1

BY SENATOR MURRAY

2	To enact R.S. 22:1060.5, relative to prescription drug specialty tiers; to provide with respect
3	to limits on coinsurance; to provide for limits on out-of-pocket expenses for
4	prescription drugs; and to provide for related matters.
5	Be it enacted by the Legislature of Louisiana:
6	Section 1. R.S. 22:1060.5 is hereby enacted to read as follows:
7	§1060.5. Specialty drug tiers; prohibitions; limits on co-payments
8	A. A health insurance issuer of a health benefit plan that covers
9	prescription drugs, as defined in R.S. 22:1060.1(8), and utilizes a formulary tier
10	that is higher than a preferred or non-preferred brand drug tier, sometimes
11	known as a specialty drug tier, shall limit any required co-payment or
12	coinsurance applicable to drugs on such tier to an amount not to exceed one
13	hundred and fifty dollars per month for each drug up to a thirty-day supply of
14	any single drug. This limit shall be inclusive of any co-payment or coinsurance.
15	This limit shall be applicable after any deductible is reached and until the
16	individual's maximum out-of-pocket limit has been reached.
17	B. A health care issuer of a health benefit plan that covers prescription
18	drugs, as defined in R.S. 22:1060.1(8), and utilizes specialty tiers shall be
19	required to implement an exceptions process that allows enrollees to request an
20	exception to the formulary. Under such an exception, a non-formulary specialty
21	drug could be deemed covered under the formulary if the prescribing physician
22	determines that the formulary drug for treatment of the same condition either
23	would not be as effective for the individual, would have adverse effects for the

1 individual, or both. In the event an enrollee is denied an exception, such denial 2 shall be considered an adverse event and shall be subject to the health plan 3 internal review process and the state external review process. 4 C. The provisions of this Section shall not apply to the Office of Group 5 Benefits or to the claims of the Office of Group Benefits enrollees administered by health insurance issuers. 6 7 Section 2. The provisions of this Section shall become effective on January 1, 2015. PRESIDENT OF THE SENATE SPEAKER OF THE HOUSE OF REPRESENTATIVES GOVERNOR OF THE STATE OF LOUISIANA APPROVED:
