREC should stop wasting taxpayers dollars conducting studies on  
20 potential relocation sites for the zoo and should work diligently to improve and expand the  
21 zoo at its current location.

22           THEREFORE, BE IT RESOLVED that the House of Representatives of the  
23 Legislature of Louisiana does hereby create the Task Force on Recreation and Park  
24 Commission for the Parish of East Baton Rouge Policies to study issues related to the  
25 operation, management, funding, and location of the Baton Rouge Zoo and to provide for  
26 a written report of findings and recommendations to the House Committee on Municipal,  
27 Parochial and Cultural Affairs not later than December 31, 2018.
