

2016 Regular Session

HOUSE RESOLUTION NO. 240

BY REPRESENTATIVE WILLMOTT

A RESOLUTION

To direct the division of administration to review the historical purchasing of state agencies in the last two months of the fiscal year as compared to the first 10 months and report its findings and any recommendations for more efficient purchasing practices to the House of Representatives no later than 30 days prior to the convening of the 2017 Regular Session of the Legislature.

WHEREAS, Louisiana has faced deficits annually since Fiscal Year 2008-2009; and

WHEREAS, the state general fund expenditures of state government are projected to continue to grow in the five-year continuation baseline projection but state revenues are not projected to meet those expenditures; and

WHEREAS, solving the budget deficits in the coming years and setting the state on a path of continued fiscal responsibility requires a thorough review of all areas of state spending; and

WHEREAS, there are numerous areas within state government in which reforming the current policies and practices will produce savings or additional revenues for the state.

THEREFORE, BE IT RESOLVED that the House of Representatives of the Legislature of Louisiana does hereby direct the division of administration to review the historical purchasing of state agencies in the last two months of the fiscal year as compared to the first 10 months and report its findings and any recommendations for more efficient purchasing practices to the House of Representatives no later than 30 days prior to the convening of the 2017 Regular Session of the Legislature.

BE IT FURTHER RESOLVED that a copy of this Resolution be sent to the commissioner of administration.
