

2024 Regular Session

HOUSE RESOLUTION NO. 28

BY REPRESENTATIVE DICKERSON

A RESOLUTION

To commend women in industry in Louisiana for their essential roles in the state's economic, social, and cultural development.

WHEREAS, industry powers Louisiana by growing its economy and creating jobs; this would not be possible without the efforts of women, who lead the way in industry; and

WHEREAS, women are shaping industry; the contributions women make are an important facet of Louisiana's efforts to build upon its rich energy history, which works to pave the way for a modern future that is cleaner, greener, and more diverse; and

WHEREAS, women of every race, class, and ethnic background have made significant contributions to the growth and strength of the state of Louisiana in countless ways, and continue to play critical economic, cultural, and social roles in every facet of life by contributing to the labor force; and

WHEREAS, the Louisiana chemical industry promotes the employment and advancement of skilled women and benefits the state of Louisiana through community development and educational programs; and

WHEREAS, the Louisiana chemical industry provides thousands of high-paying jobs to women, including governmental relations professionals, engineers, operators, process safety and human resources professionals, contractors, construction workers, and many more; and

WHEREAS, women in industry are most deserving of the highest commendation for the economic, cultural, and social contributions they have made in industry, which benefit their communities, the state of Louisiana, and the world as a whole.

THEREFORE, BE IT RESOLVED that the House of Representatives of the Legislature of Louisiana does hereby commend women in industry in Louisiana for their essential roles in the state's economic, social, and cultural development and does hereby recognize the contributions that women have made in industry.
