Further provides the districts and the number of judges assigned to each on the effective date of this constitution are retained, subject to change by law enacted by two-thirds of the elected members of each house of the legislature.

Proposed law redraws district boundaries for the seven Supreme Court districts.
Proposed law provides the district boundaries will be effective upon signature of the governor or lapse of time for gubernatorial action for the purposes of qualifying for election and the election of a member of the Supreme Court from District 6 at the regularly scheduled election for such office in 2022.

Proposed law provides for subsequent elections of members of the Supreme Court and for all other purposes an effective date of January 1, 2023, at which time present law is repealed and proposed districts are effective for all other purposes.

Proposed law repeals present law that provides for an additional judgeship for the Court of Appeals for the Fourth Circuit who is assigned to the Louisiana Supreme Court.

Proposed law specifies that precincts referenced in district descriptions are those precincts identified as Voting Districts (VTDs) in the 2020 Census Redistricting TIGER/Line Shapefiles for the state of La. as validated through the data verification program of the La. legislature. Also specifies that if any such precinct has been subdivided by action of the

parish governing authority on a nongeographic basis or subdivided by action of the parish governing authority on a geographic basis in accordance with present law, the enumeration of the general precinct designation shall include all nongeographic and all geographic subdivisions thereof. Further provides that the territorial limits of the districts as enacted shall continue in effect without change regardless of any subsequent change made to the precincts by the parish governing authority.
