20                  (4) The commission shall not incur obligations of any kind prior to  
21                  securing the funds adequate to meet the same; nor shall the commission pledge  
22                  the credit of any of the member states, except by and with the authority of the  
23                  member state.

24                  (5) The commission shall keep accurate accounts of all receipts and  
25                  disbursements. The receipts and disbursements of the commission shall be  
26                  subject to the audit and accounting procedures established under its bylaws.  
27                  However, all receipts and disbursements of funds handled by the commission  
28                  shall be audited yearly by a certified or licensed public accountant, and the  
29                  report of the audit shall be included in and become part of the annual report of  
30                  the commission.

1                   **F. Qualified immunity, defense, and indemnification**

2                   **(1) The members, officers, executive director, employees, and**  
3                   **representatives of the commission shall be immune from suit and liability, either**  
4                   **personally or in their official capacity, for any claim for damage to or loss of**  
5                   **property or personal injury or other civil liability caused by or arising out of**  
6                   **any actual or alleged act, error or omission that occurred, or that the person**  
7                   **against whom the claim is made had a reasonable basis for believing occurred**  
8                   **within the scope of commission employment, duties or responsibilities; provided**  
9                   **that nothing in this Paragraph shall be construed to protect any such person**  
10                  **from suit and/or liability for any damage, loss, injury, or liability caused by the**  
11                  **gross negligence or intentional or willful or wanton misconduct of that person.**

12                  **(2) The commission shall defend any member, officer, executive director,**  
13                  **employee, or representative of the commission in any civil action seeking to**  
14                  **impose liability arising out of any actual or alleged act, error, or omission that**  
15                  **occurred within the scope of commission employment, duties, or responsibilities,**  
16                  **or that the person against whom the claim is made had a reasonable basis for**  
17                  **believing occurred within the scope of commission employment, duties, or**  
18                  **responsibilities; provided that nothing herein shall be construed to prohibit that**  
19                  **person from retaining his or her own counsel; and provided further, that the**  
20                  **actual or alleged act, error, or omission did not result from that person's gross**  
21                  **negligence or intentional or willful or wanton misconduct.**

22                  **(3) The commission shall indemnify and hold harmless any member,**  
23                  **officer, executive director, employee, or representative of the commission for**  
24                  **the amount of any settlement or judgment obtained against that person arising**  
25                  **out of any actual or alleged act, error, or omission that occurred within the**  
26                  **scope of commission employment, duties, or responsibilities, or that such person**  
27                  **had a reasonable basis for believing occurred within the scope of commission**  
28                  **employment, duties, or responsibilities, provided that the actual or alleged act,**  
29                  **error, or omission did not result from the gross negligence or intentional or**  
30                  **willful or wanton misconduct of that person.**

**SECTION 11. COORDINATED DATABASE**

**A. The commission shall provide for the development and maintenance of a coordinated database and reporting system containing licensure, adverse action, and significant investigatory information on all licensed individuals in member states.**

**B. Notwithstanding any other provision of state law to the contrary, a member state shall submit a uniform data set to the coordinated database on all individuals to whom this compact is applicable as required by the rules of the commission, including:**

**(1) Identifying information.**

**(2) Licensure data.**

**(3) Significant investigatory information.**

**(4) Adverse actions against an individual's license.**

**(5) An indicator that an individual's privilege to practice is restricted, suspended, or revoked.**

**(6) Nonconfidential information related to alternative program participation.**

**(7) Any denial of application for licensure, and the reason(s) for such denial.**

**(8) Other information that may facilitate the administration of this compact, as determined by the rules of the commission.**

**C. The coordinated database administrator shall promptly notify all member states of any adverse action taken against, or significant investigative information on, any individual in a member state.**

**D. Member states contributing information to the coordinated database may designate information that may not be shared with the public without the express permission of the contributing state.**

**E. Any information submitted to the coordinated database that is subsequently required to be expunged by the laws of the member state contributing the information shall be removed from the coordinated database.**

SECTION 12. RULEMAKING

1  
2           A. The commission shall exercise its rulemaking powers pursuant to the  
3 criteria set forth in this Section and the rules adopted thereunder. Rules and  
4 amendments shall become binding as of the date specified in each rule or  
5 amendment.

6           B. If a majority of the legislatures of the member states rejects a rule, by  
7 enactment of a statute or resolution in the same manner used to adopt the  
8 compact, then such rule shall have no further force and effect in any member  
9 state.

10           C. Rules or amendments to the rules shall be adopted at a regular or  
11 special meeting of the commission.

12           D. Prior to promulgation and adoption of a final rule or rules by the  
13 commission, and at least sixty days in advance of the meeting at which the rule  
14 will be considered and voted upon, the commission shall file a notice of  
15 proposed rulemaking:

16           (1) On the website of the commission.

17           (2) On the website of each member state EMS authority or the  
18 publication in which each state would otherwise publish proposed rules.

19           E. The notice of proposed rulemaking shall include:

20           (1) The proposed time, date, and location of the meeting in which the rule  
21 will be considered and voted upon.

22           (2) The text of the proposed rule or amendment and the reason for the  
23 proposed rule.

24           (3) A request for comments on the proposed rule from any interested  
25 person.

26           (4) The manner in which interested persons may submit notice to the  
27 commission of their intention to attend the public hearing and any written  
28 comments.

29           F. Prior to adoption of a proposed rule, the commission shall allow  
30 persons to submit written data, facts, opinions, and arguments, which shall be

1 made available to the public.

2 G. The commission shall grant an opportunity for a public hearing  
3 before it adopts a rule or amendment if a hearing is requested by:

4 (1) At least twenty-five persons.

5 (2) A governmental subdivision or agency.

6 (3) An association having at least twenty-five members.

7 H. If a hearing is held on the proposed rule or amendment, the  
8 commission shall publish the place, time, and date of the scheduled public  
9 hearing.

10 (1) All persons wishing to be heard at the hearing shall notify the  
11 executive director of the commission or other designated member in writing of  
12 their desire to appear and testify at the hearing not less than five business days  
13 before the scheduled date of the hearing.

14 (2) Hearings shall be conducted in a manner providing each person who  
15 wishes to comment a fair and reasonable opportunity to comment orally or in  
16 writing.

17 (3) No transcript of the hearing is required, unless a written request for  
18 a transcript is made, in which case the person requesting the transcript shall  
19 bear the cost of producing the transcript. A recording may be made in lieu of  
20 a transcript under the same terms and conditions as a transcript. This  
21 Subsection shall not preclude the commission from making a transcript or  
22 recording of the hearing if it so chooses.

23 (4) Nothing in this Section shall be construed as requiring a separate  
24 hearing on each rule. Rules may be grouped for the convenience of the  
25 commission at hearings required by this Section.

26 I. Following the scheduled hearing date, or by the close of business on the  
27 scheduled hearing date if the hearing was not held, the commission shall  
28 consider all written and oral comments received.

29 J. The commission shall, by majority vote of all members, take final  
30 action on the proposed rule and shall determine the effective date of the rule,

1 if any, based on the rulemaking record and the full text of the rule.

2 K. If no written notice of intent to attend the public hearing by interested  
3 parties is received, the commission may proceed with promulgation of the  
4 proposed rule without a public hearing.

5 L. Upon determination that an emergency exists, the commission may  
6 consider and adopt an emergency rule without prior notice, opportunity for  
7 comment, or hearing, provided that the usual rulemaking procedures provided  
8 in the compact and in this Section shall be retroactively applied to the rule as  
9 soon as reasonably possible, in no event later than ninety days after the effective  
10 date of the rule. For the purposes of this provision, an emergency rule is one  
11 that must be adopted immediately in order to:

12 (1) Meet an imminent threat to public health, safety, or welfare.

13 (2) Prevent a loss of commission or member state funds.

14 (3) Meet a deadline for the promulgation of an administrative rule that  
15 is established by federal law or rule.

16 (4) Protect public health and safety.

17 M. The commission or an authorized committee of the commission may  
18 direct revisions to a previously adopted rule or amendment for purposes of  
19 correcting typographical errors, errors in format, errors in consistency, or  
20 grammatical errors. Public notice of any revisions shall be posted on the website  
21 of the commission. The revision shall be subject to challenge by any person for  
22 a period of thirty days after posting. The revision may be challenged only on  
23 grounds that the revision results in a material change to a rule. A challenge  
24 shall be made in writing, and delivered to the chair of the commission prior to  
25 the end of the notice period. If no challenge is made, the revision will take effect  
26 without further action. If the revision is challenged, the revision may not take  
27 effect without the approval of the commission.

28 SECTION 13. OVERSIGHT, DISPUTE RESOLUTION,

29 AND ENFORCEMENT

30 A. Oversight

1           **(1) The executive, legislative, and judicial branches of state government**  
2           **in each member state shall enforce this compact and take all actions necessary**  
3           **and appropriate to effectuate the compact's purposes and intent. The provisions**  
4           **of this compact and the rules promulgated hereunder shall have standing as**  
5           **statutory law.**

6           **(2) All courts shall take judicial notice of the compact and the rules in**  
7           **any judicial or administrative proceeding in a member state pertaining to the**  
8           **subject matter of this compact which may affect the powers, responsibilities, or**  
9           **actions of the commission.**

10           **(3) The commission shall be entitled to receive service of process in any**  
11           **such proceeding, and shall have standing to intervene in such a proceeding for**  
12           **all purposes. Failure to provide service of process to the commission shall**  
13           **render a judgment or order void as to the commission, this compact, or**  
14           **promulgated rules.**

15           **B. Default, technical assistance, and termination**

16           **(1) If the commission determines that a member state has defaulted in**  
17           **the performance of its obligations or responsibilities under this compact or the**  
18           **promulgated rules, the commission shall:**

19           **(a) Provide written notice to the defaulting state and other member**  
20           **states of the nature of the default, the proposed means of curing the default,**  
21           **and/or any other action to be taken by the commission.**

22           **(b) Provide remedial training and specific technical assistance regarding**  
23           **the default.**

24           **(2) If a state in default fails to cure the default, the defaulting state may**  
25           **be terminated from the compact upon an affirmative vote of a majority of the**  
26           **member states, and all rights, privileges, and benefits conferred by this compact**  
27           **may be terminated on the effective date of termination. A cure of the default**  
28           **does not relieve the offending state of obligations or liabilities incurred during**  
29           **the period of default.**

30           **(3) Termination of membership in the compact shall be imposed only**

1 after all other means of securing compliance have been exhausted. Notice of  
2 intent to suspend or terminate shall be given by the commission to the governor,  
3 the majority and minority leaders of the defaulting state's legislature, and each  
4 of the member states.

5 (4) A state that has been terminated is responsible for all assessments,  
6 obligations, and liabilities incurred through the effective date of termination,  
7 including obligations that extend beyond the effective date of termination.

8 (5) The commission shall not bear any costs related to a state that is  
9 found to be in default or that has been terminated from the compact, unless  
10 agreed upon in writing between the commission and the defaulting state.

11 (6) The defaulting state may appeal the action of the commission by  
12 petitioning the United States District Court for the District of Columbia or the  
13 federal district where the commission has its principal offices. The prevailing  
14 member shall be awarded all costs of such litigation, including reasonable  
15 attorney fees.

#### 16 C. Dispute resolution

17 (1) Upon request by a member state, the commission shall attempt to  
18 resolve disputes related to the compact that arise among member states and  
19 between member and nonmember states.

20 (2) The commission shall promulgate a rule providing for both mediation  
21 and binding dispute resolution for disputes as appropriate.

#### 22 D. Enforcement

23 (1) The commission, in the reasonable exercise of its discretion, shall  
24 enforce the provisions and rules of this compact.

25 (2) By majority vote, the commission may initiate legal action in the  
26 United States District Court for the District of Columbia or the federal district  
27 where the commission has its principal offices against a member state in default  
28 to enforce compliance with the provisions of the compact and its promulgated  
29 rules and bylaws. The relief sought may include both injunctive relief and  
30 damages. In the event judicial enforcement is necessary, the prevailing member

1 shall be awarded all costs of such litigation, including reasonable attorney fees.

2 (3) The remedies herein shall not be the exclusive remedies of the  
3 commission. The commission may pursue any other remedies available under  
4 federal or state law.

5 SECTION 14. DATE OF IMPLEMENTATION OF THE  
6 INTERSTATE COMMISSION FOR EMS PERSONNEL PRACTICE  
7 AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

8 A. The compact shall come into effect on the date on which the compact  
9 statute is enacted into law in the tenth member state. The provisions, which  
10 become effective at that time, shall be limited to the powers granted to the  
11 commission relating to assembly and the promulgation of rules. Thereafter, the  
12 commission shall meet and exercise rulemaking powers necessary to the  
13 implementation and administration of the compact.

14 B. Any state that joins the compact subsequent to the commission's  
15 initial adoption of the rules shall be subject to the rules as they exist on the date  
16 on which the compact becomes law in that state. Any rule that has been  
17 previously adopted by the commission shall have the full force and effect of law  
18 on the day the compact becomes law in that state.

19 C. Any member state may withdraw from this compact by enacting a  
20 statute repealing the same.

21 (1) A member state's withdrawal shall not take effect until six months  
22 after enactment of the repealing statute.

23 (2) Withdrawal shall not affect the continuing requirement of the  
24 withdrawing state's EMS authority to comply with the investigative and adverse  
25 action reporting requirements of this Act prior to the effective date of  
26 withdrawal.

27 D. Nothing contained in this compact shall be construed to invalidate or  
28 prevent any EMS personnel licensure agreement or other cooperative  
29 arrangement between a member state and a nonmember state that does not  
30 conflict with the provisions of this compact.

1                    **E. This compact may be amended by the member states. No amendment**  
2                    **to this compact shall become effective and binding upon any member state until**  
3                    **it is enacted into the laws of all member states.**

4                    **SECTION 15. CONSTRUCTION AND SEVERABILITY**

5                    **This compact shall be liberally construed so as to effectuate the purposes**  
6                    **thereof. If this compact shall be held contrary to the constitution of any member**  
7                    **state thereto, the compact shall remain in full force and effect as to the**  
8                    **remaining member states. Nothing in this compact supersedes state law or rules**  
9                    **related to licensure of EMS agencies.**

10                  Section 2. This Act shall become effective on July 1, 2021.
