

1 (1) The advisability of expanding the authority of the division of administrative law
2 to cover agencies currently exempted from having adjudications conducted by the division
3 and agencies whose adjudications are currently only partially being conducted by the
4 division.

5 (2) The advisability of the office of mineral resources and the Mineral and Energy
6 Board in the Department of Natural Resources administering and managing mineral leases
7 for all state departments, agencies, and institutions.

8 (3) The advisability of the charitable gaming and alcoholic beverage control
9 functions of the Department of Revenue being transferred to public safety services of the
10 Department of Public Safety and Corrections.

11 (4) The advisability of transferring the state's audit functions relative to
12 unemployment insurance taxes to the Department of Revenue.

13 (5) The respective functions and capabilities of the State Police Commission and the
14 Department of State Civil Service to determine which functions could be consolidated and
15 how resources and personnel could best be utilized, particularly as related to testing
16 functions and office of management and finance functions.

17 (6) The consolidation of reporting of extracted mineral resources, royalty payments,
18 and severance taxes.

19 (7) The consolidation of reporting of unemployment and withholding taxes.

20 (8) The authority and functions of the state treasurer provided by law, particularly
21 R.S. 36:801.3, relative to the four state retirement systems in the Department of the
22 Treasury.

23 (9) The placement of agencies within departments and department oversight and
24 control of agencies.

25 (10) The centralization and consolidation of management and finance functions
26 within each department.

27 BE IT FURTHER RESOLVED that a suitable copy of this Resolution be transmitted
28 to each statewide elected official and the chief executive officer of each department in the
29 executive branch of state government.
